

2021-2022 Fee Schedule

Utah Virtual Academy strives to provide an outstanding online education while keeping the cost to families to a minimum. Utah Virtual academy does not charge any student fees to its K-8 students. However, the following student fees may be assessed to students in grades 9-12 who elect to take AP courses through the School:

Description	Expenditures Funded by Fee (Spend Plan)	Fee
AP Course Textbooks	Fee goes directly to purchase of textbooks	\$85-\$120 (per textbook)

Per Student Annual Maximum Fee Amount for School Year: \$720

This amount reflects the total student fees a student in grades 9-12 at Utah Virtual Academy would be required to pay if the student took the maximum number of AP courses (6) available to him or her during the school year and paid \$120 per AP textbook for each AP course.

Notice to Parents: Your student may be eligible to have one or more of their fees waived. For information on fees and fee waivers, please contact an administrator at Utah Virtual Academy and/or review the school fees and fee waiver materials on the School's website: <https://utva.k12.com>. If your student files a fee waiver request with the School and the request is denied, you may appeal the School's decision. Please note that students are responsible to pay for any loss, breakage, or damage they cause to School property. Such loss, breakage, or damage to School property is not subject to fee waiver requirements.
