NORTH OGDEN CITY STAFF REPORT

TO: MAYOR AND CITY COUNCIL
FROM: JON CALL, CITY MANAGER/ATTORNEY
SUBJECT: PUBLIC SAFETY DISCUSSION
DATE: 2/25/2021

I have been working on the Frequently Asked Questions and wanted to present the questions to the Council to make sure we got some good feedback on if we had been covering all the topics which needed to be covered. We have also been in discussions with some residents who have experience in the building industry to better understand the process for moving forward with design and construction.

With all that in mind I would like some feedback on the FAQ's. Also, the next steps for getting the building going are to engage a contractor and architect with the approval and blessing of the Council. My hope is that on the 24th of March the Council can have the information they need to make a decision on the process to move forward with getting the Police the type of facility they need to continue to provide our community with the level of protection we currently enjoy. I would also ask the Council to reach out to neighbors and friends to see what additional questions need to be included on this list so we have the open and honest process that has been promised by the Council.

NORTH OGDEN CITY PUBLIC SAFETY BUILDING
FREQUENTLY ASKED QUESTIONS

- WHY WOULD THE CITY NEED A NEW PUBLIC SAFETY BUILDING?
- WHY DOESN'T THE CITY JUST EXPAND THE EXISTING BUILDING?
- HOW WOULD THE CITY PAY FOR A NEW FACILITY?
- WHAT IS THE DIFFERENCE BETWEEN A REVENUE BOND AND A GENERAL OBLIGATION BOND?
- WHAT IS THE PROPOSED COST OF A NEW FACILITY?
- I WAS TOLD THE BUILDING WOULD COST APPROXIMATELY \$6 MILLION. WHY HAS THE COST INCREASED?
- WOULD PROPERTY TAXES BE RAISED AND IF SO WHAT WOULD BE THE ANNUAL DOLLAR INCREASE IN MY NORTH OGDEN CITY TAXES?

NORTH OGDEN CITY STAFF REPORT

TO: MAYOR AND CITY COUNCIL

FROM: DAVID ESPINOZA, PUBLIC WORKS DIRECTOR

SUBJECT: RESTRIPING OF 2600N

DATE: 2/25/2021

Public Works has been asked to review the road striping along 2600 N. from 400 E. to 1050 E. We have attached drawings of an alternate layout. These drawing include a left turn pocket to keep the flow of traffic going. They also include the removal of the on-street parking, which will open an additional lane for traffic to pass on the right legally. This will also include UTA bus pull-offs so traffic is not impeded by bus services.

Public Works believes this is a very good option to keep traffic flowing along 2600 N. without making huge construction changes that would impact all the homes along that stretch of road. We also understand that by changing the striping on this road it will take away on-street parking from the residents, but feel that this is a better option than taking property from these homeowners to widen the road.
