Minutes
Levan Town Council Meeting
July 8, 2020
7:00 P.M.

1. **Opening ceremonies:**
   The meeting was called to order at 7:00 PM by Mayor Corey Christensen. All present were welcomed. The invocation was offered by Councilmember Taryn Brooks. The Pledge of Allegiance was led by Mayor Corey Christensen.

   Town Officials present: Mayor Corey Christensen and Councilmembers Ray Evans, Bruce Rowley, Jesse Richmond, and Taryn Brooks.

   Town Staff present: Elizabeth Hone, Town Clerk.

   Others present: Rebecca Dopp (Times-News).

2. **Discussion Items:**
   The planning commission had asked for the council to consider whether or not a Beautification Committee should be included in the town general plan. Mayor Christensen said that he didn't see the need to have it listed in the general plan. If the council wants to put one together it still could. That way it could be on an as needed basis instead of feeling obligated to keep one staffed. Others seemed to be in agreement. Councilmember Ray Evans did, however, wonder if it needed to be in there for any grants. The planning commission should research if there was any reason they could find why there needed to be a beautification committee spelled out in the general plan.

3. **Action Items:**

4. Mayor/Council Member/Department/Committee Reports and Discussion:

a. Mayor/Council Members:

- Councilmember Bruce Rowley told the other council members that the county has a fire inspector that they use now and was wondering if Levan Town wanted to use their services as well. He said that we could consider having a fire inspector sign off on some building permits for homes and commercial buildings. The fire inspector charges $.02/square foot. Mayor Christensen was wondering if this is being required for homes and commercial buildings. No-one knew for sure so the council decided that was a good question for the town building inspector, Verl Wilkey.

- Councilmember Bruce Rowley and Mayor Christensen gave an update on the town water situation:
  The block laying for the building by the well at the park had been delayed. Mayor Christensen there had been a question as to whether or not the town wanted to enforce the penalty for not completing the project or grant a month extension. The consensus from the council members was that there was no emergency the delay was not really causing any problem, so an extension seemed fine.

  The springs were then discussed. It was reported that the work was mainly done. There was some testing that still needed to happen. There was an increase in water flow which was good.

  It was reported that the main well was down at present. It should be back together tomorrow. The quality of the water is good.

  The Cobble Rock Spring is back to normal and even a little better.

  Councilmember Taryn Brooks gave a report on the Town Celebration. She said that everything was coming along nicely:

  The day will start with a Flag Ceremony at the church at 8:00 am. Mayor Christensen was asked and consented to be in charge of organizing that even. The youth council will organize a Levan Town History Scavenger Hunt. There will also be a parade at 10:00 am. The parade theme will be:
