Approval of Minutes:

Carol made a motion to approve the minutes from the November 2020 Logan River Golf Advisory Board Meeting. Dawn seconded the motion. The minutes were unanimously approved as written.

Award Announcement:

- Randy Oldham, Logan River Golf Course's Superintendent has received the Award for Superintendent of the Year. He received his award last night at the banquet. Jeff gave a brief explanation of how the ceremony went.
- Tom Jensen let Board Members know the Mayor gave high praise to LRGC in her State of the City. Thanked management for all their hard work.

Financial Report:

- Dawn presented Board with Financial Report. She explained the differences in net profits compared to last fiscal year. She let Board Members know the last 6 months, numbers are great. Overall, well ahead in comparison to last year's numbers. If anyone would like the Year-to-Date sheets, Dawn will provide them via email.

Update on Concession Operations:

- LRGC has extended Off Premise's contract through end of next year. After 2022, it will go back out to bid for another contract. They are doing well here despite not having indoor dining available due to Covid-19.

Golf Course Pump Update:

-Randy gave an update to Board Members regarding the bids he inquired in order to replace the Pump. The current line also runs to the Sports Complex at Willow Park. It has been approved by Council. Current turnaround for manufacturing of some pumps was 12 weeks. Randy let board members know the prices for each bid. He briefly explained current specs on current pump vs pumps that were quoted. 2 quotes include installation. Randy and Jim will be a part of the install process. There is some reconstruction that needs to be done prior to install of new equipment.

Update on Signs:

-Russ gave an update on the request for new signs to be posted. 8th West at US 89 will be a location proposed with UDOT approval. He is working with Street Department on the graphic for another sign in order to be in unison with cities current signage. Tom asked when they could possibly be installed. Russ let him know to receive the signs its about 5-6 weeks, and another week in order to get it on Street Department's Schedule. Russ hopes to have them up by first week of April.

Women's Association Report:

-Jeff handed out Ladies' Association schedule for anyone interested.

Men's Association Report:

- Jeff gave an update on Men's Association schedule.

Golf Superintendent Report:

- No snow has caused Cross Country Ski trail that was just groomed to be open for one day. There were about 7 people who came out to use it. Installed new drainage by the 150 marker. Fixed a hole that was an issue. Gave an update on other maintenance that was done throughout the Golf Course. Board discussed drainage issues at other golf courses. Equipment is doing pretty good. Jim and Randy are on top of the maintenance. Ready for pump station to get ordered. Dawn asked when they will start hiring. Jeff has a position posted at the moment and has had a few inquires from former employees. Randy will post the first week of March.

Golf Professional Report:

- Only issue in LRGC Budget Report would be increasing Part Time wage budget. Department is looking into increasing wage in order to keep staff. Randy has a harder time due to his applicants being of older age and position doesn't pay as much as competitors such as lawn companies.
- Jeff explained Junior Golf and his plan on promoting youth to come play golf.
- He has cut back to 2 spring college classes. Typically, he has about 25 kids per class.

- Has a Valentine's Sale going on. Sale prices on passes and half passes.
- New quote "New normal brings New Opportunities.

Open Forum:

-Rick Johnson praised Randy on his prevention of waterfowl as he is in St. George and there seems to be a waterfowl issue. USU golf team will be playing in a tournament down in St. George this upcoming weekend.
