1. Meeting Called to Order/Adopt Agenda

Mayor Gailey called the meeting to order at 6:00 p.m. as a regularly scheduled meeting, with notice of time, place, and agenda provided 24 hours in advance to the newspaper and each Councilmember. Councilmember Maughan provided an invocation and Councilmember Savage led the audience in the Pledge of Allegiance.

COUNCILMEMBER MAUGHAN MOVED TO ADOPT THE AGENDA. COUNCILMEMBER BOLDUC SECONDED THE MOTION; ALL VOTED IN FAVOR.

2. Public comment:

Mayor Gailey stated that tonight's meeting agenda provided instructions for residents to email their public comments to City Recorder Brown by 5:00 p.m. tonight in order for them to be read into the record of the meeting. He indicated no email comments were provided.

Mayor Gailey then invited Zoom participants to provide public comments. There were no comments made.

3. Recognition: Receipt of Government Finance Officers Association (GFOA) Excellence in Financial Reporting Certification of Achievement.

A staff memo from the City Manager explained on April 30, 2020 Syracuse City was awarded the *Certificate of Achievement for Excellence in Financial Reporting* by the Government Finance Officers Association of the United States and Canada. This Certificate of Achievement, awarded to Syracuse City Administrative Services Director Stephen Marshall, is "the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management." This award is specific to the fiscal year ending June 30, 2019 comprehensive annual financial report (CAFR). The CAFR was judged by an impartial panel, whose goal was to determine if it met the high standards of the program. Included in these high standards is the demonstration of a "spirit of full disclosure" to clearly communicate the Syracuse financial story. This is the tenth consecutive year that Syracuse City has been awarded this honor. Achievement of this award is primarily due to the efforts of Administrative Services Director Stephen Marshall in managing the City's day-to-day finances.

Mr. Bovero reviewed his staff memo and congratulated Mr. Marshall on receipt of this award and thanked him for all he does for the City of Syracuse. Several Councilmembers echoed Mr. Bovero's congratulations.

4. Semi-Annual Report by Syracuse City Victim Advocate.

A staff memo from the City Attorney explained the VOCA (Victims of Crime Act) Grant, which funds the City's Victim Advocate position, requires that the Council be given semi-annual briefings on victim services rendered in the community.

Victim Advocate, Celeste Joynt, used the aid of a PowerPoint presentation to summarize the services rendered to the community between January 2020 and June 2020; 126 victims have been served – 94 females and 30 males. Ages of the victims range from infants to those 60 and older, with the greatest number of victims served being part of the 25 to 59 years age bracket. She summarized the type of crimes that these people have been victims of, noting 59 percent of crimes are related to domestic violence. The types of service she provides include:

- Providing information about the criminal justice process;
- Providing information about victim rights, how to obtain notification, etc.;
- Referring victims to other service programs;
- Referring to other services, support, and resources;
- Crisis intervention;
- Individual advocacy

- Law enforcement interview advocacy accompaniment.
- Notification of criminal justice events;
- Victim impact statement drafting;
- Prosecution interview advocacy/accompaniment;
- CVR information and assistance;
- Police Officer communication regarding victims of crime; and
- Protective orders (civil) information/assistance.

Ms. Joynt then noted the events that she has had the opportunity to participate in have been dramatically limited due to COVID-19 and many have even been cancelled entirely. However, she is still working to get information out to the public about the services she can provide. She concluded by providing a survivor story resulting from a domestic violence case from 2017; the female victim's case will go to trial next month. She is still working closely with the victim to provide ongoing support. The victim has reclaimed her life and is now happy married. She concluded by thanking City Administration and the Council for her support and indicated victim advocacy is a very important service for a City to provide to its residents.

The Mayor and Council thanked Ms. Joynt for the information provided this evening and for the service she provides to the community.

5a. Common consent: Proposed Resolution R20-16 adopting policies and procedures related to fee waivers and reductions for non-profit entities.

An administrative staff memo explained from time to time, the City receives requests for a waiver or reduction of fees charged for utilization of City facilities or services. These requests are usually from people associated with non-profit, charitable, or service-related organizations or causes. Cities are required to study the costs and benefits of granting these requests, and hold a public hearing prior to a decision, unless the City is a sponsor. Following include the purpose(s) of having a policy:

- Rather than processing each request separately and holding a public hearing for each application, a policy would grant the Administration the ability to automatically approve fee waivers or reductions based on preset criteria established by the Council.
- A policy would save the City in administrative time and money.
- A policy would allow applicants to receive a decision on their request in a timelier manner.

- A policy would provide a way for the City to participate in charitable or service-related efforts in the community. This, in part, helps the City fulfill its mission of "…promoting community pride..."

The memo summarized recent edits to the draft policy based upon feedback received from the Council: for-profit entities entering into a 5-year agreement will be eligible "up to" the stated amounts. This gives the Council a sliding scale on the waiver based on the merits of the event. Five-year event contracts require Council approval. And waiver request can be denied due to conflicts with City programs.

COUNCILMEMBER BOLDUC MOVED TO ADOPT RESOLUTION R20-16 ADOPTING POLICIES AND PROCEDURES RELATED TO FEE WAIVERS AND REDUCTIONS FOR NON-PROFIT ENTITIES. COUNCILMEMBER TEAGUE SECONDED THE MOTION; ALL VOTED IN FAVOR.

5b. Common consent: Proposed Resolution R20-19 adopting updates to the Fiscal Year 2020-2021 wage scale.

A staff memo from the Administrative Services Director referred to the wage scale document for FY2020-2021; recommended changes are highlighted in red and are summarized as follows:

- The Facilities Maintenance Technician and Administrative Assistant were included at the incorrect benchmarks. These edits fix those errors.
- The Park Maintenance Worker III was omitted in a previous draft and this action will add the position back into the document.

COUNCILMEMBER BOLDUC MOVED TO ADOPT RESOLUTION R20-19 ADOPTING UPDATES TO THE FISCAL YEAR 2020-2021 WAGE SCALE. COUNCILMEMBER TEAGUE SECONDED THE MOTION; ALL VOTED IN FAVOR.

6. Approval of minutes:

The following minutes were reviewed by the City Council: Work Session and Special Meeting of April 28, 2020; Regular Meeting and Work Session of May 12, 2020.

COUNCILMEMBER MAUGHAN MADE A MOTION TO APPROVE THE MINUTES LISTED ON THE AGENDA AS PRESENTED. COUNCILMEMBER BOLDUC SECONDED THE MOTION; ALL VOTED AYE.

7. Proposed Ordinance 2020-11 amending Syracuse City Code Chapter 10.92 pertaining to the Mixed-Use Development (MXD) Zone.

A staff memo from the Community and Economic Development (CED) Department explained in fall of 2019, the city enacted the Mixed-Use Development Zone. The purpose of the zone states that the intent is to create, "traditional neighborhoods where residents can work, play, shop, and live that are strategically designed to create a symbiotic relationship by allowing for a combination of commercial and residential uses. These neighborhoods are meant to boost the city's daytime population, which is anticipated to support local businesses and increase sales tax revenue." Shortly after enacting the zoning legislation, the City promptly received two applications from developers requesting the zoning in order to build the mixed-use projects. The applications were controversial with residents and also contained mostly residential housing and little commercial, which would not 'increase sales tax revenue' significantly. After reviewing the projects, the city council felt it necessary to amend the language to clarify what the minimum amount of commercial that is required in a mixed use project, and what qualities must a commercial space contain to 'count' towards the required commercial square footages for a project. It was also desired to strengthen the height allowances when 'adjacent' to single family neighborhoods. Much healthy debate was completed by both the City Council and Planning Commission on the merits of the zoning language. Planning Commission held a public hearing on the subject on May 19, 2020. There were no public comments fielded but around a half dozen residents attended the meeting to gather information. Planning Commission agreed to the changes envisioned with the council except for two things. First, they felt that it was important that when the commercial was being 'outsourced' to a partner site, that the partner site should be right next door with a shared property line. They also recommend keeping the requirement that all commercial buildings be two stories tall and match the 'vertical mixed-use motif'.

The City Council reviewed the Planning Commission recommendation during the May 26, 2020 work meeting and agreed with that body's evaluation of the off-site commercial distribution, but only within the town center. They also agreed to keep the two-story requirement for commercial buildings. Please find attached the latest draft of the amended ordinance.

CED Director Steele reviewed his staff memo.

The Council briefly discussed the proposed amendments to the zoning ordinance and expressed support; Councilmember Maughan stated that he understands consensus has been reached after several discussions among the Council over the course of multiple work session meeting, but he is somewhat nervous about how the ordinance amendments will be applied and the types of development applications/proposals the City will receive as a result.

COUNCILMEMBER BOLDUC MOVED TO ADOPT ORDINANCE 2020-11 AMENDING THE SYRACUSE CITY CODE CHAPTER 10.92 PERTAINING TO MIXED-USE DEVELOPMETN (MXD) ZONE. COUNCILMEMBER BINGHAM SECONDED THE MOTION. ALL VOTED IN FAVOR.

8. Public Hearing: Proposed Resolution R20-17 adjusting the Syracuse City Budget for the Fiscal Year ending June 30, 2020.

A staff memo from the Administrative Services Director summarized proposed adjustments to the FY2020 budget:

- Changes to **General Fund budget**:
  - Administration estimates the City will have approximately $500,000 in budget savings across all general fund department expenses. This is primarily due to salary and benefit savings. This could be less with the COVID-19 impact. The proposal is to transfer available savings to the capital projects fund.
  - COVID-19 expenses - $15,000 with a 75 percent projected reimbursement from federal government.
- Changes to **Other Fund budgets**:
  - Various changes to complete the approved Founders Park Capital Project. There are changes to park impact fund, RAP tax fund, park maintenance fund, and capital fund.
  - Depreciation expense changes in the sewer and storm funds.
  - Connection fees increased with new home builds.
  - Bond Issuance costs for water tank bond.
  - Garbage revenues and hauling fees increased due to new homes.
  - RDA and EDA funds revised with actual increment collection and distributions.
  - RDA COVID loans to businesses.
  - Sale of land by Founders Park and Church in the capital fund.
  - Ambulance settlement payment.

Mr. Marshall reviewed his staff memo

Mayor Gailey opened the public hearing at 6:35 p.m.; there were no persons appearing to be heard and the public hearing was closed.

COUNCILMEMBER MAUGHAN MOVED TO ADOPT RESOLUTION R20-17 ADJUSTING THE SYRACUSE CITY BUDGET FOR THE FISCAL YEAR ENDING JUNE 30, 2020. COUNCILMEMBER TEAGUE SECONDED THE MOTION. ALL VOTED IN FAVOR.

9. Public Hearing: Proposed Resolution R20-18 updating and amending the Syracuse City Consolidated Fee Schedule by making adjustments throughout.

A staff memo from the Administrative Services Director referred to the fee schedule document for FY2020-2021; proposed changes are summarized as follows:

- Amendment to storm water impact fee – increase from $7,488.65 per acre to $7,578.00 per acre (based upon our IFA schedule)
- Amendment to public safety impact fee – increase from $245.00 for residential home to $273.00 per residential home and $0.17 per square foot to $0.19 per square foot on commercial buildings (based upon our IFA schedule)
- Utility Rate Changes:
  - Garage: Increase of $0.11 for 1st can, $0.04 for 2nd can, and $0.13 for green waste.
  - Culinary Water: Increase of $0.39 for water rate increases from Weber Basin Water.
  - Secondary Water: Increase of $0.20 for water rate increases from irrigation companies.
- Tackle Football – increase from $130 per person to $135 per person.
- Ready Post Sales – several changes to our ready post supplies in the post office.

Mr. Marshall summarized his memo

Mayor Gailey opened the public hearing at 6:37 p.m.; there were no persons appearing to be heard and the public hearing was closed.

COUNCILMEMBER BINGHAM MOVED TO ADOPT RESOLUTION R20-18 UPDATING AND AMENDING THE SYRACUSE CITY CONSOLIDATED FEE SCHEDULE BY MAKING ADJUSTMENTS THROUGHOUT. COUNCILMEMBER BOLDUC SECONDED THE MOTION. ALL VOTED IN FAVOR.

10. Proposed Resolution R20-20 authorizing and directing the participation rates of Syracuse City in the public employee's retirement system and the public safety retirement system for the Fiscal Year (FY) 2020-2021.

A staff memo from the Administrative Services Director explained the City is required, by Utah Code Title 49, Chapters 11-15, to pay retirement benefits for full-time employees. Each year, the City is required to certify the contribution rates that will be paid for retirement to Utah Retirement Systems (URS) for our full-time employees. These rates vary depending on which system the employees are in and when they were hired. The City currently participates in nine different retirement programs offered by URS. This includes our police, fire, and administrative staff as well as tier I and tier II employees. They are outlined below and in the URS rates table attached.

Local Government Employee	Tier I – DB	18.47%
Local Government Employee	Tier II – DB Hybrid	16.69%
Local Government Employee	Tier II – DC	16.69%
Public Safety – Police	Tier I – DB	34.04%
Public Safety – Police	Tier II – DB Hybrid	28.10%
Public Safety – Police	Tier II – DC	28.10%
Public Safety – Fire	Tier I – DB	19.66%
Public Safety – Fire	Tier II – DB Hybrid	16.35%
Public Safety – Fire	Tier II – DC	16.35%

The only changes are to public safety Tier II DB and DC programs. They all increased two percent for the employer contribution and 2.27 percent for the additional employee portion that the City is picking up and paying.

Mr. Marshall reviewed his staff memo.

Councilmember Teague noted the Council has discussed this issue at length and he feels that approval of the URS rates is appropriate. Councilmember Maughan agreed but noted that increases to retirement rates can be viewed as an unfunded mandate; fortunately, the City is in a financial position to cover the increases.

COUNCILMEMBER MAUGHAN MOVED TO ADOPT RESOLUTION R20-20 UPDATING AND AMENDING THE SYRACUSE CITY CONSOLIDATED FEE SCHEDULE BY MAKING ADJUSTMENTS THROUGHOUT. COUNCILMEMBER BINGHAM SECONDED THE MOTION. ALL VOTED IN FAVOR.

11. Public Hearing: Proposed Resolution R20-21 adopting the Tentative Budget as the Operating Budget for Fiscal Year 2020-2021 and continuing the public hearing to August to consider increasing the 2020 Certified Tax Rate to .001638 and adopting a Final Budget.

A staff memo from the Administrative Services Director explained as required by Utah Code Annotated 10-6-113, the governing body shall establish the time and place of a public hearing to consider its adoption and shall order that notice of the public hearing be published at least seven days prior to the public hearing. This requirement has been met since the City Council adopted the tentative budget on May 12th and set a public hearing on June 9, 2020 to consider adoption of the final budget. As required by Utah Code Annotated 10-6-118, "before the last June 22 of each fiscal period, or, **in the case of a property tax increase under Sections 59-2-919 through 59-2-923, before August 17 of the year for which a property tax increase is proposed**, the governing body shall by resolution or ordinance adopt a budget for the ensuing fiscal period for each fund for which a budget is required under this chapter. A copy of the final budget for each fund shall be certified by the budget officer and filed with the state auditor within 30 days after adoption." The council is considering a truth in taxation process and raising property taxes by $301,000 to fund three firefighters moving to full-time status ~$175,000. The Council is also considering benchmark adjustments in the police department ~$91,500. Finally, the council proposes to fund the additional 2.27% URS pickup for employees in public safety ~ $28,000. Since the Council is considering increasing the tax rate above the county certified tax rate, it is considered a tax increase under state law and requires a truth in taxation process. The council will be required to continue this public hearing to August 11th to discuss increasing the tax rate. The City will be required to advertise in the newspaper once individually and once on a county combined advertisement the intent to increase taxes. This increase will be show on the property tax bills sent to all residents during late July. The tax bill will show that a TNT meeting will be held and will give a date and time of the public hearing.

The memo summarized changes made to the budget document since the Council's acceptance of the tentative budget:

- Reducing the police benchmark adjustments from $183,000 to $91,500.
- Reducing the part-time wages in the fire department by $45,000 to offset the 3 new full-time firefighters.

Mr. Marshall reviewed his staff memo.

The Council discussed the process for considering an increase to the City's property tax rate; the Council emphasized their understanding of the burden that a tax increase will have on residents, especially given the difficult economic conditions

created by the COVID-19 pandemic. Councilmember Maughan stated he has developed his own proposal for keeping the tax increase amount to single digits:

- Fund the increase in URS contribution rates ($15,000);
- Create two new full-time Firefighter positions (converting three part-time positions) ($150,000);
- Uniform allowance in the Police Department ($7,800); and
- 25% market adjustment for three specified Departments – Police, Fire, and Parks and Recreation – in the City ($45,750).

He noted the total tax increase amount would be 8.9 percent. Mr. Marshall stated that would be a $26.00 annual increase for the average home.

The Council discussed Councilmember Maughan's proposal; the discussed the need to be flexible in the event that economic conditions worsen this fall. Councilmember Savage stated that he was hesitant to consider market adjustments for the three Departments this year and was planning to propose adjustments to the recruitment and retention policy to allow for advancements and merit compensation adjustments in the same year; however, he can support Councilmember Maughan's proposal.

City Manager Bovero proposed that the Council's motion include direction to advertise the City's ability to increase taxes to the .001638 rate; if a lower tax rate is advertised, but the Council determines it is necessary to go higher than the advertised rate, that will not be allowed. He noted that if the City advertises consideration of the .001638 rate, but the Council opts for a lower rate, that is allowed. He then discussed staffing issues in the Fire Department; he suggested creating two new full-time positions at a minimum, but noted that three positions would be ideal. Increased staffing in the Department will support existing Firefighters and give the City greater ability to participate in wildland fire fighting efforts, which are revenue generating for the City. He added that the proposal to convert a seasonal position to part-time to the Streets Division of the Public Works Department; the fiscal impact of this proposal is $9,000 and this is a priority for that Department. Mr. Marshall noted adding that cost would increase the annual impact for the average home to $27.00.

Councilmember Maughan stated that properly funding the City's Public Safety Department is of utmost importance to him; however, he understands the situation that many households in Syracuse find themselves in as he was recent laid off from his job due to COVID-19 impacts on his employer. With that said, he still supports a tax increase because he is comforted by the fact that the increased revenue will create improvements for the City's first responders. He again summarized his proposal as mentioned above. He would also support the conversion of the seasonal streets position to a part-time position for

$9,000 and accepting the change to the recruitment and retention policy that will allow employees to receive an advancement and merit increase in the same budget year. The total increase to the City's tax rate will remain under 10 percent.

COUNCILMEMBER MOVED TO ADOPT RESOLUTION R20-21 ADOPTING THE TENTATIVE BUDGET AS THE OPERATING BUDGET FOR FISCAL YEAR 2020-2021 AND CONTINUING THE PUBLIC HEARING TO AUGUST TO CONSIDER INCREASING THE 2020 CERTIFIED TAX RATE TO .001638 AND ADOPTING A FINAL BUDGET, WITH DIRECTION TO ADJUST THE BUDGET AS FOLLOWS:

- Fund the increase in URS contribution rates ($15,000);
- Create two new full-time Firefighter positions (converting three part-time positions) ($150,000);
- Uniform allowance in the Police Department ($7,800); and
- 25% market adjustment for three specified Departments – Police, Fire, and Parks and Recreation – in the City ($45,750).
- Convert seasonal Streets Division position to part-time position ($9,000);
- Supporting the amendment to the recruitment and retention policy to allow for an advancement and merit increase in the same year.

COUNCILMEMBER TEAGUE SECONDED THE MOTION.

Council discussion centered on the implications of the budget amendments included in Councilmember Maughan's proposal; several Councilmembers expressed their desire to do more to address employee compensation issues and Department needs in the City, but noted that it is necessary to be cognizant of the issues that residents are dealing with as a result of the COVID-19 pandemic. The ultimately concluded to support the proposal. They also expressed the need to increase economic development efforts in the community in order to enhance other revenue streams in the City.

Mayor Gailey stated there has been a motion and second to amend the tentative budget, adopt the tentative budget as an operating budget, and set a public hearing to consider a tax increase. He called for a vote. ALL VOTED IN FAVOR.

12. Discussion regarding formation of a public/private partnership pertaining to the development of an arts center; consideration of 'teaming agreement' pertaining to the same.

An administrative staff memo explained Councilmember Maughan has requested that the Mayor and Council discuss and consider a proposal to enter into a private/public partnership with several other entities working to develop an arts center

in Syracuse City. He will present information regarding this concept and any groundwork that has been completed to date. The other potential partners in the project have or are planning to commit services to the project that will not be repaid unless the project comes to fruition. All building and development contracts would follow a formal bidding process, but the organizers will generate the funds and plans for the project as well as perform studies to support the project and all have agreed to enter into the teaming agreement. These other partners would like the City to become part of the 'team' as a land contributor.

Councilmember Maughan summarized the memo and used the aid of a PowerPoint presentation to summarize the proposal to form a public/private partnership for the development of an Arts Center.

Councilmember Bingham inquired as to the proposed location for the Arts Center. Councilmember Maughan stated that matter will be discussed during a closed session later tonight.

Councilmember discussion of the concept of a public/private partnership for an Arts Center centered on the experience that other similar facilities have had in other communities; Councilmember Maughan emphasized that all other individuals or entities that are working on this project have been involved in similar projects that have been very successful. They would not be throwing their support behind this proposal if they did not believe it would be viable because they do not receive any return on their investment if the project fails.

Councilmember Teague inquired as to the timing of the proposed project. Councilmember Maughan stated the group working on the project would like for it to be completed at about the same time as the West Davis Corridor extension is slated to be completed. All the group is asking is whether the City is willing to be a partner with no financial commitment at this point. This led to high level philosophical discussion and debate about the City's ability to partner with the group for the purpose of creating an Arts Center in Syracuse. The Council agreed that a theater would be a draw for the community, but they wanted more information about the details of the type of facility the other partners in the endeavor are seeking to build. The concluded they needed more information about the proposed location before giving a commitment about whether to enter into a private/public partnership teaming agreement.

13. Public comment.

Mayor Gailey invited Zoom participants to provide public comments. There were no comments made.

14. Mayor/Council announcements.

The Council and Mayor provided announcements about upcoming community events and other opportunities for

public involvement.

Several Councilmembers referenced the current national climate relative to law enforcement and racism; they expressed their deep support for the law enforcement officers of this community while also acknowledging the need to combat racism and promote inclusiveness.

The Council also discussed requests for future agenda items.

Mayor Gailey also invited City Manager Bovero to make any necessary announcements.

15. Recess to convene in Special Redevelopment Agency (RDA) and Municipal Building Authority (MBA) meetings.

The Mayor recessed the meeting at 8:11 p.m. to convene the special Redevelopment Agency (RDA) and Municipal Building Authority (MBA) meetings. The meeting reconvened at 8:16 p.m.

16. Reconvene and consideration of adjourning into Closed Executive Session pursuant to the provisions of Section 52-4-205 of the Open and Public Meetings Law for the purpose of discussing the character, professional competence, or physical or mental health of an individual; pending or reasonably imminent litigation; or the purchase, exchange, or lease of real property.

COUNCILMEMBER MAUGHAN MADE A MOTION TO CONVENE IN A CLOSED EXECUTIVE SESSION PURSUANT TO THE PROVISIONS OF SECTION 52-4-205 OF THE OPEN AND PUBLIC MEETINGS LAW FOR THE PURPOSE OF DISCUSSING THE PURCHASE, EXCHANGE, OR LEASE OR REAL PROPERTY AND PENDING OR REASONABLY IMMINENT LITIGATION. COUNCILMEMBER BINGHAM SECONDED THE MOTION; ALL VOTED IN FAVOR.

The closed session began at 8:17 p.m.

The meeting reconvened at 8:48 p.m.

12. Discussion regarding formation of a public/private partnership pertaining to the development of an arts center; consideration of 'teaming agreement' pertaining to the same. (continued)

Mayor Gailey noted that the Council can not take action on this issue tonight, but they can give direction to form a task force to allow for further exploration of the matter. The Council supported the concept of creation of a task force now that they have a better understanding of the proposed location of the Arts Center. Councilmembers Teague and Savage both expressed interest in working with Councilmember Maughan; the Mayor asked that Councilmember Teague accept the assignment. Councilmember Teague accepted.

At 8:50 P.M. COUNCILMEMBER SAVAGE MADE A MOTION TO ADJOURN. COUNCILMEMBER BOLDUC SECONDED THE MOTION; ALL VOTED IN FAVOR.

Agenda Item **#4a** Amendments to Recruitment and Retention Policy

Background

- Any question regarding this agenda item may be directed at City Manager Brody Bovero.

- Please see attached copy of the redlined proposed edits to the recruitment and retention policy.

- The City's Recruitment and Retention Policy was adopted in December of 2016. The policy's aims are to attract and retain the best talent possible in order to ensure quality services to our residents, and to optimize efficiency of operations by eliminating excessive turnover.

Policy Edits

Based on discussion at previous Council work sessions, the following edits are proposed to the City's Recruitment and Retention Policy:

- Pages 2-3: Remove 'New' text from document.
- Page 6: Edit Advancement policy so Advancement and Merit increase can occur in same year.
- Page 7: Edit Biennial Review policy to include Council examination of wage scales that have moved more that 5% from their designated market percentile.
- Page 8: Edit Market Adjustment policy so wage adjustments due to market changes will occur for employees hired within previous 12 months, rather than 24 months. Also clarifies that employees will not be paid below the minimum of the wage scale.

Action Item

1. Vote on whether to adopt the proposed amendments to the City's Recruitment and Retention Policy.

RECRUITMENT, RETENTION, AND COMPENSATION POLICY

1. PURPOSE

a. The purpose of this policy is to establish a planned approach to ensure that Syracuse City attracts the best talent possible, and motivates and retains that talent for the overall benefit of the citizens.

b. It is essential that Syracuse City recruits and retains the best talent possible to ensure the most efficient use of City resources. Excessive turnover and any lack of direction provided by City leadership will produce inefficiencies that waste City resources, and will degrade the quality of service provided to the citizenry.

2. COMPONENTS OF THE POLICY

a. Leadership & Responsibility

i. As the Executive/Administrative branch of Syracuse City, the leadership and responsibility for creating an environment that breeds productive, dedicated, and engaged employees lies primarily with the City Manager, and ultimately with the Mayor, with the support of the department heads and the City Council. The City Council will be tasked with reviewing programs and policies proposed by the City Manager, and proposing policies that align with the purpose of this policy.

b. Employee Compensation Plan

It is the general policy of Syracuse City that it will compensate its employees on a merit based system in a manner that is competitive with the market. Overcompensating does not ensure the best service, and undercompensating erodes the City's ability to attract and retain quality employees.

i. Benchmark Cities

1. The purpose of benchmarking in this policy is to establish an estimate of the local and regional market for municipal employees. When deciding which cities to compare with, there needs to be consideration of various characteristics of city structure (size, land use, revenue, tax base, etc) and logistical competition (geographic proximity, type of community, etc). Benchmarks serve as a market indicator and checkpoint, but will not be used as the sole determining wage scale indicator. The City Council reserves the right to adjust the wage scales to a level where it feels appropriately represents the market.

2. Based on location, it is reasonable to expect that all of Davis County and Weber County would be the primary market location for Syracuse employees. While other areas along the Wasatch Front also compete for employees, the cities in Davis and Weber counties will carry higher weight in the benchmark analysis due to their proximity to Syracuse City.

3. Within the primary market location (Davis/Weber County), there are certain cities that are significantly different than Syracuse City. The Council may decide to withdraw or include such cities from the market analysis.

4. Based on all the factors listed above, the City Manager will propose, and the City Council will have final approval of a list of cities that will constitute the benchmark for comparison of wage scales.

5. The following chart outlines the cities that will be included in the benchmarking process:

ii. Setting Position Wage Scales

1. The minimum and maximum wage for any given position will be determined by calculating the percentile specified by the Council for each position's wage scale from the list of benchmark cities. Wage scales will not be set lower than the 50th percentile of the market. Based on inability to attract an acceptable applicant pool, or due to a change in the labor market for any given position, the Council may adjust the wage scale to a higher percentile.

2. Due to the uniqueness of each city, some cities may be added or deleted from the wage scale benchmark of a position to ensure a more accurate comparison of duties and responsibilities.

iii. Other Benefits

The City will strive to provide other benefits, such as medical/dental/vision, retirement, and paid time off, at a level that reasonably competes with the benchmark cities. The City Manager will propose, and the City Council will have final approval of the benefit package to be offered.

iv. Setting Individual Wages

1. In determining the wage for individual employees, the City Manager shall consider relevant factors such as experience, education, skills, performance, and training obtained by the employee. For new hires, the City Manager may use these factors to set the new employee's wage up to the mid-point of the wage scale, assuming budgetary allowance to do so. If the City Manager determines that the new hire should start above the mid-point of the wage scale, he/she must first get approval from a majority of the City Council.

2. For existing employees, if the City Manager determines that an employee should receive an increase in wages above that allowed within this policy, then he/she must first get approval from a majority of the City Council.

v. Merit Increases

1. Syracuse City has adopted a "pay for performance" ethic, and therefore does not use programmed step increases or cost of living increases based on time of service. A merit-based system is created

to encourage continuous improvement of employees, for the overall benefit of the City. Commensurate with employee performance and improvement, the City Manager will administer a system that provides a path for employees to progress through the salary and wage scale for each position. It is the policy of Syracuse City that it will not participate in collective bargaining.

2. An evaluation system with scores ranging from 0 to 5 (5=highest) will be utilized for employee performance evaluations. Administration of merit increases will be based on employee evaluation scores, and is performed by the City Manager under direction of the Mayor, subject to the amount budgeted by the Council. The City Manager will ensure that all evaluations are reviewed and checked for quality to ensure the evaluation program is effective.

3. In order to determine the budgeted amount for merit increases, the Council will:

    a. Calculate the moving average of wage increases for the last 3 years of benchmark cities/companies.

    b. Set aside a minimum of 25% of the net increase in combined sales tax, property tax, and franchise tax from the previous fiscal year for purposes of funding the merit increases.

    c. Decide to either increase, decrease, or maintain the set-aside amount in order to stay competitive with the market.

