Library Plan During Health Concerns

- Only two computers available on opposite sides. No gaming, social media, video binge watching. Leave other computers off and remove chairs. Have hand sanitizer available by computers.
- No events or community room use/reservations.
- No children's toys, coloring pages, and individual activities available. No puzzles.
- Fewer chairs available at tables. One for smaller tables; two for larger. No beanbags. Post signs that limited seating and technology is available due to social distancing. Encourage wifi in parking lot.
- Library phones not available for patron use.
- Items sanitized once received.
- Tables, patron equipment, and door handles sanitized before opening, at 2:30 PM, and as needed throughout the day.
- Promote online library resources and collections.
- Staff practices regular handwashing while at work and maintain distance from others as much as practicable.
