Special Session, 5:00 p.m.

1. Action Item: Consideration to approve purchase of Scholastic Summer School Learning Program.

Ms. Jolovich-Motes gave a presentation to the board regarding the purchase of Scholastic Literacy Packs to support summer learning. These literacy packs contain either three or five books, parent guide, and tools for families in English and Spanish. All students grades K-8 will receive a literacy pack. Additionally, week-long Summer LitCamp will be offered virtually June 1-July 16 for one to two hours per day and will be provided by Ogden School District licensed teachers. Adam McMickell reported our Curriculum Team has vetted this curriculum and determined it meets our needs given the circumstances. Carrie Maxson gave a report to the board regarding the use of summer LitCamp in our district during summer 2019. Funds for this purchase have already been budgeted to be spent this year, using multiple programs. Additional summer learning opportunities include targeted math skill boot camps for grades 5 through 12. High schools will also offer additional summer learning opportunities for credit recovery.

MOTION: Board member Nancy Blair moved to approve the purchase of Scholastic Literacy Packs for grades K-8, seconded by Susan Richards. The motion passed.