4. Each department will be allotted a proportional share of the budgeted merit increase dollars based on the following formula:

    Dept Share of Budgeted Merit Increase Dollars= (Total budgeted dollars approved by Council for merit increases/Total city-wide payroll dollars) X Total payroll of the departmentNote: Department heads will be considered a separate department for these purposes.

5. For each department, the Average Merit Increase will be calculated using the following formula:

    AVG Merit Increase = Dept Share of Budgeted Merit Increase Dollars / Total payroll of the department.

6. For each department, the average evaluation score will be calculated. The average score will be targeted to receive the Average Merit Increase. Scores above the average evaluation will be provided a higher merit increase, and scores below the average will be provided a lower merit increase. Nevertheless, in no case shall the highest merit increase be higher than 50% above the average, unless

approved by the City Council. Any score below a 3 will not be eligible for a merit increase.

7. The City Council may, in its sole discretion, grant a merit increase not to exceed five percent (5%) of an employee's gross pay to an employee who has been paid at or above the range maximum for a minimum of five (5) years, provided the employee has received a successful or outstanding performance rating in the last year and has been employed by Syracuse City for at least eight (8) years. An employee whose salary exceeds the range maximum is eligible to receive a merit adjustment no more frequently than every five (5) years after the initial adjustment. Any subsequent increase above the range maximum shall not exceed five percent (5%) of the employee's gross pay. An employee is eligible to receive a maximum of five (5) successive adjustments beyond the range maximum. As an alternative to the annual merit increase, an employee who is being paid at or above the range maximum may receive an annual bonus in the amount equivalent to the wage/salary adjustment. No adjustment is made to the base wage/salary when a bonus is given.

vi. Advancements

1. Some positions are eligible for Advancements (e.g. Police Officer I and II, Water Maintenance Worker I and II, etc.) An Advancement is defined as a movement to a higher position due to improved skill, knowledge, or capability, but does not significantly increase the employee's responsibilities and/or supervisory duties.

2. Employees that advance to a higher position will move to the bottom of the new wage scale, but at least a 5% increase. Employees that advance are ~~not~~ also eligible for a merit increase for the same year of advancement. The merit increase will based on the pre-advancement wage.

vii. Promotions

Promotions are defined as a movement to a higher position that significantly increases the employee's responsibilities and/or supervisory duties. An employee who is promoted will receive an increase to the minimum wage of the entering wage scale, but at least a 5% increase. Employees that promote will be eligible for a pro-rated annual merit increase for the months at the lower position and the months at the higher position.

c. Ongoing Review and Periodic Market Adjustments

i. Biennial Review

Every 2 years, the City Council will conduct an in-depth review of each department. The primary purpose of the in-depth review is to discuss the operations, issues, overall direction of the department, and the goals of the City Council. The biennial in-depth review will also be a time to discuss any wage abnormalities or other special adjustments that the administration feels is needed. If wages scales of any position have moved more than 5% off of the 60th percentile (or whichever percentile the Council has set for that position) of the market, the City Council will examine the benchmarks and consider making adjustments to the wage scale and the associated wages of applicable employees of that position.

Formatted: Superscript

The departments will be reviewed on a rotating basis as follows:

Yr 1: Police, Fire, Park & Rec

Yr 2: PW, CED, IT, Courts, Finance

ii. Quadrennial Market Review

1. Every other Biennial Review (every 4 years), the City Council will review the compensation levels for each position in the City and, if needed, make the necessary wage scale and/or individual wage adjustments to ensure the City remains competitive in its compensation. Issues such as wage compression may also be addressed at this time. The positions in the City will divided into two groups based on department as follows:

   Group 1: Police, Fire, Park & Rec

   Group 2: PW, CED, IT, Courts, Finance

2. Below is the schedule of the biennial department reviews and quadrennial market reviews:

   Year 1: In-depth review and benchmark of Police, Fire, Park & Rec

   Year 2: In-depth review and benchmark of PW, CED, IT, Courts, Finance

   Year 3: In-depth review of Police, Fire, Park & Rec

   Year 4: In-depth review of PW, CED, IT, Courts, Finance

   Year 5: In-depth review and benchmark of Police, Fire, Park & Rec

Year 6: In-depth review and benchmark of PW, CED, IT, Courts, Finance

3. The analysis of wage scales will be conducted in the same method as explained above in evaluating Benchmark Cities, and Setting Position Wage Scales (See Section 2.b.i & ii). If the City Council determines that wage scales need to be adjusted to better reflect market conditions, they will make such adjustments effective at the beginning of the upcoming fiscal year. The Council has full discretion on wage scale adjustments, but generally will only make adjustments if a position's wage scale has changed 2.5% or more since the last adjustment. A change in wage scale does not automatically trigger a change in individual wages.

4. With each quadrennial market review, individual wages may be adjusted if a majority of the City Council approves. This market wage adjustment will be in the form of an additional percentage that the employee is eligible to receive in the annual merit increase evaluation, based on performance over the previous 4 years. Unless the City Council approves, an employee's wages will not be adjusted due to the market review if the employee has been hired within the previous ~~24~~ 12 months, however in no case will an employee be paid below the minimum of the wage scale.

5. In order to determine whether individual wages will be adjusted due to the market review, the Council may consider any of the following:

    a. A comparative study of individual wages from the benchmark cities obtained through an independent contract that has been subject to the RFP process and be conducted under the direction of the city council and city manager.

    b. Using Technet or similar shared database, the City can provide an analysis of changes in wage scales and wages over the previous 4 years. If a majority of the Council determines the information from Technet/similar shared database appears to show an anomaly or otherwise appears to be incomplete or inaccurate, a more detailed comparative study of that position may be conducted.

    c. Any other economic data that a majority of the Council deems relevant.

CITY COUNCIL AGENDA

July 14, 2020

LEGISLATIVE ITEM

Agenda Item #**8** Rezone/Preliminary Plat for Village at the Bluff

Factual Summation

Please review the following information. Any questions regarding this agenda item may be directed to Noah Steele, Community and Economic Development Director.

Mike Bastian with Castle Creek Homes has applied to rezone approximately 18 acres located on Bluff Road at about 2750 S. The request is to change from A-1 to PRD. The PRD zone requires that the preliminary plans be provided and approved along with the rezone application. This makes it so the city knows exactly what type of development is proposed prior to approving a rezone. These details are cemented in a development agreement signed by both parties that is also approved with the zoning. A public hearing was held at Planning Commission on June 2nd, 2020 and was tabled because staff comments had not been addressed. There were a handful of residents from Trailside Park in attendance who expressed opposition to the project. On June 16, the commission resumed discussion on the item and unanimously approved a motion to recommend approval to City Council. Staff has reviewed the plans for compliance with adopted land use ordinances and reviews are included in this packet. The applicant has also conducted a geotechnical, traffic and wetland study of the site. On June 23, 2020 city council reviewed the item in their work session where debate about whether the proposal meets ordinance 10.75.040(I)(2) and (3) concerning duplicating facades and garages not being the 'major architectural feature'. The majority of council felt the item was ready for a vote.

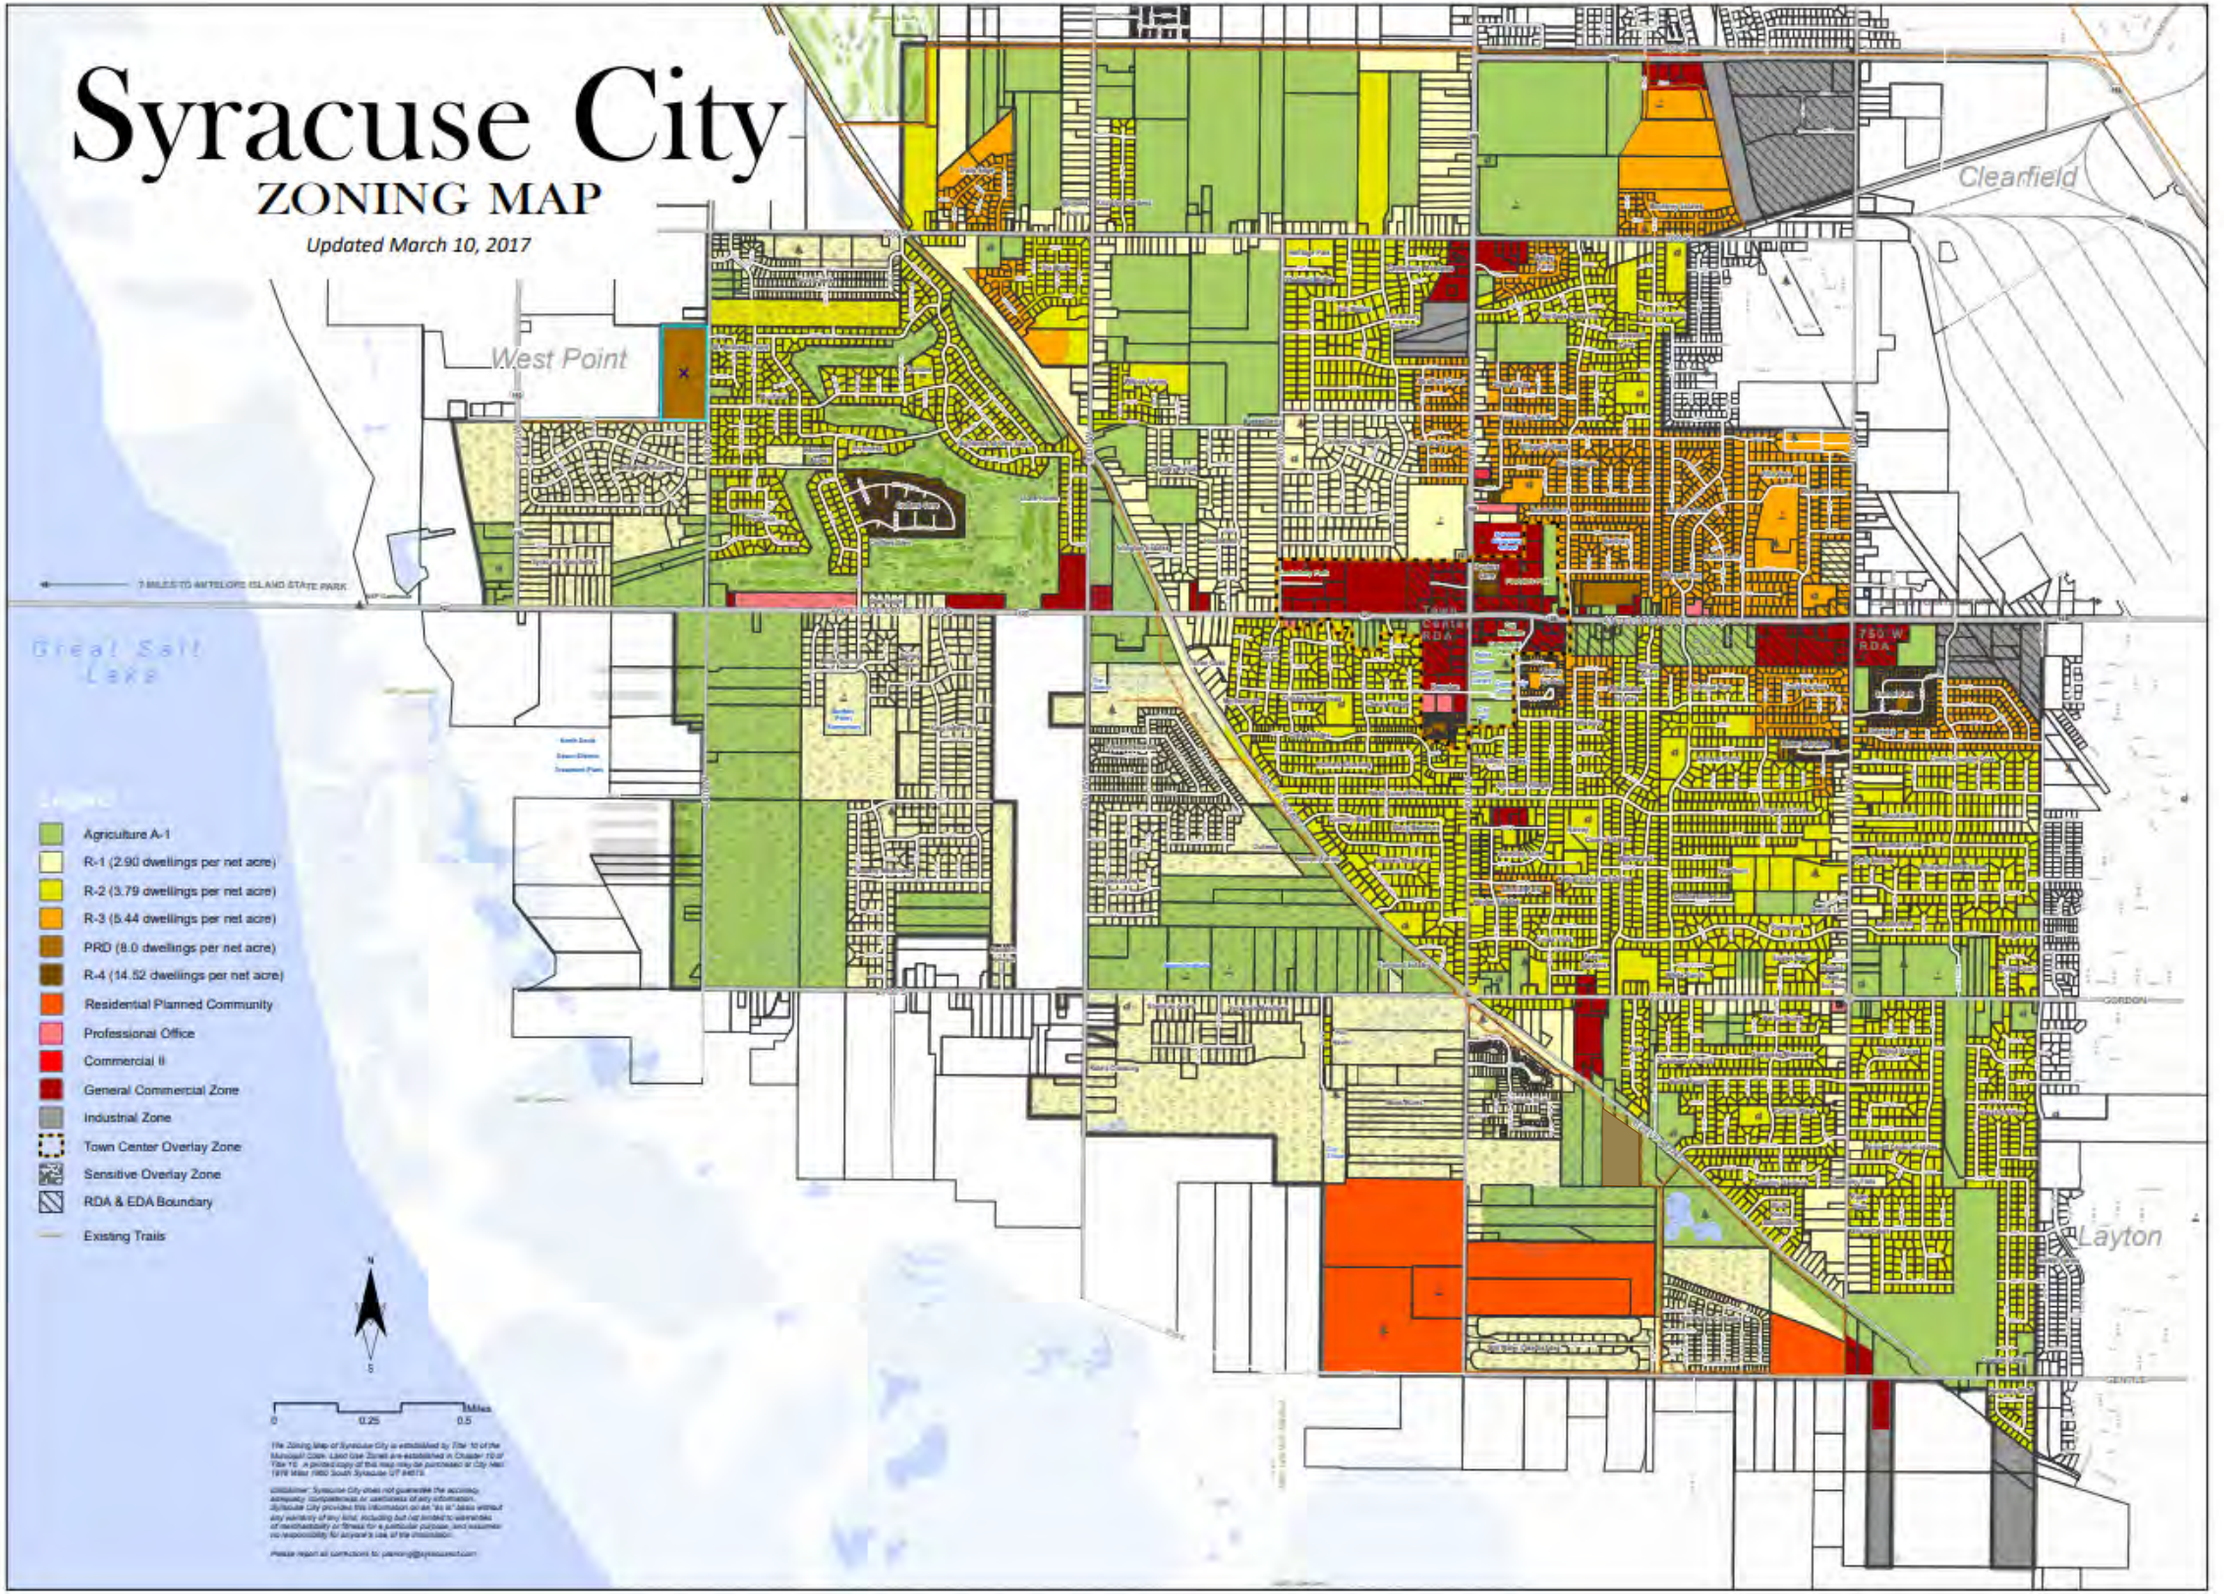

Goals of Discussion

The discussion tonight should be centered around whether A. Should the land be rezoned? (is it the right place for the use, right timing, etc) and B. Do the preliminary plans meet the city's ordinances? This is a business meeting and the item is ready for a vote.

Subject: Geotechnical Engineering Study
Proposed Village at the Bluff Development
About 1650 West Bluff Road
Syracuse, Utah
CMT Project No. 13082

Mr. Bastian:

Submitted herewith is the report of our geotechnical engineering study for the subject site. This report contains the results of our findings and an engineering interpretation of the results with respect to the available project characteristics. It also contains recommendations to aid in the design and construction of the earth related phases of this project.

On July 1, 2019, a CMT Engineering Laboratories (CMT) geologist was on-site and supervised the excavation of 11 test pits extending to depths of about 3.0 to 12.5 feet below the existing ground surface. Soil samples were obtained during the field operations and subsequently transported to our laboratory for further testing and observation.

Conventional spread and/or continuous footings may be utilized to support the proposed structures, provided the recommendations in this report are followed. A detailed discussion of design and construction criteria is presented in this report.

We appreciate the opportunity to work with you at this stage of the project. CMT offers a full range of Geotechnical Engineering, Geological, Material Testing, Special Inspection services, and Phase I and II Environmental Site Assessments. With 9 offices throughout Utah, Idaho and Arizona, our staff is capable of efficiently serving your project needs. If we can be of further assistance or if you have any questions regarding this project, please do not hesitate to contact us at (801) 870-6730.

Re: Village at the Bluff (Approx. 2940 Bluff Rd, Syracuse UT) – Traffic Impact Study

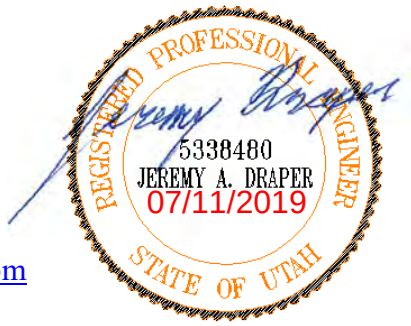

As requested, we are submitting to you this report of the traffic impact study for the proposed residential development located at approximately 2940 Bluff Rd. This land is currently undeveloped and is proposed to locate 64 townhomes and 39 single detached homes totaling in 103 units. A traffic study was performed at the proposed access of Village at the Bluff as directed by Syracuse City to determine the impact the development would have on the existing roadway and traffic patterns.

To perform this study, manual traffic counts were obtained during the AM and PM peak hours. The analysis we performed includes both AM and PM peak hours. This analysis shows the proposed development does not significantly impact the overall Level of Service at any of the studied intersections during the peak hours.

Therefore, it is our professional opinion upon completion of this project, it will not significantly alter the existing traffic patterns and should be permitted per the traffic data contained within this report.

If you have any questions, or we can be of further assistance, please let us know.

3. The sidewalk has been terminated at the trail.
4. Sewer and storm drain have been adjusted to run between units 35 and 36, a paved access road to maintain the utilities is not required.

Preliminary Subdivision Plan Review

5/8/2020

Dear Applicant,

The Syracuse City Community and Economic Development Department has conducted a review of the Village at The Bluff Preliminary Plan for compliance with the city's adopted land use ordinance. Please refer to the following table for items that require additional attention.

1. The detention area is shown as common space, but there are no amenities in this area. Please show amenities if this is to be counted as common space. 20% is required. Wetlands cannot be included as common space because wetlands cannot be disturbed and SCC 10.75.040(B)(1)(a) states that *Be landscaped by the developer with turf, trees, shrubs, ground cover, amenities, and an automatic sprinkling system.*
2. The circulation plan required per SCC 10.75.090(C)(2) shows access from the trail to the workout area but there is no trail or walkway facilitating access. Please show some defined walkway with a durable material from the Immigrant Trail.
3. The landscape plan required per 10.75.090(C)(4) should match the lines on the building and preliminary plat. The driveways and landscape areas are different on each plan.
4. All house plans shall meet the exterior building requirements in SCC 10.30.020 for new residential construction. The Southpoint is the only plan that does.
    a. *(1) Option 1. All single-family dwellings, duplexes, and detached and attached town homes shall have the front exterior walls constructed with a minimum 75 percent of masonry. On corner lots, the street side of the structure shall have a minimum height of four vertical feet of wainscot, composed of masonry. The installation of aluminum or vinyl siding shall only be allowed on the rear of homes.*
    b. *(2) Option 2. All single-family dwellings, duplexes, and detached and attached town homes shall have the front exterior walls constructed with a minimum 30 percent of masonry and the remainder covered in cementitious fiberboard or plank. On corner lots, the street side of the structure shall have a minimum height of four vertical feet of wainscot, composed of masonry. The installation of aluminum or vinyl siding shall only be allowed on the rear of homes.*
    c. *(3) Option 3. Single-family dwellings (excluding townhomes, apartments, and nonresidential structures) may have the front exterior walls constructed with 100 percent cementitious fiberboard or plank or masonry or any combination thereof only if the following qualifying architectural elements are present on the front facade: at least two or more textural variations such as, but not limited to,*

placing shake in the gables or wainscot of vertical battens, and containing a front porch of sufficient size for two seats and a walkway. On corner lots, the street sides of the structure shall have 100 percent cementitious fiberboard or plank or masonry product or combination of the two. The installation of aluminum or vinyl siding shall not be allowed on any side or rear of the home. Stucco shall be limited to rear and side facades.

d. *The requirement for brick, rock, or stone constructed on front and side exterior walls shall apply to any single-family dwelling, duplex, or single-family detached or attached town home planned as part of a development for which the City approved a preliminary plat after August 12, 2003.*
e. *These coverage requirements shall be calculated by first determining square footage of the total wall areas, based on measurements of the front and side elevations of the structure from foundation to top-plate line of the uppermost level, excluding openings for windows and doors, and multiplying that square footage by the applicable percentage. Homebuilders may only include masonry in these percentage requirements if clearly shown on the City-approved, stamped set of front and side elevations. Hidden areas, such as front porches, shall not qualify towards the percentage requirements; however, City staff may credit gables with masonry towards the percentage requirements.*

5. Provide elevations for all townhouse buildings shown on the plan to meet the building variation requirements in SCC 10.75.04(I)(8). Only one building plan has been provided.
6. Horizontal rooflines of all buildings shall vary every 30 feet per SCC 10.75.040.I.(1) *Horizontal rooflines visible from a public street shall feature breaks or variation at a minimum of every 30 feet. Variation can be accomplished by:*
    a. *(a) Vertical offset in ridge line;*
    b. *(b) Gables;*
    c. *(c) False parapets;*
    d. *(d) Exaggerated cornices;*
    e. *(e) Dormers;*
    f. *(f) Vegetated terraces; or*
    g. *(g) Other architectural features such as trellises, cornices, portals or porches. All peak horizontal rooflines on the townhouses are longer than 30 feet.*
7. *SCC 10.75.040.I.(2) Duplicating building facades on the same side of the street shall not be allowed more frequently than every third building or in a repeating pattern.* More townhouse elevations that are varied will be needed to meet this requirement.
8. *SCC 10.75.040.(I)(4) (4) Garages are encouraged to be recessed from the front facade, or be side or rear fed.* The garages on the townhomes are the foremost architectural feature on the ground floor.
9. *SCC 10.75.040.I.(8) Architectural variation between each household unit is required.* Every unit is identical to its mirrored counterpart in the townhouse elevations except for the two central units. Mirrored row-housing is not the intent of the Code.
10. Per SCC 10.30.080(G) fence and landscape buffer requirements may be modified if adjacent to an arterial road. Where Bluff Road is an arterial and the requirement to place a six-foot precast concrete or composite fence is not desired by staff, the

reduction of this buffer to a low split-rail fence, shrubs, or simple landscaping would help preserve the existing open feel of the area.

11. Where will garbage and recycling cans be stored in the townhouse areas? They cannot be stored out front per SCC 10.28.120(C)(3) *Outdoor refuse and garbage collection containers are required to be fully screened from view using the same materials as the building or approved masonry fencing.* The garages are too shallow to facilitate storage inside and it is unreasonable to expect residents to pull cans around the building each week. Increased garage depth is recommended along with HOA restrictions on outdoor garbage and recycling can storage.
12. Provide a map clearly showing which areas are common space. A color-coded or patterned map will suffice. Common space must meet all the following requirements SCC 10.75.040(B)(1):
    a. *(a) Be landscaped by the developer with turf, trees, shrubs, ground cover, amenities, and an automatic sprinkling system.*
    b. *(b) Be equally accessible and distributed for all residents of the HOA community. Access by the general public may be included as agreed upon in a development agreement.*
    c. *(c) Be generally contiguous, not a collection of remnants.*
    d. *(d) Create an open atmosphere where development does not feel overly intense.*
    e. *(e) Not include required front, side, and rear yard areas towards common space acreage.*
    f. *(f) Be administered by an active homeowners' association.*
    g. *(g) Be permanently restricted from future development and shown on the subdivision plat as perpetually common.*
    h. *(h) Include multiple amenities from the following list: club house, tennis court, pickleball court, basketball court, playground, community garden, picnic shelter, swimming pool, park benches, walking trails, outdoor exercise equipment, dog park, or splash pad. City Council shall approve all proposed amenities and may approve an amenity not included in this list.*
    i. *(i) Include approved amenities in each segment of common area; landscaping alone does not qualify a segment as common space.*
    j. *(j) Common spaces shall be installed proportional to the progress of the development. Common space amenities not completed before the recording of the phase that it resides in shall be guaranteed with an escrow agreement amount equivalent to the cost to install said amenity.*
13. Provide greater detail in the landscape plan per SCC 10.20.090(D)(1)(d). Please show all plant sizes, names, and locations. The landscaping should create a consistent theme.

Staff Recommendations and Questions

1. Separate the driveways for lots 61 and 62 to reduce the possibility of collisions.
2. Benches near the tot lot should face the tot lot with pavement or concrete underneath the bench and walkway in front. Trees are recommended on the south of these benches in addition to the trees shown to the west to provide shade.

3. What will be the trail construction material? It appears to be asphalt, but the trail section in the space at the south of the project changes from a solid to dashed line in the landscape plan. Please identify which materials will be used and where they change if needed.
4. Are the garages in the one-car townhomes intended to be isolated from the house? There is no internal door.
5. Street trees are strongly recommended.
6. Remove front, side, and rear yard open space calculations. These are not needed.
7. While front porches in the townhomes technically have room to accommodate two chairs and a walkway per SCC 10.75.040(I)(5), the layout is linear facing the porch interior on the two-car garage units. Staff would prefer that the porches be laid out so all chairs may face the street.
8. Please include more landscaping in the concrete in front of the townhouses to break up the hardscape.

Thank you for your interest in improving our community. Please contact me with any questions concerning this project.

Village at the Bluff

1600 West & Bluff Road

Engineer Preliminary Review

Completed by Brian Bloemen on March 12, 2020

Plat:

1. Submit a plat with final approval.

Plans:

1. Approval must be obtained by the Bureau of Reclamation through Weber Basin water for the road and utilities crossing the Layton Canal property.
2. No more than 15 lots may be constructed off a single culinary water feed. The south end of the development would require the proposed Edgewater Development to the east to be developed in order to meet this criteria.
3. End the sidewalk on the north end of the project at the trail, do not continue it to Bluff Road.
4. Can the sewer going out the south end of the cul-de-sac, go straight east to tie into SSMH #46 if lots 59-61 were shifted north? The same comment for the storm drain. Otherwise the City is going to need a paved access to maintain the manholes in the open space area.
5. RcWilley has been draining storm water on this property. How will this storm water be addressed with this subdivision?
6. End the secondary main at the end of the cul-de-sac with a 6" drain into catch basin #20. Install a 6" secondary drain into catch basin #27.
7. Shift the secondary main so it is half-way in between the sewer and storm drain.
8. The trail crossing shall have proper signage meeting MUTCD and ADA ramps with 10' of truncated dome panel.
9. Show greater detail on the open space grading on the final plans. Add catch basins as necessary to mitigate drainage issues.
10. Indicate what will happen to upstream surface drainage when the ditch on the east side of the property is filled in.
11. The connection to the culinary main in Bluff Road shall have a tee with three valves installed. The secondary connection shall be hot tapped.
12. Add an eclipse 88 sampling station on the east side of the road at station 3+00 (Across from Lot 2 at the north end of the subdivision).
13. The side slopes of the detention basin will be difficult to get vegetation to grow and maintain.
14. A DVS manhole shall be installed prior to connecting to the City's existing system.
15. Include cross sections with the final plans.

