

Important COVID-19 Information from The Town of Hideout Utah

In observation of published public health guidance, the staff of Hideout is now working remotely. We encourage you to call our staff with your questions or concerns at 435-659-4739. Your calls will be routed to the appropriate staff member.

Until further notice, we respectfully ask that the public does not come to the Town Hall. Please call our staff as noted above. We will work to address your concerns over the phone to determine if a visit is necessary. Should a face to face meeting be required, we can arrange a meeting with appropriate social distancing.

Planning Commission and Town Council Meetings are held electronically. We strongly suggest that you join by telephone and/or web. If you choose to attend in person, attendance will be limited to 10 people in the Council room including staff.

Public Works and Engineering staff will continue to be in the field. We would expect the public to maintain appropriate social distancing should you need to approach staff with questions or comments.

In this time of social distancing, we encourage utility payments be made via our Xpress Bill Pay option rather than mailing or dropping off payments at the Town Hall. This minimizes the need for physical contact with documents which reduces the risk of exposure. Setting up online payments is free and easy and can be done at:

(800) 766-2350

www.xpressbillpay.com

(If you need support to set up your account, please contact our billing department for assistance.)

Thank you for your understanding and cooperation
The Town of Hideout Utah

Philip J Rubin
Mayor
