REVIEW AGENDA FOR REGULAR CITY COUNCIL AND SPECIAL REDEVELOPMENT AGENCY AND HOUSING AUTHORITY MEETINGS OF JUNE 16, 2020

Wayne Pyle, City Manager, indicated that new items had been added to the Redevelopment Agency and Housing Authority Meetings scheduled later this evening. He noted that the project had already been approved by both boards in February and the resolutions scheduled tonight would shift funding from the Housing Authority to the Redevelopment Agency.

Upon inquiry by Mayor Bigelow, members of the Council had no further questions or concerns regarding items listed on the Agenda for the Regular City Council and Special Redevelopment Agency and Housing Authority Meetings scheduled later this night.

RESOLUTION 20-26: AUTHORIZE WEST VALLEY CITY TO APPROVE THE AMENDED SALT LAKE METROPOLITAN NARCOTICS TASK FORCE AGREEMENT

Colleen Jacobs, Police Chief, presented proposed Resolution 20-26 that would authorize West Valley City to approve the amended Salt Lake Metropolitan Narcotics Task Force Agreement.

Written documentation previously provided to the City Council included information as follows:

> In an effort to coordinate local law enforcement resources in the investigation of drug traffickers and their associated organizations and networks, law enforcement agencies of the greater Salt Lake Valley, State and Federal agencies have united efforts and resources to form the Salt Lake Metro Narcotics Task Force. The West Valley City Police Department has been an active participant in this taskforce since its inception. The amendments make several technical changes to the board executive board, asset forfeiture, and several other minor changes.
>
> The West Valley City Police Department has been an active participant and leader of this task force since its inception. This task force initiates and investigates major drug related crimes, including DTOs (Drug Trafficking Organizations), money laundering, and cases that requiring personnel or financial resources above what a local agency can supply.

The City Council will consider Resolution 20-26 at the Regular Council Meeting scheduled June 23, 2020 at 6:30 P.M.

DRAFT

RESOLUTION 20-80: APPROVE THE PURCHASE OF AN EOD SUIT FROM MED-ENG LLC

John Evans, Fire Chief, presented proposed Resolution 20-80 that would approve the purchase of an EOD Suit from Med-Eng LLC.

Written documentation previously provided to the City Council included information as follows:

> The EOD suit which we are purchasing is replacing one of the suits which our team currently utilizes. The suits have a shelf life and at end of life they are determined to not be safe to go down range and disrupt or take care of explosive items. With this purchase we will be able to maintain two suits for the team. This minimum is also required to keep the certification of the EOD unit for West Valley City.
>
> With this purchase our team will have two new suits, keeping the EOD unit in compliance and providing the needed safety to the technicians.

Mayor Bigelow asked what it means for the suit to expire. Chief Evans indicated that the fibers or material expire and are no longer safe for responders to use. Mayor Bigelow noted this would cause a safety concern to the users and a liability for the City. Chief Evans noted that this would also affect accreditation and is reviewed by the FBI and other agencies. Councilmember Buhler asked what is done with the old suits. Chief Evans replied that he believes they are disposed of but that some are used for training (trying the suits on).

The City Council will consider Resolution 20-80 at the Regular Council Meeting scheduled June 23, 2020 at 6:30 P.M.

RESOLUTION 20-81: AUTHORIZE THE ACCEPTANCE OF A PROPOSAL BY KEDDINGTON AND CHRISTENSEN, CERTIFIED PUBLIC ACCOUNTANTS, LLC TO PROVIDE AUDITING SERVICES TO WEST VALLEY CITY FOR THE FISCAL YEAR ENDING JUNE 30, 2020

Jim Welch, Finance Director, presented proposed Resolution 20-81 that would authorize the acceptance of a proposal by Keddington and Christensen, Certified Public Accountants, LLC to provide auditing services to West Valley City for the fiscal year ending June 30, 2020.

