Public Hearing was called to order at 1:35 P.M.

DISCUSSION AND ACTION ON APPOINTING BRANDY SALAZAR AS ADVISORY GROUP MEMBER FOR MYTON CITY AS REFERENCED IN THE MEMORANDUM OF UNDERSTANDING BETWEEN MYTON CITY AND THE UTE INDIAN TRIBE

Mayor Cooper stated we do not have a quorum to discuss this item and will be placed on the June meeting for consideration.

PRELIMINARY BUDGET HEARING 2020-2021

Mayor Cooper welcomed everyone to the public hearing. The purpose of this public hearing is to receive input into our 2021 fiscal budget. Council went through the proposed budget figures and made no changes. Jim and Larry asked about the figures in the law enforcement. Kalecia stated we have that figure in just in case Duchesne County Sheriff's office sends a bill for services. Mayor Cooper stated currently Myton City has not been billed. Mayor Cooper stated Chris Thomsen from Civco Engineering called to inform her that the grant for the Water Master Plan was unsuccessful until Myton City raises its water rates. Mayor Cooper stated she told him we might have to pass on this option. Mayor Cooper asked Kalecia what we were going to raise rates to for the next budget year. Larry Dye stated it was supposed to be \$5.00 per year until we got to the acceptable rate for the State of Utah. Larry asked if UBAOG had any grants that could help out with a Water Master Plan. Mayor Cooper stated she will call and ask. Larry Dye asked if we had any money budgeted for depreciation. Kalecia stated depreciation is figured into the proposed budget and zeroed.

ADJOURNMENT

Mayor Cooper asked if there were any other comments or questions. Seeing as there were none, Mayor Cooper closed the public hearing at 1:55 p.m.
