MEMORANDUM

Date: **February 2, 2021**

To: **Budget Committee**

From: **Dustin Volk**
Director, Golf

RE: **Cart worker positions for Davis Park**

Summary: With the retirement of Brad Stone and his contract ending, the golf carts at Davis Park are now owned and operated by Davis County. This is now requiring the employment of golf cart workers as employees of Davis County. They are hired to stage, park, clean and do small maintenance of the golf carts.

This was overlooked in the 2021 budget process by individuals not foreseeing this future need.

Proposal: We will hire 1 lead cart worker, and 10 to 13 regular cart workers. These are pooled positions and are part-time non-benefited.

Costs of the Proposal: Estimated cost of $38,000 for the year. That is scheduling them for 40 weeks at 100 hours per week at an average of $9.50 an hour. We will work with HR over the next few seasons to fine-tune this number.

Benefits of the Proposal: This is a must have for golf course operations. All golf facilities have golf cart workers.