Written documentation previously provided to the City Council included information as follows:

> West Valley City is required by law to engage an independent audit firm to audit the City's financial operations. Keddington & Christensen auditors have

DRAFT

demonstrated experience and proficiency in municipal audits and knowledge of City operations. This audit will be conducted in accordance with auditing standards generally accepted in the United States of America: the standards for financial audits contained in the Government Auditing Standards, issued by the Comptroller General of the United States.

Keddington & Christensen, Certified Public Accountants, LLC. has provided audit services for the City in the past and has the technical expertise to evaluate and review all aspects of the City's complex operations.

Councilmember Lang asked if the City has to send out an RFP for this service. Jim replied no but noted that the whoever the City selects must be certified by the State Auditor. He added that this is considered to be a professional service and the City can make the assessment of who to select.

The City Council will consider Resolution 20-81 at the Regular Council Meeting scheduled June 23, 2020 at 6:30 P.M.

RESOLUTION 20-82: AUTHORIZE THE EXECUTION OF AN INTERLOCAL COOPERATION AGREEMENT BETWEEN WEST VALLEY CITY AND SALT LAKE COUNTY FOR FUNDS FOR THE HARMAN RECREATION CENTER

Nancy Day, Parks and Recreation, presented proposed Resolution 20-82 that would authorize the execution of an Interlocal Cooperation Agreement between West Valley City and Salt Lake County for Funds for the Harman Recreation Center.

Written documentation previously provided to the City Council included information as follows:

West Valley City has worked in conjunction with Salt Lake County for many years in regard to meal and transportation services for the Harman Senior Recreation Center. This is a benefit for West Valley City residents ages 60 and older. A new contract is needed at this time to continue these services.

Salt Lake County Division of Aging and Adult Services pays West Valley City an annual amount totaling $18,786 to offset the costs of operating the congregate meal program. Additionally, Salt Lake County provides transportation services for seniors which takes them to and from the Harman Senior Recreation Center.

At this time, it is necessary for West Valley City to enter into a new contract with Salt Lake County in order to continue receiving reimbursement funds and also continue transportation services for West Valley City senior residents.

DRAFT

Councilmember Huynh arrived at 4:41 PM.

Mayor Bigelow asked what the length of the contract is. Nancy replied it can be auto-renewed for 5 years and noted it's on a fiscal year basis. Nancy added reimbursement is submitted each quarter. Mayor Bigelow asked if the number of meals changed due to Covid-19. Nancy replied that the numbers have increased to approximately 60 meals a day through the drive-up process.

The City Council will consider Resolution 20-82 at the Regular Council Meeting scheduled June 23, 2020 at 6:30 P.M.

RESOLUTION 20-83: APPROVE AN AGREEMENT WITH PEPSI BEVERAGES COMPANY TO SUPPLY BEVERAGE PRODUCTS TO THE WEST VALLEY CITY GOLF COURSES, FAMILY FITNESS CENTER, AND CENTENNIAL POOL

Nancy Day, Parks and Recreation, presented proposed Resolution 20-83 that would approve an agreement with Pepsi Beverages Company to supply beverage products to the West Valley City Golf Courses, Family Fitness Center, and Centennial Pool.

Written documentation previously provided to the City Council included information as follows:

> Parks and Recreation contacted all beverage companies, which comprised of Pepsi Beverages Company and Swire Coca-cola, for proposals of a new beverage contract for its facilities. Pepsi Beverages Company (also known as Pepsico Foodservice) and Swire Coca-cola both responded with proposals. Pepsi Beverages Company submitted a seven year proposal. Swire Coca-cola submitted a five, eight and ten year proposal.
>
> The proposals showed differences in annual support, rebates and product pricing from each company. Additionally, the Swire Coca-cola terms included a volume requirement in which the contract would automatically be extended without annual support if minimum purchases weren't made during the initial contract period. None of the totals required are currently being achieved at any of the Park and Recreation facilities. Another difference in the Swire Coca-cola proposal is that they would require West Valley City to pay for repairs from vandalism on their machines. Pepsi Beverages Company did not have this requirement.
>
> All of these factors were considered. Annual support and rebates, along with unfunded extended contract calculations, were carefully analyzed and the average

DRAFT

annual support is as follows:

Pepsi Beverages Company 7-year Proposal:	$16,643
Swire Coca-cola 5-year Proposal:	$ 8,815
Swire Coca-cola 8-year Proposal:	$ 9,573
Swire Coca-cola 10-year Proposal:	$ 9,863

Out of these proposals, the Pepsi Beverages Company 7-year proposal was the most beneficial to the West Valley City.

