Carole Larsen.

Approval of bills and warrants

A motion to approve Bills and warrants was made by Carole Larsen and seconded
by Carol Stilson.

Vote:

Carol Stilson I

Carole Larsen I

Tracy Addley I

Motion passes.

Approval of minutes from previous meeting

Carole Larsen asked about the Mayors report, there was a spelling and grammar
error, that would need to be fixed. A motion was made by Carol Stilson and
seconded by Carole Larsen, to approve the minutes with the fixes. The vote was
unanimous, motion passes.

Calvin Bennett Concerns

Calvin Bennett has some concerns with his neighbor who has been having people
stay in trailers and tiny houses on her property, who has not been approved by the
city or planning and zoning. His concern is that she didn't have clearance to rent
out the trailers, and tiny houses. The council reassured them that she was not in
compliance with the rules of the city, they thanked him for his concern and let him
know that she did not have the zoning clearance to carry out what she was doing.

Castle valley projects

These are projects that we send to the Castle Valley Special service district each year. The CVSSD then takes our request to have them applied to the CIB funding projects. A list from Orangeville City has been submitted to them so they can submit it for the CIB funding.

Cares act Covid grant

There are two agreements one is from the county and the second is the same agreement but changes made from our city attorney. The agreement changes were spelling, grammar and content changes. Craig Smith suggested we go with what he changed, because it would keep the city safe from any problems with money reimbursements. The council decided to go with the changes made by Craig Smith. Maegan will send it to the county explaining what the council has decided, and see what the county says. A motion was made by Carole Larsen and seconded by Carol Stilson to go with what our attorney suggest we do. Motion was unanimous and passed.

Resolution to dissolve the board of appeals

In the last meeting Carole Larsen asked if there could be a resolution to dissolved the board of appeals. A motion was made by Carole Larsen to approve the Resolution made, and it was seconded by Carol Stilson. Vote was unanimous and motion passed.

Appointment of Pat Jones as appeal authority

The planning and Zoning board asked Pat Jones if he would step in as the appeal authority representative. A motion was made by Carol Stilson and seconded by Carole Larsen. Motion passed.

Staff reports

Carolyn- Carolyn asked if anyone would not like it if we decided to go to direct deposit. We can keep those who want checks the same and do direct deposit for the rest. Carolyn will work on getting that set up.

Maegan-Maegan Reported that Orangeville City had the annual audit this week, things were found such as posting the minutes on the public notice website after they are approved, and making sure receipts are kept from all purchases. The CARES ACT Money arrived. Carolyn and Maegan will go through and see what the city has spent and then go from there.

Council reports

Carole Larsen- Had nothing to report

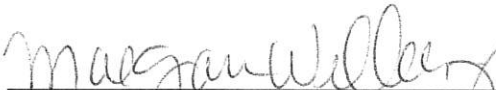

Carol Stilson-YCC had BBQ and had new members come, and she is excited because there are more youth interested. Rather than doing a service project they are looking into doing a service challenge and put it on Facebook. They are doing their best to have stuff going especially with the Covid going on.

Tracy Addley-The pickleball court stuff, he is going to work on getting things painted, and put together. Tracy would also like to get cameras put up down at the park.

Roger Swenson-had nothing to report.

Motion to adjourn was made by Carole Larsen and seconded by Carol Stilson
meeting was adjourned at 7:47 pm

Maegan Wilberg- City Recorder
