Jaden Coates-sewer pond/goats: Jaden Coates stated he usually houses his goats at the Salina City Sewer Pond. He has for several years. **Coates** made a deal with Salina City to keep his goats around the Sewer pond to help keep the weeds down. Salina City asked Coates to remove his goats last year was due to the sewer ponds dying. **Mike Stevens** found 3 dead goats at the sewer ponds last year, and didn't know if the goats died from the sewer issues. Jennifer Robinson from the State recommend Salina City lock the gates to take all precautions until they pinpoint what has been causing the sewer to die. **Stevens** stated Jaden needs to take care of the dead carcasses and make sure he is watering the goats. The goats shouldn't be drinking out of the sewer pond. **Brad Allen** stated Salina City is not responsible to water the goats or take care of them at all. **Allen** stated if Coates wants to fix the pump and add a gate he is fine to keep the goats on the sewer property if they aren't getting near the sewer pond. **Mayor Maxwell** stated he agrees it

will be fine if Jaden Coates keeps his goats on the Salina Sewer property, but he needs to be the one to take care of them. **Mayor Maxwell** suggested to Jaden Coates scheduling a time to meet with Brad and Mike to figure out what will work the best for him.