If you have any further comments or questions, please feel free to contact me at 801-614-9630.

Sincerely,

Brian Bloemen, P.E.

RE: Village at the Bluff

DATE: 20200228

I have reviewed the site plan dated 20190719 for the above-referenced project. The Fire Prevention Division of this department has the following comments/concerns.

1. The minimum fire flow requirement is 1500 gallons per minute for 120 consecutive minutes for residential one and two-family dwellings. (2018 IFC Appendix B) Fire flow requirements may be increased for residential one and two-family dwellings with a building footprint equal to or greater than 3,600 square feet or buildings other than one and two-family dwellings. Provide documentation that the fire flow has been confirmed through the Syracuse City Engineering Division, Water Model.

2. The minimum fire flow requirement is 2000 gallons per minute for 120 consecutive minutes for the townhomes. (2018 IFC Appendix B) The increased fire flow is based upon the largest townhouse building square footage of 6,378. Provide documentation that the fire flow has been confirmed through the Syracuse City Engineering Division, Water Model.

3. Fire hydrants and access roads shall be installed before the construction of any buildings. All hydrants shall be placed with the 4 ½" connection facing the point of access for Fire Department Apparatus. Provide written assurance that this will be met.

4. The Fire Hydrant, located at the end of the Cul-de-sac will need to be moved. Please relocate it to between lots 8 and 9. This relocation will prevent snow buildup during snow plow operations.

5. The fire hydrant on the corner of the intersection will need to be moved. Please relocate it to the south side of lot 4 facing 2975 South. This relocation will help with a more even hydrant distribution.

6. Prior to beginning construction of any buildings, a fire flow test of the new hydrants shall be conducted to verify the actual fire flow for this project. The Fire Prevention Division of this department shall witness this test and shall be notified a minimum of 48 hours prior to the test. Please contact the fire prevention division at 801-614-9614 to schedule

an appointment.

7. The subdivision will need to tie into the Edgewater park development before any vertical build can start. (2018 IFC remoteness standard D107.2) if this cannot be coordinated, then a temporary fire department access road will need to be installed IAW 2018 IFC Appendix D

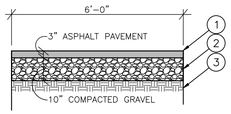

8. If grades exceed 10%, approval from the City Engineer and the Fire Department is required.

These plans have been reviewed for Fire Department requirements only. Other departments must review these plans and will have their requirements. This review by the Fire Department must not be construed as final approval from Syracuse City.

DEVELOPMENT AGREEMENT FOR VILLAGE @ THE BLUFF
LOCATED AT APPROXIMATELY 2900 S BLUFF ROAD, SYRACUSE, UTAH

This Development Agreement ("Agreement") is made and entered into as of this _____ day of _____, 20___, by and between Castle Creek Homes LLC (the "Developer"), and **Syracuse City**, a municipality and political subdivision of the State of Utah (the "City").

RECITALS:

A. The Developer owns approximately 18.47 acres of property located at approximately **2900 S Bluff Road** in Syracuse, Davis County, Utah (parcel ID numbers 12-105-0153 12-105-0048 12-105-0150), as more particularly described in Exhibit A, which is attached hereto and by this reference made a part hereof (the "Property"), proposed to be located in a Planned Residential Development (PRD) Zone, and for which the Developer, through an application submitted on **February 20, 2020**, has proposed development (the "Project") and presented a Development Plan (the "Development Plan"), which is attached hereto as Exhibit B and incorporated by this reference.

B. City code requires the execution of a Development Agreement between the Developer and the City prior to zone change, in order to facilitate orderly development.

NOW THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Developer and the City hereby agree to the following:

1. **Property Affected by this Agreement.** The legal description of the Property contained within the Project boundaries to which this Agreement applies is attached as Exhibit A and incorporated by reference.

2. **Compliance with Current City Ordinances.** Unless specifically addressed in this Agreement, the Developer agrees that any development of the Property shall be in compliance with city ordinances in existence on the date of execution of this Agreement. If the City adopts different ordinances in the future, Developer shall have the right, but not the obligation, to elect to submit a development application under such future ordinances, in which event the development application will be governed by such future ordinances.

3. **Development Plan.** The Developer shall ensure all development is in conformance with the Development Plan which has been reviewed by the Planning Commission and City Council, and approved by the City Council. The Development Plan is attached to this Agreement as Exhibit B and is incorporated by this reference. Such development plan shall be in conformance with section 10.75.050 of the Syracuse Municipal Code.

DRAFT

4. **Landscaping.** The Developer shall landscape and improve all open spaces around or adjacent to building lots, as well as common spaces.

5. **Minimum Lot Standards.** All lots designed for this Project meet or exceed the standards set forth in City Code.

5.1. **Density.** The lots in the Project represent a net density of 5.72 units per acre. The maximum number of lots in the development is 103.

5.2. **Common Space.** The project contains 20.1% of common spaces which are generally contiguous and meet all other applicable standards of the City Code and PRD Zone.

5.3. **Building Height.** Buildings built within the Project shall be limited to a maximum of two stories and no more than 30 feet in height. The buildings to be constructed on Lots 1 – 9 on the Development Plan are limited to a single story and shall be single-family, detached homes.

5.4. **Layout, Circulation and Connectivity.** The layout of the Project as shown in the Preliminary Plat, attached hereto as Exhibit C and incorporated by reference, is approved by the City. However, such layout is contingent upon the construction of roads in abutting development. Nothing in this Agreement obviates or overrides the remoteness requirements of the International Fire Code [IFC]. If such connections are not established, then the number of units for which an occupancy permit may be issued will be limited pursuant to the IFC. All internal roads within the Project will be dedicated as public roadways, which shall be constructed in accordance with applicable City Codes and regulations.

5.5. **Architecture.** All homes and buildings within the Project will meet the architectural standards of the City Code in the PRD Zone. The architectural theme and elevations are attached to this Agreement as Exhibit D and are incorporated into this Agreement by reference. The architectural theme may be reasonably modified by the Developer with the City's consent, which consent will not be unreasonably withheld. The elevations and drawings in Exhibit D are attached as concepts and illustrative themes only and may not comply with all City zoning and building requirements. The Parties acknowledge and agree that, notwithstanding the elevations' inclusion in this Agreement, before any homes are built in the Project, the home plans, elevations an designs must be approved by the City and must comply with all applicable City code requirements.

6. **Homeowner Association.** The Developer warrants and provides assurances that all landscaping, private drives, and amenities located within the Project shall be maintained by a private homeowner's association. The association shall either be created for this Property, or it shall be absorbed by the Village @ The Bluff Homeowners Association. All costs of landscaping, private drive and amenity maintenance, replacement, demolition, cleaning, snow removal, or

DRAFT

demolition, shall be borne exclusively by the homeowner's association. The City shall have no responsibility in relation to the property owned by the homeowner association.

7. **Access via Bluff Road.** The development fronts Bluff Road, and the Developer shall be responsible for the improvements of The South Side of Bluff Road along the development, as provided on the City's transportation master plan.

8. **Onsite Improvement.** At the time of final plat recordation for the Project, the Developer shall be responsible for the installation and dedication to the City of all onsite water, sewer, and storm drainage improvements sufficient for the development of the Project in accordance with City Code.

8.1. The existing trail running parallel with Bluff Road shall be preserved, as shown on the Development Plan. At points of intersection between the trail and the new right-of-way, the trail's alteration or re-alignment shall be the responsibility of the Developer, and the trail will be required to meet Americans with Disabilities Act slopes. At points of intersection, the trail shall also be marked with paint and signage as it crosses the new right-of-way. During construction, the trail shall remain open for traffic and use of the public to the maximum extent possible.

8.2. Bluff Road Improvements. The Developer shall be responsible for the installation of one-half road-width improvements of Bluff Road where the Property fronts Bluff Road, using a sixty-six foot right of way cross-section found in Syracuse City's standard specifications and requirements. The finished pavement width shall be fifty (50) feet from top back of curb to top back of curb. Due to the trail running parallel to the road, however, the Developer shall not be required to include the sidewalk or park strip portions of the cross-section; the improvements need not extend beyond the curb. The expansion of Bluff Road on the Developer's frontage shall thereafter have sufficient width to accommodate safe turning movements to and from the Development.

8.3. An on-site storm water detention basin shall be constructed by Developer as shown in Exhibit C. The offsite drainage pipe and related infrastructure shall be installed in accordance with city ordinances and standards. Prior to final recordation of the plat for the Project, Developer shall obtain an acceptable arrangement with all necessary parties concerning those easements necessary for the construction and connection to the storm water drainage pipe(s). The on-site storm water detention basin shall be owned by the Homeowner's Association, which shall have responsibility for landscaping and maintenance of the basin.

9. **Wetlands.** The Project shall be developed in compliance with he wetlands delineation and mitigation plans approved by the US Army Corps of Engineers. The City will not take ownership or maintenance of any wetlands, which maintenance shall be come the responsibility of the Homeowner's Association upon its establishment.

DRAFT

10. **Agreement to Run with the Land.** This Agreement shall be recorded against the Property as described in Exhibit A hereto and shall be deemed to run with the land and shall be binding on all successors and assigns of the Developer in the ownership and development of any portion of the Project.

11. **Vested Rights.** The City and Developer intend that this Agreement be construed to grant the Developer all vested rights to develop the Project in fulfillment of the terms and provisions of this Agreement and the laws and ordinances that apply to the Property as of the effective date of this Agreement. The Parties intend that the rights granted to Developer under this Agreement are contractual and in addition to those rights that exist under statute, common law and at equity. If the City adopts different ordinances in the future, Developer shall have the right, but not the obligation, to elect to submit a development application under such future ordinances, in which event the development application will be governed by such future ordinances. By electing to submit a development application under a new future ordinance, however, Developer shall not be deemed to have waived its right to submit or process other development applications under the City Code that applies as of the effective date of this Agreement.

12. **Assignment.** Neither this Development Agreement nor any of the provisions hereof can be assigned to any other party, individual or entity without assigning the rights as well as the responsibilities under this Development Agreement and without the prior written consent of City, which review is intended to assure the financial capability of any assignee. Such consent shall not be unreasonably withheld.

13. **Integration.** This Development Agreement contains the entire Agreement with respect to the subject matter hereof and integrates all prior conversations, discussions or understandings of whatever kind or nature and may only be modified by a subsequent writing duly executed by the parties hereto.

14. **Severability.** If any part or provision of the Agreement shall be adjudged unconstitutional, invalid or unenforceable by a court of competent jurisdiction, then such a decision shall not affect any other part or provision of this Agreement except that specific part or provision determined to be unconstitutional, invalid or unenforceable. If any condition, covenant or other provision of this Agreement shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

15. **Notices.**

Any notices, requests and demands required or desired to be given hereunder shall be in writing and shall be served personally upon the party for whom intended, or if mailed, be by certified mail, return receipt requested, postage prepaid, to such party at its address shown below.

5.140. Emergency Call Back.

(a) Definition. For purposes of this policy, the definition of 'emergency' is an unscheduled event, typically related to an urgent matter of public safety, which causes an employee to be called in for work by his or her supervisor to meet an unplanned staffing need. Examples include a public safety incident such as a house fire, officer- involved shooting or water main break, which tends to require additional staff resources. An emergency is not something that is related to a scheduled event, such as asking an employee to come into work to work on something to meet a deadline or to attend training.

(b) Policy. When a non-exempt employee is called back due to an emergency and has prior written approval to use vacation leave, holiday leave or compensation leave within the same pay period, the employee will have the option of either taking the paid vacation leave, holiday leave or compensation time in addition to the callback hours worked; or the option to credit his or her accrued vacation leave, holiday leave or compensation time equal to the emergency callback hours worked. As previously indicated herein, only hours actually worked will be counted for purposes of calculating overtime.

5.150. Special Programs.

Special programs apply to employees who participate in programs outside of their regular employment, such as Seat Belt Enforcement, D.U.I. Enforcement, Metro Narcotics Task Force, Internet Crimes Against Children Task Force, Violent Fugitive Apprehension Strike Team, or other programs funded by federal or state grants. If the program pays a compensation rate of 1.5 times the employee's regular hourly rate, then the City will compensate the employee at the rate of 1.5 times his/her regular rate of pay for hours spent participating in the special program, regardless of whether the employee is accruing overtime during those hours.

Sworn Police Officers participating in special programs may count hour for hour as leave time for purposes of timekeeping with the City. Only vacation or banked holiday time may be utilized for such leave time and the leave time may only bring the employee up to eighty (80) hours for the pay period. With the exception of Metro Narcotics Task Force and the School Resource Program, hours worked in special programs are not considered hours worked for time keeping purposes.

5.160. Outside Overtime.

Outside overtime is defined as performing dedicated public safety related duties and services at the request of and on behalf of an outside organization, company or individual. Sworn Police Officers and Fire Personnel working outside overtime will be compensated at the rate of 1.5 times his/her regular rate of pay. Outside overtime shall be requested and scheduled directly with the Police or Fire Department. The Department shall set a standard fee to charge for outside overtime, which fee shall take into account the City's costs for salary, benefits, and usage of vehicles, equipment and supplies.

Sworn Police Officers and Fire Personnel working outside overtime may not utilize the leave time outlined in the special programs policy.

5.170. Wildland Fire Program.

The City participates in state/federal sponsored wildland fire programs by sending firefighters to assist in fighting wildland fires in the western United States. The City will pay firefighters for actual hours worked while deployed on a Wildland Fire. However, for each day the employee would have been regularly scheduled to work 24 hours, and on which the employee works on deployment, the City will pay the employee for 24 hours regardless of the number of hours actually worked. On the first pay period ending in December of each year, the employees who worked Wildland Fires will have the option to receive pay for vacation and/or holiday leave hours up to ten percent (10%) of the total number of paid deployed hours worked during that year. Employees may not be paid more than they have in their vacation and/or holiday leave banks.

5.180. Severance Pay.

(a) Eligibility. Only those individuals employed by the City in department head positions will be eligible for severance pay. Eligible employees will only receive severance pay if they are involuntarily terminated by the City and only in those instances where the involuntary termination was not a "for cause" termination. Department head employees who are involuntarily terminated for cause or who voluntarily terminate their employment with Syracuse City will not be eligible for severance pay.

(b). Payment Amount. Severance pay provided will be paid in the form of a lump sum payment to be paid upon termination. The amount of this payment to be provided to eligible employees (refer to 5.130(a)) will be calculated according to the following guidelines:

(1) All department head employees will be eligible for a minimum severance payment amount equal to three (3) months of their salary prior to their termination.

(2) Eligible employees will receive additional severance pay equal to two (2) weeks of their salary prior to termination for each year of employment with Syracuse City up to a maximum severance payment amount equal to four (4) month's salary.

Employees will not be retaliated against for exercising their rights under this policy. Employees may use their paid fifteen (15) minute break(s) to express breast milk as needed.

6.040. Time Keeping.

Employees shall be responsible for accurately recording their hours of work. Federal and State regulations require the City to keep an accurate record of time worked in order to calculate employee compensation, benefits, taxes, and other relevant information. Time worked is time actually spent on the job performing assigned duties. Nonexempt employees shall be required to accurately fill out City-approved time sheets for each day of work. Hours of work shall be recorded in fifteen (15) minute increments. All completed time sheets shall be signed and verified as to accuracy by the employee and submitted to the employee's department head or supervisor for signature and verification. It is City policy that all employees are paid by direct deposit to their respective checking or savings account. Accordingly, the City has established an automatic payroll deposit program, which provides automatic transfers of an employee's pay directly to the employee's bank account(s) (checking or savings) on each payday. Paystubs can be accessed by visiting the website and login information given to the employee at the time of hire. Except in the case of compelling circumstances as determined by the City, employee paystubs will not be given to anyone other than the employee. Upon written request, permission and release from the employee, the City may release a copy of the employee's paystub to the person designated by the employee. Any account changes for direct deposit must be filled out on the Payroll Direct Deposit form and must be turned into the HR Specialist in person.

All vacation leave requests should be submitted by the employee a reasonable time in advance of the desired time off to his or her department head. The City will try to honor employees' requested vacation dates but retains the right to determine final scheduling order or to change the vacation schedules according to the needs of the City. When necessary due to vacation requests for the same time period, vacation leave will be granted in the order of the employee leave requests in accordance with these policies. The employee's anniversary date is their Full-Time hire date.

8.090. Family and Medical Leave.

(a) Purpose. It is the purpose of this Section to provide guidelines for employees regarding leaves of absence in accordance with the Family and Medical Leave Act of 1993, as amended (FMLA or Act). The provisions set forth herein are intended to comply with such Act, and if any conflict arises or if an issue or definition is not addressed herein, the Act shall control. When referred to herein, the term "Act" shall include all federal rules and regulations promulgated pursuant to authority of the Act, including,

but not limited to, provisions set forth in 29 C.F.R. Part 825, as amended. The provisions of this Section are also intended to comply with the National Defense Authorization Act, enacted January 28, 2008, as Public Law 110-181, and the amendments to the FMLA adopted therein.

(b) Eligible Employees. Employees eligible for Family and Medical Leave Act leave as provided herein include employees who: (1) have been employed by the City for at least twelve (12) months; and (2) have been employed by the City for at least one thousand two hundred fifty (1,250) hours of service during the 12-month period immediately preceding the commencement of the leave.

(c) Qualifying Reasons for Leave. Eligible employees shall be entitled to FMLA leave for circumstances qualifying for FMLA leave under the Act, which qualifying reasons are summarized as follows:

(1) For the birth of a son or daughter of the employee and to care for the newborn child;

(2) For the placement with the employee of a son or daughter for adoption or foster care and to care for such son or daughter;

(3) To care for the employee's spouse, son, daughter, or parent with a serious health condition; or

(4) Because of a serious health condition that makes the employee unable to perform the functions of the employee's job;

(5) Because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a covered military member on active duty (or has been notified of an impending call or order to active duty) in support of a contingency operation;

(6) To care for a covered servicemember with a serious injury or illness if the employee is the spouse, son, daughter, parent, or next of kin of the servicemember.

d) Amount of Leave. Except in the case of leave to care for a covered servicemember with a serious injury or illness under Subsection (c)(6), an eligible employee's FMLA leave entitlement is limited to a total of twelve (12) workweeks of leave during any "12-month period," as defined in Subsection (e), for any one or more qualifying reasons. An eligible employee's FMLA leave entitlement is limited to a total of twenty-six (26) workweeks of leave during a "single 12-month period," as defined in Subsection (e), to care for a covered servicemember with a serious injury or illness. During the "single 12-month period," as defined in Subsection (e), an eligible employee's FMLA leave entitlement is limited to a combined total of twenty-six (26) workweeks of FMLA leave for any qualifying reasons as more particularly provided in the Act.

(e) Designation of 12-Month Period. Except in cases of leave to care for a covered servicemember with a serious injury or illness under Subsection (c)(6), for purposes of determining the "12-month period" in which the twelve (12) weeks of leave entitlement occurs, the City uses a 12-month "rolling" measurement period also known as the look-back measurement period. The 12-Month "rolling" measurement period is measured backward from the date an employee uses any FMLA leave. Under this measurement period, each time an employee takes FMLA leave, the remaining leave entitlement would be the balance of the 12 weeks which has not been used during the immediately preceding 12 months. In

cases of leave to care for a covered servicemember with a serious injury or illness, for purposes of determining the "single 12-month period" in which the twenty-six (26) weeks of leave entitlement occurs, the City is required to use a 12-month period measured forward from the date of an employee's first FMLA leave to care for the covered servicemember begins.

(f) Employee Notice Requirements.

(1) General Notice. Except as otherwise provided in the Act, an employee giving notice of the need for FMLA leave does not need to expressly assert rights under the Act or even mention the FMLA to meet his or her obligation to provide notice, although the employee does need to state a qualifying reason for the needed leave and must otherwise satisfy the notice requirements set for herein.

(2) Customary Leave Procedures. Except as otherwise prohibited by the Act and unusual circumstances, employees shall comply with the City's customary notice and procedural requirements for requesting leave as more particularly set forth in Chapter 8 of these Policies and Procedures.

(3) Notice for Foreseeable Leave. An employee must provide the City at least thirty (30) days advance notice before FMLA leave is to begin if the need for the leave is foreseeable. If thirty (30) days' notice is not practicable, notice must be given as soon as practicable. Such notice shall comply with the provisions of 29 C.F.R. § 825.302, as amended.

(4) Notice for Unforeseeable Leave. When the approximate timing of the need for FMLA leave is not foreseeable, the employee must provide notice to the City as soon as practicable under the facts and circumstances of the particular case. Such notice shall comply with the provisions of 29 C.F.R. § 825.302, as amended.

(5) Failure to Comply. When an employee fails to give the required notice as provided herein or as required by the Act, FMLA coverage may be delayed in accordance with applicable provisions of the Act.

(g) Employer Notice Requirements.

(1) General Notice. The City is required to post a notice explaining the Act's provisions and providing information concerning the procedures for filing complaints of the violations of the Act with the Wage and Hour Division. Such notice shall be posted prominently and the text must be large enough to be easily read. In addition, the City shall provide general notice to each employee by including the notice in any employee handbook or other written guidance to employees concerning employee benefits or leave rights. In compliance with these notice requirements, a copy of the Employee Rights and Responsibilities (WH Publication 1420) is attached hereto as Appendix D and incorporated herein by this reference.

(2) Eligibility Notice. When an employee requests FMLA leave, or when the City acquires knowledge than an employee's leave may be for an FMLA-qualifying reason, the City must notify the employee of the employee's eligibility to take FMLA leave within five (5) business days, except in extenuating circumstances as provided by the Act. The employee eligibility notice must state whether the employee is eligible for FMLA leave under the terms and provisions of Subsection (b) of this policy and the provisions of 29 C.F.R. § 825.110(a). If the employee is not eligible for FMLA leave, the eligibility notice must state at least one reason why the employee is

not eligible, such as the number of hours or months the employee has been employed by the City. Notification of eligibility may be oral or in writing, and, if in writing, may be in the form of the hereto and incorporated by this reference.

(3) Rights and Responsibilities. The City shall provide written notice detailing the specific expectations and obligations of the employee taking FMLA leave and explaining any consequences of failure to meet such obligations in accordance with the provisions of the Act. The rights and responsibilities notice shall be provided to the employee each time the eligibility notice is provided pursuant to Subsection (g) (2). If leave has already begun, the notice should be mailed to the employee's address of record. The rights and responsibilities notice shall include all required information as provided in 29 C.F.R. § 825.300, as amended, and shall be substantially in the form of the Notice of Eligibility and Rights & Responsibilities (Form WH-381) set forth in Appendix E, attached hereto and incorporated herein by this reference.

(4) Designation of Leave. Pursuant to the Act, the City is responsible for designating leave as FMLA-qualifying and for giving notice of the designation to the employee as provided in 29 C.F.R. § 825.300, as amended. Once the City enough information to determine whether the leave is being taken for a FMLA-qualifying reason (e.g. after receiving a certification), or has acquired knowledge that the leave is being taken for a FMLA-qualifying reason, the City must notify the employee whether the leave will be designated and counted as FMLA leave within five (5) business days, except in extenuating circumstances as provided in the Act. The designation notice must be in writing and shall be substantially in the form of the Designation Notice (Form WH-382) set forth in Appendix F, attached hereto and incorporated herein by this reference.

(h) Certification of Health Care Provider. The City may require the employee to provide certification from a health care provider regarding the necessity of the FMLA leave in accordance with and subject to provisions of the Act, including, but not limited to 29 C.F.R. § 825.305, et. Seq., as amended. Medical certification shall be substantially in the form of the Certification of Health Care Provider for Employee's Serious Health Condition (Form WH-380E), as set for in Appendix G, attached hereto and incorporated herein by this reference, or the Certification of Health Care Provider for Family Member's Serious Health Condition (Form WH-380F), as set forth in Appendix H, attached hereto and incorporated herein by this reference. Certifications for a qualifying exigency shall be substantially in the form of the Certification of Qualifying Exigency for Military Family Leave (Form WH-384), as set forth in Appendix I, attached hereto and incorporated herein. Certification for FMLA leave taken to care for a covered servicemember with a serious injury or illness shall be substantially in the form of the Certification for Serious Injury or Illness of Covered Servicemember for Military Family Leave (Form WH-385), as set forth in Appendix J, attached hereto and incorporated herein. Certification for FMLA leave taken to care for a Veteran with a serious injury or illness shall be substantially in the form of the Certification for Serious Injury or Illness of a Veteran for Military Caregiver Leave (Form WH-385V), as set forth in Appendix K, attached hereto and incorporated herein.

(i) Reporting. The City may require the employee on FMLA leave to report periodically to the City on the employee's status and intent to return to work in accordance with and subject to provisions of the Act, including, but not limited to, 29 C.F.R. § 825.311, as amended.

(j) Fitness for Duty. As a condition of restoring an employee whose FMLA leave was occasioned by the employee's own serious health condition that made the employee unable to perform the employee's job, it is the City's uniformly-applied policy to require all employees who take leave under such conditions to obtain and present certification from the employee's health care provider that the employee is able to resume work. The City may see fitness-for-duty certification only with regard to the

particular health condition that caused the employee's need for FMLA leave. In order to require the fitness-for-duty certification, the City shall provide the employee with a list of essential function of the employee's job with the designation notice provided in Subsection (g)(4). NO second or third opinions on a fitness-for-duty certificate may be required. All fitness-for-duty certifications shall be in accordance with and subject to applicable provisions of the Act, including, but not limited to, 29 C.F.R. § 825.312, et. seq., as amended.

(k) Intermittent Leave. Intermittent leave or reduced schedule leave may be taken under certain circumstances in accordance with and subject to provisions of the Act, including, but not limited to, 29 C.F.R. § 825.202, et. seq., as amended.

(l) Leave Protection.

(1) Compensation. Employees shall be required to use accrued paid vacation, sick, and other leave hours for FMLA leave provided herein to the extent such FMLA leave qualifies as sick leave under provisions of this Chapter. Any leave not covered by previously accrued paid vacation and sick leave shall be permitted as leave without pay in accordance with the provisions set forth herein. To the extent permitted by law, it is the intent of the City that all paid leave substituted for unpaid FMLA leave run concurrently with and be counted as FMLA leave.

(2) Duties. Employees shall not perform any job duties including answering work calls, responding to work e-mails, etc. while on FMLA leave, unless the leave is being taken intermittently and the work is not being performed during the FMLA leave time.

(3) Make-up Time. With approval of the Department Head and the City Manager, an employee on intermittent leave may work an alternative work schedule that is outside of his or her regularly scheduled hours to make-up for compensation that is lost while on intermittent FMLA leave as long as operations and productivity can be maintained. Approved make-up hours will not be deducted from the employee's FMLA entitlement bank.

(4) Position. Except as otherwise provided in the Act, employees who take FMLA leave shall be entitled, on return from such leave, to be returned to the same position the employee held when the FMLA commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. The employee may be denied restoration of his or her position in accordance with and subject to provisions set forth in the Act.

(5) Benefits. The taking of family or medical leave shall not result in the loss of any employment benefits accrued prior to the date on which the leave commenced, other than the required use of vacation and sick leave. An employee's entitlement to benefits other than group health benefits during a period of FMLA leave shall be determined in accordance with the City's policy for providing such benefits for the type of leave taken; i.e. paid or unpaid, as applicable. The City's right to recover costs incurred by the City for non-health plan benefits during FMLA leave shall be determined by applicable provisions of the Act.

(6) Insurance. The City shall maintain coverage for the employee under any "group health plan" during any FMLA leave at the level and under the conditions of

coverage the employee would have been provided had the employee had been continuously employed during the FMLA leave period as required by the Act and applicable provisions of COBRA. The employee shall be responsible for any premiums which had been paid by the employee prior to FMLA leave. If FMLA leave is substituted for paid leave, the employee's share of the premiums must be paid by the method normally use during any paid leave, such as payroll deduction. If the FMLA leave is unpaid, the applicable policies for payment by employees on leave without pay will be followed. The City may recover its share of health plan premiums during a period of unpaid FMLA leave from an employee if the employee fails to return to work after the employee's FMLA leave entitlement has been exhausted or expired, unless the reason the employee does not return is due to exemptions set forth in 29 C.F.R. § 825.213, as amended.

(m) Records. The City shall make, keep, and preserve records pertaining to FMLA leave in accordance with the Act. Access and maintenance of such records shall be subject to the requirements of the Utah Government Records Access and Management Act, as set forth in *Utah Code Ann*. §§ 63-2-101, *et seq*., as adopted and amended by the City. Documents relating to medical certifications, recertification, and fitness for duty or medical histories of employees or employees' family members shall be treated as confidential medical records as per state and federal law.

' 39-3-1, *et seq*., as amended, and the Uniformed Services Employment and Reemployment Rights Act of 1994, as set forth in 38 U.S.C. §§ 4301, *et seq*., as amended. Military personnel may also be eligible for family leave in accordance with the provisions of the National Defense Authorization Act, Public Law 110-181, and the Family Medical Leave Act of 1993, as amended. Such leave is more particularly described in Section 8.090 of these Policies and Procedures regarding Family and Medical Leave. Employees who need leave due to the Military shall notify the Human Resource Specialist as soon as possible to ensure leave is processed according to Federal, State, and local laws.

8.110. Jury Duty Leave.

The City recognizes the duty of its employees as citizens to serve on juries or as court witnesses. Employees, who are required to miss work as a result of being summoned to serve on a jury, or have been subpoenaed to appear as a witness, may be eligible for paid leave during such jury duty and witness periods, less compensation received by the employee for such services, for a period of time not to exceed sixty (60) days. This Section does not apply when an employee appears in court on his or her own behalf, such as a traffic offense or as a party to a lawsuit. Employees appearing in court on behalf of the City in their official capacity shall be paid their regular rate of pay as hours worked in accordance with applicable provisions of the Fair Labor Standards Act.

