Scott O'Hare made a motion to accept the minutes from the previous meeting. John Levenduski 2nd. All council members present voted yes.

Deputy Palmer

Deputy presented a report for the last two months he said calls are down 12 from last year. It has been quiet out here. He also introduced a new deputy to the department. Mayor Heyder told deputy Palmer that there has been some confusion with dispatch. He had the sheriff from

Oneida County call and say his dispatch was told from BE Dispatch that we would no longer be going into Idaho to respond. Mayor Heyder is going to talk to Nikki at dispatch tomorrow to clear up any confusion there might be.

Christmas Activities

Amy Wilcock headed up the activities and she did an excellent job. There were about 50 kids that attended. They made a craft and frosted cookies before Santa came. There were a lot of parents that said thank-you for the success of this activity.

Fire Department

Mayor Heyder asked if we have been paid on the fires. Tammie said she has gotten an email from Tiffine needing some more information. Tammie will send her all the information she has to see if we can get them paid. There is only about $2000 -$2500 outstanding.

Mayor also stated that Cory Richardson from the State Fire Marshall office is willing to come out and get the department trained on county fires.

Scott O'hare asked if he could get a copy of the fire contract for him and Jeremy Wilcock to review before it comes time to renew. Tammie said she would get them to him.

EMS

There was a call from Oneida County Sherriff in concern of our ambulance service not responding into Idaho. Mayor Heyder is meeting with BE dispatch to get this cleared up but it seems this is a problem from one of the new dispatchers for Oneida county. Mayor Heyder will follow up on this.

Parks & Recreation

The cabinet has been delivered and installed for flammables.

Streets & Roads

The snow plow job posting ended on Monday and AJ Morgan was the only one that put in for it. So, he will continue to remove the snow on the roads. The job was posted for a 3-year term, so, we will not need to post until 2022. Scott O'Hare will back him up if needed.

Mike contacted Yesco about replacing the sign. They are willing to put the sign up for nothing if we will lease the permit for 20 years so they can use the other side of the sign for

advertising for something else. The council had several questions about this. So, Mike will get more answers and report next meeting.

Cemetery

The rebar has been purchased and several of the markers have been installed in the ground. This way it will be a lot easier to find the plots, especially in the winter months with snow.
