Excused

Mayor Heyder, called the meeting to order at 7:00 p.m. He welcomed the council and all others present. John Levenduski led us in the pledge of allegiance and Tim Heyder offered the opening prayer.

Mayor Tim Heyder, called for a motion to accept the agenda.

Scott O'Hare made a motion to accept the agenda. Keith Thompson 2nd. All council members present voted yes.

John Levenduski made a motion to accept the minutes from the previous. Keith Thompson 2nd. All council members present voted yes.

Deputy Palmer

Deputy Palmer presented the council with statistics from last year compared to this year. He also warned the council about possible fraud calls going around that are scam.

CDBG Project

Eric Dursteler, Engineer, came out Monday and sat down with Tammie Morgan, Clerk and Mayor Heyder. They discussed the storm drain project and putting it out for bid. Mayor Heyder showed the council the project plans. There is a mandatory meeting for all contractors on Feb 26th at 3pm that want to put in a bid for the project. The construction is set to start early spring so we can be done with the most traffic areas before the busy summer months hit.

Vicious Dogs

Scott O'Hare stated he has been looking into the state and county laws. He feels like the dog should not be taken on the first offense and we need to make sure that it is actually a dog bite and a vicious dog. Scott feels we need to document the incident and get pictures and a statement from the victim and the dog owner. We just need to make sure that we are being fair on all sides. Scott said he will do some more research and come back with more information for next town council meeting.

Tammie stated that she called the vet and he can come out on Saturday April 4th from 10-12 for the dog licensing. The council said this would work so Tammie will continue to advertise this date.

Water Dept.

Alan Terry and AJ Morgan are headed to the RWAU conference the last week in February to get the hours they need to stay certified.

Easter Egg Hunt

Tammie stated she put a note out on Facebook for anyone interested in helping with the Easter Activity to let her know and she only had Allison Eliason respond and say that she would be able to donate some money to help with prizes. Scott O'Hare stated he could head up the activity but they would have to do it on the 4th because he will be gone on the 11th. The council agreed this would be ok since no one else responded to help. They will do the egg hunt in the afternoon after the dog licensing. The council decided on 2:00-4:00 pm.

Streets & Roads

Mayor Heyder said Bill Gilson from the county came out and they drove around and looked around the town to look at the signs. After looking at the roads, Bill stated he will have the county bring their speed radar out and get some statistics that we can go by and get a study going to help us re-sign the roads in our town to help us control the speeding. He will wait until traffic gets busier when the weather starts getting nicer. The council agreed this would be a great idea.

Old and Other New Business

Citizen Concerns

Rod McGary stated that we are getting high speed internet out in Snowville this summer. He also stated that he sits on the book mobile council and they would like to do a mini book mobile to key locations. They are wondering if Snowville would be interested in doing that. It would just be a couple of shelves here in the town hall when the office is opened people could come in and self-check books out. The council agreed that would be great and told Rod to let them know when they get more details about it.

Acceptance of Expenses

Scott O'Hare made a motion to accept the expenses. Keith Thompson 2nd. All council members present voted yes.

Adjourn

John Levenduski made a motion to adjourn. Scott O'Hare 2nd. All council members present voted yes.

The meeting adjourned at 8:10 p.m.

Tammie Morgan, Clerk/Recorder