Councilmember Buhler asked if Pepsi is the current provider for the City. Nancy replied yes and noted that every time the contract is up, Pepsi has had a consistently stronger offer.

The City Council will consider Resolution 20-83 at the Regular Council Meeting scheduled June 23, 2020 at 6:30 P.M.

RESOLUTION 20-84: AUTHORIZE CHANGE ORDER NO. 4 TO THE CONTRACT WITH ACME CONSTRUCTION FOR THE 2700 WEST IMPROVEMENTS PROJECTS

Wayne Pyle, City Manager, presented proposed Resolution 20-84 that would authorize Change Order No. 4 to the Contract with Acme Construction for the 2700 West Improvements Projects.

Written documentation previously provided to the City Council included information as follows:

Acme Construction is currently improving 2700 West, between 3500 South and 4100 South.

Change Order No. 4 is in the amount of $86,007.73 and includes modification of various storm drain structures.

During the paving preparation process, it was discovered that there are several old storm drain manholes on 2700 West that are constructed using non-traditional methods, or are extremely shallow. These drainage structures require various methods of reconstruction to enable the manholes to be lowered and raised after pavement placement. These modifications will eliminate an immediate bump that would exist after paving and would enable easier lowering and raising of the manholes using traditional methods when this segment of roadway is repaved in the future.

DRAFT

The City Council will consider Resolution 20-84 at the Regular Council Meeting scheduled June 23, 2020 at 6:30 P.M.

RESOLUTION 20-85: AUTHORIZE CHANGE ORDER NO. 5 TO THE CONTRACT WITH ACME CONSTRUCTION FOR THE 2700 WEST IMPROVEMENTS PROJECTS

Wayne Pyle, City Manager, presented proposed Resolution 20-85 that would authorize Change Order No. 5 to the Contract with Acme Construction for the 2700 West Improvements Projects.

Written documentation previously provided to the City Council included information as follows:

> Acme Construction is currently improving 2700 West, between 3500 South and 4100 South.
>
> Change Order No. 5 is in the amount of $176,237.70 and includes various improvements to correct very steep cross slope on a segment of 2700 West.
>
> In the initial planning of this project the scope included the addition of sidewalk and streetscape improvements on the west side of 2700 West along with a rotomill and overlay of the existing pavement on the entire road between 4100 South and 3500 South.
>
> There is a segment of roadway on the east side of 2700 West between 3800 South and approximately 3700 South that has a very steep cross slope exceeding 8% in some areas (2% is ideal). While it was not included in the initial scope, the Public Works Department evaluated and recommends improving this segment of steep cross slope. Improvements will include the removal and replacement of nearly 800 feet of sidewalk, curb & gutter, along with other improvements necessary to make this change.
>
> Although the addition of these improvements will delay the completion of this project until the end of August 2020, the Public Works Department recommends that they be done to improve the overall outcome quality of the project in this vital part of the city.

The City Council will consider Resolution 20-85 at the Regular Council Meeting scheduled June 23, 2020 at 6:30 P.M.