8.120. Injury Leave.

An employee injured on the job must report the injury in accordance with reporting procedures set forth in Chapter 14. Employees injured during performance of their job duties are covered by Worker's

Employees must follow the procedures outlined in the Vacation Leave policy for funeral of friends or family members not on this list.

8.140. Administrative Leave.

Employees may be placed on paid administrative leave pending investigation or disciplinary action in accordance with and subject to the provisions set forth in Chapter 22.

Jeans must not have holes or be frayed. On these occasions, employees are still expected to present a neat appearance and are not permitted to wear ripped, disheveled or similarly inappropriate clothing.

Any employee who does not meet the standards of this policy will be required to take corrective action. The employee may be sent home and directed to return to work in proper work attire. Time missed because of failure to comply with this policy will not be considered as hours worked. The employee's supervisor and/or department head is responsible for providing individual feedback to employees who do not meet the City's standards of dress. 9.100. Outside Employment.

In order to reduce mental and physical fatigue, limit conflicts of interest, and reduce liability insurance expenses, no Full-Time employee shall be permitted to engage in any outside employment except as provided herein. Any Full-Time employee desiring to engage in outside employment or has any change in outside employment status must fill out and submit the Notice of Second Employment form (See Appendix ~~L~~M) and turn it in to his or her department head. The department head shall review the request or status change based on the considerations set forth in this Section and make a recommendation to the City Manager regarding the same. The City Manager shall review the request for outside employment and approve or deny the same based on the following considerations:

(a) whether the outside employment will in any way interfere with the employee's ability to meet the City's work schedule, including reasonable overtime and standby assignments;

(b) whether the outside employment will be directly connected with or contingent upon a representation that the employee is in any way representing the City, either directly or indirectly;

(c) whether the outside employment is consistent and appropriate with the employee's position held with the City; and

(d) whether the outside employment will interfere with the employee's physical, mental, or emotional ability to fully and completely discharge the job duties of his or her City position.

The City Manager shall notify the Human Resources Specialist of any approved outside employment request and such request and approval shall be retained with the employee's personnel records. The City reserves the right to cancel an approval for outside employment when it is deemed such employment is not in the City's best interest. Any employee engaged in outside employment without prior approval required herein may be subject to discipline up to and including termination. City employees may not use City equipment or uniforms in connection with outside employment, nor may they engage in outside employment while on City time. In no event shall any full-time outside employment be permitted for full-time employees. Employees may not accept other employment which might impair his or her independence of judgment in the performance of his or her public duties as an employee of the City or which might interfere with the ethical performance of such duties.

9.110. Personal Activities.

Employees shall not perform personal business during working hours and shall not use City owned property in support of outside interests and activities. Employees are to pursue personal and outside activities on the employee's own time away from City facilities and offices. Employees shall arrange for annual leave or compensatory time off in advance to pursue personal and outside interests. Use of City computers, equipment and vehicles shall be limited to and conducted in accordance with applicable provisions of Chapter 18 and Chapter 19.

9.120. Political Activities.

Employees shall not be coerced to support a political activity. An employee shall not use, discriminate in favor or against any person or applicant for employment based on political activities. Employees shall not engage in political activities during working hours. Employees shall not use City owned equipment, supplies or resources, or other expenses when engaged in political activities. The City and its public officials are subject to the Political Activities of Public Entities Act, as set forth in *Utah Code Ann*. §§ 20A-11-1201, *et seq*., as amended.

9.130. Social Networking.

Employee's participating on internet social networking sites (facebook, Twitter, etc.) must use appropriate discretion to not discredit or disparage the City or themselves as employees of the City. In order to achieve and maintain the public's highest level of respect, employees are expected to follow the standards of conduct below.

(a) Except in the performance of an authorized duty, any use of department equipment to access social networking sites, blogs, or bulletin boards while on duty is prohibited except under limited circumstances at the discretion of the City Manager. If an employee is authorized to access social networking sites while on duty the employee must refrain from excessive use.

For the purposes of this section, "excessive" means accessing a site(s) to the point that it interferes with the City's operations or the employee's ability to properly perform his or her duties, as determined by his/her Supervisor, Department Head, or the City Manager.

(b) Employees shall not post, transmit, and/or disseminate information (texts, pictures, video, audio, etc.) to the internet or any other forum that would tend to discredit, disparage, or reflect unfavorably upon the City or its employees. Any inappropriate or unsatisfactory occurrences observed should be addressed with the employee's immediate supervisor.

(c) Personal Social Networking Account Posts. Employees are prohibited from posting, transmitting, and/or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies Syracuse City or any department without the express written permission of their department head.

(d) City Sponsored Social Networking Account Posts. Only authorized employees within the scope of assigned job duties shall post on City sponsored websites representing the City.

(e) Upon request from their department head, employees are to remove any content that is in violation of this policy in a reasonable and prompt manner. Moderation or removal of content posted by the Public on such sites shall be consistent with personal amendment principles.

Violations of this policy may subject an employee to disciplinary action, up to and including termination. Content posted to the internet has the potential to be shared broadly, including individuals with whom you did not intend to communicate. Employees are strongly discouraged from posting information regarding off duty activity that may bring their reputation into question. Nothing in this policy is intended to prohibit or infringe upon any employee's communication, speech or expression that has been clearly established as protected or privileged.

9.140. Smoking.

In compliance with the Utah Indoor Clean Air Act, as set forth in *Utah Code Ann*. §§ 26-38-1, *et seq*., as amended, smoking, including the use of electronic cigarettes, is not permitted in Syracuse City facilities. The City also prohibits smoking and the use of electronic cigarettes in City owned vehicles or while an employee is on-duty.

9.150. Consensual Romantic Relationships.

(a) Background. It is not the City's desire to discourage friendship among employees, however, it is recognized that consensual "romantic" or sexual relationships between supervisors and their subordinates could lead to actual or perceived conflicts of interest, favoritism, or sexual harassment. The purpose of this policy is to protect employees from coercive or hostile relationships that may damage morale and reduce productivity because of bias, favoritism, or harassment.

(b) Relationships between a supervisor and a subordinate:

(1) Consensual "romantic" or sexual relationships between a supervisor and a subordinate are prohibited, as well as any conduct, such as dating, that is designated or may reasonably be expected to lead to the formation of a "romantic" or sexual relationship. Persons should not be hired, promoted, transferred, or otherwise changed into a position where the

supervisor and subordinate have had such a relationship within the last two (2) years. Where such a relationship existed beyond two (2) years ago, the department head in consultation with the Human Resources Specialist will review the specific circumstances to determine whether or not to approve the action.

(2) If such a relationship should develop, the supervisor is obligated to promptly disclose the existence of the relationship to the department head and/or the Human Resources Specialist. The employee may make the disclosure as well, but the burden of doing so is upon the supervisor.

(3) The department head should inform the Human Resources Specialist and the City Manager, in consultation with the Human Resources Specialist, and the City Manager others with a need-to-know basis of the existence of the relationship, including the person responsible for the employee's work assignments will be informed. Upon being informed or learning of the existence of such a relationship, the Human Resources Specialist, in consultation with the department head and the City Manager, may take steps that he/she deems appropriate. At a minimum, the subordinate and supervisor will not thereafter be permitted to work together on the same matters (including matters pending at the time disclosure of the relationship is made), and the supervisor must withdraw from participation in activities or decisions (including, but not limited to, hiring, evaluations, promotions, compensation, work assignments, and discipline) that may reward or disadvantage any employee with whom the supervisor has or had had such a relationship. The supervisor may be subject to disciplinary action, up to and including termination.

(4) Any person who believes that he or she has been affected by such a relationship, notwithstanding its disclosure, shall report the matter in accordance with the procedures set forth in Chapter 10 regarding sexual harassment.

(c) Dating relationships between other employees:

(1) Dating relationships between other employees are permitted, however both employees have a responsibility to notify their department head when dating begins to document that the relationship is consensual and welcome. Employees will be instructed to inform the department head when/if the relationship ends. Employees involved in a dating relationship may not be promoted or transferred to a supervisor position where one will be a direct or indirect supervisor over the other.

(2) The City's implementation of this policy is not intended to inhibit the social interaction (such as lunches, dinners, or attendance at entertainment events) that are or should be an important part or extension of the working environment.

(3) This policy shall apply without regard to gender and without regard to sexual orientation of the participants in a relationship of the kind described.

9.160. Workplace Violence.

(a) Purpose. Syracuse City is committed to preventing workplace violence and to maintaining a safe work environment. Given the increasing violence in society in general, Syracuse City has adopted the following policies and guidelines to deal with intimidation, harassment, or other threats of or actual violence that may occur during business hours or on its premises. It is the purpose of this policy to communicate to all employees of the City and all persons conducting business with or served by the

City that intimidation, harassment, or other threats of or actual violence within the workplace is prohibited and shall not be tolerated.

(b) Policy. All employees should be treated with courtesy and respect at all times. Employees are expected to refrain from fighting, "horseplay," or other conduct that may be dangerous to others. Firearms, weapons, and other dangerous or hazardous devices or substances are prohibited from the premises of Syracuse City unless the employee has a valid permit issued or recognized by the State of Utah and has notified the department head and the City Manager in writing. Conduct that threatens, intimidates, harasses, coerces, or harms another employee, a customer, or a member of the public will not be tolerated.

(c) Reporting. Any intimidating, threatening, or harassing conduct, and any threats of or actual violence, both direct and indirect, should be reported as soon as possible to the employee's immediate supervisor, any department head, the Human Resource Specialist, the City Attorney, or the City Manager. Such supervisor or department head shall notify the Human Resource Specialist and/or the City Manager as soon as possible. Intimidating, threatening or harassing conduct by employees, as well as conduct by members of the public should be reported. Reports of such conduct should be as specific and detailed as possible. Employees are empowered to contact the proper law enforcement authorities without first informing their supervisor or department head if they believe a threat to the safety of others exists. All suspicious individuals or activities should also be reported as soon as possible to a supervisor. Employees should not place themselves in peril. If you see or hear a commotion or disturbance near your workstation, do not try to intercede or see what is happening.

(d) Investigation. Syracuse City will promptly and thoroughly investigate all reports of intimidating, threatening, or harassing conduct, threats of or actual violence, and suspicious individuals or activities, as deemed appropriate under the circumstances.

(e) Employee Responsibility. Syracuse City encourages employees to bring their disputes or differences with other employees to the attention of their supervisor or the City Manager before the situation escalates into potential harassment or violence. Syracuse City is eager to assist in the resolution of employee disputes. Such prompt reporting and discussion will assist the City in eliminating any intimidation, harassment and/or workplace violence at an early stage and in reducing or eliminating any resulting harm.

(f) Discipline. Any violation of this policy by City employees shall result in disciplinary action, up to and including termination.

9.170. Credit Cards.

Syracuse City credit cards shall be used for official business only. See Chapter 17 for additional information.

9.180. Gifts, Awards, and Prizes.

(a) Employees shall avoid the appearance of conflicts of interest or favoritism. The following apply to the receipt of gifts, awards, or prizes. In some cases, they will be more restrictive than the minimum standards established under Utah law.

(b) In all cases, “quid pro quo” (something for something) is prohibited. In other words, it is prohibited to receive a gift or item:

(1) That would create the appearance of bribery;
(2) under any circumstance that suggests the gift is directly connected to a specific transaction or contemplated transaction (i.e. awarding city contracts, land use applications, etc.)

(c) Unless prohibited by subsection (b), Employees are permitted to accept gifts or prizes under the following circumstances:

(1) Gifts or food valued less than $50 (cumulative per vendor/customer/resident, per year), or

(2) Gifts or food distributed to all attendees or randomly at conferences or other events, such as t-shirts, door prizes, drawing prizes, trade show bags, or food.

(d) This section does not apply to:

(1) Awards presented by Syracuse City to an employee;

(2) Awards publicly presented in recognition of public services;

(3) Gifts from family members or friends, provided that the friendship arose prior to or outside of the context of City employment, unless the criteria in subsection (b) apply.

(e) Employees should not receive any gift identified in this policy as prohibited. If an employee or department receives an unacceptable item, it should be returned to the giver with an explanation that receiving such gifts would violate City policy. In cases where this is not feasible:

(1) Food items may be shared in a central location where all employees may enjoy them;

(2) The item may be delivered to human resources for distribution to other employees on a random basis such as a door prize at a City party; or

(3) The item may be donated to a charitable organization, which donation shall be documented with a receipt.

9.190. Solicitation, Distribution and Posting of Materials.

In an effort to protect employees from unwanted solicitations that can interfere with work duties and productivity or create tension and discord among employees, the City has adopted the following rules.

Employees shall not solicit or ask other employees to purchase goods or services, make donations or contributions, or join or support particular groups or causes in any work area during

employees' work time, except for City sponsored activities, City association activities, or as required by local or Federal law. Employees shall not distribute any solicitation literature or written materials that are not job-related using City email or equipment. However, employees may put literature or written materials in the breakroom for other employees to read and participate on their own time. The City Manager may make occasional exceptions to the above rules as deemed necessary.

Anyone who is not an employee is prohibited from entering our premises at any time to solicit support from employees for any organization or cause; or to otherwise proselytize, distribute literature, or sell or market products/services to our employees. Exceptions to this rule may be made only for vendors or service representatives whose purpose is strictly related to City business functions and purposes or with prior approval of the City Manager.

CHAPTER 10
CASH RECEIPTING AND DEPOSIT POLICY

10.010. Objective.
10.020. Cash Receipts.
10.030. Deposit Reconciliation.
10.040. Compliance.

10.010. Objective.

Establish a uniform control design for all departments that receive cash. This policy has been developed by the Administrative Services Director who ultimately is responsible for the overall design and implementation of organizational controls. This policy will be adjusted for changes in systems and organizational structure at which time the Administrative Services Director will propose changes to the City Council for review and approval.

10.020. Cash Receipts.

(a) The Administrative Services Director has approved cash receipting locations at the community center, police department (limited to checks and credit cards only), fire department (limited to checks and credit cards only), public works, post office, court, utilities, and community and economic development departments. Any other cash receipting locations must be pre-approved by the Administrative Services Director.

(b) All cash funds received are entered into the accounting system at the time of the transaction. Receipts will be given to the customer. If the cash transaction occurs at the police or fire department, the customer will be directed to complete their payment at city hall in the utilities department so that it can be accounted for in the accounting system before the customer leaves.

(c) At the end of each day the person responsible for receiving cash will close out their cash drawer and place the cash, checks and credit card receipts in a secure (locked) place. The next morning the utility department staff will reconcile the system generated report to the cash and checks in the drawer. Once complete, the utility department staff will make a deposit to the bank within three business days. The community center staff will count and reconcile its cash and check receipts with the system generated report and will make a separate deposit to the bank within three business days.

(d) Every effort should be made to ensure large quantities of cash are not on hand at any location overnight. If a location has a large transaction or series of transactions leaving cash on hand over $5,000 the deposit should be made in the same day.

(e) Syracuse City has installed and maintains surveillance systems in offices receiving funds. Surveillance evidence will be maintained for 30 days.

(f) Mail will be opened in the presence of two or more employees and any correspondence containing payments will be removed and processed prior to distributing mail to individual persons or departments.

(g) Void/adjusted transactions. If a transaction needs to be voided or adjusted, it should be done by someone who does not receive cash. Where this is impractical, the utility billing supervisor will initiate the voided receipt. The accounting system tracks all voided receipts and is reviewed during the bank reconciliation process.

10.030. Deposit Reconciliation.

(a) The utility office employees will receive funds from other departments, count the funds, compare the amount received to the supporting documentation provided and ensure that it matches the accounting records.

(b) At the beginning of each day, the utility office will compile all cash and checks received from the previous day, match the total to the total receipts in the accounting system, and create a deposit slip. These are deposited with the bank within three business days.

(c) Copies of deposit slips are maintained and used to reconcile bank statements to the accounting records.

(d) The finance office will review the revenue recorded into the accounting system with the copy of the deposits to ensure correct recording of cash. Where practicable the system should be designed to only allow receipts for cash receipts to be recorded to accounts that pertain to that office or department.

10.040. Compliance.

Failure to comply with any aspect of this policy or related policies outlined in this Policy Manual may result in the disciplinary action, up to and including termination.

CHAPTER 11
REPORTING FRAUD AND ABUSE POLICY.

11.010. Definition.
11.020. Reporting Fraud or Abuse.
11.030. Complaints, Investigations, Review, and Enforcement.
11.040. Whistleblower Protection.

11.010. Definition.

"Improper governmental action" means any action by a Syracuse City employee:

a) That is undertaken in the performance of the employee's official duties, whether or not the action is within the scope of the employee's employment; and

b) That is in violation of any federal, state, or local law or rule not already covered in other sections of this policy manual, or

c) That is an abuse of authority, or

d) That is a theft of city property or city funds, or

e) That is a gross waste or mismanagement of public funds.

11.020. Reporting Fraud or Abuse.

(a) Employees who become aware of improper governmental actions should raise the issue first with the human resources department. If requested by the human resources, the employee shall submit a written report, stating in detail the basis for the employee's belief that an improper governmental action has occurred. Where the employee reasonably believes the improper governmental action involves human resources, the employee may raise the issue directly with the City Manager. If the improper governmental action involves the City Manager, the employee may raise the issue directly with the Mayor.

(b) In the case of an emergency, where the employee believes that damage to persons or property may result if action is not taken immediately, the employee may report the improper governmental action directly to the police department whose responsibility would be investigating the improper action.

(c) The human resources department shall take prompt action to assist Syracuse City in properly investigating the report of improper governmental action. Syracuse City employees involved in the investigation shall keep the identity of reporting employees confidential to the extent possible under law,

unless the employee authorizes the disclosure of his or her identity in writing. After an investigation has been completed, the employee reporting the improper governmental action shall be advised of a summary of the results of the investigation, except that personnel actions taken as a result of the investigation may be kept confidential.

(d) Syracuse City employees may report information about improper governmental action directly to the City Manager if the employee reasonably believes that an adequate investigation was not undertaken to determine whether an improper governmental action occurred, or that insufficient action has been taken to address the improper governmental action or that for other reasons the improper governmental action is likely to recur.

(e) Syracuse City employees who fail to make a good faith attempt to follow procedures in reporting improper governmental action shall not receive the protections provided by Syracuse City in these procedures.

11.030. Complaints, Investigations, Review, and Enforcement.

(a) Any person may file a complaint alleging a violation of this policy.

(b) The complaint shall be in writing and shall, except as described in section C below, be signed by the complainant. The written complaint should state the nature of the alleged violation(s), the date(s), time and place of each occurrence, and name of the person(s) charged with the violation(s). The complaint shall be filed with the City Manager who shall provide a copy to the person charged with a violation. The complainant shall provide the City Manager with all available documentation or other evidence to demonstrate a reason for believing that a violation has occurred.

(c) This policy is intended to protect employees who choose to come forward in good faith with complaints about governmental actions and conduct of Syracuse City employees. Anonymous complaints have the potential to subject the person who is the subject of the complaint to an investigation that may, at the least, cause stress and embarrassment, and may, at most, result in discipline or termination of employment. Syracuse City is reluctant to begin an investigation based on an anonymous complaint since evidence will be difficult to obtain and verify, and it will be impossible to assess the complainant's credibility. Complainants and whistleblowers have protection from retaliation under this policy. A thorough investigation of complaints is Syracuse City's goal. It may not be possible to conduct a thorough investigation when a complainant remains anonymous. Therefore, Syracuse City reserves the right to decline to investigate any complaint that is provided anonymously.

(d) If a complaint is received anonymously it shall be directed to the human resources department for a recommendation on the processing of the complaint. Upon review of the complaint, the human resources department will recommend to the City Manager either that the complaint has no merit or that it should be investigated. Such a recommendation will be made within ten (10) days of receipt of the complaint, if possible. Upon receipt of the human resources department's recommendation the City Manager shall make the final determination on whether or not to continue the investigation, end the investigation, or refer the matter to an outside entity.

(e) Within thirty (30) days after receipt of a complaint, the human resources department or another person appointed by the City Manager shall conduct a preliminary investigation. If the human resources department or the City Manager are implicated in the complaint, the City Manager or Mayor will determine an independent person who will conduct the investigation. Criminal allegations will be referred to the proper law enforcement agency.

(f) If the human resources department determines, after preliminary investigation, that there are no reasonable grounds to believe that a violation has occurred, the human resources department shall advise the City Manager to dismiss the complaint. If the City Manager does dismiss the complaint, it shall do so in writing, setting forth the facts and provisions of law upon which the dismissal is based, and shall provide a copy of the written dismissal to the complainant, to the person charged with the violation and to the governing board.

11.040. Whistleblower Protection.

Utah Code § 67-21-3 prohibits public employers from taking adverse action against their employees for reporting in good faith government waste or violations of law to the appropriate authorities. A public entity employee, public body employee, legislative employee, or judicial employee, is presumed to have communicated in good faith if they have given written notice or otherwise formally communicated the conduct to the person in authority over the person alleged to have engaged in the illegal conduct.

CHAPTER 1210
HARASSMENT, SEXUAL ABUSE AND ADAAA

1210.010. Harassment Policy.
1210.020. Sexual Abuse Policy.
1210.030. Americans with Disabilities Policy.

1210.010. Harassment Policy.

(a) Policy. It is the policy of Syracuse City to provide its employees with a work environment free from discrimination and harassment, where employees treat each other with professionalism, respect, dignity, and courtesy. Each employee must exercise good judgment to avoid engaging in conduct that may be perceived by others as harassment, disrupts or interferes with another's work performance or that creates an intimidating, offensive or hostile environment. Harassment is prohibited and shall not be tolerated by the City under any circumstances. This zero-tolerance policy applies to all employees, officers, and agents of the City, as well as any other third parties doing business with or served by the City.

(b) Purpose. It is the purpose of this policy to communicate to all employees of the City and all persons conducting business with or served by the City that harassment is prohibited. It is also the intent of this policy to inform and communicate to employees experiencing or witnessing harassment that they have a means to discourage and report intimidating, offensive, hostile, or inappropriate conduct and that such reports will be immediately investigated, and appropriate action will be taken.

(c) Notice. All employees of the City shall be responsible for knowing the provisions of this policy regarding harassment. The Human Resources Specialist shall be responsible for informing employees of any amendments to this policy. Any violation of this policy by City employees shall result in disciplinary action up to and including termination.

(d) Definitions. As used herein, the following words shall have the meaning described below:

Examples include making coffee, serving refreshments, and running errands, when not related or necessary to the functions and responsibilities of the employee's position with the City.

(f) Employee Responsibility. Employees shall promptly report any harassing conduct they experience, learn of or witness utilizing the complaint procedures provided herein. Such prompt reporting will assist the City in eliminating any harassment at an early stage and/or reduce or eliminate any resulting harm.

(g) Complaint Procedure. Whenever an employee believes he or she has experienced, learned of, or witnessed any type of harassment, the employee shall report the matter utilizing the following procedures.

(1) Complaint. An employee may report and/or complain of any alleged harassment by verbally notifying or filing a written complaint of the harassment with his or her supervisor. If the employee's supervisor is implicated in the matter or if the employee does not feel comfortable raising the matter with his or her supervisor, the employee may verbally notify or file a written complaint with the employee's department head or the Human Resources Specialist. If the department head or the Human Resources Specialist is implicated in the matter or if the employee does not feel comfortable raising the matter with his or her department head or the Human Resources Specialist, the employee may verbally notify or file a written complaint with the City Manager, City Attorney, or the Mayor. If a member of the City Council or other appointed board or commission member is implicated in the matter, the employee may verbally notify or file a written complaint with the City Manager, City Attorney, or the Mayor. Except as otherwise provided herein, any supervisor, department head, the Human Resources Specialist, the City Attorney, or the Mayor receiving notice of an alleged incident of harassment, either verbally or in writing, shall take immediate action to report such incident and/or complaint to the City Manager. In the event the City Manager is implicated in the complaint, the Mayor shall be notified by the supervisor, department head, City Attorney or the Human Resources Specialist of the report or complaint.

(3) Investigation. It is an express policy of the City that all complaints of harassment will be investigated. Except as otherwise provided herein, the Human Resources Specialist, or his or her designee, shall promptly and thoroughly investigate any such complaint of harassment. In the event the Human Resources Specialist is implicated in any harassment complaint, the City Manager shall cause to be conducted a prompt and thorough investigation of the matter. In such event, all references in Subsections (d) and (e) to the Human Resources Specialist shall be read to refer to the City Manager. The City may also hire a third-party investigator to conduct any investigation of alleged harassment. All investigations shall include, at a minimum, providing a copy of this policy to the complainant and the accused; informing the parties of the law regarding harassment and the provisions of this policy; and reviewing the complaint with the complainant and the accused.

(4) Decision. Upon completion and review of the investigation, the Human Resources Specialist shall determine whether there has been a violation of this policy and shall immediately thereafter take such action as he or she deems appropriate under the circumstances in accordance with applicable procedures regarding the same. In the event a third-party investigator has been hired to investigate the matter, the Human Resources Specialist shall review the conclusions of the investigation and make a determination regarding the matter as provided herein. Written notice of the decision, including any appropriate findings and recommended conclusions or remedies, shall be prepared and distributed to the City Manager and department head within a reasonable time from receipt of the complaint.

(5) Determine Remedy. Based on the notice of decision written by the Human Resource Specialist, if a violation of this policy is found the City Manager and Department Head shall determine the appropriate discipline for the violator ranging from written reprimand to termination of employment. The City Manager and department head in consultation with the Human Resources Specialist shall take the following factors into consideration in determining the appropriate discipline, together with any other appropriate factors:
   (a) the relationship of the parties;
   (b) the nature of the offense;
   (c) the number of complainants; and
   (d) the number of occurrences.

(h) File Records. All records concerning the complaint, investigation, findings, and discipline shall be maintained in a confidential file separate from his or her personnel records. If the accused is found to have violated this policy, records concerning the discipline shall be maintained with his or her personnel records. If the accused is found innocent of any violation of this policy, no records concerning the incident shall be maintained with his or her personnel records.

(i) Confidentiality. All complaints and investigations of harassment will be confidential to the extent possible under the circumstances and only those persons necessary for the investigation and resolution of the complaint will be provided information. Breach of this confidentiality requirement may result in disciplinary action being taken.

(j) Retaliation. Employees are entitled to bring good faith complaints regarding alleged harassment and/or to participate in the investigation of any such complaints without any fear of retaliation. Retaliation against an accused or any person involved or cooperating in an investigation of harassment is a separate violation of this policy. If an employee believes he or she has been subjected to any act of retaliation resulting from any complaint or investigation of harassment, he or she has the right to file a complaint hereunder alleging retaliation as a separate action under this policy.

(k) Misuse of Policy. Any false claims of sexual harassment or allegations made in bad faith will result in disciplinary action up to and including termination taken against the accuser.

(l) Other Procedures and Remedies. The grievance procedures provided herein are intended to replace rather than supplement other City grievance procedures for any grievance involving harassment and shall be exhausted prior to pursuing other available remedies.

12~~10~~.020. Sexual Abuse Policy.

Syracuse City prohibits and does not tolerate sexual abuse or misconduct in the workplace during any organization-related activity. Syracuse City provides procedures for employees, volunteers, council members, board members, or any other victims of sexual abuse or misconduct to report such acts.

Those reasonably suspected or believed to have committed sexual abuse or misconduct will be appropriately disciplined up to and including termination of employment or membership, as well as criminally prosecuted. No employee, volunteer, council member, board member, or other person, regardless of his or her title or position has the authority to commit or allow sexual abuse or misconduct.

Sexual abuse or misconduct may include, but is not limited to:

(a) Child sexual abuse – any sexual activity, involvement or attempt of sexual contact with a person who is a minor (under 18 years old) where consent is not or cannot be given.

(b) Sexual activity with another who is legally incompetent or otherwise unable to give consent.

(c) Physical assaults or violence, such as rape, sexual battery, abuse, molestation, or any attempt to commit such acts.

(d) Unwanted and intentional physical conduct that is sexual in nature, such as touching, pinching, patting, brushing, massaging someone's neck or shoulders, and/or pulling against another's body or clothes.

If an employee, volunteer, council member or board member observes signs of child abuse, observes the abuse of a child, or has suspected abuse disclosed to him/her then he/she shall proceed in the following manner:

1. The employee shall immediately report the incident to the Police Department and his/her direct supervisor.

2. Under the direction of the direct supervisor the employee will contact the Utah Division of Child and Family Services (DCFS) and file a report.

3. The employee shall complete an incident report and the direct supervisor shall submit the report to his/her Department Head.

4. The Department Head shall inform the City Manager who will then communicate with the Mayor, City Attorney, Human Resources, and Police Department as necessary.

5. The City Manager may follow-up with the employee who filed the initial report.

To provide a safe environment for minors, Syracuse City will take all reasonable measures to avoid one-on-one interactions between adults and minors that are not easily observable by others. Generally, two adults will supervise or be in attendance with minors in any City activity. If individual meetings with a minor shall be held in an office, the door shall be kept open or the meeting shall be held in an office with a window that can be viewed from the hallway. Closed door meetings shall only be held when another adult is put on notice of the meeting and the door remains unlocked.

12~~10~~.030. Americans with Disabilities Policy.

(a) Policy. It is the policy of the City to fully comply with the provisions and protections of the Americans with Disabilities Act of 1990 (ADA), 42 U.S.C. 12101, *et. seq.*, as amended, including, but not limited to, the Americans with Disabilities Act Amendments of 2009 (ADAAA), Public Law 110-325, prohibiting employment discrimination against qualified individuals with disabilities. Pursuant to the ADA and the ADAAA, which shall hereinafter be referred to collectively as the ADA, the City shall not discriminate against a qualified individual with a disability in job application procedures, hiring, firing, advancement, compensation, job training, leave, benefits, and any other term, condition, and privilege of employment with the City. It is further the intent of the City to fully comply with the provisions and interpretations of the EEOC regulations and guidelines issued pursuant to authority of the ADA, including, but not limited to, regulations set forth in 29 C.F.R. Part 1630, as amended.

