Covid-19 Relief Fund; **Mayor Maxwell** mentioned Salina City should receive their second installment of Covid-Relief Fund within the next few days. **Mayor Maxwell** spoke with Brad Allen Maintenance Supervisor about purchasing a trailer pressure washer for the City. **Mayor** stated this could be used for several entities in Salina City, including the Salina City Park and NS. Rec. Center. **Mayor Maxwell** spoke about purchasing telecommuting equipment for zoom meetings such as televisions and laptops. **Chief Taylor** spoke about purchasing new radios for the emergency relief fund. **Mayor Maxwell** also stated Salina City could use some new playground equipment something that would be easier to keep clean. **Newell Hales** mentioned he spoke with Chad McWilliams from the County and he mentioned he can help Salina City receive a grant for new playground equipment. **Maxwell** stated Brady Edwards would like to place an outdoor pump park next to the NS Rec. Center and feels like this is a good idea for kids to use during the pandemic, Salina City will need to get with our Attorney David Blackwell to make sure this CRF money can be placed towards a park and property. If Salina City spends the Covid-Relief Funds on items not listed, they could be responsible for paying the money back to the State. **Mayor Maxwell** asked the Council to please look at the list and if they have any ideas for their departments they are over, bring it to the next scheduled City Council Meeting.

Discussion on employee job duties; **Mayor Maxwell** addressed he spoke with Mike Stevens on the Maintenance crew and Stevens is concerned with the Water Cross Connection test and feels like Salina City should hire someone with a College Degree to operate the Water Cross Connections. Stevens doesn't feel like he can be over the Wastewater and Water Cross Connections. **Mayor Maxwell** stated Salina City needs to decide on the Maintenance job duties and not have one worker over everything. **Maxwell** has noticed there are several weeds in town that need to be sprayed and the baseball fields at the park are dying. **Maxwell** stated things in Salina City needs to stay maintained. **Jon Maxwell** stated Salina City also needs to make sure the Maintenance is not receiving overtime hours unless they are getting called out on a water break or a funeral Service. **Mayor Maxwell** agreed and stated when the maintenance employee is on call they should receive \$75.00 per day to do the rounds not \$75.00 plus overtime hours, unless the employee is getting called out. **Mayor Maxwell** mentioned to Earl Taylor having a meeting with the Maintenance Crew to make a priority list and make sure things are getting maintained around Salina City.