COMMUNICATIONS

A. POLICE DRONE VIDEO

The Police Department shared a video depicting their new drone equipment and explained how it is utilized. Deputy Chief Hamilton stated there was a long process to gain access to use these drones due to various restrictions and approvals that needed to be granted. Councilmember Buhler asked if there are a sufficient number of drones. Deputy Chief Hamilton replied that they are costly, but the pilots and drones are subject to callout as needed. He indicated that this is something the Police Department would slowly like to expand. Councilmember Buhler asked how often the drones are deployed. Deputy Chief Hamilton replied approximately once weekly. He noted that drones can only be used with a search warrant and in specific situations without a search warrant. Deputy Chief Hamilton stated that the West Valley City Police Department is overly cautious about their use and is careful to document, report, and follow specific flight plans for each deployment. Councilmember Lang asked how far the drones can fly away from the remote. Deputy Chief Hamilton replied about 2.5 to 3 miles but noted that there are rules that prohibit this range. He indicated that one requirement is that the drone must remain in line of sight. He added that another issue is the amount of radio frequencies that could disrupt control. Deputy Chief Hamilton noted that the drones are programmed to return to the position that they took off from if signal is lost. Mayor Bigelow asked what other exceptions might apply for the use of a drone aside from a suspect who flees. Deputy Chief Hamilton replied that drones may be used in searching for missing or endangered persons. He added that they have been used with SWAT to offer pre-surveillance on warrants which are approve by the DA and a judge. Deputy Chief Hamilton noted that any time a drone is deployed, the FAA is contacted and the City has to be careful as it is in the path of the airport. Councilmember Lang asked if someone is always available to access the drones if

DRAFT

needed quickly. Deputy Chief Hamilton stated that there is a drone that remains at the Police Station and there are multiple pilots that can fly it.

B. FRAUD RISK ASSESSMENT

Jim Welch, Finance Director, stated that one duty of the auditors is to review internal controls to ensure they meet State guidelines of reducing and minimizing the risk of fraud. Jim noted that the City has tightened up controls over the years to ensure that the City is safe but still able to conduct business in an efficient manner. He indicated that the Fraud Risk Assessment must be presented to the Council prior to the end of the fiscal year as required by the State Auditor. Jim stated that the City takes a proactive approach, but this doesn't guarantee that fraud will not occur. Mayor Bigelow verified that this assessment is focused on procedures and training. Jim replied yes. He noted that the City continues to find ways to improve. Mayor Bigelow asked what "no responses" and "mc responses" mean in the report. Jim explained what these mean and why these responses were provided. Councilmember Lang asked if there is a Legislative requirement that notes that personal use of entity assets are no longer allowed. Jim replied he is unaware of any change on a Legislative level, but the City's policy is that these entity assets are obtained in writing. Councilmember Christensen asked if annual State Auditor training carries across boards. Jim replied that he believes it would but noted that non-profit review would be needed on an annual basis.

C. COVID-19 UPDATE

Wayne Pyle, City Manager, stated that he provided information via email to the City Council. He discussed the information provided and noted that hospitalizations, increase in cases, hot spots, and trends will continue to be valuable data for the City to analyze. Mayor Bigelow noted that the information was valuable. Councilmember Lang and Buhler agreed. Councilmember Christensen stated that he would like to see a "color coded key". The Council agreed that the map provides valuable information each week.

D. COUNCIL CALENDAR

Mayor Bigelow referenced a Memorandum previously received from the City Manager that outlined upcoming meetings and events.

Members of the City Council had no further questions regarding the Council Update.

Mayor Bigelow stated that he would like to see Council meetings remain electronic while the City is in the yellow COVID-19 status. He noted that if the City moves to green, a conversation will need to be had before changing back to live meetings.

DRAFT

Councilmember Buhler and Fitisemanu agreed and Councilmember Lang added that it's important the Council discuss how to transition when that time comes. Mayor Bigelow state that he isn't sure what the new normal will look like.

COUNCILMEMBER LANG- 4100 SOUTH SPEEDING

Councilmember Lang stated that she has received complaints about speeding on 4100 south and lack of enforcement. She indicated that she has noticed Police motorcycles enforcing other areas and suggested enforcement here as well. Councilmember Christensen agreed and stated that he has heard complaints from residents neighboring 4100 South. He noted that people are speeding down the side streets to avoid construction.

