Works Session

a. FY 2020 Budget – Final Budget

The City Recorder presented the final budget to the City Council.

b. Police Department

No department reports provided.

c. Fire Department

Chief Perea reviewed the parameters of the Fire Truck Purchase. The equipment has not been built; it takes approximately 120 days to manufacture. Wellington City however will not likely receive the truck for almost a year. The proposed colors for the truck will match Wellington city's lime green tradition.

d. Sunrise Engineering

Justin Atkinson, Jesse Ralphs, Ben Corey, and Trent Brown all met with the council to provide a project update for the Sewer Improvement's Project. One request from the engineers is that Wellington City process the checks for the project on a weekly, rather than bi-monthly basis. Councilmember D. Bradley agreed to represent Wellington on the Project Meetings. Additionally, Councilmember D. Bradley will sign these checks as invoices are submitted.

e. Public Works Department

Kory Moosman met with the City Council to discuss the proposed road changes by Graphite Solar for its upcoming project. The company is considered accessing 950 East to reach the project site. Moosman expressed concerns about the heavy truck traffic on a road that already needs repairs. Councilmembers agreed to consider Moosman's concerns and to additionally request core samples prior to allow Graphite Solar to use the road.

Adjourn

At 6:00 P.M. Wellington City Council moved into its regularly scheduled meeting.