(b) ADA Coordinator. The Human Resources Specialist is hereby designated as the ADA Coordinator for the City. The ADA Coordinator shall be responsible for the administration of this policy. Any questions, comments or complaints regarding matters set forth herein should be addressed to the ADA Coordinator, Syracuse City Offices, 1979 West, 1900 South, Syracuse, Utah, 84075.

(c) Disability. Pursuant to the ADA, an individual with a disability is a person who: (A) has a physical or mental impairment that substantially limits one or more major life activities of such individual; (B) has a record of such impairment; or (C) is regarded as having such an impairment. The ADA only protects a person who is qualified for the job he or she has or for which he or she is applying. A qualified employee or applicant with a disability is an individual who, with or without reasonable accommodation, can perform the essential functions of the employment position he or she holds or for which he or she is applying. Pursuant to the ADA, the definition of disability shall be construed in favor of broad coverage of individuals.

(d) Reasonable Accommodation. The City shall provide a reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability in accordance with applicable provisions of the ADA, which includes pregnancy, childbirth, breastfeeding, or related conditions, unless doing so would impose an undue hardship on the operation of the City's business. Undue hardship means that providing the reasonable accommodation would result in significant difficulty or expense, based on the resources and operation of the employer's business.

(e) Requesting Reasonable Accommodation. An employer generally does not have to provide a reasonable accommodation unless an individual with a disability has asked for one. Thus, it is generally up to the applicant or employee to request a reasonable accommodation from the City. Any applicant or employee requesting a reasonable accommodation shall make such request to the City's ADA Coordinator as designated in Subsection (b). The request may be made in general terms that the individual needs an adjustment or change for a reason related to a medical condition. The request does not have to include the terms "ADA" or "reasonable accommodation." The City may initiate discussions about the need for a reasonable accommodation if the disability is obvious, *e.g.*, the individual uses a wheelchair, or if the medical condition is causing a performance or conduct problem, as more particularly provided in the ADA and applicable regulations.

(f) Interactive Process for Determining Accommodation. The ADA suggests the employee and employer work together informally in an interactive process to determine potential or appropriate accommodations under the circumstances that would enable the employee to perform the essential functions of his or her job. Once a reasonable accommodation is requested, the ADA Coordinator and the applicant or employee should sit down and discuss the applicant's or employee's needs and identify

the appropriate reasonable accommodation. If such consultation does not identify an appropriate accommodation, the City may seek further assistance from the EEOC, State or local vocational rehabilitation agencies, the Job Accommodation Network (JAN), or other appropriate service to assist the City in making individualized accommodations. The ADA Coordinator shall respond promptly to all requests for a reasonable accommodation and should keep lines of communication open with the applicant or employee making the request, particularly when it will take longer than expected to provide an accommodation or when supporting documentation is needed.

(g) Complaint. Whenever an applicant or employee believes he or she has been discriminated against on the basis of a disability regarding his or her employment or application for employment with the City, the applicant or employee may file a written complaint with the ADA Coordinator. The complaint should set forth the facts and circumstances surrounding the complaint and the basis for the complaint. Upon receipt of a complaint, the ADA Coordinator shall immediately notify the City Manager of the complaint and conduct an investigation of the complaint. The ADA Coordinator may also hire a third party to investigate the matter. Investigation of the complaint may include but is not limited to: interviewing the complainant and affording all interested persons and their representatives, if any, the opportunity to submit oral or documentary evidence relevant to the complaint. The ADA Coordinator shall, within a reasonable time from receipt of the complaint, prepare and distribute his or her findings and conclusions from the investigation, including a description of the resolution of the complaint and notice of the complainant's right to appeal.

(h) Appeal. Any person aggrieved by a decision of the ADA Coordinator regarding a complaint filed hereunder may appeal such decision by filing with the City Council a written appeal within ten (10) days from the date of the decision stating the grounds for the appeal. The City Council shall review the ADA Coordinator's decision for correctness and prepare its findings and conclusions within a reasonable time from receipt of the appeal.

(i) Retaliation. It is unlawful to retaliate against an individual for opposing employment practices that discriminate based on disability or for filing a discrimination charge, testifying, or participating in any way in an investigation, proceeding, hearing or litigation under the ADA. Any applicant or employee who believes he or she has been subjected to any act of retaliation described herein has the right to file a further complaint alleging reprisal as a separate action under this policy.

(j) Records. The ADA Coordinator shall maintain or cause to be maintained all records of the City pertaining to ADA matters and complaints filed hereunder in accordance with the Utah Government Records Access and Management Act, as set forth in *Utah Code Ann*. §§ 63G-2-101, *et seq.*, as amended, and all applicable records provisions of the ADA. Medical information shall not be filed in the employee's regular personnel file but shall be filed in a separate medical file that is accessible only to designated officials. Disclosure of medical information about applicants or employees shall be subject to the confidentiality requirements of the ADA. An employee's request for a reasonable accommodation shall be considered medical information subject to the ADA's confidentiality requirements.

(k) Other Procedures and Remedies. The grievance procedures provided herein are intended to replace rather than supplement other City grievance procedures for any grievance involving discrimination based upon disability.

1311.010. Purpose.

The purpose of this policy is to convey to all current and prospective employees of Syracuse City the City's "zero-tolerance" policy on alcohol and drug use in the workplace and to provide guidelines for the implementation and management of a drug and alcohol testing program for the City. This policy is intended to provide a safer and more efficient workforce by avoiding the negative circumstances created by employee drug and alcohol use. These policies and procedures are not intended to create or alter any existing employment status or contract, written or verbal, between Syracuse City and its employees or job applicants. The provisions of this policy are intended and shall be interpreted to be in accordance with the Utah Local Governmental Entity Drug-Free Workplace Act, as set forth in *Utah Code Ann*. §§ 34-41-101, *et seq.,* as amended.

1311.020. General Policy.

Alcohol or drug use can impair an employee's ability to safely and effectively perform the functions of the particular job, increase accidents, absenteeism, and sub-standard performance, create poor employee morale, and/or undermine public confidence in the City's work force. It is the policy of the City to employ a work force and create a workplace free from the adverse effects of alcohol and drug use. To accomplish this, Syracuse City has developed a "zero-tolerance" substance abuse policy for all current and prospective employees as more particularly set forth in this policy. This policy shall be distributed to employees and made available for review by prospective employees.

1311.030. Applicability.

This Non-DOT Drug and Alcohol Testing Policy shall apply to all City employees and prospective employees, including those City employees or prospective employees who are required to comply with the DOT Drug and Alcohol Testing Policy as set forth in Chapter 12, to the extent not otherwise covered therein. In the event of conflict between the two policies, the DOT Drug and Alcohol Policy shall control

for DOT employees as defined in Chapter 12.

As used herein, the following words shall have the meanings set forth below:

(a) Actual Knowledge. "Actual Knowledge" means actual knowledge by an employer that an employee has used a controlled substance and/or alcohol based on the employer's direct observation of the employee or an employee's admission of alcohol and/or controlled substance use. Direct observation as used in this definition means observation of alcohol or controlled substance use and does not include observation of employee behavior or physical characteristics sufficient to warrant reasonable suspicion testing.

(b) Adulterated Test Result. "Adulterated Test Result" means a specimen which contains a substance that is not expected to be present in human urine or contains a substance expected to be present but is at a concentration so high that it is not consistent with human urine.

"Controlled Substance" or "Drugs" means any substance, and its metabolite, recognized as a drug in the United States Pharmacopoeia, the National Formulary, the Homeopathic Pharmacopoeia, or other recognized drug compendia, or supplement to such compendia, including Title 58, Chapter 37 of the Utah Code Annotated (Utah Controlled Substances Act), and any prescribed medication or controlled substance including those assigned by 21 USC 802 and includes all substances listed on Schedule I through Schedule V, as they may be revised from time to time (21 CFR 1308), including but not limited to:

(m) Positive Drug Test. "Positive Drug Test" means drug test levels on both the screening test and the confirmation test that are at or above the level recognized as positive by the US Department of Health and Human Services in its Mandatory Guidelines for Federal Workplace Drug Testing Programs or the standard cutoff levels set by the laboratory and the MRO has verified the test result as positive.

(n) Prospective Employee. "Prospective Employee" means any person who has made written or oral application for employment with the City and who has been selected as a final applicant for such employment.

(o) Refusal to Submit. "Refusal to Submit" means that the employee: (1) fails to provide adequate breath for alcohol testing as required herein without a valid medical explanation after he or she has received notice of the requirement for breath testing; (2) fails to provide an adequate urine sample for controlled substances testing as required herein without a genuine inability to provide a specimen after he or she has received notice of the requirement for urine testing; or (3) engages in conduct that clearly obstructs the testing process.

(s) Use. "Use" means to illegally consume, sell, purchase, manufacture, distribute, be under the influence of, report to work under the influence of, or be in possession of drugs and/or alcohol. The

term use shall also include the presence of drugs and/or alcohol in the body of an employee, including the presence as a metabolite, the use of a prescription drug without a valid prescription from a health care provider and not using a prescription drug as prescribed by the authorizing health care provider.

(t) Utah Local Governmental Entity Drug-Free Workplace Act. "Utah Local Governmental Entity Drug-Free Workplace Act" means the Drug-Free Workplace Act set forth at *Utah Code Ann.* §§ 34-41-101, *et seq.*, as amended.

~~11~~13.050. Regulations.

No employee of the City may possess, sell or be under the influence of any drugs or alcohol while on-duty, when conducting City business or while on City premises, as shown by the presence of such substances or their metabolites in the employee's system. The following activities are examples of activities that are strictly prohibited for all Syracuse City employees:

(a) Working while under the influence of a controlled substance or alcohol unless the substance is legally prescribed and used in accordance with the terms of this policy.

(b) Selling, using, purchasing, manufacturing, or possessing an illegal controlled substance or drug paraphernalia while on Syracuse City time, while conducting Syracuse City business, while on Syracuse City property, or while using City vehicles or equipment.

(c) Selling, using, purchasing, manufacturing, or possessing an illegal controlled substance or drug paraphernalia when not at work.

(d) Selling, using, purchasing, manufacturing, or possessing an illegal controlled substance, including prescription medications which are considered controlled substances, unless the prescription medication is legally prescribed to the employee and has been taken as prescribed.

(e) Operating any vehicle or machinery while under the influence of any drug, including prescription or over-the-counter medications which render the employee incapable of safely and adequately operating a vehicle, machinery, or performing any other job duties.

(f) Using alcohol, in any form, while on Syracuse City time or business, or to report to work under the influence of alcohol. An employee is considered to be in violation of this policy if they report to work with a blood alcohol level (as determined by a breath alcohol (BAC) test) greater than or equal to 0.04.

(g) Consuming or using alcohol in any form, four (4) hours prior to a scheduled work period, or while “on-call.”

(h) Refusing to submit a specimen for controlled substances or alcohol testing.

(i) Having positive drug and/or alcohol test results.

(j) Tampering with, substituting, or adulterating any specimen collected for drug and/or alcohol testing. Any sample reported by the laboratory or MRO as “substituted” or “adulterated” will be considered a “refusal to test” or a refusal to submit a valid sample.

(k) Obstructing or not fully cooperating with specimen collection or testing procedures.

(l) Failing to report the legal use of prescription and/or over-the-counter medications that could adversely render the employee incapable of operating a vehicle, machinery and performing job duties.

(m) For a Syracuse City supervisor to allow an employee to work if they have actual knowledge that the employee has violated this policy or has reasonable suspicion to believe that an employee may be impaired by drugs and/or alcohol.

13~~11~~.060. Zero-Tolerance.

If it is determined that an employee tests positive for use of controlled substances and/or alcohol, abuses prescribed drugs, refuses to provide a sample, knowingly supplies an excess fluids (diluted), substituted or adulterated sample, or otherwise violates the terms and provisions of this policy, that employee shall be subject to disciplinary action, up to and including termination. Any disciplinary action taken for violations of this policy shall comply with the disciplinary action procedures, as applicable, set forth in Chapter 22 of these Policies and Procedures.

~~11~~13.070. Voluntary Rehabilitation.

Employees seeking assistance with overcoming drug or alcohol abuse before they are selected and tested for drug and/or alcohol testing and before it interferes with job performance may contact their supervisor, department head, or the Human Resources Specialist for information about counseling and rehabilitation programs. Employees having a drug or alcohol problem are strongly encouraged to seek help. The Human Resources Specialist may provide assistance in referring employees to appropriate rehabilitation programs. This assistance, however, does not financially obligate the City for the costs associated with rehabilitation. Rehabilitation is the employee's responsibility. The City will allow employees who seek voluntary assistance for alcohol and drug problems to first utilize their accrued sick leave and then their accrued annual leave for rehabilitation. Leave without pay may be requested by the employee and will be considered on an individual case basis. If the FMLA does not apply, an employee's position may be held open for a reasonable period of time up to a maximum of thirty (30) days for voluntary rehabilitation upon approval by the City Manager. Employees returning to work after treatment must first provide the City with a certification from a reputable substance abuse program that the employee is sober, has successfully completed the treatment program and has the potential for full recovery. A licensed professional medical practitioner that specializes in substance abuse must sign this certification. The employee must also, as a condition of returning to work, agree to follow-up rehabilitation drug and/or alcohol testing and sign a return to work agreement. Follow-up rehabilitation testing will be required for a period of not less than six (6) months and not more than one (1) year after completion of the employee's substance abuse treatment program. The date and time of any required follow-up rehabilitation drug and/or alcohol testing will be unannounced and conducted on a random basis. Voluntary notification and enrollment in a rehabilitation program shall only prevent disciplinary action for previous drug or alcohol use that was unknown to the City and shall not prevent the City from testing or taking disciplinary action against an employee who subsequently violates this policy.

~~11~~13.080. Prescription and Over-the-Counter Drugs.

Prescribed and over-the-counter drugs and the necessary instrumentalities of administration brought on City premises may only be used by the person for whom they are prescribed and taken as directed so long as the use of such drugs does not adversely affect the safety of the work environment or significantly impede performance of essential job functions. There are various prescription and over-the-

counter drugs that may adversely affect the safety of the work environment. Examples include, but are not limited to, pain relievers that contain opiates, medical marijuana, and muscle relaxants. It is the employee's responsibility to be informed about the effects of prescription and over-the-counter drugs they are taking by reading the information that accompanies the drug, including any information provided by the pharmacist, by consulting with their physician, and by accessing and utilizing other sources of information available to the employee, and acting accordingly. Any employee who chooses or is medically required to ingest prescribed or over-the-counter medications that may adversely affect the safety of the work environment, shall immediately notify his or her department head of the type of medication and time period over which said medications will be taken. The department head will make a determination of any restrictions to be placed on the employee after appropriate confidential consultation with the Human Resources Specialist, the City Attorney's Office, and/or medical professionals. A written statement from the employee's physician may be required regarding whether the physician is of the opinion that the employee can safely work or perform his or her job duties while taking the prescribed drug. Any employee who chooses or is medically required to ingest a prescribed or over-the-counter medication outside of the workplace must ensure that the impairing effects have ended prior to reporting for work. For purposes of this policy, medications used as prescribed, which do not constitute a safety concern, shall not be considered a violation of this policy.

13~~11~~.090. Testing Required.

In accordance with the provisions of this policy, all prospective and current employees shall be subject to drug and alcohol testing as a condition of hiring and continued employment with the City. Failure to comply with this policy shall result in the City refusing to hire a prospective employee or disciplinary action for current employees as set forth in Section 11.060 regarding the City's zero-tolerance policy. All drug testing shall consist of a CRL nine (9) panel plus narcotics drug screen to set for the presence of controlled substances. All testing shall be based on and under the circumstances set forth in Section 11.100 regarding basis for testing.

13~~11~~.100. Basis for Testing.

Prospective and current employees shall be subject to testing for the presence of drugs and/or their metabolites and alcohol by the City in accordance with the provisions of this policy as a condition of hiring and continued employment for any of the following reasons or under the following circumstances.

(a) Pre-Employment. All prospective employees, upon acceptance of a conditional offer of employment with the City, shall be required to submit to a pre-employment drug test at the facility designated by Syracuse City. Pre-employment tests will be conducted on prospective employees on their own time, meaning that prospective employees will not be paid for the time they spend participating in pre-employment testing required by Syracuse City. All pre-employment drug testing will be conducted at the third-party administrator's facility and prospective employees are responsible for their transportation to and from the collection facility. Refusal to consent to a pre-employment drug test will terminate further action towards employment. A positive, adulterated, or substituted test result will also terminate further action towards employment with Syracuse City. Only those prospective employees whose pre-employment drug test results are negative will be considered for further action towards employment.

(b) Reasonable Suspicion. Employees acting in a manner which raises reasonable suspicion that the employee has improperly used or reported to work under the influence of drugs or alcohol shall be subject to drug and alcohol testing. "Reasonable suspicion" shall be determined by the supervising agent and shall mean an articulated belief based upon recorded facts and reasonable inferences drawn from those facts that the employee is in violation of this policy. Reasonable suspicion

drug and/or alcohol testing will be required when there is any of the following: observable phenomena (actual use, possession, odors, etc.); abnormal behavior or physical characteristics; or a drug-related investigation, arrest, or conviction or any investigation of theft.

(1) In the event that reasonable suspicion testing is warranted, it is the responsibility of an agent of Syracuse City to transport the employee being tested to and from the testing facility. In most cases, either the Designated Employee Representative (DER) or the employee's supervisor will be responsible for transporting the employee.

(2) Before requiring reasonable suspicion testing, the employee's supervisor or the person requesting the reasonable suspicion testing shall complete the "Observed Behavior-Reasonable Cause Record". It is essential that this form be completed before the employee is required to submit to testing in order to properly document the circumstances leading up to the testing referral.

(3) Any employee who is required to submit to reasonable suspicion testing will be removed from any safety sensitive functions and placed on alternative duty, if necessary, or placed on paid administrative leave until the results of the drug and/or alcohol test can be verified. If the test result(s) are negative, the employee will be able to return to work upon receipt of the test result(s). If the test results are positive, the employee will be subject to termination as provided herein.

(4) If an employee refuses to submit to reasonable suspicion testing or attempts to leave any Syracuse City premises and is impaired, in the opinion of a trained supervisor, to the extent that he/she would present a danger to either him/herself or others, local law enforcement should be contacted immediately by the supervisor.

(5) In an effort to ensure that supervisors are knowledgeable about the symptoms of drug and/or alcohol use, training on symptom recognition will be held for all Syracuse City employees in supervisory positions and only those persons who have attended the training will be qualified to require reasonable suspicion testing. Records regarding training attendance will be kept for a minimum of three (3) years after the date of the training.

(c) Random. Employees in safety sensitive positions shall be subject to unannounced drug and alcohol testing.

(1) Random drug and/or alcohol testing will be conducted for Syracuse City employees working in non-DOT safety sensitive positions, including, but not limited to the following positions:

(A) Fire Chief

(B) Fire Fighter

(C) Fire Marshal

(D) Police Chief

(E) Assistant Police Chief

(F) Police Lieutenant

(G) Police Sergeant

(H) Police Officer

(I) Code Enforcement Officer

(J) Bailiff

(K) Crossing Guard

(L) City Engineer

(M) Meter Reader

(N) Building Official

(O) Building Inspector

(P) Land Maintenance Worker

(Q) Parks Maintenance Worker

(R) Recreation Manager

(S) Recreation Program Coordinator

(T) Site Supervisor

(U) Parks Maintenance Crew Leader

(V) Public Works Director

(W) Cemetery Maintenance Worker

(X) Gang Mower Operator

(Y) Facilities Maintenance Technician

(Z) Streets Maintenance Worker

(AA) Water Maintenance Worker

(BB) Environmental Maintenance Worker

(2) Selection for random testing will be done by an outside organization in order to ensure that selection is truly random and is uninfluenced by any personal characteristics, behavior, or any other attribute.

(3) Random drug and alcohol testing will be conducted quarterly. Random drug testing will be administered at a fifty (50) percent annualized rate. Random alcohol testing will be conducted at a ten (10) percent annualized rate. This means that the total number of drug tests conducted during any twelve (12) month period will be equal to at least fifty (50) percent of the total Syracuse City non-DOT testing pool, and the total number of alcohol tests conducted during any twelve (12) month period will be equal to at least ten (10) percent of the total Syracuse City non-DOT testing pool. Employees will be notified by their supervisor and/or the DER of the requirement to submit to a random drug and/or alcohol test and should then proceed immediately to the collection site designated by Syracuse City.

(d) Post-Accidents.

1) Employees involved in any work-related accident involving the following are required to submit to post-accident drug and alcohol testing:

a) A vehicle in motion operated by a city employee;

b) Any accident or incident of such a nature that there is a reasonable possibility that impairment due to drug or alcohol use could be a contributing factor, for the following incidents:

1) Injury to any person requiring medical treatment by a healthcare provider; or

2) Property damage, other than to city vehicles, anticipated to exceed $1,000.

2) Off-duty employees involved in motor vehicle accidents involving Syracuse City vehicles will also be subject to post-accident drug and alcohol testing as directed above.

3) Procedure.

(a) Post-accident drug tests must be conducted within 32 hours of the accident and/or incident. Post-accident alcohol tests should be conducted within two (2) hours of the accident and not later than eight (8) hours after the accident. If these time limits have passed, the City should cease attempts to collect the sample.

(b) In the event that post-accident drug and alcohol testing is warranted, it is the employee's supervisor's responsibility or an agent of Syracuse City or emergency personnel to transport the employee being tested to and from the testing facility. In most cases, it is the employee's supervisor's responsibility to ensure the employee is transported. The testing facility to use during business hours (8AM-5PM) is the Layton WorkMed. If the accident occurred after business hours the supervisor shall call the after-hours WorkMed phone (801-387-8378) for drug and alcohol testing to be done.

(c) Any employee who is required to submit to post-accident drug and alcohol testing will be removed from any safety sensitive functions and placed on alternative duty, as necessary, or placed on paid administrative leave until

the results of the drug and alcohol tests can be verified. If the test results are negative, the employee will be able to return to work upon receipt of the test results. If the test results are positive or non-negative, the employee will be subject to termination as provided herein.

(e) Pre-Announced Periodic. Employees may be subject to pre-selected and pre-announced drug and alcohol testing as a condition of continued employment conducted on a regular schedule.

(f) Rehabilitation. Employees in any rehabilitation program shall be subject to drug and alcohol testing in accordance with the program requirements or as part of a return-to-work requirement after treatment or program participation. Rehabilitation testing means unannounced but pre-selected drug or alcohol testing done as part of a program of counseling, education, and treatment of an employee in conjunction with this policy.

(g) Compliance. Employees shall be subject to drug and alcohol testing when required by State or Federal law. See, DOT Drug and Alcohol Testing Policy regarding additional drug and alcohol testing requirements for employees subject to commercial driver's license requirements under the Omnibus Transportation Employees Testing Act and the Department of Transportation Regulations enacted thereunder.

13~~11~~.110. Testing Procedures.

A licensed medical facility will conduct drug and Alcohol screening.

(a) Samples. Prospective employees and current employees shall submit a split urine sample for drug testing or retesting as required herein. The urine sample shall be divided into two specimen bottles by the third-party entity in accordance with the Utah Governmental Entity Drug-Free Workplace Act. Alcohol testing will typically be done with an evidentiary breath testing device.

(b) Inadequate Samples. In the case of urine-based drug testing, a prospective employee who fails to provide an adequate quantity of urine for testing according to the third party's guidelines will no longer be considered for employment. If an employee fails to provide an adequate quantity of urine according to the third party's guidelines the third-party administrator will notify the MRO to determine pertinent information concerning whether or not the individual's inability to provide a specimen is genuine or constitutes a refusal to test. Upon completion of the examination, the MRO will report their conclusions to the Syracuse City DER in writing. If the City or the collector has reasonable cause to believe that the donor of the sample has tampered with their sample, a new sample will be immediately collected.

(c) Testing. Sample drug testing shall conform to scientifically accepted analytical methods and procedures and shall be conducted in accordance with the Utah Local Governmental Entity Drug-Free Workplace Act by an independent laboratory certified for employment drug testing by either the Substance Abuse and Mental Health Services Administration or the College of American Pathology. The City has designated Intermountain WorkMed as the City's third-party administrator to assist in setting up and administering the drug and alcohol testing program set forth herein.

(d) Dilute Specimens. Specimens which the laboratory reports as dilute, meaning specific gravity less than 1.003 and creatinine levels less than 20 mg/dL, may be considered invalid and the

employee/applicant will be required to give a second specimen. The second specimen will be considered the final result.

(e) Invalid Specimens. If Syracuse City receives a test result that is determined to be invalid, the employee will be immediately retested. The employee will be given no notification of the need to retest. No action will be taken regarding the first test result and the results of the second test will be considered final. A second "invalid" test result will be treated as a positive test result.

(f) Time. Any drug or alcohol testing required by the City under this policy shall occur during or immediately after the regular work period for current employees and shall be deemed work time for purposes of compensation and benefits for current employees.

(g) Costs. Except as otherwise provided, the City shall pay all costs of sample collection and testing required herein, including the cost of transporting current employees to the testing site if the testing is conducted at a place other than the work site.

(h) Disclaimer. A physician/patient relationship is not created between a prospective or current employee and the City or any person performing the test, solely by this policy and the procedures set forth herein.

13~~11~~.120. Results.

(a) Positive. Positive test results shall refer to those test results that meet or exceed the standard permissible levels of substance in the body as defined and set forth in this policy, the Federal DOT Rules and Regulations if addressed therein, or by standards adopted by the State of Utah if not addressed by the Federal DOT Rules and Regulations.

(b) MRO. It is the policy of Syracuse City that all positive or non-negative drug tests results be immediately referred to an MRO to verify the positive or non-negative result. In the case of a positive, adulterated, substituted, or invalid test result, the employee or prospective employee shall be so advised by the MRO by telephone on a confidential basis prior to the reporting of the results to the designated employer representative. The employee shall have the right to discuss and explain the results, including the right to advise the MRO of any prescription or over-the-counter medication or other substance consumed which may have affected the results of the test. The MRO shall also review the chain-of-custody documentation to ensure compliance with normal chain-of-custody procedures. If the MRO can verify a legitimate explanation, the MRO would then reverse the test result to negative and report it as negative to the employer. The MRO can report a positive or non-negative test to the employer, without interviewing the employee/applicant, if: an individual has expressly declined the opportunity to discuss the test result with the MRO; the employer has successfully made and documented a contact with the employee and instructed the employee to contact the MRO and more than 72 hours have passed since the time the employer contacted the employee; or if neither the employer nor MRO, after making and documenting all reasonable efforts, has been able to contact the employee within ten (10) days of the date on which the MRO receives the confirmed test result from the laboratory. No MRO review will be done on positive breath or blood alcohol tests.

(c) Notice. In addition to the MRO procedures set forth in Subsection (b), prospective and current employees shall be notified as soon as possible of any positive test results conducted in accordance with this policy by telephone or in writing at their last-known telephone number and address and told of his or her option to have the split urine sample tested as provided in Subsection (e).

(d) Confirmation. Before the result of any test required herein may be used as a basis for action by the City, the positive test result shall be verified or confirmed using a gas chromatography-mass spectroscopy, or other comparably reliable analytical method.

(e) Second Test Option. If the test results of the urine sample indicate the presence of drugs or their metabolites, the donor of the test shall have seventy-two (72) hours from the time he or she is notified of such results to request, at his or her option, to have the split urine sample testing performed. The cost of the second test shall be equally divided between the donor and the City, unless the second sample tests negative, in which case the City shall pay for the entire cost of the second test. In addition to the initial test results, the test results of the split urine sample shall be considered at any subsequent disciplinary hearing if the requirements of this policy have been complied with in the collection, handling and testing of the samples.

(f) Request for Report. An employee who has tested positive or non-negative shall have the right to request, in writing, from the City a copy of the laboratory and MRO report regarding the testing.

13~~11~~.130. Action.

(a) Referral. Any non-DOT employee who has a non-negative drug test or a positive breath alcohol test result will be immediately referred by the Syracuse City DER to the Employee Assistance Program (EAP), a licensed substance abuse counselor (LSAC), or a Substance Abuse Professional (SAP) for an initial consultation. Syracuse City will be responsible for the cost of the initial consultation. However, additional services provided to the employee by the SAP and/or LSAC will be at the expense of the employee.

(b) Discipline or Refusal to Hire. The City may use confirmed positive test results or non-negative test results, or any refusal of a prospective or current employee to take the test, as a basis for disciplinary action up to and including termination of current employees and refusal to hire prospective employees. Any disciplinary action taken by the City for violation of this policy shall be in accordance with the City disciplinary procedures. Such procedures shall include any required pre-disciplinary hearing and appeal proceedings.

(c) Rehabilitation. The City may also require that any employee rendering positive test results enroll in a City-approved rehabilitation, treatment, or counseling program, which may include additional drug or alcohol testing, at the expense of the employee and as a condition of continued employment.

13~~11~~.140. Confidentiality and Access to Test Results.

The use and disposition of all drug and alcohol testing results and records shall be considered confidential and are subject to the limitations of the Utah Government Records Access and Management Act and the Americans with Disabilities Act. In an effort to ensure that all drug and/or alcohol test results remain confidential, the third-party administrator and/or MRO for the Syracuse City drug testing program are only authorized to release test results to the Syracuse City DER. After being received by Syracuse City, all drug and alcohol test results will be stored in confidential employee files (established for all Syracuse City employees) and will remain confidential to the extent required or allowed by law. The DER will determine which person(s) within the City have a need to know which test results. Test and other records will be maintained in a secure manner so that disclosure of confidential and/or medical information to unauthorized persons does not occur. Test results may be released in legal proceedings where the employee raises the issue of drug test (i.e. unemployment hearing, wrongful termination, etc.).

Test results can be released to persons representing Syracuse City (i.e. attorneys, workers compensation insurance adjuster, etc.). Employees, former employees, and prospective employees can request copies of their drug and/or alcohol test results by making a written request to the Syracuse City DER.

13~~11~~.150. Notification of Conviction.

Any investigation by law enforcement or conviction for controlled substance or alcohol activity may be cause for dismissal from employment. Failure of an employee to report any conviction for illegal drug use or alcohol misuse to their supervisor and/or the Syracuse City DER within five (5) days of conviction may result in disciplinary action up to and including termination.

