2. Purchases made through the cooperative purchasing contracts administered by the State Division of Purchasing.
3. Purchases made from single-source provider.
4. Purchases required during an emergency, i.e. an eminent threat to the public's health, welfare, or safety. However, as much competition as practical should be obtained; and, such purchases should be limited to amounts necessary to the resolution of the emergency.

B. Purchases requiring sealed bids.

1. Contracts shall be awarded by competitive sealed bidding except as otherwise provided by this policy.
2. An invitation for the bids shall be issued when a contract is to be awarded by competitive sealed bidding. The invitation shall include a purchase description and all contractual terms and conditions applicable to the procurement. Public notice of the invitation for bids shall be given at least 30 days prior to the date set forth therein for the opening of bids. The notice may include publication in a newspaper of general circulation.
3. Any procurement in excess of \$25,000. shall require a legal notice in a local

newspaper of general circulation.

The amount of each bid and any other relevant information, together with the name of each bidder, shall be recorded. The record and each bid shall be open to public inspection.

D. Use of competitive sealed proposals in lieu of bids.

When the purchasing agent determines in writing that the use of competitive sealed bidding is either not practical or not advantageous to the Town, a contract may be entered into by competitive sealed proposals. Competitive sealed proposals are most appropriately used for professional service-type contracts.

1. Proposals shall be solicited through a request for proposals. Public notice of the request for proposals shall be given at least 30 days prior to the advertised date of the opening of the proposals.
2. Proposals shall be opened so as to avoid disclosure of contents to competing offerors during the process of negotiation. A register of proposals shall be prepared and shall be open for public inspection after contract award.
3. The request for proposals shall state the relative importance of price and other

evaluating factors.

4. Offerors shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals, and revisions may be permitted after submissions and prior to the award for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors.
 5. Award shall be made to the person whose proposal is determined, in writing, to be the most advantageous to the Town, taking into consideration price and the evaluation. The contract file shall contain the basis on which the award is made.
- E. Architect-Engineer services are qualification-based procurements. Requests for such services should be publicly announced. Contracts should be negotiated by the Town based on demonstrated competence at fair and reasonable prices.
- F. Determination of nonresponsibility of a bidder or offeror shall be made in writing. The unreasonable failure of a bidder or offeror to promptly supply information in connection with an inquiry with respect to responsibility may be grounds for a determination of nonresponsibility with respect to the bidder or offeror. Information furnished by a bidder or offeror pursuant to this section shall not be disclosed outside of the purchasing division without prior written consent of the bidder or offeror.
- G. Cost-plus-a-percentage-of cost contracts prohibited.

Subject to the limitations of this section, any type of contract which will promote the best interest of the Town may be used, provided that the use of a cost-plus-percentage-of cost contract is prohibited. A cost-reimbursement contract may be used only when a determination is made in writing that such a contract is likely to be less costly to the Town than any other type or that is impractical to obtain the supplies services, or construction required except under such a contract.

H. Required contract clauses.

1. The unilateral right of the Town to order, in writing, changes in the work within the scope of the contract and changes in the time of performance of the contract that do not alter the scope of the contract.
2. Variations occurring between estimated quantities of work in a contract and actual quantities.
3. Suspension of work ordered by the Town.

ARTICLE 2

SPECIFICATIONS
