

The Town Council of Snowville Town held its regular monthly meeting at the Snowville Town Hall on **Wednesday March 11, 2020.**

Council Present

Tim Heyder, Mayor
Keith Thompson, Council Member
Scott O'Hare, Council Member
Rod McGary, Council Member
Stacey Hill, Treasurer
Tammie Morgan, Clerk/Recorder

Others Present

Alan Terry

Excused

Mayor Heyder, called the meeting to order at 7:00 p.m. He welcomed the council and all others present. Rod McGary led us in the pledge of allegiance and Scott O'Hare offered the opening prayer.

Mayor Tim Heyder, called for a motion to accept the agenda.

Keith Thompson made a motion to accept the agenda. Rod McGary 2nd. All council members present voted yes.

Keith Thompson made a motion to accept the minutes from the previous. John Levenduski 2nd. All council members present voted yes.

Deputy Palmer
Not in attendance

CDBG Project

Eric Dursteler, Engineer was out on Monday along with about 10 other construction companies walking the Storm Water Project. We ended up having three people put in bids to do the project. L&M Industries was the lowest bidder for the project. We will go with this company as long as BRAG approves the construction company. We are going to have to remove one of the projects from the original plan because the bid came in too high. After talking with Eric, it was decided we need to eliminate the project that is on the road heading down to the dairy. We can pick this project up on another grant that we are working on getting. This will make it possible to stay in budget with our CDBG Funding.

Eric has been busy with the CDBG Project but he is going to start working on the SEARCH Grant to get the other water project going.

Water Dept.

Alan Terry, AJ Morgan and Tammie Morgan, Clerk, went down to the RWAU conference the last week in February. Alan stated he was able to get the CCR report done for the year. The conference has a lot of different classes to learn from. By attending the conference, it gives AJ & Alan enough credits to stay certified for the year.

Easter Egg Hunt

The date is scheduled for April 4th from 2 pm -4 pm and we will stuff eggs Thursday April 2nd at 6 pm. Mayor Heyder stated the Young Women would like to help stuff the eggs. Scott will get with Tammie to get all of the prizes ordered and paid for. The Fire Department will bring the Easter Bunny in on the Fire Truck. Scott stated we may need to get new Bunny Costume. He will look into it. Mayor Heyder said we need to think about all options since everyone is shutting down with the COVID 19 virus. Scott said we will just play it by ear and make a decision when it gets closer. The council asked Tammie to put it on Facebook and see what parents would like to do. If they would like to wait until the fall to have something when the virus is settled down.

Dog Licensing

Dog Licensing is scheduled for April 4th from 10:30 -12 noon. Mayor Heyder asked John Levenduski to help him getting the bay at the Fire Station cleaned out and said he would ask AJ to get the snowplow moved. John stated that our Dog Catcher is in the hospital and has had a seizure of some sort so he will not be around to help with the licensing.

Bid out Pasture

The town owns 5 acres up behind Andrew Webecke's property. We have been approached by some people who would like to pasture their horses there. Everyone agreed we would

probably need to put it out for bid so everyone that wanted to could have a chance to bid on it. Mayor Heyder said he would come up with some words to put together to make a contract.

Cemetery/Park Maintenance

It is coming that time of year that we need to put this job out for bid. Tammie will get it advertised. We are unsure if we will be doing the churches portion of the park this year. We received a notice from the FM group for the church stating they were making some changes and they may go a different direction. Tammie will contact Bishop Smith and find out who we need to contact that would know what they would like us to do. Also, the council agreed to put the job out for a 3-year term. This way it eliminates having to put it out every single year.

Training on Open & Closed Meetings

Tammie sent a document home with the council on open and closed meetings. Also, everyone received a purchasing policy to review. She asked the council to please go home and read through the meeting document and become familiar with the purchasing policy so we will be up to date when we have our financial review in November. She will follow up next month to make sure each council member is trained on the two items.

Fire Department

Scott O'Hare sent the list of all of the wild land classes and everything to Jeremy. He will follow up with him and see where we are at with it.

Dog Ordinance

Scott O'Hare received a lot of information from the Brigham City Animal Control officer. Scott asked the council if we are in contract with Tremonton or Brigham City to help us? Mayor Heyder stated we were not.

He received a lot of great information that we can implement into our ordinance. Mayor Heyder stated maybe we need to have a mutual aid agreement with Tremonton or Brigham to help us out with our dog problem.

Scott will continue to get more information and so we can get something in place.

Landfill

We will not be having a free dump day this year it just costs the town too much money and people are taking advantage of it.

Old and Other New Business

Citizen Concerns

Acceptance of Expenses

Keith Thompson made a motion to accept the expenses. Scott O'Hare 2nd. All council members present voted yes.

Adjourn

John Levenduski made a motion to adjourn. Scott O'Hare 2nd. All council members present voted yes.

The meeting adjourned at 8:36 p.m.

Tammie Morgan, Clerk/Recorder