13~~11~~.160. Americans with Disabilities Act (ADA).

Alcoholism is considered a disability under the ADA. Syracuse City will make reasonable accommodations for current employees who suffer from alcoholism, including encouraging an employee to participate in rehabilitation programs. However, Syracuse City will hold an alcoholic employee to the same performance standards as other employees and will discipline an employee, up to an including termination, if the employee's alcohol use adversely affects the employee's job performance or is considered to be a safety hazard. An employee or prospective employee whose controlled substance or alcohol (except as modified by the ADA) tests are confirmed and verified positive in accordance with the provisions of this program shall not, by reason of those results alone, be defined as a person with a "handicap" or "disability" for the purposes of Utah Code Annotated Chapter 35, Title 34 (Utah Anti-Discriminatory Act) or the Federal Americans with Disabilities Act.

13~~11~~.170. Amendments.

Syracuse City reserves the right to interpret, modify, and/or revise this policy in whole or in part. Nothing in this policy is to be construed as an employment contract nor does this alter an employee's employment status. This policy will be amended from time to time to comply with changes in Federal and State laws.

1412.010. Purpose.

The purpose of this policy is to provide guidelines for the implementation and management of a drug and alcohol testing program for City employees and prospective employees who are subject to the Commercial Driver's License (CDL) drug and alcohol testing requirements under the Federal Omnibus Transportation Employee Testing Act of 1991, as amended, and the Department of Transportation (DOT) Regulations promulgated thereunder. The provisions of this policy are intended and shall be interpreted in accordance with the Federal Omnibus Transportation Employee Testing Act of 1991, as amended, and the DOT Regulations as defined herein. This policy is not intended to create or alter any existing employment status or contract, written or verbal, between Syracuse City and its employees or prospective employees.

1412.020. General Policy.

Alcohol or drug use can impair an employee's ability to safely and effectively perform the functions of the particular job, increase accidents, absenteeism, and sub-standard performance, create poor employee morale, and/or undermine public confidence in the City's work force. It is the policy of the City to employ a work force and create a workplace free from the adverse effects of alcohol and drug use to ensure the safety, personal health, and productivity of its employees, as well as the health and safety

of those with whom Syracuse City employees come in contact. In addition, Syracuse City is committed to reducing highway accidents that result from driver misuse of drugs and alcoholic substances, thereby reducing fatalities, injuries, and property damage. To accomplish this, Syracuse City has developed a "zero-tolerance" substance abuse policy for all current and prospective CDL employees as more particularly set forth in this policy. This policy shall be distributed to all CDL employees and made available for review by prospective CDL employees. Employees may refer any questions regarding this policy or the materials referred to herein to the Human Resources Specialist.

1412.030. Applicability.

This policy applies to all employees in the service of Syracuse City for compensation, and prospective employees, who are required to hold and maintain a Commercial Driver's License as a condition of employment and/or who operate a commercial motor vehicle in commerce and who are subject to the Commercial Driver's License requirements of the Department of Transportation, including, but not limited to 49 CFR Part 383, as amended, referred to and defined herein as "CDL employees." All other employees shall comply with the Non-DOT Drug and Alcohol Policy set forth in Chapter 11, rather than the provisions set forth herein. All CDL employees shall be subject to the testing requirements of this policy and the Non-DOT Drug and Alcohol Policy subject to the following limitation. When the provisions of this policy are applicable to a certain situation, this policy shall be complied with and no other testing requirements may be imposed. However, when provisions of this policy do not apply to a situation which is otherwise covered by the Non-DOT Drug and Alcohol Policy, CDL employees shall be subject to testing under the Non-DOT Drug and Alcohol Policy. For instance, if a CDL employee is involved in an accident involving loss of life requiring testing under this policy, the employee would be subject to testing under this policy and not subject to testing under the Non-DOT Drug and Alcohol Testing Policy. However, if the employee is involved in an accident not requiring testing under this policy but requiring testing under the Non-DOT Drug and Alcohol Testing Policy, the CDL employee would be subject to testing under the Non-DOT Drug and Alcohol Testing Policy. In any case, if there is any conflict between this policy and any other policy or regulation of the City, the requirements of this policy shall control, and no other testing requirements shall be imposed which would conflict or hinder compliance with this policy. In accordance with DOT Regulations, testing under Chapter 11 cannot be combined with testing required under this Chapter 12.

An employee is considered to be performing a safety-sensitive function during any period in which he or she is actually performing, ready to perform, or immediately available to perform any safety-sensitive functions and includes any of those on-duty functions defined in 49 CFR 395.2. Safety-sensitive functions shall include all duties deemed safety-sensitive under the DOT Regulations, including, but not limited to, the following:

14~~12~~.050. Prohibitions.

The following conduct is prohibited under this policy in accordance with the prohibitions set forth in 49 CFR 382, Subpart B:

(a) Alcohol Concentration. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater. No employer having actual knowledge that a driver has an alcohol concentration of 0.04 or greater shall permit the driver to perform or continue to perform safety-sensitive functions.

(f) Controlled Substances Use. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any controlled substance, except when the use is pursuant to the instructions of a licensed medical practitioner who has advised the driver that the substance will not adversely affect the driver's ability to safely operate a commercial motor vehicle. No employer having actual knowledge that a driver has used a controlled substance shall permit the driver to perform or continue to perform a safety-sensitive function. The City may require a driver to inform the City of any therapeutic drug use as more particularly provided in this policy.

14~~12~~.060. Zero-Tolerance.

If it is determined that a CDL employee violates any term, condition, or provision of this policy, that employee shall be subject to disciplinary action, up to and including termination. Any disciplinary action taken for violations of this policy shall comply with the disciplinary action procedures, as applicable, set forth in Chapter 22 of these Policies and Procedures.

14~~12~~.070. Voluntary Self-Identification Program.

(a) Self-Identification Program. CDL employees of the City may voluntarily admit to alcohol misuse or controlled substances use ("admission") in accordance with the provisions of this Section setting forth the City's voluntary self-identification program. The provisions of this program are intended to comply with the provisions and requirements of 49 CFR 382.121, as amended. Voluntary admissions should be made to the employee's supervisor or the Human Resources Specialist. Employees having a drug or alcohol problem are strongly encouraged to seek help.

(b) Prior to Selection or Violation. To qualify for the City's voluntary self-identification program, the CDL employee must make the admission of alcohol misuse or controlled substances use prior to performing a safety-sensitive function (i.e., prior to reporting for duty) and prior to being selected for testing under this policy (i.e., the admission cannot be made in order to avoid testing under the requirements of this policy.

(c) No Adverse Action. The City shall not take any adverse action against a CDL employee making a voluntary admission of alcohol misuse or controlled substances use in accordance with the conditions and provisions of this Section.

(d) Evaluation and Treatment. A CDL employee who has made a voluntary admission of alcohol misuse or controlled substances use in accordance with the terms and conditions of this Section shall be given sufficient opportunity to seek evaluation, education, or treatment to establish control over the employee's drug or alcohol problem.

(e) Costs and Leave. The City will pay for the first visit to a drug and alcohol abuse evaluation expert. All other costs of evaluation, treatment and rehabilitation shall be the employee's responsibility. The City will allow employees who seek voluntary assistance for alcohol and drug problems under this program to first utilize their accrued sick leave and then their accrued annual leave for rehabilitation. Leave without pay may be requested by the employee and will be considered on an individual case basis. If the FMLA does not apply, an employee's position may be held open for a reasonable period of time up to a maximum of thirty (30) days for voluntary rehabilitation upon approval by the City Manager.

(f) Successful Completion. The CDL employee shall not perform any safety-sensitive functions until and unless the employee has successfully completed an educational or treatment program, as determined by a drug and alcohol abuse evaluation expert (i.e., an employee assistance professional, substance abuse professional, or qualified drug and alcohol counselor). Employees returning to work after treatment must first provide the City with a certification from a reputable substance abuse program that the employee is sober and has successfully completed the treatment program. A licensed professional medical practitioner that specializes in substance abuse must sign this certification.

(g) Return to Duty Testing. Prior to performing any safety-sensitive functions, the employee shall undergo a return to duty test with a result indicating an alcohol concentration of less than 0.02 and/or a return to duty-controlled substances test with a verified negative test result for controlled substances use.

(h) Follow-Up Testing. The employee must also, as a condition of returning to work, agree to follow-up rehabilitation drug and/or alcohol testing and sign a return to work agreement. Follow-up rehabilitation testing will be required for a period of not less than six (6) months and not more than one (1) year after completion of the employee's substance abuse treatment program. The date and time of any required follow-up rehabilitation drug and/or alcohol testing will be unannounced and conducted on a random basis.

(i) Disclaimer. Voluntary notification and enrollment in a rehabilitation program shall only prevent disciplinary action for previous drug or alcohol use that was unknown to the City and shall not prevent the City from testing or taking disciplinary action against an employee who subsequently violates this policy.

1412.080. Prescription and Over-the-Counter Drugs.

Prescribed and over-the-counter drugs and the necessary instrumentalities of administration brought on City premises may only be used by the person for whom they are prescribed and taken as directed so long as the use of such drugs does not adversely affect the safety of the work environment or significantly impede performance of essential job functions. There are various prescription and over-the-counter drugs that may adversely affect the safety of the work environment. Examples include, but are not limited to, pain relievers that contain opiates, and muscle relaxants. It is the employee's responsibility to be informed about the effects of prescription and over-the-counter drugs they are taking by reading the information that accompanies the drug, including any information provided by the pharmacist, by consulting with their physician, and by accessing and utilizing other sources of information available to the employee, and acting accordingly. Any employee who chooses or is medically required to ingest prescribed or over-the-counter medications that may adversely affect the safety of the work environment, shall immediately notify his or her department head of the type of medication and time period over which said medications will be taken. The department head will make a determination of any restrictions to be placed on the employee after appropriate confidential consultation with the Human Resources Specialist, the City Attorney's Office, and/or medical professionals. A written statement from the employee's physician may be required regarding whether the physician is of the opinion that the employee can safely work or perform his or her job duties while taking the prescribed drug. Any employee who chooses or is medically required to ingest a prescribed or over-the-counter medication outside of the workplace must ensure that the impairing effects have ended prior to reporting for work. For purposes of this policy, medications used as prescribed, which do not constitute a safety concern, shall not be considered a violation of this policy. A positive medical marijuana test result even if recommended by a physician under Utah law will be treated as a positive result as outlined in the remainder of this chapter, due to federal regulations.

1412.090. Testing Required.

In accordance with the provisions of this policy, all prospective and current CDL employees shall be subject to controlled substances and alcohol testing as a condition of hiring and continued employment with the City. Failure to comply with this policy may result in the City refusing to hire a prospective CDL employee or disciplinary action being taken against current CDL employees, up to and including termination. Specimens collected under this policy may only be used to test for controlled

substances and their metabolites as defined herein and shall not be used to conduct any other analysis or test unless otherwise specifically authorized by DOT Regulations. All testing shall be based on and under the circumstances set forth in Section 12.100 regarding basis for testing.

1412.100. Basis for Testing.

Prospective and current CDL employees shall be subject to testing for the presence of drugs and alcohol by the City in accordance with the provisions of this policy as a condition of hiring and continued employment with the City for any of the reasons or under the circumstances as more particularly set forth herein: pre-employment testing, post-accident testing, random testing, reasonable suspicion testing, return-to-duty testing, and follow-up testing. CDL employees shall also be subject to controlled substances and alcohol testing when required by Federal law or regulations.

1412.110. Pre-Employment Testing.

All prospective CDL employees shall undergo testing for controlled substances as a condition of employment and prior to performing any safety-sensitive duties for the City. Pre-employment tests will be conducted on prospective employees on their own time, meaning that prospective employees will not be paid for the time they spend participating in pre-employment testing required by Syracuse City. All pre-employment drug testing will be conducted at the third-party administrator's facility and prospective employees are responsible for their transportation to and from the collection facility. Refusal to consent to a pre-employment drug test will terminate further action towards employment with the City. No prospective CDL employee shall be permitted to perform safety-sensitive functions for the City until and unless the City has received a pre-employment controlled substances test result from the MRO or TPA indicating a verified negative test result for the employee. A controlled substance test may not be required if the employee has participated in a drug testing program that meets the DOT Regulations within the previous thirty (30) days and all other exception requirements as set forth in the DOT Regulations are satisfied.

1412.120. Post-Accident Testing.

(a) Alcohol Testing.

(1) As soon as practicable following an occurrence involving a commercial motor vehicle operating on a public road in commerce, each surviving CDL employee shall be tested for alcohol under the following circumstances:

(A) The CDL employee was performing safety-sensitive functions with respect to the vehicle and the accident involved the loss of human life; or

(B) The CDL employee received a citation within eight (8) hours of the occurrence under State or local law for a moving traffic violation arising from the accident and the accident involved bodily injury to any person who, as a result of the injury, immediately received medical treatment away from the scene of the accident, or one or more motor vehicles incurred disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

(2) If an alcohol test required by this Section is not administered within two (2) hours following the accident, the City shall prepare and maintain on file a record stating the reasons the

test was not promptly administered. If an alcohol test required by this Section is not administered within eight (8) hours following the accident, the City shall cease attempts to administer the test and shall prepare and maintain on file a record stating the reasons the test was not promptly administered. Such records shall be submitted to the FMCSA, upon request.

(b) Controlled Substances Testing.

(1) As soon as practicable following an occurrence involving a commercial motor vehicle operating on a public road in commerce, each surviving CDL employee shall be tested for controlled substances under the following circumstances:

(A) The CDL employee was performing safety-sensitive functions with respect to the vehicle and the accident involved the loss of human life; or

(B) The CDL employee received a citation within thirty-two (32) hours of the occurrence under State or local law for a moving traffic violation arising from the accident and the accident involved bodily injury to any person who, as a result of the injury, immediately received medical treatment away from the scene of the accident, or one or more motor vehicles incurred disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

(2) If a controlled substances test required by this Section is not administered within thirty-two (32) hours following the accident, the City shall cease attempts to administer the test and shall prepare and maintain on file a record stating the reasons the test was not promptly administered. Such records shall be submitted to the FMCSA, upon request.

(c) Testing. An employee who is subject to post-accident testing shall remain readily available for such testing or may be deemed by the City to have refused to submit to the testing. A driver who is seriously injured and cannot be tested at the time of the accident should provide the necessary authorization for obtaining hospital reports and other documents that would indicate whether there were any drugs and/or alcohol in their system. Nothing in this Section shall be construed to require the delay of necessary medical attention for injured people following an accident or to prohibit a driver from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident, or to obtain necessary emergency medical care.

(d) Federal, State or Local Test Results. The results of a breath or blood test for the use of alcohol or the results of a urine test for the use of controlled substances conducted by Federal, State, or local law enforcement officials having independent authority to conduct such test shall be considered to meet the requirements of this Section for post-accident testing, provided such tests conform to the applicable Federal, State, and local alcohol or controlled substances testing requirements, as applicable, and the results of such tests are obtained by the City.

(e) Exceptions. Post-accident testing shall not apply to the following situations:

(1) An occurrence involving only boarding or alighting from a stationary motor vehicle; or

(2) An occurrence involving only the loading or unloading of cargo; or

(3) An occurrence in the course of the operation of a passenger car or a multipurpose passenger vehicle by an employer unless the motor vehicle is transporting passengers for hire or hazardous materials of a type and quantity that require the motor vehicle to be marked or placarded in accordance with 49 CFR 177.823.

(f) Summary. The following table notes when a post-accident test is required to be conducted in accordance with this Section:

Type of Accident	Citation Issued to Driver?	Must Test Be Performed?
Human fatality	YES NO	YES YES
Bodily injury with immediate medical treatment away from scene	YES NO	YES NO
Disabling damage to any motor vehicle requiring tow away	YES NO	YES NO

1412.130. Random Testing.

(a) CDL Employees. Every CDL employee shall be required to submit to random alcohol and controlled substances testing in accordance with the provisions of this Section. CDL employees include, but are not limited to, the following positions:

(1) Deputy Fire Chief

(2) Fire Captain

(3) Fire Engineer

(4) Fire Fighter

(6) Streets Superintendent

(7) Water Superintendent

(8) Environmental Superintendent

(9) Streets Maintenance Worker

(10) Water Maintenance Worker

(11) Environmental Maintenance Worker

(b) Testing Percentage Rates. According to current FMCSA standards, random controlled substances testing will be administered at a fifty (50) percent annualized rate and random alcohol testing will be conducted at a ten (10) percent annualized rate. This means that the total number of controlled

substances tests conducted during any twelve (12) month period will be equal to at least fifty (50) percent of the total Syracuse City DOT testing pool, and the total number of alcohol tests conducted during any twelve (12) month period will be equal to at least ten (10) percent of the total Syracuse City DOT testing pool. These rates are set by FMCSA Administration and shall be subject to change based on any increase or decrease in the Federally required testing rate.

(c) Random Selection. Selection of CDL employees for random testing shall be made by a scientifically valid method, such as a random number table or a computer-based random number, generator that is matched with employee's social security numbers, or other comparable identifying numbers. Only covered CDL employees shall be included in the random testing pool. City CDL employees may be part of a larger random testing pool of covered employees. Each CDL employee selected for random testing under the selection process used shall have an equal chance of being testing each time selections are made. Each CDL employee selected for random testing shall be tested during the selection period. Selection for random testing will be done by the City's third-party administrator in order to ensure that selection is truly random and is uninfluenced by any personal characteristics, behavior, or any other attribute.

(d) Unannounced. Random testing conducted under this Section shall be unannounced. The dates for administering the random tests shall be spread reasonably throughout the calendar year.

(e) Testing. Each CDL employee notified of selection for random testing shall proceed to the test site immediately; provided, if the employee is performing a safety-sensitive function other than driving a motor vehicle, at the time of notification, the employee shall cease to perform safety-sensitive functions and proceed to the testing site as soon as possible.

(f) Performing Functions. A driver shall only be tested for alcohol while the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing such functions.

1412.140. Reasonable Suspicion Testing.

(a) Reasonable Suspicion. CDL employees shall be subject to alcohol and/or controlled substances testing when the City has reasonable suspicion to believe that the employee has violated the prohibitions of this policy. A determination of reasonable suspicion shall be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the employee. Observation for reasonable suspicion may also include indications of the chronic and withdrawal effects of controlled substances.

(b) Supervisor Training. The required observations for reasonable suspicion testing shall be made by a supervisor or other City official who is trained in accordance with applicable DOT Regulations regarding such testing. In an effort to ensure that supervisors are knowledgeable about the symptoms of drug and/or alcohol use, training on symptom recognition will be held for all Syracuse City employees in supervisory positions and only those persons who have attended the training will be qualified to require a reasonable suspicion drug and/or alcohol test. Records regarding training attendance will be kept for a minimum of three (3) years after the date of the training.

(c) Documentation. A written record shall be made of the observations leading to an alcohol and/or controlled substances reasonable suspicion test by the employee's supervisor or the person requesting the reasonable suspicion testing using the City's "Observed Behavior-Reasonable Cause Record". The form shall be signed by the supervisor or City official who made the observations. The

form shall be filled out and the record made within 24 hours of the observed behavior or before the results of the test are released, whichever is earlier. The City strongly urges supervisors to complete the form before the employee is required to submit to testing in order to properly document the circumstances leading up to the testing referral.

(d) Timing of Observations. Reasonable suspicion alcohol testing is authorized by this Section only if the observations required in Subsection (a) are made during, just preceding, or just after the period of the work day that the CDL employee is required to be in compliance with this policy. A CDL employee may only be required to undergo reasonable suspicion testing while the employee is performing safety-sensitive functions, just before the employee is to perform safety-sensitive functions, or just after the employee has ceased performing such functions.

(e) Timing for Testing. If an alcohol test required by this Section is not administered within two (2) hours following the determination under paragraph (a) of this Section, the supervisor shall prepare and maintain on file a record stating the reasons the alcohol test was not promptly administered. If an alcohol test required by this section is not administered within eight (8) hours following the determination under paragraph (a) of this Section, the supervisor shall cease attempts to administer an alcohol test and shall State in the record the reasons for not promptly administering the test.

(f) Transportation. In the event that reasonable suspicion drug and/or alcohol testing is warranted, it is the responsibility of an agent of Syracuse City to transport the employee being tested to and from the testing facility. In most cases, either the DER or the employee's supervisor will be responsible for transporting the employee.

(g) Refusal to Submit. If an employee refuses to submit to reasonable suspicion drug and/or alcohol test or attempt to leave any Syracuse City premises and is impaired, in the opinion of a trained supervisor, to the extent that he/she would present a danger to either him/herself or others, local law enforcement should be contacted immediately by the supervisor.

(h) Prohibition. Notwithstanding the absence of a reasonable suspicion alcohol test under this section, no driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol, as shown by the behavioral, speech, and performance indicators of alcohol misuse, nor shall an employer permit the driver to perform or continue to perform safety-sensitive functions, until:

(1) An alcohol test is administered and the driver's alcohol concentration measures less than 0.02; or

(2) Twenty-four (24) hours have elapsed following the determination under Subsection (a) of this Section that there is reasonable suspicion to believe that the driver has violated the prohibitions in this part concerning the use of alcohol.

(i) Action. Except as provided in Subsection (h) of this Section, the City shall not take any action under this part against a driver based solely on the driver's behavior and appearance, with respect to alcohol use, in the absence of an alcohol test. This does not prohibit the City with independent authority of this part from taking any action otherwise consistent with law.

1412.150. Return-to-Duty Testing.

Any Syracuse City CDL employee whose initial breath alcohol content is between 0.02 – 0.039 grams per 210 liters of breath will be subject to return-to-duty breath alcohol testing before being permitted to return to work. The return-to-duty test must be completed not less than the equivalent of one full shift and not more than twenty-four (24) hours after the initial breath alcohol test. Return-to-duty breath alcohol testing will be conducted at the facility of the designated third-party administrator. Refusal to submit to return-to-duty breath alcohol testing will be considered a positive test result and will subject the employee to disciplinary action as set forth in this policy. The requirements for return-to-duty testing shall comply with and be performed in accordance with 49 CFR 40, Subpart O.

1412.160. Follow-Up Testing.

The requirements for follow-up testing shall comply with and be performed in accordance with 49 CFR 40, Subpart O.

1412.170. Testing Procedures.

(a) Collection. All sample collection for drugs and alcohol testing under this policy shall comply with the procedures set forth in the DOT Regulations, including, but not limited to, 49 CFR 40, as amended. A licensed medical facility will conduct all DOT drug and alcohol screening.

(b) Samples. Alcohol testing will typically be done with an evidentiary breath testing device.

(c) Inadequate Samples. In the case of urine-based drug testing, a prospective employee who fails to provide an adequate quantity of urine for testing according to the third party's guidelines will no longer be considered for employment. If an employee fails to provide an adequate quantity of urine, the third-party administrator will notify the MRO to determine pertinent information concerning whether or not the individual's inability to provide a specimen is genuine or constitutes a refusal to test. Upon completion of the examination, the MRO will report their conclusions to the Syracuse City DER in writing. If the City or the collector has reasonable cause to believe that the donor of the sample has tampered with their sample, a new sample will be immediately collected.

(d) Testing. Sample drug testing shall conform to scientifically accepted analytical methods and procedures and shall be conducted in accordance with applicable DOT Regulations. All drug tests will use a screening test (typically an immunoassay test) and confirmation test by gas chromatography/mass spectrometry if the screening test is positive. Prospective and current DOT employees have the option of requesting a split-sample test. The City has designated IHC as the City's third-party administrator to assist in setting up and administering the drug and alcohol testing program set forth herein.

(e) Dilute Specimens. Specimens which the laboratory reports as dilute, meaning specific gravity less than 1.003 and creatinine levels less than 20 mg/dL, may be considered invalid and the employee/applicant will be required to give a second specimen. The second specimen will be considered the final result.

(f) Invalid Specimens. If Syracuse City receives a test result that is determined to be invalid, the employee will be immediately retested. The employee will be given no notification of the need to retest. No action will be taken regarding the first test result and the results of the second test will be considered final. A second "invalid" test result will be treated as a positive test result.

(g) Time. Any drug or alcohol testing required by the City under this policy shall occur during or immediately after the regular work period for current employees and shall be deemed work time for purposes of compensation and benefits for current employees.

(h) Costs. Except as otherwise provided, the City shall pay all costs of sample collection and testing required herein, including the cost of transporting current employees to the testing site if the testing is conducted at a place other than the work site.

(i) Disclaimer. A physician/patient relationship is not created between a prospective or current employee and the City or any person performing the test, solely by this policy and the procedures set forth herein.

14~~12~~.180. Results.

(a) MRO. According to Federal regulations, all drug test results, will be referred to an MRO to verify the test result. In the case of a positive, adulterated, substituted, or invalid test result, the employee or prospective employee shall be so advised by the MRO by telephone on a confidential basis prior to the reporting of the results to the designated employer representative. The employee shall have the right to discuss and explain the results, including the right to advise the MRO of any prescription or over-the-counter medication or other substance consumed which may have affected the results of the test. The MRO shall also review the chain-of-custody documentation to ensure compliance with normal chain-of-custody procedures. If the MRO can verify a legitimate explanation, the MRO would then reverse the test result to negative and report it as negative to the employer. The MRO can report a non-negative test to the employer, without interviewing the employee/applicant, if: (1) an individual has expressly declined the opportunity to discuss the test result with the MRO; (2) the employer has successfully made and documented a contact with the employee and instructed the employee to contact the MRO and more than 72 hours have passed since the time the employer contacted the employee; or (3) if neither the employer nor MRO, after making and documenting all reasonable efforts, has been able to contact the employee within ten (10) days of the date on which the MRO receives the confirmed test result from the laboratory. No MRO review will be done on positive breath or blood alcohol tests.

(b) DER Contact. If the MRO has been unable to contact an employee who has submitted a specimen under this policy, the DER shall make reasonable efforts to contact and request such employee, regardless of employment status, to contact and discuss the results of the controlled substances test with the MRO. The DER shall immediately notify the MRO that the employee has been notified to contact the MRO within 72 hours.

(c) Confirmation. Before the results of any test required herein may be used as a basis for action by the City, the positive test result shall be verified or confirmed using an acceptable and reliable analytical method.

(d) Contesting. All verified non-negative samples will be kept in frozen storage at the laboratory for a minimum of one (1) year. If an employee or applicant believes the laboratory analysis is in error, they will have 72 hours from when first notified of the test result to request the re-analysis of the original specimen that was verified as positive, adulterated, or substituted. The urine sample must be independently re-analyzed by gas chromatography/mass spectrometry at a second SAMHSA-certified laboratory at the expense of the employee/applicant. If the re-analysis is negative, an employee shall be allowed to return to work immediately, shall be compensated for time lost, and shall be reimbursed for the

cost of split specimen testing. Retesting will be on the original specimen and must be performed by a SAMHSA-certified laboratory.

(e) Notification. The City shall notify prospective employees of the results of a pre-employment controlled substances test conducted under this policy, if the prospective employee requests such results within 60 calendar days of being notified of the disposition of the employment application. The City shall notify an employee of the results of random, reasonable suspicion and post-accident tests for controlled substances conducted under this policy if the test results are verified positive. The City shall also inform the employee which controlled substance or substances were verified as positive.

1412.190. DOT Required Action.

Pursuant to 49 CFR 40.23, the City is required to take the following action under the circumstances described:

(a) As an employer who receives a verified positive drug test result, you must immediately remove the employee involved from performing safety-sensitive functions. You must take this action upon receiving the initial report of the verified positive test result. Do not wait to receive the written report or the result of a split specimen test.

(b) As an employer who receives a verified adulterated or substituted drug test result, you must consider this a refusal to test and immediately remove the employee involved from performing safety-sensitive functions. You must take this action on receiving the initial report of the verified adulterated or substituted test result. Do not wait to receive the written report or the result of a split specimen test.

(c) As an employer who receives an alcohol test result of 0.04 or higher, you must immediately remove the employee involved from performing safety-sensitive functions. If you receive an alcohol test result of 0.02-0.039, you must temporarily remove the employee involved from performing safety-sensitive functions, as provided in applicable DOT agency regulations. Do not wait to receive the written report of the result of the test.

(d) As an employer, when an employee has a verified positive, adulterated, or substituted test result, or has otherwise violated a DOT agency drug and alcohol regulation, you must not return the employee to the performance of safety-sensitive functions until or unless the employee successfully completes the return-to-duty process of Subpart O of this part.

(e) As an employer who receives a drug test result indicating that the employee's specimen was dilute, take action as provided in Sec. 40.197.

(f) As an employer who receives a drug test result indicating that the employee's specimen was invalid and that a second collection must take place under direct observation:

(1) You must immediately direct the employee to provide a new specimen under direct observation.

(2) You must not attach consequences to the finding that the test was invalid other than collecting a new specimen under direct observation.

(3) You must not give any advance notice of this test requirement to the employee.

(4) You must instruct the collector to note on the CCF the same reason (e.g. random test, post-accident test) as for the original collection.

(g) As an employer who receives a cancelled test result when a negative result is required (e.g., pre-employment, return-to-duty, or follow-up test), you must direct the employee to provide another specimen immediately.

(h) As an employer, you may also be required to take additional actions required by DOT agency regulations (e.g., FAA rules require some positive drug tests to be reported to the Federal Air Surgeon).

(i) As an employer, you must not alter a drug or alcohol test result transmitted to you by an MRO, BAT, or C/TPA.

1412.200. Removal from Safety-Sensitive Functions.

(a) Removal from Safety-Sensitive Functions. Except as provided in the DOT Regulations, no CDL employee shall perform safety-sensitive functions, including driving a commercial motor vehicle, if the employee has engaged in conduct prohibited by Section 12.050 or an alcohol or controlled substances rule set forth in the DOT Regulations. The City shall not permit any CDL employee to perform safety-sensitive functions, including driving a commercial motor vehicle, if the City has determined that the employee has violated this Section. Employees found to have violated the provisions of Section 12.050 shall be removed immediately from safety-sensitive functions in accordance with this policy and the provisions of 49 CFR 40, Subpart O, as amended. As provided in the DOT Regulations, the City may not remove an employee from the performance of safety-sensitive functions based solely on a report from the laboratory of a confirmed positive test for controlled substances, an adulterated test, or a substituted test, before the MRO has completed verification of the test (also known as “standing down”).

