School-based Personnel Immunization Requirements Regulation

Davis County Board of Health

05/12/20

Wendy Garcia RN

Davis COUNTY HEALTH DEPARTMENT

New Regulation Proposal

- Presented to Board of Health on February 11, 2020
- Approved for Public Hearing
- Letters sent out to public, private, and parochial schools
- Public Hearing was held on April 2, 2020
  - Brian Cook - Hearing Officer
  - One community member attended
    - Dr. David Cope (representing Northern Utah Immunization Coalition) - supporting the new regulation
  - Public comments accepted until April 10, 2020. No additional comments received.

Findings of Fact & Conclusions of Law

- Defines required immunizations & recommends additional vaccines
- Defines the requirements for proof of immunity
- Explains requirement for maintenance of personal immunization records by the school-based personnel
- Describes process for claiming an exemption
- Identifies when exclusions would occur
- Outlines public health authority
- Encourages schools to develop policies to address the regulation

➢ Schools are potential high-risk areas for transmission
➢ Immunizations are equally important for school staff
➢ Vaccines have prevented countless cases of disease & saved lives

Actions Requested

- Board of Health approve the Findings of Fact and Conclusions of Law
- Adopt the School-based Personnel Immunization Requirements Regulation
