The Mayor discussed the draft that the board members received from Zack Leavitt with Six County. Zack found out that the state has an ordinance regarding sewer and dumping not on the ground. The draft will be reviewed at the next meeting when more members are present.

Mayor Dalton also stated that Darrin Bushman along with the CIB board are looking for bleachers to add to the fair grounds. They are also looking for some funding for this. They need to clear the title for the rodeo grounds before they can move forward. The County and City has joint ties in this property, but it needs to be just the county. This needs to be put on the agenda for next meeting to get the title taken care of. Once this is taken care of they can work on funding to improve the fair grounds.

Councilman William Merritt stated that Home Depot is still on lock down with the COVID so they can't move forward with the Veteran's Memorial at this point.

The clerk will need to send out letters of concern to those on the list for overdue water bills. She will also send out disconnect letters to those also.

The fireman's dinner will be discussed at the next meeting.

The financial statements and bank statement for the month of August were available for review.

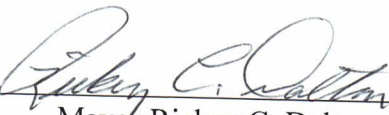

ORDER: Claims were available for the September payroll and accounts payable which goes from Check # 11028 to Check #11053.

Meeting was adjourned at 7:46 P.M. by Mayor Rickey C. Dalton.

MOTION: Made by Councilmember Jodi Hurdsman to adjourn the meeting.
