This item is proposed to be tabled. The applicant would like to address staff redline comments before the project is presented to the public and planning commission. The item is listed on the agenda because the public hearing was noticed in the newspaper. Neither staff or the applicant will present any information at the meeting and any public comment should be delayed until a future date. When the applicant is ready to proceed, another notice will be placed in The Payson Chronicle and courtesy notices mailed to property owners within 500 feet of the project property.

This agenda request and any supporting documentation is due to the city recorder by the Wednesday one week prior to the council meeting. This allows final preparation of the agenda and time for the city attorney to review.
