**Resolution 03-2020 Bear River Mitigation Plan Adoption-** Larry made a motion to accept the Bear River Mitigation Plan.

Larry-Yes

Jason-Yes

Trent-Yes

Shannon-Yes

Mayor Vic Little- Yes

Motion carries.

**Planning and Zoning**

- **Tyler and Heidi Adams- New Home- 8440 S. 450 W. -** The shares were not in the homeowner's name at the last meeting. The shares have been transferred to their name since the last meeting and proof of those submitted to the Office. Shannon made a motion to approve the Zoning Clearance, Larry seconded that motion, all in favor.

**Unfinished Business-**

Covid- The Bear River Health Department reached out to Mayor Little to ask if any of the Town representatives would like to take the Covid-19 Vaccination.

Park- Playground has been delivered, and hole is dug for the playground. The plan is to have the playground installed Monday or Tuesday of next week. The Mayor explained how the playground will be set up.

Hydrants- The parts have been ordered. Mayor Little wondered about reaching out to the Contractors again and get the work scheduled. Mayor Little reached out to three contractors. One contractor works on Logan's hydrants, and one works on Mendon's. Larry reported that he is not confident that one hydrant can be isolated. There was discussion on that and how to work on that.

Courts- No updates on the non-compliant property involved in the courts currently.

CARES Funding- The next large expenditure will be for the Fire Department. The work will need to be timed correctly so that the Fire Department can still operate while the work is being done. The computer hardware in the Office will be installed either the end of this week or beginning of next week.

Tree-Lighting- Mayor Little reported that the Tree Lighting went well. He took away from the ceremony that we need more lights, a countdown to when the tree lights up, and a smaller tree.

**New Business-** Nothing new at this time.

### **Council Reports**

- **Roads- Trent Passey** - Trent wondered about Jared Adams plowing streets again this year. Mayor Little wondered about the need for additional equipment or sand or salt around Town. There is an extra truck now that could potentially get a sander on the back so some areas could be sanded around Town.
- **Water- Larry Johnson-** Larry is hoping to document some water procedures after chatting with Lee that he could put in the book so that some of those procedures were on paper and available for future use.
- **Community- Shannon Rasmussen-** Shannon is planning on getting the Youth Council together in January for a recruitment dinner. Shannon reported that the Youth Council participated in and helped choose the winner for the Christmas Light Contest. The Winners were notified today, and signs placed in the yard.
- **Fire/Grants/Budget- Jason Winn-** Jason verified what payments had been received for wildland fires fought. Mayor Little and Jason discussed starting a file as soon as a call is received. Mayor Little wanted to discuss some of the budgeting of the Fire Department with Jason to talk about expenditures and income from Wildland Fires. Mayor Little discussed some of the renovations to the Fire Department.

**Adjourn-** Trent made a motion to close the meeting, Jason seconded that meeting. All in favor. Meeting adjourns at 7:39 p.m.
