

Rocky Ridge Town Monthly Meeting
July 15, 2020
7:30 PM
MLA Building

Opening:

Presiding: Mayor Ronald Allred

Present from the Town Council: Ronald Allred, Shannon Allred, Lucy Gold, and Forrest Lewis. Dallin Mangels was excused due to an EMT emergency.

Present from the Town Staff: Bethany Sturgeon, Terry Allred, and Catherine Lummus

Others Present: Andrew Aagard was present for first part of the meeting

Invocation was given.

Meeting was called to order at 7:35 p.m.

Approval of Minutes:

No changes to June's minutes. Council Member Lucy Gold motioned to approve June's minutes and Council Member Shannon Allred seconded the motion, all others voted in favor.

Unfinished Business:

1. To receive the \$150,000 in CDBG funds we are required to secure \$31,000 from the Town for our contributions. Cathy Lummus is going to talk to Mary Jacobs about this money and when we need to have it set aside.

New Business:

1. Brother Ron's unit donated \$5,000 to the Town to be earmarked for road use, primarily for putting speed bumps in front of the Fire Station and Chuck Todd's home. Discussion was had about the fact that bumps need a lot of maintenance for upkeep; it would be better to put in dips. There was discussion about putting dips in.

2. The Town Council publicly thanked the anonymous donor of \$1,100 in cash to cover the overage of the dumpsters used on our town clean-up day.

3. Discussion was held regarding the \$150,000 that Quality Craft donated to the town for asphalt. Terry Allred had gotten bids and after discussing them the Council decided we should use Eckles Paving as they gave us the lowest bid and also told Terry they would lower the unit price if we added more money to pave further. Council Member Shannon Allred motioned that we accept Eckles Paving's bid, Council Member Lucy Gold seconded the motion; all others voted in favor.

4. Mayor Allred recently met with Santaquin's mayor and planners regarding a proposed agritourism project they would like to work on. Part of the discussion had to do with making adjustments to the Utah/Juab County Line to develop space for a Utah State University laboratory and to promote tourism in our area. Santaquin would pay for all necessary work that needs to be done.

Departments:

1. **EMS/CERT:** Council Member Lucy Gold reported that a few people had dropped out of the CERT program and she is trying to get more people to join. Casey Reynolds was not at the meeting to report on any EMS updates.
2. **Water:** Terry Allred reported that we are pumping three quarters of a million gallons of water right now. Council Member Forrest Lewis asked if Terry knew what our number was from last year, but he did not know without checking.
3. **Road:** Terry Allred updated the Council a little more about plans for the asphalt to be paid by Quality Craft's donation to the Town.
4. **P & Z:** No update at this time. Mike Hansen and Ryan Robinson will be presenting planning and zoning with more information at next week's meeting.
5. **Admin:** Clerk Bethany Sturgeon asked if any of the council members had had any third-party transactions with the Town last year to answer Greg Ogden's question for our AUP. There had been none.
6. **Park:** Terry Allred reported that new trees were being put in the park to replace the ones that had died. These were guaranteed so there was no new cost. Also, the sprinkler system is still being worked on.
7. **Library:** Bethany indicated that she had given Sarah Allred her budget for the year.

Citizen Items: No citizen items.

Town Council Items: Forrest Lewis had not been at the last Town meeting and wanted to discuss the reasons the Council Members did not want to change the street names for some of the Town's roads. Forrest had investigated what requirements Juab County would have, and they indicated we would just have to pass an Ordinance regarding the same. The Council Members wanted to know what the reasoning was behind the names of the streets being changed. Discussion was held about these matters. It was decided to take this to the land owner and pass out flyers to town citizens at the next order dinner.

Adjournment:

Council Member Shannon Allred moved to adjourn the meeting; Council Member Forrest Lewis seconded the motion; all voted in favor and the meeting was adjourned at 8:40 p.m.

/s/ Bethany Sturgeon

Approved by Town Clerk