(b) Required Evaluation and Testing. No CDL employee who has engaged in conduct prohibited by Section 12.050 shall perform safety-sensitive functions, including driving a commercial motor vehicle, unless the employee has met the requirements of 49 CFR 40, Subpart O, regarding required evaluation and testing. The City shall not permit any CDL employee who has engaged in conduct prohibited by Section 12.050 to perform safety-sensitive functions, including driving a commercial motor vehicle, unless the employee has met the requirements of 49 CFR 40, Subpart O, regarding required evaluation and testing.

(c) Alcohol-Related Conduct. No CDL employee tested under the provisions of this policy who is found to have an alcohol concentration of 0.02 or greater but less than 0.04 shall perform or continue to perform safety-sensitive functions, including driving a commercial motor vehicle, nor shall the City permit the driver to perform or continue to perform safety-sensitive functions, until the start of the employee's next regularly scheduled duty period, but not less than 24 hours following administration of the test. Except as provided herein, the City shall take any action under this part against an employee based solely on test results showing an alcohol concentration less than 0.04. This does not prohibit the City with authority independent of this Subsection from taking any action otherwise consistent with law.

1412.210. Additional Action.

(a) Discipline. In an effort to ensure a drug-free workplace, Syracuse City is committed to a zero-tolerance drug and/or alcohol policy for all DOT employees. This means that refusal to test, an

MRO-verified positive, adulterated, or substituted drug test, or a positive alcohol (greater than 0.04 grams per 210 liters of breath) test result, as reported by the third party administrator and/or MRO to the Syracuse City DER, for any of the drug and/or alcohol testing programs listed above will result in the disciplinary action against the employee, up to and including termination. Additional grounds for disciplinary action may include failure to fully comply with collection procedures and reasonable collector requests. All disciplinary action will be handled in accordance with the disciplinary procedures set forth in these Policies and Procedures, as applicable.

(b) Refusal to Hire. A prospective employee/applicant who has a positive or non-negative drug test result or refuses to submit to a drug test will not be further considered for employment.

(c) Alcohol Content. It is against Syracuse City policy for any DOT employee whose breath alcohol content is between 0.02 – 0.039 grams per 210 liters of breath to operate any vehicle. An employee with a breath alcohol content of 0.02 – 0.039 will be removed from duty for one shift or 24 hours, whichever is longer. No adverse employment action will be taken on the basis of initial breath alcohol test results in the range of 0.02 – 0.039. Upon return to work the employee must have breath alcohol content less than 0.02 grams per 210 liters of breath. Failure to meet these standards on a follow-up breath alcohol screen will result in disciplinary action up to and including termination.

(d) Referral. Any DOT employee who has a positive drug and/or alcohol test result will be immediately referred by the Syracuse City DER to the Employee Assistance Program (EAP), a licensed substance abuse counselor (LSAC), or substance abuse professional (SAP). The expenses associated with an initial, evaluative consultation with the LSAC or SAP will be paid for by Syracuse City. Additional services beyond an initial evaluation provided to the employee by the LSAC or SAP will be at the expense of the employee.

14~~12~~.220. Records.

(a) Maintain. The City shall maintain records regarding alcohol and controlled substances testing in accordance with DOT Regulations, including, but not limited to, 49 CFR 382.401, as amended.

(b) Controlled Access. All alcohol and controlled substances testing records shall be maintained in a secure location with controlled access as more particularly set forth in Section 12.200.

(c) FMCSA Access. All records required by this policy shall be maintained in accordance with 49 CFR 390.31 and must be made available for inspection at the City offices within 2 business days after a request have been made by an authorized representative of the Federal Motor Carrier Safety Administration.

(d) Employee Access. A CDL employee is entitled, upon written request, to obtain copies of any records pertaining to the employee's use of alcohol or controlled substances, including any records pertaining to his or her alcohol or controlled substances tests. The City shall promptly provide the records requested by the employee. Access to the employee's own records shall not be contingent upon payment for records other than those specifically requested.

(e) Subsequent Employers. Records shall be made available to a subsequent employer upon receipt of a written request from the employee. Disclosure by the subsequent employer is permitted only as expressly authorized by the terms of the employee's request.

(f) Identified Persons. The City shall release information regarding an employee's records as directed by the specific written consent of the employee authorizing release of the information to an identified person. Release of such information by the person receiving the information is permitted only in accordance with the terms of the employee's specific written consent as outlined in 49 CFR 40.321(b), as amended.

14~~12~~.230. Confidentiality.

The use and disposition of all drug and alcohol testing results and records shall be considered confidential and are subject to the limitations of the Utah Government Records Access and Management Act and the Americans with Disabilities Act. In an effort to ensure that all drug and/or alcohol test results remain confidential, the TPA and/or MRO for the Syracuse City drug testing program are only authorized to release test results to the Syracuse City DER. After being received by Syracuse City, all drug and alcohol test results will be stored in confidential employee files (established for all Syracuse City employees) and will remain confidential to the extent required or allowed by law. The DER will determine which person(s) within the City have a need to know which test results. Test and other records will be maintained in a secure manner so that disclosure of confidential and/or medical information to unauthorized persons does not occur. Test results may be released in legal proceedings where the employee raises the issue of drug test (i.e. unemployment hearing, wrongful termination, etc.).

14~~12~~.240. Notification of Conviction

Any investigation by law enforcement or conviction for controlled substance or alcohol activity may be cause for dismissal from employment. Failure of an employee to report any conviction for illegal drug use or alcohol misuse to their supervisor and/or the Syracuse City DER within five (5) days of conviction may result in disciplinary action up to and including termination.

14~~12~~.250. Americans with Disabilities Act (ADA).

Alcoholism is considered a disability under the ADA. Syracuse City will make reasonable accommodations for current employees who suffer from alcoholism, including encouraging an employee to participate in rehabilitation programs. However, Syracuse City will hold an alcoholic employee to the same performance standards as other employees and will discipline an employee, up to an including termination, if the employee's alcohol use adversely affects the employee's job performance or is considered to be a safety hazard. An employee or prospective employee whose controlled substance or alcohol (except as modified by the ADA) tests are confirmed and verified positive in accordance with the provisions of this program shall not, by reason of those results alone, be defined as a person with a "handicap" or "disability" for the purposes of Utah Code Annotated Chapter 35, Title 34 (Utah Anti-Discriminatory Act) or the Federal Americans with Disabilities Act.

14~~12~~.260. Amendments.

Syracuse City reserves the right to interpret, modify, and/or revise this policy in whole or in part. Nothing in this policy is to be construed as an employment contract nor does this alter an employee's employment status with the City. This policy will be amended from time to time to comply with changes in Federal and State laws. This policy is a general summary of Syracuse City's Department of Transportation (DOT) Drug-Free Workplace policy. If there is any question or conflict between what is said in the policy and the language in the DOT regulations as codified in 49 CFR parts 40 and 382, the DOT regulations will prevail.

CHAPTER 1513
EMPLOYEE TESTING AND EVALUATION

1513.010. Background Investigations.
1513.020. Medical Examinations.
1513.030. Driving Record Evaluations.

1513.010. Background Investigations.

(a) Purpose. Utah law allows for criminal and sex offender history background investigations for employees and volunteers who: (1) provide services to children or vulnerable adults; (2) have fiduciary trust over money; (3) who care for, have custody of, or control of children; or (4) when necessary to safeguard national security. Due to the various types of employment positions within Syracuse City and the numerous contacts employees have with our citizens and customers, which span the entire age spectrum and include various security issues, it is Syracuse City's policy that all new employees will be subject to a background investigation prior to hiring. Volunteers working in public safety and recreation departments will be subject to a background investigation as a condition of and prior to being authorized to perform volunteer services for the City. In addition, employees and volunteers working in the public safety and recreation departments will be subject to annual criminal and sex offender investigations. The purpose of the background investigation is to verify credentials, to ensure that each person hired by Syracuse City is an appropriate fit for both Syracuse City and the position being offered, and to ensure that Syracuse City continues to employ individuals who do not pose a threat to those with whom they work.

(b) Scope. This policy applies to all prospective employees and volunteers of Syracuse City who are over eighteen (18) years of age. Successful completion of the background investigation process is a condition of employment for any position with the City and for volunteer service involving public safety and recreation departments as more particularly provided herein. A prospective employee who fails to meet the standards outlined below will not be considered for employment or volunteer service.

(c) Pre-Employment Checks. Syracuse City will conduct a pre-employment background investigation on all prospective employees and applicable volunteers over the age of eighteen (18). The information verified will depend on the type of position being offered. All pre-employment background investigations may include a social security trace, basic employment and education verification, and a county criminal history search.

(d) DOT Employees. In the case of prospective DOT employees, employment verification will include information regarding DOT drug and/or alcohol tests conducted by previous employers in accordance with applicable DOT regulations. A DOT background investigation will also include verification of the prospective employee's driving record in accordance with applicable policies.

(e) Public Safety Employees. Background investigations conducted on prospective public safety employees, including applicants for both the fire and police departments, will include an extended employment verification including information pertaining to the prospective employee's previous job responsibilities, disciplinary actions, performance, awards and/or certifications.

(f) Promotions. Background investigations will be conducted on employees who are promoted to a position that will require more responsibility in finances and/or safety sensitive duties.

(g) Annual Background Investigations. Employees and volunteers who are over the age of eighteen (18) and are working in the public safety, community development and parks & recreation departments in positions listed in below shall be subject to an annual background investigation to gather information pertaining to any criminal or sexually based convictions that may have occurred since hire or since the date of the last annual background investigation. Because criminal convictions can relate to the performance of job-related duties, the primary purpose of all annual background investigations conducted for employees and volunteers working in the public safety and recreation departments is to ensure that Syracuse City employees and volunteers who, in the course of their regular duties, may be required to enter citizen's homes or work with minors are held to the highest legal standards. Background investigations required by Syracuse City will be paid for by Syracuse City and will be conducted in accordance with all Federal and State regulations relative to background investigations.

(i) Results. The primary purpose of all pre-employment and volunteer service background investigations is to verify the information provided by the applicant or volunteer, to ensure that each person hired by or authorized to provide volunteer services for the City is an appropriate fit for both Syracuse City and the position being offered, and to ensure that the City continues to employ or permit volunteer services by individuals who do not pose a threat to those with whom they work or provide services.

(1) Any discrepancy between information provided by the applicant and information obtained through the pre-employment or volunteer service background investigation process will be considered falsification and may end an applicant's consideration for employment.

(2) If a pre-employment or volunteer service background investigation conducted on a prospective employee or volunteer has any of the following discrepancies or criminal history, that individual will not be considered for employment or volunteer service. This list is meant to illustrate possible reasons for denial of employment or volunteer service related to the results of a pre-employment or volunteer service background investigation and should not be construed as an exhaustive list of possible reasons for denial of employment or volunteer service. Any other information obtained from the background investigation process may result in the denial of employment or volunteer service.

(A) Inability to verify and/or authenticate a provided social security number (if applicable);

(B) Inability to verify that educational levels provided match the educational requirements of the position being offered (if applicable);

(C) Any conviction for any crime against minors, seniors, or persons with a disability;

(D) Any felony conviction involving violence;

(E) Any sexual offense conviction;

(F) A felony conviction for driving under the influence of alcohol/drugs (DUI) or other drug or alcohol related driving offense within the past ten (10) years;

(3) If a pre-employment or volunteer service background investigation conducted on a prospective employee or volunteer has any of the following discrepancies or criminal history, that individual may or may not be considered for employment or volunteer services and will be evaluated on a case by case basis. This list is meant to illustrate possible reasons for denial of employment or volunteer service. Any other information obtained from the background investigation process may result in the denial of employment or volunteer service.

(A) A misdemeanor conviction for driving under the influence of

alcohol/drugs (DUI) or other drug or alcohol related driving offense within the past ten (10) years;

(B) Any criminal conviction within the last seven (7) years that is related to violence, drugs and/or alcohol, or the commission of which, in the City's opinion, is indicative of conduct or character inconsistent with that of those entrusted to perform public service, or until such convictions are eligible for expungement, whichever is longer.

(j) Confidentiality. In an effort to ensure that all background investigation results remain confidential, the third-party administrator for the Syracuse City background investigation program is only authorized to release results to the Syracuse City Designated Employee Representative (DER). The City's DER is the Human Resources Specialist. After being received by Syracuse City, all background investigation results will be stored in confidential employee files (established for all Syracuse City employees) or, in the case of applicants for whom employment was denied, with the prospective employee's employment application. All information obtained through the background investigation process will remain confidential to the extent required or allowed by law. The DER will determine which person(s) within the City have a need to know the results of the background investigation process.

(k) Maintenance and Release. Background investigation results and other records will be maintained in a secure manner so that disclosure of confidential and/or medical information to unauthorized persons does not occur. Background investigation results may be released in legal proceedings (i.e. unemployment hearing, wrongful termination, etc.). Results can be released to persons representing Syracuse City (i.e. attorneys, workers compensation insurance adjuster, etc.). Employees, former employees, and prospective employees, can request copies of their background investigation results by making a written request to the Syracuse City DER.

15~~13~~.020. Medical Examinations.

Applicants who have received a contingent offer of employment and current employees may be required, as legally appropriate and as permitted under the Americans with Disabilities Act, to submit to medical examinations. An applicant who has received a contingent job offer may be required to undergo a medical examination to demonstrate ability to safely perform the essential functions of the position for which the employee is being hired. Employment offers are contingent upon satisfactory completion of such examinations. As a condition of continued employment, employees may be required to undergo periodic job-related medical examinations in accordance with applicable legal restrictions and requirements. All medical examinations required by the City shall be paid for by the City in accordance with *Utah Code Ann*. ' 34-33-1, as amended. All records regarding medical examinations of applicants and employees shall be maintained as classified in accordance with the Utah Government Records Access and Management Act, as set forth in *Utah Code Ann*. Any prospective employee or volunteer who may be required to operate a City-owned vehicle or personal vehicle on City business shall be required to submit to a pre-employment driving record evaluation. Pre-employment driving record evaluations shall be conducted with the written consent of the prospective employee. Failure to consent to a driving record evaluation, when required, will preclude employment with the City. Driving record evaluations will be conducted using the information available through the Utah Driver's License Division. If the applicant does not currently have a Utah driver's license, the driving record evaluation will be conducted using the information available through the City's

Background Investigation system.

As part of the driver qualification process all drivers or potential drivers' Motor Vehicle Record (MVR) will be screened and monitored on an ongoing basis to ensure the standard is met and maintained. Drivers will be qualified as "Acceptable" or "Borderline". Drivers qualified as "Borderline" may be authorized to drive on a probationary basis as determined by the City Manager. Drivers or potential drivers whose record does not meet the driver qualification standard and is deemed "Unacceptable" will not be allowed to operate any City vehicle or personal vehicle while engaged in City business and may be subject to disciplinary action up to and including termination or may not be considered eligible for employment with the City.

All drivers must possess a valid Driver License. Required endorsements, if applicable, must also be maintained. The driver qualification evaluation will be based on the driver's MVR and may also take into account work related motor vehicle incidents, whether or not the incident has been recorded on the driver's MVR. All violations recorded on the MVR within the last 5 years, whether they occurred on the job or not, are included in the driver qualification evaluation.

"Acceptable" or "Borderline" qualification will be determined using the following point system. Any number of violations or accidents in excess of the "Borderline" criteria constitutes a failure to meet the driver qualification standard.

0-2 Points = Acceptable
3-4 Points = Borderline
5+ Points = Unacceptable

1 point per moving violations
1 point per at-fault accidents
3 points per DUI or DWI within the last two to five (2-5) years
3 points per careless, reckless, distracted, or impaired driving conviction
5 points per DUI or DWI within the last twenty-four (24) months
5 points per conviction for failure to stop or report an accident, making a false accident report, attempting to allude a law enforcement officer, or any other conviction determined by the City Manager.

A single major violation recorded on the MVR, or resulting from a work-related incident, may be deemed "Unacceptable" will not be allowed to operate any City vehicle or personal vehicle while engaged in City business and may be subject to disciplinary action up to and including termination or may not be considered eligible for employment with the City. No job is so important and no service so urgent that time cannot be taken to perform work safely. Syracuse City will post all required OSHA notices in conspicuous places (such as employee bulletin boards or where similar notices are usually posted). Additional information relative to OSHA requirements and safety standards can be obtained from the Human Resources Specialist or applicable State or Federal agency.

(b) Inspections. If an OSHA inspector arrives on the job site, an employee should immediately notify the Human Resources Specialist and City Manager and refer the inspector to such personnel for any questions or inspections. If the inspection was due to an employee complaint, the Human Resources Specialist should request a copy of the complaint. This will help Syracuse City correct any safety problems. Under no circumstances should the information received on an employee complaint be used for disciplinary action toward an employee as this type of action is prohibited by law.

1614.030. Safe Environment.

Workers and employees could be injured or killed in the event of the unexpected start-up of machines or equipment or during the release of stored energy. All employees shall comply with the

requirements stated in the Safety Handbook related with hazardous energy control.

1614.100. Department Specific Safety.

Other safety policies that are specific to duties performed in a department are also included in the Safety Handbook. These may include fall protection, forklift operation, etc. Additional safety measures may be in the form of Standard Operating Procedures (SOP) or Standard Operation Guidelines (SOG) for each department specifically. SOPs/SOGs are not considered a part of the Safety Handbook, but employees in that department are expected to know and understand all safety policies, practices, operations, and guidelines for the duties that they are required to perform.

1614.110. Accidents/Incidents & Work-Related Injuries.

(a) Initial Reporting. To the extent circumstances permit, employees who are injured, no matter how minor, or involved in a post-accident/incident while on-duty in connection with employment, or in connection with Syracuse City vehicles must immediately notify their supervisor or department head of the injury/incident. (a) Injury to any person requiring medical treatment by a healthcare provider; or

(b) Property damage, other than to city vehicles, anticipated to exceed $1,000.

(3) Off-duty employees involved in a motor vehicle accident involving a Syracuse City vehicle will also be subject to post-accident drug and alcohol testing as

directed above.

a. Procedure.

i. Post-accident drug tests must be conducted within 32 hours of the accident and/or incident. Post-accident alcohol tests should be conducted within two (2) hours of the accident and not later than eight (8) hours after the accident. If these time limits have passed, the City should cease attempts to collect the sample.

ii. In the event that post-accident drug and alcohol testing is warranted, it is the employee's supervisor's responsibility or an agent of Syracuse City or emergency personnel to transport the employee being tested to and from the testing facility. In most cases, it is the employee's supervisor's responsibility to ensure the employee is transported. The testing facility to use during business hours (8AM-5PM) is the Layton WorkMed. If the accident occurred after business hours the supervisor shall call the after-hours WorkMed phone (801-387-8378) for drug and alcohol testing to be done.

(e) Documentation. Documentation of all work-related injuries shall be filled out and submitted as soon as reasonably practical following the injury. It is essential that all injuries be reported to the Human Resources Specialist in order to ensure that the proper documentation is filled out in a timely manner. The following forms shall be filled out by the employee, to the extent practicable under the circumstances, or the Human Resources Specialist if the employee is unable to fill out the forms.

(1) Injury/Incident Report form must be filled out. A separate form must be filled out by the employee, any witnesses, and the immediate supervisor. See form in Appendix N~~M~~.

(2) Form 122. Form 122 must be filled out by the HR Specialist and is submitted to the insurance carrier online while submitting the claim within seven (7) days of the date of injury. A copy of this document will be kept in the injury/illness file for each incident.

(3) OSHA First Report of Injury. An OSHA First Report of Injury Form must be filled out by HR Specialist and filed within seven (7) days after first knowledge or notification of an injury or occupational disease resulting in medical treatment, loss of consciousness, loss of work, restriction of work, or transfer to another job if the illness and/or injury required more than minor first-aid. The original reporting form will be kept in OSHA 300 Log file that will be created for each incident.

(f) The Human Resources Specialist shall investigate reported job-related injuries to determine the cause of the injury and any remediation or safety measures that may be taken to avoid similar injuries.

"Disabling and serious" includes, but is not limited to any injury or illness resulting in immediate admittance to the hospital, permanent or temporary impairment where part of the body is made functionally useless or is substantially reduced in efficiency and which would require treatment by a medical doctor, such as amputation, fracture, deep cuts, severe burns, electric shock, sight impairment, loss of consciousness, and concussions; illnesses that could shorten life or significantly reduce physical or mental efficiency inhibiting the normal function of a part of the body, such as cancer, silicosis, asbestosis, hearing impairment and visual impairment.

(h) Return to Service. Before returning to work after a job-related injury requiring medical care, the employee must submit a statement from the attending physician stating the employee is able to return to work and resume normal duties of the employee's particular job position or that outlines what restrictions the employee has. The City will accommodate restricted duty jobs for workers injured on the job. The Human Resource Specialist will work with the Supervisor of the employee to design a work strategy that meets the injured employee's restrictions and accomplishes Syracuse City's goals. Failure to return to work when able to do so may result in disciplinary action, up to and including termination.

(i) Checklist. See Appendix ~~N~~O for a checklist to help employees and supervisors remember steps.

16~~14~~.120. Workers' Compensation.

Eligible employees may be covered under the Workers' Compensation Act as set forth in *Utah Code Ann.* §§ 34A-2-101, *et seq*., as amended, for any injury sustained during the performance of their job. When an injury occurs in the-line-of duty and results in more than three (3) days away from work, Workers' Compensation wage benefits will be paid to the employee. The employee will:

(a) Receive two-thirds of their salary (tax-exempt) from the city's Workers' Compensation carrier; and

(b) Be allowed, upon request to Department Head, to receive up to ten percent (10%) of the employee's wages/salary by using any leave balances available.

1614.130. Bringing Children to Work.

The City does not have a childcare program at this time. Due to safety and productivity issues, employees are not permitted to bring their children to work with them. This provision does not apply to City-approved organized programs intended to provide children an opportunity to observe the workplace or career opportunities or other educational fieldtrips and tours of the City offices. Limited exception may be made on a case by case basis by the Department Head or City Manager.

1614.140. Exposure to Blood-borne Pathogens.

(a) Definitions:

The following terms are defined for purposes of this section:

This does not include the following, unless blood or another fluid capable of transmitting is present or mixed with them: feces, mucus, saliva, tears, sweat, urine, or vomit.

(b) Precautions. Employees should take all reasonable measures to avoid exposure to body fluids known to transmit blood-borne pathogens. In work assignments that carry an increased risk of exposure, employees are expected to use good judgment and follow training and procedure related to mitigating the risks associated with potential exposures. 16~~14~~.150. Safety Incentive Program.

The safety of both our employees and the public is an important part of our jobs. However, when it comes time to complete work, it is sometimes overlooked. Other times, injuries are not reported in a timely fashion, resulting in continued risk to employees. This policy encourages timely reporting of injuries, and rewards safe behavior and problem-solving. The main objective is to improve the safety of all concerned. Participation in the Syracuse City Safety Incentive Program, "Lunch On Us", is available to all Full-Time and Part-Time employees. Employees are eligible to redeem accrued points for a free meal as outlined in the program, which can be found on the intranet on our website.

CHAPTER 1715
DISASTER RESPONSE PLANNING

1715.010. General Policy.
1715.020. Employee Disaster Notification.
1715.030. Natural Disaster/Man-Made Disaster Response Plan.
1715.040. Suspicious Person or Assailant Threats.
1715.050. Telephone Bomb Threats.
1715.060. Mail, Letter, and Package Bomb Threats.

1715.010. General Policy.

Syracuse City has developed the following Disaster Response Plan using, in part, a Disaster Response Planning Guide. All employees will be expected to adhere to this Disaster Response Plan to the maximum extent possible and practicable.

1715.020. Employee Disaster Notification.

Supervisors are responsible for notifying all City employees of the disaster response action to be taken in the event of a disaster or pending disaster to the extent possible.

1715.030. Natural Disaster/Man-Made Disaster Response Plan.

Following a natural disaster, the following action shall be taken:

(2) In the presence of an active assailant employees will take the following action:

- Get Out!

1917.020. Credit Card Expenses.
1917.030. Vacation/Sick Leave Cash Out for Emergency Preparedness.
1917.040. General Expenses.

1917.010. Travel Costs.

(a) Purpose. City employees may be permitted or required to attend seminars, meetings, conferences, and workshops when it is anticipated that the training and information received by the officer or employee at such events will benefit the City. It is the purpose of this policy to provide reasonable and systematic means by which attendance and travel to such events will be approved and the cost estimated and controlled for economic, budgetary, and auditing purposes. It is the intent of this policy to provide adequate controls over travel expenditures and to maintain accountability for such expenditures while allowing for flexibility.

(b) Budget. The City shall allocate in its annual budget funds deemed appropriate for travel expenditures. Each department head shall be responsible for keeping travel expenditures within his or her respective approved department travel budget.

(c) Eligibility. For purposes of this policy, "travel" shall be considered any in-state or out-of-state trip taken by a City employee in the course of performing his or her duties, including trips to or attendance at seminars, meetings, conferences, and workshops. All travel expenditures must be pre-approved by the City as set forth herein. All travel expenditures must be anticipated to serve a bona fide public purpose and confer a benefit upon the City.

(d) Procedures.

(1) Requests for Travel. An employee desiring to obtain travel funds shall request and receive written approval from his or her department head, stating the purpose, details, and estimated expenses of the travel at least two (2) weeks prior to the desired date of departure. Requests for travel by department heads shall be submitted to the City Manager and shall note the name of the person to be in charge of the department during the department head's absence.

(2) Review. The employee's department head shall review the travel request based upon the requirements set forth herein, including review of the department's approved travel budget. The department head may approve or deny the travel request. The City Manager may approve or deny the travel request of any department head.

(3) Advancements. Upon the request of the employee and timely submission of the Travel Application, approved travel expenses may be advanced.

(4) Receipts. The traveling employee shall document expenses of the trip and keep all original receipts and credit card receipts, provided that receipts for meals covered by the per diem compensation and fuel purchased with the City fuel card shall not be required.

(5) Documents. An expense report indicating the actual expenses of the trip together with all original required receipts shall be submitted to the City Manager within thirty (30) days after the event in order to receive any payment or refund. Except for per diem advancements, if less money was spent than was advanced, a reimbursement check made payable to the City for the difference shall be attached. Except for per diem advancements, if more money was spent than was advanced, a voucher request for the difference to be paid to the employee shall be attached.

(6) Summary. The City Manager, Mayor or Council may request a written summary or an oral report on all seminars, workshops, conferences, or conventions attended by employees.

(e) Mode of Transportation. With the approval of his or her Department Head, employees are responsible for arranging their own transportation. The most economical form of transportation shall be used considering factors such as the cost of the transportation and the amount of time required. If any employee chooses a more costly form of transportation, the City will pay the lesser cost of the two forms, and the per diem rate shall be based upon the amount of time it would have taken under the less costly form of transportation. If extra time is needed for the more costly form of transportation, the employee shall use vacation or compensatory time for the excess time needed to reach the destination.

(f) Costs. Employees are encouraged to utilize the lowest cost travel arrangements possible. Airline reservations should be made, whenever possible, at least thirty (30) days in advance. If a reduced airfare is offered for a stay over a Saturday night, and the reduced rate more than compensates for additional lodging and per diem costs, the employee is encouraged to stay over the additional night. The government or corporate rate should be requested at all hotels.

(g) Permitted Expenses. The following allowances and payments may be made for travel expenses.

(1) Transportation. The City may pay for the cost of the most economical form of transportation. Employees traveling in a private vehicle will be reimbursed per mile and per vehicle at the current reimbursement rate permitted by the Internal Revenue Service. Employees traveling in a City vehicle will be reimbursed for the actual cost of gasoline and any incidental and necessary costs incurred in connection with such vehicle. Gasoline and other incidental and necessary cost receipts must be provided for reimbursement.

(2) Meals. The City may pay employees a per diem amount to cover the cost of meals during travel or training. The maximum daily per diem allowance for Syracuse City employees engaged in travel in-state on the City's behalf is forty-two dollars ($43.00). The maximum daily per diem allowance for Syracuse City employees engaged in travel out-of-state on the City's behalf is forty-six dollars ($46.00). Employees shall be provided the following standard per diem rate for meals when in-state travel requires less than a full day:

$10.00 for breakfast (when departing before 6:00 a.m.);
$14.00 for lunch; and
$19.00 for dinner (when returning after 7:00 p.m.).

Employees shall be provided the following standard per diem rate for meals when out-of-state travel requires less than a full day:

$10.00 for breakfast (when departing before 6:00 a.m.);
$14.00 for lunch; and

(3) Fees. The City may pay the actual and reasonable cost of registration and other fees for seminars, workshops, conferences, and conventions.

(4) Ground Transportation. The City may pay the reasonable and necessary costs for ground transportation, including airport shuttle, taxi cab, rental car, and parking lot fees.

(5) Lodging. If an employee is traveling outside of Weber, Davis and Salt Lake Counties for City business for multiple days, the employee may stay overnight. The City may pay for the reasonable and necessary costs of lodging if an overnight stay is required. Traveling employees shall choose lodging based on pricing, location, and government rates. When possible, employees shall lodge at the conference sponsored hotel that offers a government rate. Traveling employees may elect to stay with friends, relatives, use their personal campers or trailer homes instead of staying in a motel/hotel. The City will compensate the employee fifty percent (50%) of the lowest total cost of the conference sponsored hotel price.

(6) Miscellaneous. The City may pay for other miscellaneous costs as deemed reasonable and necessary by the City Manager.

(7) Personal Expenses. Employees traveling on City business, including employees traveling with a spouse or other companion, shall strictly distinguish expenses incurred as part of City business from personal expenses. The City will provide reimbursement only for those expenses which the employee would normally incur if traveling alone. For example, the City will pay for the employee's lodging at the single room rate and the employee shall be required to pay for any additional double occupancy lodging charge or upgrade. The City shall not pay for personal expenses such as telephone charges, personal transportation charges, room service charges, etc.

