

**FILLMORE CITY FIRST COMMUNITY DEVELOPMENT BLOCK PROGRAM
(CDBG) PUBLIC HEARING**

MINUTES OF FILLMORE CITY FIRST CDBG PUBLIC HEARING
HEARING HELD at the Fillmore City Council Chambers 75 W Center St Fillmore, UT,
December 14, 2020, 3:00 p.m. (This meeting was held remotely and online via GoToMeeting)

The Fillmore City Council first CDBG public hearing was held on December 14, 2020, in the Fillmore City council chambers. The meeting commenced at 3:00 p.m.

Present: Mayor Michael D. Holt,
Councilmembers Michael Winget, Dennis Alldredge, Kami Dearden, and Eric Jensen,
Also present were Fire Chief Shane Brunson and Tom Huffer, and

City Recorder, Kevin Orton

Mayor Holt welcomed the public and started the meeting at 3:00 p.m.

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PUBLIC HEARING:

Upon motion by Councilmember Dearden and a second by Councilmember Winget, the council went into the public hearing at 3:00 p.m. Motion carried by unanimous vote in favor.

Mayor Michael Holt opened the public hearing for the CDBG program and stated that the purpose of the public hearing is to provide citizens with pertinent information about the Community Development Block Grant program and to allow for discussion of possible applications for the 2021 funding cycle. It was explained that the grant money must be spent on projects benefiting primarily low and moderate-income persons. The Six County Region in which Fillmore City is a member, is expecting to receive approximately \$750,000 in this new program year. All eligible activities that can be accomplished under this program are identified in the CDBG Application Policies and Procedures Manual and interested persons can review it at any time. Mayor Holt read several of the eligible activities listed including examples, such as Construction of public works and facilities, e.g., water and sewer lines, fire stations, acquisition of real property, provision of public services such as food banks or homeless shelters. The city has handed out its capital investment plan as part of the regional "Consolidated Plan". This list shows which projects the city has identified as being needed in the community. It was asked that anyone with questions, comments or suggestions during the hearing please identify themselves by name before they speak. The recorder will include your names in the minutes, and we would like to specifically respond to your questions and suggestions during the hearing. Mayor Holt invited anyone from the public in attendance to speak. Fire Chief Shane Brunson stated that the fire department has responded to 40 fire calls in 2020 and logged 1,156 hours of volunteer time. They put in much time and effort into making Fillmore City a safer place to live. Mayor Holt stated that the fire department does a great amount of service for the community and they need to be recognized for it. Mayor Holt and the city council appreciate every member of the department and everything they do. Chief Brunson added that the fire department seeks to

replace a 1983 water truck that the department has owned for at least 12 years. The truck is so old that it repeatedly incurs high maintenance costs to keep it running. By keeping an operating water tender truck in the fleet, the department's ISO ratings improve, which keeps the department's insurance rates lower.

Mayor Holt invited the attending public to offer any further comments or suggestions regarding CDBG grant project ideas. None were offered.

Upon motion by Councilmember Dearden and second by Councilmember Alldredge, the council moved out of the public hearing at 3:08 p.m.

Upon motion by Councilmember Dearden and second by Councilmember Jenson, the meeting adjourned at 3:08 p.m.
