Deputy Averett was excused

Mayor Heyder, Alan Terry and Eric Durstler met with Beehive Broadband to review the blueprints for fiber optic's. Mayor Heyder stated that they made several changes to the blueprints. The fiber will come to Snowville the spring of 2021 when the weather breaks. The blueprints had the fiber over the water lines, they are making changes to fix that. Everyone will have the opportunity to get the internet in their homes. Scott asked if they had phases with the new fiber lines. Mayor Heyder stated that they are changing the blueprints and then they

will meet again with the town council to see if they are corrected. Everything will be finalized before they start the project.

Damage on the Corner due to installation of Fiber Optic to the State Shed

The damage to the corner came from Sorenson's Construction they were taking the fiber optic line to the UDOT. They had no permits or permission. Punched a hole in the 8 inch water line. They were sent permits. They have signed them and paid a fee of \$50.00. The construction company promises that they will fix everything that was ruined, when the weather breaks. Mayor Heyder stated that the road was washed out from the loss of water. They will pay for the time of Mayor Heyder, Alan Terry and Cody Carter, plus a trip to Tremonton to get the right parts to fix the pipes. Businesses were out of water for about 10 hours. Mayor Heyder had the company move the line 4 feet away from the water line. Mayor Heyder wants to contact the businesses to get an average of business that was lost. Sorenson's will pay for the loss of the revenue that the businesses lost. Mayor Heyder wants 8 inch and 6 inch pipe to be in the town's storage shed when Beehive Broadband starts putting fiber optic in town.

CDBG Project

Mayor Heyder stated that he wants Eric to look at the damages that were done to the corner and the oil road, from now until spring to make sure that everything will be fixed right. Eric stated that he is working on the stop light grant. Eric had Mayor Heyder sign an application for UDOT for the bridge that needs to be repaired out west of town. The application is for 3 million 40 thousand dollars. Eric had Tammie email it back to UDOT. Mayor Heyder stated that it has almost tripled in price.

Water

Rural Water Conference for 2021 in St. George Utah. The water conference is still on, they have not cancelled it because of Covid. Reservations are being made. Alan Terry, AJ Mogan and Tammie Morgan will be attending the Conference this year to keep certified for the water system. Alan stated that he talked to Cody Carter about the valves not shutting off. Alan is working on the problem. Mayor Heyder wanted another person to attend the conference this year. We will be posting the job.

Fireworks

Mayor Heyder stated that there was a lot of positive feedback for residents that attended.

Gift Cards

Mayor Heyder asked if the auditor responded to the email that was sent about the gift cards. Tammie stated that it was fine. Stacey bought the cards from the Flying J / Pilot. The cards will be given out.

Garbage

Econo Waste was sent a letter saying that the town was declining their service on July 11, 2021, Mayor Heyder wants to set up a meeting with the new vendor. The new vendor will come every week for garbage removal. The council talked about the new rates \$27.00 for the first can and \$6.00 for every additional can. The new vendor is IDAWY. Tammie stated that we need to put the rates on the next month's agenda to finalize the rates of the garbage. Mayor Heyder wants the switch to be a smooth transaction.

Ordinances

Mayor Heyder asked if the town council had been reading their ordinances so they could get them adopted. The council members said that they were still finishing them up. Mayor Heyder stated that he wants to get them done quickly some of the ordinances didn't apply to the town but it might apply in the future.

EMT Class / Funds

Mike Morgan stated that the course started on Monday. The course will be on Monday's, Wednesday's and Friday's. There are 5 people attending the class. They are having the class at the Snowville School because the internet is better. A gentleman from Logan is teaching the course. The town has sent them \$3,000.00 for some of the money owed. The class is basic EMT class, the course is about 150 hours. The class will be done in May of 2021. Mayor Heyder asked if they needed to approve any money. Tammie stated that they were using the money that we didn't use when the EMT's didn't go to the fall Conference because it was cancelled because of Covid. We had also received some money from the Cares act that we were using. Mike stated that they wanted the money weekly but he was going to talk to them about monthly instead. Mike stated that it would be about \$1850 per person for the course. Tammie asked Mike if the testing fees were included. Mike stated that he wasn't for sure. Mayor Heyer stated that if we needed to find more money that it would be possible. Mayor Heyer also asked Mike for another copy of the agreement that they signed with Malad, because he had missed his. Mike said that he had another copy and would give it to Mayor Heyer.

Dog and Lawyer

Mayor Heyder stated that the town was in the right to have the dog removed from the town. It didn't have a license. The lawyer stated that any service animal that lived in the town needed to be licensed and have a proof of vaccinations to be legal in the town. Also any dog that lives in the town needs to have their license and vaccinations also, as per the dog ordinances.

Keith Thompson's use of his tractor for the cleaning of the sidewalks

Mayor Heyder stated that Keith Thompson has been removing the snow from the sidewalks and that he needed to be paid for it. Mayor asked that council their thoughts. The council decided to pay Keith Thompson \$25.00 for each snowstorm that he uses his tractor.

Rod McGary made a motion to pay Keith Thompson for the use of his tractor. Scott O'Hare 2nd. All council members present voted yes.

Mayor was approached by a resident that drives a truck and was asked if he could plug his truck into the town hall building on cold nights before he was to leave the next day. The driver stated that he couldn't get into his driveway because of the snow to get his truck off of the road. Mayor asked the thoughts of the council. Some of the members didn't have a problem with it. Some decided to have the drive park here only if it was an emergency. Mayor Heyder didn't want it to become a habit.

Acceptance of the Expenses with addition

Keith Thompson made a motion to accept the expenses with addition. John Levenduski 2nd. All council members voted yes.

Adjore

Scott O'Hare made a motion to Adjore. Rod McGary 2nd All council members voted yes.
