2. Use of Washington County Landfill. All residential waste generated within the corporate limits of Town shall be transported to and disposed of at the Washington County Landfill or such other waste disposal facility as may be approved by District.

3. Required Use of Automated/Semi-automated Containers. Except for residential developments approved by Town where density and lack of access by waste collection vehicles requires the use of dumpsters or roll offs as a means of residential waste collection, each residence or residential unit within the incorporated areas of Town shall be required to utilize for residential waste collection service an automated/semi-automated container or containers which have been approved and delivered to the property by Town or its authorized agent.

4. Residential Waste Collection and Disposal Services Provided by Town. Town shall provide the following services to all residences within its corporate limits in accordance with the Agreement:

- a. Basic Residential Waste Collection Service: once-a-week curbside collection to all residences of residential waste placed in automated/semi-automated containers or in dumpsters or roll offs, along with collection of bulky waste, and
- b. Collection of Recyclable Materials: every-other-week curbside collection of recyclable materials placed in recycling containers by residences participating in curbside residential recycling.

5. Mandatory Use of Service. The use by all residences within the boundaries of Town of the basic residential waste collection services described in paragraph 4 a. is hereby declared to be mandatory; however, participation in curbside residential recycling as described in paragraph 4 b. shall be determined in accordance with the opt out rules and guidelines specified in paragraph 6.

6. Recycling Opt Out Rules and Guidelines. Participation in curbside recycling collection services shall be mandatory for any residential unit within the boundaries of Town for which the election to opt out of such services is not made by the owner, or such other person designated in writing by the owner, on or before November 30, 2020, in accordance with the following opt out rules and guidelines:

- a. The election to opt out shall be made by the owner of the residence, or by such other person designated in writing by the owner, or as otherwise approved by the Town.
- b. For purposes of these rules and guidelines, all Town residences/residents who are not participants in curbside recycling collection services as of the effective date of this Ordinance shall be deemed to have opted out of receiving curbside recycling collection services.
- c. Except as provided herein, all Town residences/residents who do not opt out by November 30, 2020 shall be deemed to be included in the curbside recycling collection program for the term of the Agreement.
- d. Town residents/residences who opt out or who are deemed to have opted out on or before November 30, 2020, as determined by Town, may opt in at any time but thereafter shall be included in the recycling program for the remaining term of the Agreement.

- e. Town residents/residences who opt out or who are deemed to have opted out on or before November 30, 2020, as determined by Town, shall be entitled to continue such opt out status in the event they move to another or new residence within the boundaries of Town.
- f. New residents, i.e., people who move from outside of Town to a residence within the boundaries of Town, regardless of a prior election to opt out, shall be automatically included in the recycling program for the remainder of the term of the Agreement.

Notwithstanding the foregoing, upon written request from the owner or occupant of the residence, the Town Council shall have authority to grant a variance to the above provisions based on a showing of undue hardship or other extraordinary circumstances.

7. Residential Waste Collection Procedures. Except where the use of dumpsters or roll offs are authorized, residential waste shall be placed for collection in accordance with the following:

- a. All residential waste shall be placed for collection in automated/semi-automated containers.
- b. All residential waste shall be placed for collection by 6:00 a.m. of the day scheduled for collection.
- c. No hazardous waste, infectious waste or special waste shall be placed for collection in any automated/semi-automated container or any dumpster or roll-off.
- d. Only recyclable materials, as determined from time to time by Town, shall be placed for collection in recycling automated/semi-automated collection containers.
- e. Automated/semi-automated containers shall be placed within three (3) feet of the curbside, blacktop or other roadway surface, with three (3) feet clearance on either side of the container from parked cars or other objects, and at other locations readily accessible to collection vehicles and personnel.
- f. All empty waste containers shall be removed from the street as soon as reasonably practicable but not later than 24 hours after being emptied.
- g. Bulky waste shall be placed at or near the curbside, blacktop or other roadway surface, or at other locations readily accessible to collection vehicles and personnel.

8. Establishment of Residential Fees. There is hereby established a monthly residential waste collection and disposal fee for each residence or residential unit in Town, which shall include the following amounts:

- a. for basic residential waste collection service:
  - (i) the amount to be paid to Republic in the amount of \$6.90 per month per

:

residence, which shall be subject to an annual increase of 2.5%; and

- (ii) the amount to be paid to the District for administrative costs and expenses in the amount of \$4.45 per month per residence, which shall be subject to an annual increase of ten cents (\$.10); and
  - (iii) such amount as may be established from time to time by resolution of the Town Council for administrative costs and expenses incurred by the Town in billing and collection.
- b. for residences receiving curbside recycling collection services, the following additional amounts:
- (i) the amount to be paid to Republic in the amount of \$4.90 per month per residence, subject to an annual increase of 2.5%; and
  - (ii) the amount of \$.75 per month per residence for the cost of the recycling container.

9. Fee for Availability of Service. The residential fee established hereby for basic collection service is for the availability of service provided by Town through the District and its authorized agent, Republic, and said fee shall be due and owing when service is available, regardless of whether said service is actually utilized.

10. Monthly Billing. Fees for residential waste collection and disposal services provided by Town shall be paid on a monthly basis, and shall be included in any billing for other municipal services supplied by Town, including water, power, sewer, etc. Payments for residential waste collection and disposal services not received on or before the 15<sup>th</sup> day of the month following the month for which services were provided shall be deemed delinquent and shall thereafter bear interest at the rate of 5 per cent per annum until paid in full, and shall be subject to all collection practices or procedures as may be established from time to time by ordinance.

11. Collection of Commercial Waste. Nothing in this ordinance shall preclude the owner or lessee of any commercial property or premises from transporting his or her own commercial waste to the landfill, or contracting for its removal with a commercial hauler properly licensed by District and authorized to conduct business within Town.

12. Commercial or Private Haulers. No private or commercial hauler shall be allowed to collect or dispose of commercial solid waste generated by businesses or through the use of commercial property within Town without having first obtained from District a license to operate as a private or commercial hauler.

13. Collection Vehicles. All trucks or other vehicles used by any private or commercial hauler to collect or transport solid waste within Town shall:

- a. be maintained in a good mechanical condition,

- b. be equipped with fully enclosed sides and bottom and otherwise constructed as to prevent the contents of the vehicle from spilling or blowing while the vehicle is in motion,
- c. clearly bear on the outside of the body of the vehicle the name and telephone number of the hauler, and
- d. comply with all provisions of all applicable state or federal regulations or laws concerning the collection, transportation or disposal of solid waste. .

14. Transportation of Waste. All solid waste transported by any private or commercial hauler shall be contained, tied or enclosed in such a manner that leaking, spilling or blowing are prevented during transportation.

BE IT FURTHER ORDAINED that this Ordinance shall take effect on February 1, 2021, after publication and posting as required by law, and shall supersede any other ordinance or provision in conflict with the terms hereof.

PASSED AND APPROVED on this \_\_\_\_ day of \_\_\_\_\_, 2020.