COUNCILMEMBER CHRISTENSEN- ULCT

Councilmember Christensen stated that he attended the ULCT board meeting. He indicated that the board is supporting Legislative items related to chokeholds and other Police related items. Councilmember Christensen noted that the City won't participate at this time because it already has the items proposed in policy. He noted that knee jerk reactions are not good and it's important that data-based decisions are made. Mayor Bigelow agreed and noted that Police brutality is a big discussion across the nation at this time. He stated that there are proposals to defund Police Departments and he finds this strange and unfounded and does not support defunding the West Valley City Police Department. Mayor Bigelow stated that it is important for Police Officers to investigate accidents, robberies, and many other situations where citizens must be protected. Mayor Bigelow indicated that many are painting a broad brush against Police in general when the reality of many departments is very different. He indicated that he doesn't deny problems across the country but believes there are thousands of caring and dedicated Police professionals everywhere. Mayor Bigelow noted that West Valley City has great Police Officers who care about people and have a deep concern for safety.

DRAFT

Councilmember Christensen agreed and stated that he believes more than 95% of Police Officers everywhere are good. Mayor Bigelow noted that the City isn't perfect but it has a great Police Department.

ISSUE:

Authorization and acceptance of a Right-of-way Purchase Agreement, Warranty Deed and a Grant of Temporary Construction Easement.

SYNOPSIS:

Russell B. Moore and Lynette J. Moore have signed a Right-of-way Purchase Agreement, Warranty Deed and a Grant of Temporary Construction Easement for each of two properties located at 2882 and 2916 West 3875 South (15-33-329-004).

BACKGROUND:

The Moore properties are two of several properties affected by the required removal and replacement of pedestrian ramps to meet current ADA standards as part of the 2020 Asphalt Overlay Project. As part of this project several City streets will be overlaid full width. Any existing ADA ramps which do not comply with the current standards and regulations must be removed and replaced.

The Warranty Deeds and the Grants of Temporary Construction Easement will facilitate construction of the project. Compensation in the amount of $300.00 and $500.00 was based upon appraisal reports prepared by Integra Realty Resources for other properties in the neighborhood.

RECOMMENDATION:

Approve and accept Warranty Deeds and Grant of Temporary Construction Easements. Authorize the Mayor to execute the Right-of-way Purchase Agreements for and in behalf of West Valley City. Authorize City Recorder to record said Warranty Deeds and Grants of Temporary Construction Easement for and in behalf of West Valley City.

IN CONSIDERATION of the foregoing and other considerations hereinafter set forth, it is mutually agreed by the parties hereto as follows:

1. The Property shall be conveyed by Warranty Deed in the form and for the property described in Exhibit A. The Property is granted free and clear of all liens and encumbrances, and partial releases for the Property shall be furnished to the City prior to payment. At the closing, the title to the Property shall be in a condition that is acceptable to the City in its sole discretion. At the City's written request, the GRANTOR shall provide such documentation, releases, or reconveyances as may be necessary to provide a title acceptable to the City. The total amount in cash settlement shall be paid to GRANTOR, except such portion thereof as GRANTOR may assign to lien-holder in obtaining the partial releases.

2. GRANTOR shall also deliver a Temporary Construction Easement (the "Easement") in the form and for the property described in Exhibit B.

The performance of this Agreement constitutes the entire consideration for the grant of the Property and Easement and shall relieve the City of all further obligations or claims on that account or on account of the location, grade, and construction of the proposed improvements.

6. Closing costs shall be paid by the City.

7. GRANTOR agrees to pay any and all taxes assessed against the Property up to the closing; however, if for any reason the Salt Lake County Treasurer determines there are still taxes due on the property, it is the responsibility of the GRANTOR to pay all taxes. WEST VALLEY CITY
RIGHT-OF-WAY PURCHASE AGREEMENT

On this 15 day of June, 2020, John J. Lund (GRANTOR), hereby agrees to sell to GRANTEE, West Valley City (the "City"), 3600 Constitution Blvd., West Valley City, Utah 84119, by Warranty Deed, a tract of land for right-of-way purposes.

