Audit Committee Authority

Pursuant to Board of Trustees Work Meeting, dated February 1, 2019, the Greater Salt Lake Municipal Services District Board of Trustees (the "Board of Trustees") of Greater Salt Lake Municipal Services District (the "Municipal Services District") has established an audit committee to assist the Board of Trustees in the oversight of both the internal and external audit functions. The motion that was unanimously approved was to establish an Audit Committee that is a sub-set of the Board of Trustees and is to help oversee the finances of the Municipal Service District.

The committee shall include: two members of the Board of Trustees, with one member having financial expertise; and one member at large (Community Member) from the community who resides within the Municipal Services District's jurisdiction and has financial expertise. The Community Member shall apply for membership and will be approved by the Audit Committee. The Community Member shall serve a three (3) year term.

- 2) Have the ability to communicate with auditors, public finance officers and the governing body.
