

Determination Regarding Holding Meeting Without Anchor Location

Public Body: Utah Appraiser License and Certification Board

Chair Name: Jeff Morley

The public meeting(s) scheduled for 2/24/2021 (Date or date range) will be conducted electronically and without an anchor location. I have determined meeting with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location.

Facts upon which my determination is based:

The administration building remains closed to the public. Prior meetings of the Appraiser License and Certification board have proven effective with the online format even without an anchor location.

All board members, division staff, and members of the public have access to join the online meeting according to the notice and instructions provided.

Signed this 17 day of February, 2021