IN CONSIDERATION of the foregoing and other considerations hereinafter set forth, it is mutually agreed by the parties hereto as follows:

1. The Property shall be conveyed by Warranty Deed in the form and for the property described in Exhibit A. The Property is granted free and clear of all liens and encumbrances, and partial releases for the Property shall be furnished to the City prior to payment. At the closing, the title to the Property shall be in a condition that is acceptable to the City in its sole discretion. At the City's written request, the GRANTOR shall provide such documentation, releases, or reconveyances as may be necessary to provide a title acceptable to the City. The total amount in cash settlement shall be paid to GRANTOR, except such portion thereof as GRANTOR may assign to lien-holder in obtaining the partial releases.

2. GRANTOR shall also deliver a Temporary Construction Easement (the "Easement") in the form and for the property described in Exhibit B.

3. The City shall pay Four Hundred Dollars ($400.00) for the Property and Easement. This amount constitutes fair market value and is the entire payment for all land, improvements, structures, severance, remainder or proximity damages, relocation costs, and any and all known or potential damages, costs, or value that may be related to the Property or the Easement. Closing shall occur within sixty days of the execution of this Agreement.

4. The GRANTOR represents that no hazardous waste or toxic substances have been stored on, released into, generated on, or deposited upon the Property or Easement or into any water systems on or below the surface of the Property or Easement, and the Property and Easement comply with all local, state, and federal hazardous waste laws, rules, and regulations. The GRANTOR agrees to indemnify and hold the City harmless from and against damages and expenses, including reasonable court costs and attorney's fees, arising from or by reason of the presence of hazardous waste or toxic substances on the Property or Easement. The indemnification required by this section shall not apply to any bodily injuries, death, and/or property damages that are attributable to the negligence of the City. As used in this section, the City shall also refer to the officers, agents, assigns, volunteers, and employees of the City. GRANTOR is responsible for compliance with the obligations of this Section 4 and for any damages resulting from the breach thereof. The provisions of this Section 4 shall survive the termination of this Agreement and the closing of this transaction.

5. This Agreement embodies the entire understanding of the parties, and there are no further or other agreements or understandings, written or oral, in effect between the parties relating to the Property and Easement. The performance of this Agreement constitutes the entire consideration for the grant of the Property and Easement and shall relieve the City of all further obligations or claims on that account or on account of the location, grade, and construction of the proposed improvements.

6. Closing costs shall be paid by the City.

7. GRANTOR agrees to pay any and all taxes assessed against the Property up to the closing; however, if for any reason the Salt Lake County Treasurer determines there are still taxes due on the property, it is the responsibility of the GRANTOR to pay all taxes. GRANTOR also agrees to pay any rollback taxes or fees-in-lieu under the Farmland Assessment Act, whether said rollback taxes are imposed before or after closing. GRANTOR is responsible for compliance with the obligations of this Section 7 and for any damages resulting from the breach thereof. The provisions of this Section 7 shall survive the termination of this Agreement and the closing of this transaction.

8. Following completion of the City's work, the City shall restore the property described in Exhibit B to its condition as of the date of this Agreement.

IN WITNESS WHEREOF, the parties have executed this agreement on the day and year first above written.

ISSUE:

Authorization and acceptance of a Right-of-way Purchase Agreement, Warranty Deed and a Grant of Temporary Construction Easement from Karen H. Hortin and Jason W. Hortin.

SYNOPSIS:

Karen H. Hortin and Jason W. Hortin have signed a Right-of-way Purchase Agreement, Warranty Deed and a Grant of Temporary Construction Easement for property located at 2894 W. Marcus Road (15-33-331-004).

BACKGROUND:

The Karen H. Hortin and Jason W. Hortin property is one of several properties affected by the required removal and replacement of pedestrian ramps to meet current ADA standards as part of the 2020 Asphalt Overlay Project. As part of this project several City streets will be overlaid full width. Any existing ADA ramps which do not comply with the current standards and regulations must be removed and replaced.

