Funding is available through the Parks Department Vehicle Replacement Fund

If any questions on vehicle usage, staff is proposed to discuss these details.

EVALUATION

Mapleton City is able to utilize state contract pricing, which ensures certain discounts through authorized dealers.

The parks department has received three bids from Young Automotive Group, Tischner Ford and Labrum Ford. Request for bids from Ken Garff and Larry H Miller were not returned.

Through these authorized dealers it was determined that Tischner Ford in Santaquin was able to provide the features requested and came in at the best price.
