Survey Narrative

The purpose of this survey was to divide parcel 04-044-0031. The Survey was ordered by Brian Allred. The control used were the existing section corner monumentation, survey markers found in the area, the existing Logan-Hyde Park canal, and existing fence and occupation lines. The boundary lines, as defined in Record of Survey #2019-0259, were held. The Basis of Bearings is the line between the Southeast corner and East ¼ corner of Section 11, Township 12 North, Range 1 East, and is assumed to bear North 00°11'33" West.