The Warranty Deed and the Grant of Temporary Construction Easement will facilitate construction of the project. Compensation in the amount of $400.00 was based upon appraisal reports prepared by Integra Realty Resources for other properties in the neighborhood.

RECOMMENDATION:

Approve and accept Warranty Deed and Grant of Temporary Construction Easement. Authorize the Mayor to execute the Right-of-way Purchase Agreement for and in behalf of West Valley City. Authorize City Recorder to record said Warranty Deed and Grant of Temporary Construction Easement for and in behalf of West Valley City.

CITY RECORDER

WEST VALLEY CITY
RIGHT-OF-WAY PURCHASE AGREEMENT

On this 15TH day of JUNE, 2020, Karen H. Hortin and Jason W. Hortin (collectively, the GRANTOR), hereby agrees to sell to GRANTEE, West Valley City ("the City"), 3600 Constitution Blvd., West Valley City, Utah 84119, by Warranty Deed, a tract of land for right-of-way purposes.

IN CONSIDERATION of the foregoing and other considerations hereinafter set forth, it is mutually agreed by the parties hereto as follows:

1. The Property shall be conveyed by Warranty Deed in the form and for the property described in Exhibit A. The Property is granted free and clear of all liens and encumbrances, and partial releases for the Property shall be furnished to the City prior to payment. At the closing, the title to the Property shall be in a condition that is acceptable to the City in its sole discretion. At the City's written request, the GRANTOR shall provide such documentation, releases, or reconveyances as may be necessary to provide a title acceptable to the City. The total amount in cash settlement shall be paid to GRANTOR, except such portion thereof as GRANTOR may assign to lien-holder in obtaining the partial releases.

2. GRANTOR shall also deliver a Temporary Construction Easement (the "Easement") in the form and for the property described in Exhibit B.

3. The City shall pay Four Hundred Dollars ($400.00) for the Property and Easement. This amount constitutes fair market value and is the entire payment for all land, improvements, structures, severance, remainder or proximity damages, relocation costs, and any and all known or potential damages, costs, or value that may be related to the Property or the Easement. Closing shall occur within sixty days of the execution of this Agreement.

4. The GRANTOR represents that no hazardous waste or toxic substances have been stored on, released into, generated on, or deposited upon the Property or Easement or into any water systems on or below the surface of the Property or Easement, and the Property and Easement comply with all local, state, and federal hazardous waste laws, rules, and regulations. The GRANTOR agrees to indemnify and hold the City harmless from and against damages and expenses, including reasonable court costs and attorney's fees, arising from or by reason of the presence of hazardous waste or toxic substances on the Property or Easement. The indemnification required by this section shall not apply to any bodily injuries, death, and/or property damages that are attributable to the negligence of the City. As used in this section, the City shall also refer to the officers, agents, assigns, volunteers, and employees of the City. GRANTOR is responsible for compliance with the obligations of this Section 4 and for any damages resulting from the breach thereof. The provisions of this Section 4 shall survive the termination of this Agreement and the closing of this transaction.

5. This Agreement embodies the entire understanding of the parties, and there are no further or other agreements or understandings, written or oral, in effect between the parties relating to the Property and Easement. The performance of this Agreement constitutes the entire consideration for the grant of the Property and Easement and shall relieve the City of all further obligations or claims on that account or on account of the location, grade, and construction of the proposed improvements.

6. Closing costs shall be paid by the City.

7. GRANTOR agrees to pay any and all taxes assessed against the Property up to the closing; however, if for any reason the Salt Lake County Treasurer determines there are still taxes due on the property, it is the responsibility of the GRANTOR to pay all taxes. GRANTOR also agrees to pay any rollback taxes or fees-in-lieu under the Farmland Assessment Act, whether said rollback taxes are imposed before or after closing. GRANTOR is responsible for compliance with the obligations of this Section 7 and for any damages resulting from the breach thereof. The provisions of this Section 7 shall survive the termination of this Agreement and the closing of this transaction.

IN WITNESS WHEREOF, the parties have executed this agreement on the day and year first above written.
