

**SALT LAKE CITY CORPORATION
SALT LAKE CITY COUNCIL
NOTICE OF HEARING**

NOTICE IS HEREBY GIVEN THAT ON Tuesday, September 1, 2020 and Tuesday, September 15, 2020 at 7:00 p.m. a public hearing will be held by the Salt Lake City Council to accept public comment and consider a request to increase the building heights within a portion of the G-MU (Gateway Mixed Use) zoning district from a current maximum of 120 feet up to 190 feet across portions of two separate blocks located between 500 West and the railroad tracks (approximately 625 West) and 200 South and 400 South. The applicant is requesting the change for a specific development project and is not seeking to alter height limits across the entirety of the zone. Other sections of Title 21A, Zoning, may also be amended as part of this petition. Petition No. PLNPCM2019-00639. The Council may consider adopting the ordinance on the same night of the second public hearing. Council Meetings are currently being held electronically pursuant to the Council Chair determination that conducting a City Council meeting at a physical location presents a substantial risk to the health and safety of those who may attend in person. Moreover, the City & County Building, which is the anchor location for Salt Lake City Council meetings is presently closed for regular occupation due to damages sustained during the March 2020 earthquakes. For these reasons, the Council Meeting will not have a physical location at the City & County Building and all attendees will connect remotely. If you are interested in participating in Public Hearings, please visit the website <https://www.slc.gov/council/> to learn how you can share your comments during the meeting. Comments may also be provided by calling the 24-Hour comment line at (801)535-7654 or sending an email to council.comments@slcgov.com. All comments received through any source are shared with the Council and added to the public record. By order of the City Council of Salt Lake City, Utah, this 11th day of August, 2020. (P 20-17)