1917.020. Credit Card Expenses.

(a) Purpose. In order to ensure the proper use and accountability of tax payer dollars, the following credit card policies are to be followed when using Syracuse City Credit Cards to expend City funds. Compliance with the policy is the obligation of each City employee. Failure to follow the policy may result in disciplinary action up to and including termination as described below. Questions regarding the policy are to be directed to the Finance Director.

(b) Tax Exempt. Most City purchases are not subject to sales tax. For vendors requiring documentation of tax exempt status, a TC-721G Exemption Certificate for Governments and Schools may be obtained from the Finance Director. CHAPTER 20
TELECOMMUTING POLICY & PROCEDURES

20.010. Objective.
20.020. Eligibility.
20.030. Equipment.
20.040. Security.
20.050. Safety.
20.060. Compliance.

20.010 Objective.

Telecommuting allows employees to work at home, on the road or in a satellite location for all or part of their workweek. Syracuse City considers telecommuting to be a viable, flexible work option when both the employee and the job are suited to such an arrangement. Telecommuting may be appropriate for some employees and jobs but not for others. Telecommuting is not an entitlement, is not a citywide benefit, and it in no way changes the terms and conditions of employment with Syracuse City.

Telecommuting can be informal, such as working from home for a short-term project or on the road during City business travel, or a formal, set schedule of working away from the office as described below. Either an employee or supervisor can suggest telecommuting as a possible work arrangement. For formal telecommuting arrangement the employee must fill out the telecommuting request and sign. For informal temporary telecommuting arrangements, such as inclement weather, special projects and city related travel, can be approved on an as needed basis and must be approved by the department head.

20.020 Eligibility.

Employees will be fully responsible for the accommodations in their home office. Before entering into any telecommuting agreement, the employee and the department head, with the assistance of the HR Specialist, will evaluate the suitability of such an arrangement, reviewing the following areas:

(a) Employee must be in good standing with the City including not currently on disciplinary action and has shown the ability to work independently to complete projects.

(b) The employee and department head will assess the needs and work habits of the employee, compared to traits customarily recognized as appropriate for successful telecommuters.

(c) The employee and department head will discuss the job responsibilities and determine if the job is appropriate for a telecommuting arrangement.

(d) The employee and department head will review the physical workspace needs and the appropriate location for the telework.

(e) The employee and the department head will work with IT to ensure proper equipment is portable and suitable for work duties.

(f) Employee understands all tax and other legal implications of telecommuting rests solely with the employee.

(g) In periods of emergency declared by the City Manager, Federal or State or Local Government, exceptions may be made to this section as deemed necessary by the City Manager.

20.030 Equipment.

Generally, employees who are granted the privilege of telecommuting must provide their own office equipment, at the expense of the employee and they must provide connectivity to the internet and maintaining a live contact number during scheduled working hours. The employee may use a city laptop if they already have one issued. On a case-by-case basis, Syracuse City may consider providing necessary equipment such as hardware, software, modem, phone and data lines and other office equipment for each telecommuting arrangement. The IT department will provide equipment based on approval, when equipment is available and budgeted.

Equipment supplied by Syracuse City will be maintained by the City. The employee is required to take reasonable care of all equipment to keep it secure and to use it in accordance with operating instructions and IT policies as outlined in this Policy Manual. Upon termination of employment, all City property must be returned to the City, unless other arrangements have been made. Syracuse City accepts no responsibility for damage or repairs to employee-owned equipment.

Syracuse City will supply the employee with appropriate office supplies (pens, paper, etc.) as deemed necessary. The employee will establish an appropriate work environment within his or her home for work purposes. Syracuse City will not be responsible for costs associated with the setup of the employee's home office, such as remodeling, furniture or lighting, nor for repairs or modifications to the home office space.

20.040 Security.

Consistent with the City's expectations of information security for employees working at the office, telecommuting employees will be expected to ensure the protection of proprietary and confidential City, clients, citizens, customers and employees' information accessible from their home office. Steps include the use of locked file cabinets and desks, regular password maintenance, only using secure and password protected internet connections, and any other measures appropriate for the job and environment. Employees that fail to follow these procedures, or who are reckless or careless when accessing confidential City information could face liability, sanctions, and/or disciplinary action.

Equipment and files should only be accessible to the employee and safeguarded from access by other members of the household and visitors. The employee agrees to produce City equipment and any City paper records kept at the employee's home to their supervisor, -department head or IT within a reasonable time frame, upon request.

Employees are advised not to release their home address and telephone number to citizens or third parties. Employees shall not meet volunteers, clients, citizens, co-workers, or customers at home. Employees who wish to keep their personal telephone number private shall dial *67 before dialing the outgoing telephone number. In doing so, the caller ID will be blocked.

20.050 Safety.

Employees are expected to maintain their home workspace in a safe manner, free from safety hazards. Injuries sustained by the employee in a home office location and in conjunction with his or her regular work duties are normally covered by the City's worker's compensation policy. Telecommuting is not designed to be a replacement for appropriate childcare, except for in a state of emergency where there is a school or state shutdown. An employee's schedule may be modified to accommodate childcare needs with department head approval. Syracuse City is not liable for any injuries sustained by visitors to an employee's home worksite.

20.060 Compliance.

Employees who telecommute will be expected to report to their Supervisor or Department Head on an as needed basis determined by the Department Head. The Department Head may suspend or terminate the telecommuting arrangement at their discretion. Failure to comply with any aspect of this policy or related policies outlined in this Policy Manual may result in the loss of privileges to work from home and may subject the employee to disciplinary action, up to and including termination.

CHAPTER 2623
TERMINATION OF EMPLOYMENT

2623.010. Types of Termination.
2623.020. Voluntary Termination Procedures.
2623.030. Involuntary Termination Procedures.
2623.040. Resignation in Lieu of Involuntary Termination Procedures.
2623.050. Reduction in Force Procedures.
2623.060. Retirement Procedures.
2623.070. Final Pay.
2623.080. Return of City Property.
2623.090. Exit Interview.
2623.100. COBRA Coverage.

2623.010. Types of Termination.

The following generally describes various types of termination of employment with the City. The following is provided for information purposes only and is not intended to be an exhaustive list or description of types of or grounds for termination of employment with the City.

(a) Voluntary Resignation. Voluntary resignation occurs when an employee wishes to leave employment with Syracuse City voluntarily and not due to retirement, involuntary termination, or resignation in lieu of involuntary termination, as more particularly described herein.

(b) Involuntary Termination. Involuntary termination occurs when the employee is terminated for involuntary reasons, such as for cause, or with or without cause in the case of at-will employees. Involuntary termination may include resignation in lieu of disciplinary action as more particularly described in Subsection (c).

(c) Resignation in Lieu of an Involuntary Termination. Any employee who resigns pending involuntary termination for cause proceedings may be deemed to have resigned in lieu of involuntary termination.

(d) Reductions in Force (Layoff). Reduction in force or layoff terminations may occur when it is deemed necessary by the City to reduce the number of employees due to lack of work, lack of funds, or other justified business reasons. The City may attempt to minimize reductions in force by readjustment of personnel through reassignment of duties in other work areas.

(e) Retirement. Retirement is voluntary termination at the end of an employee's career. For purposes of these Policies and Procedures, retirement specifically means an employee who has become eligible, applies for, and is entitled to receive a retirement allowance under applicable provisions of the Utah State Retirement and Insurance Benefits Act, as set forth in Title 49 of the *Utah Code Annotated*, as amended.

(f) Medical. The American's with Disabilities Act (ADA) prohibits illegal discrimination by an employer against an "otherwise qualified individual with a disability." An employee should not be terminated for medical reasons without prior consultation with legal counsel and compliance with the City's ADA policies and procedures.

(g) Death. If an employee of Syracuse City dies, his or her estate receives all pay due and any earned and payable benefits (such as payment for compensatory time, annual vacation leave, and sick leave, if applicable) as of the date of death in accordance with City policies and procedures and applicable State and Federal regulations.

2623.020. Voluntary Termination Procedures.

Employees who wish to voluntarily terminate their employment with Syracuse City shall notify the City at least two (2) weeks in advance of their voluntary termination. Such notice should be given in writing to the employee's department head or supervisor. Employees must comply with the notice requirements set forth herein to be eligible for rehire. A Notice of Voluntary Resignation Form (see Appendix WX) shall be filled out by the employee and signed prior to final voluntary termination. If an employee wishes to rescind their resignation, the employee must request to rescind their resignation in writing to their department head as soon as possible. If the job opening has been posted or reorganization of the department has been developed, the request will be denied. An employee who has submitted their notice to resign may not use sick leave in the final two-weeks of employment, unless the employee provides a doctor note.

2623.030. Involuntary Termination Procedures.

Any involuntary terminations for cause shall comply with applicable procedures set forth in Chapter 22 regarding Disciplinary Action, including any applicable pre-disciplinary hearing and due process requirements set forth therein. Such procedures shall not be required for involuntary termination of at-will or excluded employees as more particularly set forth in these Policies and Procedures or as provided by law.

2623.040. Resignation in Lieu of Involuntary Termination Procedures.

If an employee chooses to resign pending any for cause termination proceedings, the resignation may be considered an involuntary termination pending final resolution of the termination proceedings. Alternatively, the City and the employee may negotiate and enter into a Resignation in Lieu of Involuntary Termination Agreement containing terms acceptable to the City, including, but not limited to hold harmless and indemnification provisions regarding the resignation in lieu of involuntary termination proceedings, and waiver of notice and due process requirements for involuntary termination.

2623.050. Reduction in Force Procedures.

(a) If Syracuse City is facing a possible reduction in labor force, the City should explain the situation to its employees, advising them of the possibility that reductions in force or layoffs may become an economic necessity for the City.

(b) In the selection of employees for reduction in force, the following guidelines should be considered:

(1) Temporary and probationary employees should be laid off first.

(2) Regular employees should be the last to be laid off and based on the following factors: longevity, previous performance evaluations and disciplinary actions.

(c) Before any reduction in force, Syracuse City should determine whether it is subject to the

requirements of the Worker Adjustment and Retraining Notification Act, 29 U.S.C. 2101, *et seq*., as amended, and shall comply with any applicable requirements.

(d) Syracuse City should explain to any employee terminated through reduction in force the employee's options (such as COBRA and Retirement Plan Options).

(e) Written reduction in force notices should be provided to employees terminated through reduction in force procedures. Such notice should contain a statement that separation from employment is based on reduction in force and the effective date of the reduction in force termination.

26~~23~~.060. Retirement Procedures.

Employees who desire to retire from employment with the City should notify the City as soon as possible but no later than two (2) months in advance of his or her final work day. Such notice should be in writing to the employee's Department Head or Supervisor. Employees must comply with the notice requirements set forth herein to be eligible for rehire. A Notice of Voluntary Resignation Form shall be filled out by the employee and submitted to the Human Resource Specialist prior to final voluntary termination. In addition, employees eligible for retirement benefits through Utah Retirement Systems (URS) shall work directly with URS to work out the details of such retirement and benefits.

26~~23~~.070. Final Pay.

Upon termination of employment with the City, the City will arrange for distribution of any pay which may be due the employee, including pay for any hours worked but not paid, pay for unused, accrued vacation leave (if applicable), pay for any unused, accrued compensation time off (if applicable), and pay for unused, accrued sick leave (if applicable). Final pay shall be distributed on the regularly scheduled pay day following the termination.

26~~23~~.080. Return of City Property.

Terminating employees shall return any and all keys, supplies or equipment, which are the property of Syracuse City to the Department Head or his or her designee at termination. Failure to return City-issued keys, supplies and/or equipment upon termination will be considered theft and may be subject to prosecution. Uniforms shall be retired according to the policy established by the department.

26~~23~~.090. Exit Interview.

In order to provide appropriate feedback to the City and conclusion of employment for the employee, terminating employees should complete an Exit Interview with the Human Resources Specialist. When conducted, an Exit Interview Form should be signed by the employee and the Human Resources Specialist.

26~~23~~.100 COBRA Coverage.

Any terminated employee shall be notified of his or her rights to continued insurance coverage and other protections and requirements of the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") in accordance with applicable Federal regulations.

APPENDIX B:
Recruitment, Retention, and Compensation Policy

RECRUITMENT, RETENTION, AND COMPENSATION POLICY

1. **PURPOSE**

   a. The purpose of this policy is to establish a planned approach to ensure that Syracuse City attracts the best talent possible, and motivates and retains that talent for the overall benefit of the citizens.

   b. It is essential that Syracuse City recruits and retains the best talent possible to ensure the most efficient use of City resources. Excessive turnover and any lack of direction provided by City leadership will produce inefficiencies that waste City resources, and will degrade the quality of service provided to the citizenry.

2. **COMPONENTS OF THE POLICY**

   a. **Leadership & Responsibility**

      i. As the Executive/Administrative branch of Syracuse City, the leadership and responsibility for creating an environment that breeds productive, dedicated, and engaged employees lies primarily with the City Manager, and ultimately with the Mayor, with the support of the department heads and the City Council. The City Council will be tasked with reviewing programs and policies proposed by the City Manager, and proposing policies that align with the purpose of this policy.

   b. **Employee Compensation Plan**

      It is the general policy of Syracuse City that it will compensate its employees on a merit based system in a manner that is competitive with the market. Overcompensating does not ensure the best service, and undercompensating erodes the City's ability to attract and retain quality employees.

APPENDIX B (continued):
Recruitment, Retention, and Compensation Policy

i. Benchmark Cities

1. The purpose of benchmarking in this policy is to establish an estimate of the local and regional market for municipal employees. When deciding which cities to compare with, there needs to be consideration of various characteristics of city structure (size, land use, revenue, tax base, etc) and logistical competition (geographic proximity, type of community, etc). Benchmarks serve as a market indicator and checkpoint, but will not be used as the sole determining wage scale indicator. The City Council reserves the right to adjust the wage scales to a level where it feels appropriately represents the market.

2. Based on location, it is reasonable to expect that all of Davis County and Weber County would be the primary market location for Syracuse employees. While other areas along the Wasatch Front also compete for employees, the cities in Davis and Weber counties will carry higher weight in the benchmark analysis due to their proximity to Syracuse City.

3. Within the primary market location (Davis/Weber County), there are certain cities that are significantly different than Syracuse City. The Council may decide to withdraw or include such cities from the market analysis.

4. Based on all the factors listed above, the City Manager will propose, and the City Council will have final approval of a list of cities that will constitute the benchmark for comparison of wage scales.

5. The following chart outlines the cities that will be included in the benchmarking process:

ii. Setting Position Wage Scales

1. The minimum and maximum wage for any given position will be determined by calculating the percentile specified by the Council for each position's wage scale from the list of benchmark cities. Wage scales will not be set lower than the 50th percentile of the market. Based on inability to attract an acceptable applicant pool, or due to a change in the labor market for any given position, the Council may adjust the wage scale to a higher percentile.

2. Due to the uniqueness of each city, some cities may be added or deleted from the wage scale benchmark of a position to ensure a more accurate comparison of duties and responsibilities.

iii. Other Benefits

The City will strive to provide other benefits, such as medical/dental/vision, retirement, and paid time off, at a level that reasonably competes with the benchmark cities. The City Manager will propose, and the City Council will have final approval of the benefit package to be offered.

iv. Setting Individual Wages

1. In determining the wage for individual employees, the City Manager shall consider relevant factors such as experience, education, skills, performance, and training obtained by the employee. For new hires, the City Manager may use these factors to set the new employee's wage up to the mid-point of the wage scale, assuming budgetary allowance to do so. If the City Manager determines that the new hire should start above the mid-point of the wage scale, he/she must first get approval from a majority of the City Council.

2. For existing employees, if the City Manager determines that an employee should receive an increase in wages above that allowed within this policy, then he/she must first get approval from a majority of the City Council.

v. Merit Increases

1. Syracuse City has adopted a "pay for performance" ethic, and therefore does not use programmed step increases or cost of living increases based on time of service. A merit-based system is created

4

APPENDIX B (continued):
Recruitment, Retention, and Compensation Policy

to encourage continuous improvement of employees, for the overall benefit of the City. Commensurate with employee performance and improvement, the City Manager will administer a system that provides a path for employees to progress through the salary and wage scale for each position. It is the policy of Syracuse City that it will not participate in collective bargaining.

2. An evaluation system with scores ranging from 0 to 5 (5=highest) will be utilized for employee performance evaluations. Administration of merit increases will be based on employee evaluation scores, and is performed by the City Manager under direction of the Mayor, subject to the amount budgeted by the Council. The City Manager will ensure that all evaluations are reviewed and checked for quality to ensure the evaluation program is effective.

3. In order to determine the budgeted amount for merit increases, the Council will:

    a. Calculate the moving average of wage increases for the last 3 years of benchmark cities/companies.

    b. Set aside a minimum of 25% of the net increase in combined sales tax, property tax, and franchise tax from the previous fiscal year for purposes of funding the merit increases.

    c. Decide to either increase, decrease, or maintain the set-aside amount in order to stay competitive with the market.

4. Each department will be allotted a proportional share of the budgeted merit increase dollars based on the following formula:

    Dept Share of Budgeted Merit Increase Dollars= (Total budgeted dollars approved by Council for merit increases/Total city-wide payroll dollars) X Total payroll of the departmentNote: Department heads will be considered a separate department for these purposes.

5. For each department, the Average Merit Increase will be calculated using the following formula:

    AVG Merit Increase = Dept Share of Budgeted Merit Increase Dollars / Total payroll of the department.

6. For each department, the average evaluation score will be calculated. The average score will be targeted to receive the Average Merit Increase. Scores above the average evaluation will be provided a higher merit increase, and scores below the average will be provided a lower merit increase. Nevertheless, in no case shall the highest merit increase be higher than 50% above the average, unless

5

APPENDIX B (continued):
Recruitment, Retention, and Compensation Policy

approved by the City Council. Any score below a 3 will not be eligible for a merit increase.

7. The City Council may, in its sole discretion, grant a merit increase not to exceed five percent (5%) of an employee's gross pay to an employee who has been paid at or above the range maximum for a minimum of five (5) years, provided the employee has received a successful or outstanding performance rating in the last year and has been employed by Syracuse City for at least eight (8) years. An employee whose salary exceeds the range maximum is eligible to receive a merit adjustment no more frequently than every five (5) years after the initial adjustment. Any subsequent increase above the range maximum shall not exceed five percent (5%) of the employee's gross pay. An employee is eligible to receive a maximum of five (5) successive adjustments beyond the range maximum. As an alternative to the annual merit increase, an employee who is being paid at or above the range maximum may receive an annual bonus in the amount equivalent to the wage/salary adjustment. No adjustment is made to the base wage/salary when a bonus is given.

vi. Advancements

1. Some positions are eligible for Advancements (e.g. Police Officer I and II, Water Maintenance Worker I and II, etc.) An Advancement is defined as a movement to a higher position due to improved skill, knowledge, or capability, but does not significantly increase the employee's responsibilities and/or supervisory duties.

2. Employees that advance to a higher position will move to the bottom of the new wage scale, but at least a 5% increase. Employees that advance are not eligible for a merit increase for the same year of advancement.

vii. Promotions

Promotions are defined as a movement to a higher position that significantly increases the employee's responsibilities and/or supervisory duties. An employee who is promoted will receive an increase to the minimum wage of the entering wage scale, but at least a 5% increase. Employees that promote will be eligible for a pro-rated annual merit increase for the months at the lower position and the months at the higher position.

APPENDIX B (continued):
Recruitment, Retention, and Compensation Policy

c. Ongoing Review and Periodic Market Adjustments

i. Biennial Review

Every 2 years, the City Council will conduct an in-depth review of each department. The primary purpose of the in-depth review is to discuss the operations, issues, overall direction of the department, and the goals of the City Council. The biennial in-depth review will also be a time to discuss any wage abnormalities or other special adjustments that the administration feels is needed.

The departments will be reviewed on a rotating basis as follows:

Yr 1: Police, Fire, Park & Rec

Yr 2: PW, CED, IT, Courts, Finance

ii. Quadrennial Market Review

1. Every other Biennial Review (every 4 years), the City Council will review the compensation levels for each position in the City and, if needed, make the necessary wage scale and/or individual wage adjustments to ensure the City remains competitive in its compensation. Issues such as wage compression may also be addressed at this time. The positions in the City will divided into two groups based on department as follows:

   Group 1: Police, Fire, Park & Rec

   Group 2: PW, CED, IT, Courts, Finance

2. Below is the schedule of the biennial department reviews and quadrennial market reviews:

   Year 1: In-depth review and benchmark of Police, Fire, Park & Rec

   Year 2: In-depth review and benchmark of PW, CED, IT, Courts, Finance

   Year 3: In-depth review of Police, Fire, Park & Rec

   Year 4: In-depth review of PW, CED, IT, Courts, Finance

   Year 5: In-depth review and benchmark of Police, Fire, Park & Rec

   Year 6: In-depth review and benchmark of PW, CED, IT, Courts, Finance

7

APPENDIX B (continued):
Recruitment, Retention, and Compensation Policy

3. The analysis of wage scales will be conducted in the same method as explained above in evaluating Benchmark Cities, and Setting Position Wage Scales (See Section 2.b.i & ii). If the City Council determines that wage scales need to be adjusted to better reflect market conditions, they will make such adjustments effective at the beginning of the upcoming fiscal year. The Council has full discretion on wage scale adjustments, but generally will only make adjustments if a position's wage scale has changed 2.5% or more since the last adjustment. A change in wage scale does not automatically trigger a change in individual wages.

4. With each quadrennial market review, individual wages may be adjusted if a majority of the City Council approves. This market wage adjustment will be in the form of an additional percentage that the employee is eligible to receive in the annual merit increase evaluation, based on performance over the previous 4 years. Unless the City Council approves, an employee's wages will not be adjusted due to the market review if the employee has been hired within the previous 24 months.

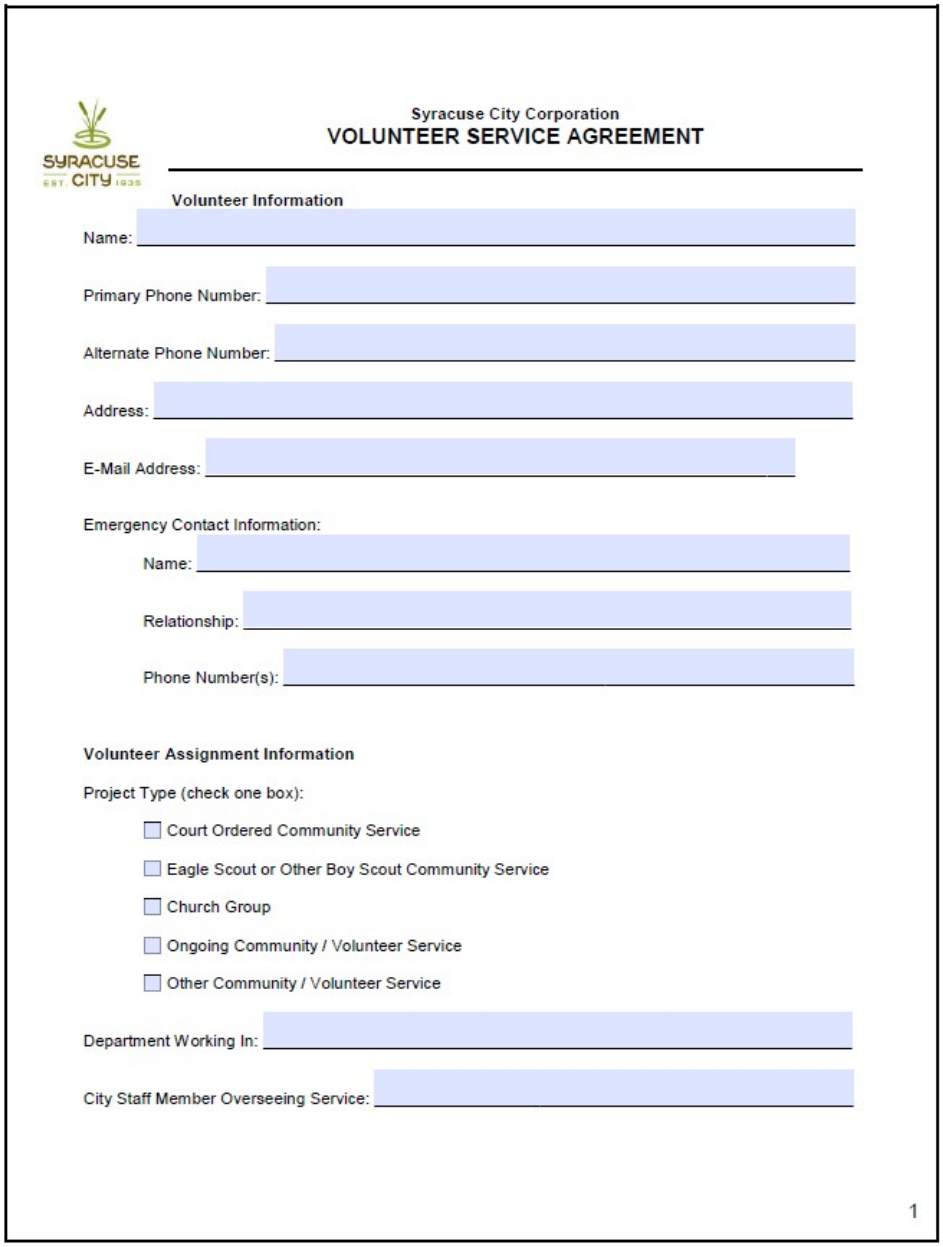

5. In order to determine whether individual wages will be adjusted due to the market review, the Council may consider any of the following:

    a. A comparative study of individual wages from the benchmark cities obtained through an independent contract that has been subject to the RFP process and be conducted under the direction of the city council and city manager.

    b. Using Technet or similar shared database, the City can provide an analysis of changes in wage scales and wages over the previous 4 years. If a majority of the Council determines the information from Technet/similar shared database appears to show an anomaly or otherwise appears to be incomplete or inaccurate, a more detailed comparative study of that position may be conducted.

    c. Any other economic data that a majority of the Council deems relevant.

APPENDIX D:
Employee Rights & Responsibilities

EMPLOYEE RIGHTS
UNDER THE FAMILY AND MEDICAL LEAVE ACT

THE UNITED STATES DEPARTMENT OF LABOR WAGE AND HOUR DIVISION

LEAVE ENTITLEMENTS

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

BENEFITS & PROTECTIONS

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

ELIGIBILITY REQUIREMENTS

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special "hours of service" requirements apply to airline flight crew employees.

REQUESTING LEAVE

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

EMPLOYER RESPONSIBILITIES

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

ENFORCEMENT

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

Notice to the EMPLOYER

INSTRUCTIONS to the EMPLOYER: The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA leave due to a serious injury or illness of a current servicemember to submit a certification providing sufficient facts to support the request for leave. Your response is voluntary. While you are not required to use this form, you may not ask the employee to provide more information than allowed under the FMLA regulations, 29 CFR 825.310. Employers must generally maintain records and documents relating to medical certifications, recertifications, or medical histories of employees or employees' family members created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 CFR 1630.14(c)(1), if the Americans with Disabilities Act applies, and in accordance with 29 CFR 1635.9, if the Genetic Information Nondiscrimination Act applies.

SECTION I: For Completion by the EMPLOYEE and/or the CURRENT SERVICEMEMBER for whom the Employee Is Requesting Leave

INSTRUCTIONS to the EMPLOYEE or CURRENT SERVICEMEMBER: Please complete Section I before having Section II completed. The FMLA permits an employer to require that an employee submit a timely, complete, and sufficient certification to support a request for FMLA leave due to a serious injury or illness of a servicemember. If requested by the employer, your response is required to obtain or retain the benefit of FMLA-protected leave. 29 U.S.C. 2613, 2614(c)(3). Failure to do so may result in a denial of an employee's FMLA request. 29 CFR 825.310(f). The employer must give an employee at least 15 calendar days to return this form to the employer.

SECTION II: For Completion by a UNITED STATES DEPARTMENT OF DEFENSE ("DOD") HEALTH CARE PROVIDER or a HEALTH CARE PROVIDER who is either: (1) a United States Department of Veterans Affairs ("VA") health care provider; (2) a DOD TRICARE network authorized private health care provider; (3) a DOD non-network TRICARE authorized private health care provider; or (4) a health care provider as defined in 29 CFR 825.125

INSTRUCTIONS to the HEALTH CARE PROVIDER: The employee listed on Page 2 has requested leave under the FMLA to care for a family member who is a current member of the Regular Armed Forces, the National Guard, or the Reserves who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness. For purposes of FMLA leave, a serious injury or illness is one that was incurred in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating.

A complete and sufficient certification to support a request for FMLA leave due to a current servicemember's serious injury or illness includes written documentation confirming that the servicemember's injury or illness was incurred in the line of duty on active duty or if not, that the current servicemember's injury or illness existed before the beginning of the servicemember's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces, and that the current servicemember is undergoing treatment for such injury or illness by a health care provider listed above. Answer, fully and completely, all applicable parts. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the servicemember's condition for which the employee is seeking leave. Do not provide information about genetic tests, as defined in 29 CFR 1635.3(f), or genetic services, as defined in 29 CFR 1635.3(e).

I understand and agree to use this card only for approved City business.

I understand and agree that I am responsible for any credit card charges made by me against the City account and I am also responsible to report these charges fully on an approved expense reconciliation form. In the event that I should fail to make a proper and timely accounting for such charges, I agree that the City may, at its sole discretion, withhold from all or any part of my salary an amount equal to the total amount of the card charges not accounted for and approved. Any use in violation of City policy is grounds for disciplinary action, which may include termination.

I also understand that the following purchases are prohibited and that I will be held personally liable for any of the following charges:

(1) Purchase of items for personal use or consumption.
(2) Purchases in violation of the City Purchasing Policy.
(3) Alcohol
(4) Utah State Tax, except on lodging charges
(5) Fuel for fleet vehicles unless traveling outside of Utah. The state gas card should be used for fuel purchases.
(6) Splitting a purchase to remain under purchasing policy limits.

I also agree that I shall relinquish my card back to the County upon request and/or termination of my employment for any reason.
