<u>Connection Type</u>	<u>Fee to District</u>
*Typical: 3/4" Culinary, 1.5" Secondary & 4" Sewer Total	\$ 4,100.00

Water Rate Schedule

<u>District Base Water Rate</u>	<u>Gallons</u>	<u>Overage</u>
\$11.00	10,000	\$1.50/1000 gallons

<u>Outside District Base Water Rate*</u>	<u>Gallons</u>	<u>Overage</u>
\$45.00	10,000	\$2.00/1000 gallons

*In the case of outside District connections, this is the base amount that must be paid to the District. If individual cities/towns would like to charge an additional administrative fee, that is the choice of the city/town. Any amount of water used over 10,000 gallons per month will be paid to the District at the overage rate of \$1.90 per 1000 gallons.

*For outside city limit connections, there is no secondary. There will be a typical fee if there are sewer and water services nearby, but would be evaluated on a case by case basis.

Sewer Rate Schedule

<u>District Base Sewer Rate</u>
\$7.00 per month
<u>Outside District Sewer Rate</u>
\$22.00 per month

Secondary Irrigation Water Rate Schedule

\$24 per connection per year
