Approval of Bills Submitted for Payment was motioned by **Jon Maxwell**. **Cade Hunter** seconded. Motion carried 4 to 0.

Vistors:

Conrad Miller Sewer Issue; Conrad Miller spoke to Mayor Maxwell and Council over the phone regarding a sewer issue at his shop. **Miller** stated he thinks the issue is coming from the other side of the road, he feels like it's happening when coal trucks drive by and continue to hit the man hole it shakes his building which could be causing the old sewer lines to shake. **Miller** asked if the Maintenance Crew could camera his sewer line sometime next week. **Mayor Maxwell** stated Twin D is coming to Salina City in two weeks and can camera the line for Miller if he would like. **Newell Hales** mentioned he didn't realize there was a manhole on the opposite side of the street of his shop. **Brad Allen** thinks it's three water valves and not a manhole. **Mayor Maxwell** suggested to Miller when he gets back in town to schedule a time with the

Salina City maintenance crew to camera the manhole located next to his shop.

Sunrise Engineer Trent Brown; Sewer Project Update; **Trent Brown** opened the discussion by stating he is in attendance of the meeting to give an update on the Salina City Sewer Project. Rural Water awarded Salina City \$50,000 grant and \$49,500 in an advance loan which will be paid back after the project is identified. **Brown** stated Salina City will contribute \$67,000 which is less than \$100,000 that they anticipated. Salina City awarded Twin D the bid of camera and cleaning the sewer lines throughout the entire city. Twin D will start within the next two weeks. **Brown** spoke with Brad Allen about the concerns from Twin D and their truck freezing with cold temperatures. **Allen** suggested Twin D parking their truck at the Firehouse. **Mayor Maxwell** didn't see a problem with parking their truck at the Firehouse. Savage Survey is planning to survey the project at the end of October. Savage will get all the measurements for the project, so they can work on the hydraulic model for the system. Sunrise is hoping to have the study put together at the first of the year 2021. **Trent Brown** stated Sunrise would like to help Salina City receive a planning advance grant of \$30,000 from USDA. Sunrise will complete the lagoon lift station analysis. **Brown** spoke with Devin Shields, he will be the one doing the lift station analysis and can start anytime in October. **Brown** will schedule a date with Brad Allen to look at the sewer lagoons. Sunrise hopes to be completed at the end of February 2021 with their project report. **Mayor Maxwell** thanked Trent Brown and Jesse Ralphs from Sunrise Engineer for the sewer update, and coming to City Council.

Agenda Topics:

Mayor

Jed Maxwell:

Budget Review; **Mayor Maxwell** asked the council to review the budget and if they have any questions or concerns to get in touch with Ashlee Larsen or bring it to the next scheduled City Council meeting.

Police Chief

Al Taylor: Body Cameras; **Mayor Maxwell** stated Chief Taylor is sick tonight but wanted to discuss purchasing portable Motorola radios for the Salina PD. The amount is \$450 per radio if you buy 5 radios you receive one free, with a 1-year warranty. **Mayor Maxwell** would like to use some of the Covid fund to purchase radios for better communication. **Eric MacArt** stated Salina PD has beer tax funds to purchase new body cameras which will consist of two in car cameras and two body cameras.

Cade Hunter motioned to approve Salina PD two in car body cameras and two body cameras total of \$13,103.00. **Newell Hales** seconded. Motion carried 4 to 0.

Planning and Zoning

Chairperson

Kelly Laier: Planning and Zoning updates

Maint. Supervisor

Brad Allen: Trees on State Street, **Brad Allen** stated the trees on State Street are overgrown

and are hitting the power lines. **Allen** is wondering if Maintenance should hire a tree trimming company or have the maintenance crew trim the trees themselves. **Mayor Maxwell** suggested to Allen using the manlift and trimming the trees the best they can around town. **Cade Hunter** mentioned he noticed an overgrown tree on 400 N that needs to be taken care of. **Newell Hales** stated the power company should trim trees that are grown in between the power lines. **Cade Hunter** suggested to Allen calling the power company.

Mayor Maxwell addressed an issue with residents dumping their trash next to the well pump and asked Allen to place a no dumping sign on the gate.

Christmas light timers/photo cell controls, **Brad Allen** received quotes for Christmas decoration timers and photo cells, **Allen** stated the price is about the same, so he would rather go with the timers. **Cade Hunter** stated it would be better to go with timers not photocells that way you can make the adjustment when the decorations turn on and off. **Earl Taylor** agreed and thinks the timers would help save on Salina City power bill. **Mayor Maxwell** asked the total cost for the timers. **Allen** isn't sure how many poles are on State Street, he will get a count and total price and will bring it to the next scheduled City Council meeting.
