- 2) Other Business Items (as needed)

PUBLIC HEARING(S)

Copperton Metro Township is considering adopting the proposed 2020 Copperton Metro Township General Plan, which plans for the areas within Copperton Metro Township. The 2020 General Plan is Copperton's first comprehensive plan since Copperton incorporated as a metro township in 2017. The Plan synthesizes data and public feedback to describe current conditions, envision Copperton's future, and guide Copperton from present conditions toward that desired vision. This General Plan meets the required State laws for general planning, including elements on Transportation and Land Use. It also includes the following supplemental elements: The Planning Process, Public Engagement, Community Background, Housing, Economic Opportunities, Infrastructure and Resilience, and Work Program. **Planner:** Mikala Jordan (Motion/Voting)

The Planning Commission will act on the proposed general plan after taking comments from the public during the public hearing. Public comments will be provided pursuant to the planning commission's rules of conduct, which are attached to the back of this agenda. Public comments will be limited to three minutes per person.
