CITY ADMINISTRATOR – MAYOR BOYD BINGHAM:

A. Award Waterline Project Bid: Dana S shared that the city went out for bid on the waterline project that is about a mile of 10" waterline located on the west side of the highway past Crystal Hot Springs. She had a contractor discover some problems with their first design during the bidding phase regarding trees and retaining walls. Upon re-evaluation they did a quick redesign and delayed the bid opening so they could issue an addendum. The bids were opened through a Zoom meeting May 20, 2020 at 10:00 a.m. 20 contractors held plans and they received 11 bids. During the bid opening the apparent low bid was AAA Excavation. However, there was an error in their bid which put them in last place. The actual low bidder was Newman Construction out of Riverton. Dana contacted 3 references and all 3 stated they do fantastic work. She had no issue with their bid. Their bid was \$375,450.00 and she recommended awarding the bid to Newman Construction. Dana also shared there are 5 bracing power poles which could raise the cost of the project. And the city may want to have a contingency plan for those possibilities.

DALE MILLSAP motioned to accept Dana S recommendation and award the bid to Newman Construction for the Waterline Project of approximately 1 mile of 10" line along Highway 38 past Crystal Springs. BRUCE NELSON seconded the motion. MOTION CARRIED with Bruce N for, Jeff S for, Sharon L for, Trevor G for and Dale M for.

Mayor Bingham asked Dana to inform the low bidder that the city had accepted their bid. Dana S shared that it will take about 2 weeks to get the awards, the bond, contract employees and then schedule a pre-construction meeting.

Mayor Bingham stated that Troy has a legal easement documentation that he will present to Crystal Springs to sign the next day.

DALE MILLSAP motioned to adjourn. JEFF SANDERS seconded the motion. MOTION CARRIED with Bruce N for, Jeff S for, Sharon L for, Trevor G for and Dale M for.
