AGENDA TOPICS:

Review Dog Ordinance; **Mayor Maxwell** reviewed the Dog Ordinance and the changes that need to be addressed, he explained, Salina City has had several complaints on the location where dog kennels are being placed on residential property, and this includes dogs running at large. **Ashlee Larsen** stated she spoke with David Blackwell Salina City Attorney regarding the grandfather clause. Blackwell researched other entities and found several of them have a one-year grandfather clause. He feels like Salina City should also apply this to the Animal Ordinance. **Cade Hunter** asked what Ordinance needs to be changed. **Ashlee Larsen** stated Blackwell suggested making the changes to Ordinance 6.12.090 Section B. Blackwell advised Salina City to state kennels must be forty (40) feet from any adjacent property instead of sixty (60) feet otherwise it would be hard to house a doghouse or kennel due to the setbacks. **Kathy Maxwell** informed City Council to look over the Small Animal Ordinance 101-2011 it states no animals or fowl shall be kept or maintained closer than ten (10) feet from any dwelling, and not closer than forty (40) feet from any dwelling on adjacent lot. Any barn, coop, or enclosure structure for the housing or keeping of animals or fowl shall be kept, constructed or maintained not less than (20) feet from a public street and not less than two (2) feet from any lot line, except for adjoining or adjacent properties that house animals on each side of the fence where on fence, on the property line can be shared. Council agreed when changing the Ordinance, it should state the kennel needs be forty (40) feet from any adjacent property. **Mayor Maxwell** stated he would to change Dog Ordinance 6.18.020 to require a checklist for all kennel licenses issued. **Ashlee Larsen** stated she will revise both Ordinance's send an email to Mayor and Council to review the amended Ordinances, **Larsen** will place the amended Ordinance in the paper for a Public Hearing.

Recreation Pay scale; **Jon Maxwell** stated the Rec. Director would like an annual raise per year. His raise is split between the three communities of Salina, Redmond, and Aurora. **Jon Maxwell** stated at the next Rec. Board meeting they plan to make a final decision regarding his raise. **Mayor Maxwell** stated to take the Salina city pay scale to the Rec. Board Meeting and present it to the Rec. Director and show him where he should be at on the Salina City pay scale with the amount of years worked. Which indicates his wage is actually higher now than what shows on the PayScale.
