

Utah Insurance Department

Proposed changes to requirements for initial and renewal license applications

October 14, 2020

At the August 12, 2020 meeting of the Bail Bond Oversight Board, the Insurance Department presented proposed changes to Utah Code § 31A-35-406. The changes did two things: (1) clarified the beginning and end date for the time period in which an agency's principal must attend a Board meeting; (2) changed the way to report compliance with this requirement. The Board and meeting attendees did not object to those changes.

The Department now proposes additional changes to the bail laws. The changes involve § 31A-35-404, minimum financial requirements for bail bond agency license. The changes also involve § 31A-35-406, license renewal and reinstatement. The texts of those statutes and their changes, along with an explanation of them, are set forth below. This does not include changes, if any, to the meeting attendance requirement § 31A-35-406(1)(a)(iii) that will be discussed at the October 14, 2020 meeting.

31A-35-404. Minimum financial requirements for bail bond agency license.

(1)

(a) A bail bond agency that pledges the assets of a letter of credit from a Utah depository institution in connection with a judicial proceeding shall maintain an irrevocable letter of credit with a minimum face value of \$300,000 assigned to the state from a Utah depository institution.

(b) Notwithstanding Subsection (1)(a), a bail bond agency described in Subsection (1)(a) that is licensed under this chapter as of December 31, 1999, shall maintain an irrevocable letter of credit with a minimum face value of \$250,000 assigned to the state from a Utah depository institution.

(c) A copy of the irrevocable letter of credit shall be submitted with an application for an initial or a renewal bail bond agency license.

(c) The financial statement required by this Subsection (2) shall be submitted with an application for an initial or a renewal bail bond agency license.

Explanation of the changes in Subsection (2)

The changes mean that a property-backed agency must submit with an initial or a renewal license application a verified financial statement that has been reviewed by a C.P.A. The financial statement must show that the agency meets the applicable net worth and liquid asset requirements. A financial statement is "verified" if the agency owner has sworn that its contents are accurate.

(c) A bail bond agency that pledges personal or real property, or both, shall maintain a ratio of no greater than 5:1 between outstanding bond obligations and:

(d) Notwithstanding Subsections (4)(b) and (c), the permissible ratio is 10:1 for a bail bond agency licensed over 36 months that pledges:

(i) the assets of a letter of credit; or

(ii) the assets of personal or real property with a minimum net worth of \$300,000, at least \$100,000 of which is liquid assets.

(e) The commissioner may reduce the bonding limit ratio in Subsection (4)(d) if a bail bond agency fails to meet the requirements of Subsections (1) or (2)(a).
