Mayor Jed Maxwell called the Public Hearing to order at 7:00 PM Wednesday December 9, 2020 and welcomed everyone in attendance. **Mayor Maxwell** stated the Public Hearing is for the Municipal Building Authority Salina City #2 to receive input with respect to the issuance of the Bonds and any potential economic impact to the private sector from the construction of the municipal facility consisting of city office/courtroom, public safety and related facilities (the "project") to be funded by the Bonds.

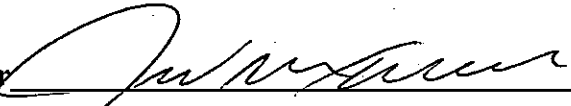

Utah Permanent Community Impact Fund Board offered a grant/loan combination. The total amount in grant/loan fund is 3.4 million, with a \$1.7 million in Grant and 1.7 million in loan, with 30 years at 1% interest rate.

Salina City needs a new City office due to safety concerns, in the current dilapidated building. The Salina City Office building currently has black mold growing in the basement, the face of the building is falling away, it has an offensive pungent odor due to its age, and Salina City has outgrown their building with the rapid increase of growth. This Public Hearing is to inform the public of the construction of the new municipal facility consisting of city office/ courtroom, public safety and related facilities.

Mayor Maxwell asked if anyone has comments regarding the Public Hearing.

No comments were made.

Newell Hales motioned to adjourn the Public Hearing at 7: 06 p.m. **Cade Hunter** seconded.
Motion carried 5 to 0.
