1. North Lakeshore study. ([Click here for recording](#))
 - a. The North Lakeshore study was done by Mountainland Association of Governments (MAG) and Avenue Consultants put it out for public comment. There were five objectives:
 - i. Well-being
 - ii. Improve accessibility
 - iii. Transportation system
 - iv. Open space,
 - v. Regional collaboration
 - b. There was a discussion about a bridge to be built across Utah Lake with various starting and terminating points on both sides of the lake.
2. Update on upcoming transportation projects. ([click here for recording](#))
 - a. Still working to see if two property owners near the roundabout at 400 W 1200 South want to sell their properties. Work on the roundabout will be done during the summer when school is not in session.

There was a discussion about the student housing project in the area and the effect of students in general in the area regarding housing.
 - b. Center Street from 1200 West eastbound ([click here for recording](#))
 - i. Will extend eastbound third lane to 1000 west. The left turn lanes eastbound will be taken away and that space will be used for stacking on the westbound left turn to I-15. Eastbound will be then have a through U-turn just east of the gas station on the north side of Center Street. This project will not happen until 2025 or 2026.
 - c. Center Street west of I-15 ([click here for recording](#))
 - i. Vineyard has signed an agreement with Union Pacific Railroad to abandon the crossing across Center Street and to widen it to 2 lanes in each direction west of the freeway to Geneva Road.
 - d. 1600 North corridor ([Click here for recording](#))

- i. 1600 North is now under the State’s jurisdiction. There was a discussion about purchasing the homes on the south side of 1600 North and what will be done with them until the road is widened.
- e. State Street Mobility Project ([click here for recording](#))
 - i. Update on project
- f. 800 North and 600 West ([click here for recording](#))
- g. 400 E 1600 North ([click here for recording](#))
 - i. Update on intersection – roundabout or scramble lighting
- h. Temple ([click here for recording](#))
 - i. Open house Thursday, March 5th at 8:00 p.m.
 - ii. Discussion on the area surrounding the temple site.
- i. Discussion on upcoming biking tour and looking for areas for buffered bike lanes. ([click here for recording](#))
