Al Taylor Chief of Police
Brad Allen Maintenance Supervisor
Jeff Willden Fire Chief

VISITORS PRESENT FOR MEETING:

See attached list

Mayor Jed Maxwell called the Public Hearing to order at 6:59 PM at the Salina City Hall Wednesday, June 10, 2020 and welcomed everyone present and introduced The Salina City Fire Chief Jeff Willden. **Willden** stated Salina City Fire Department needs two new fire trucks, and there are several reasons why. **Willden** stated the purpose of this Public Hearing is to inform the public of the purchase of two new fire trucks. Salina City is planning to go to CIB in July or August 2020 to seek funding. The bid of the two new fire trucks is in the amount of \$895,000. Salina Fire Department needs to replace a 1985 Ford. that is used primarily for structure fires. The new replacement truck will need to carry a 35-foot ladder, and additional hoses. Currently the 1985 Ford is not in compliance with the ISO Ratings. ISO ratings are a big factor the affects Salina Residents homeowner's insurance. When not in compliance with the ISO Ratings homeowner's insurance increases. The second truck that needs to be replaced is a 2003 Fire Rescue Truck. This fire truck is over compacity by 3,000lbs which causes the tires to blowout when responding to emergency calls. The I-70 interstate has been extremely busy with car and diesel fires which has made it difficult to respond in a timely manner. The replacement truck will have a pump and a bigger engine to help with a quicker response time. **Willden** stated at CIB they can offer a grant loan or a combination of a grant and loan. **Willden** asked if there were any questions or concerns with the purchase and funding of the two new fire trucks. No additional comments were made. **Mayor Maxwell** stated these two new fire trucks are well needed in Salina City.

Cade Hunter motioned to adjourn the Public Hearing at 7: 07 p.m. **Jon Maxwell** seconded. Motion carried 4 to 0.
