- ☐ CONSENT AGENDA: (ACTION NEEDED)
- ☐ PRESENTATION/DISCUSSION: (NO ACTION)
- ☒ PRESENTATION/DISCUSSION: (ACTION NEEDED)
- ☐ WORK SESSION: (NO ACTION)

DETAILED REASON AND EXPLANATION FOR REQUEST:

In 2019, Payson City applied for the National Park Service, Rivers, Trails, and Conservation Assistance (RTCA) program to update the management plan for approximately 500 acres of city owned property in Payson Canyon, commonly referred to as "Forebay". Payson City was awarded this program grant in September 2019 and over the past year staff has collaborated with the National Park Service (NPS), the US Forest Service, the BYU students, and many stakeholders to create the proposed Payson Forebay Area Management Plan. The Plan will help address the long term management of recreational access and facilities in the Forebay Area.

Attached is the draft document for review and recommendation by the planning commission. This document be an appendix to the Payson City General Plan. Public hearings are required prior to the adoption of the plan. City Code requires a public hearing with the planning commission and Utah Code requires a public hearing prior to the decision by the legislative body (i.e. city council). Therefore, the public will have two opportunities to comment on the proposed plan. The public hearing has been noticed in accordance with statute and city ordinance.

City staff and representatives from the National Park Service and stakeholder committee will attend the meeting to present the findings of the plan and to address questions.

DUE DATE:

This agenda request and any supporting documentation is due to the city recorder by the Wednesday one week prior to the council meeting. This allows final preparation of the agenda and time for the city attorney to review.

REVIEWED – CITY ATTORNEY
