Item 1 – Open Meetings Training—Gary:

- Gary provided training on the guidelines for open meetings and how to ensure proper transparency.
- Gary explained that the members of TMAC do not have constituencies, and so, they are not accountable to a group of voters. Rather, they are on the committee to provide perspective from the different areas of the City in the recommendations they make.

Item 2 – Future TMAC Topics:

- Time ran short for this discussion so TMAC members will bring ideas for the next meeting.

Next Meeting: April 14, 2020 at 12:30pm.
