**DETERMINATION OF THE CHAIR OF THE PARKS, TRAILS, & OPEN SPACE
COMMITTEE CONCERNING AN ANCHOR LOCATION**

Pursuant to UTAH CODE ANN. 52-4-207(4), the chair of the committee hereby determines that conducting the meeting of the Parks, Trails, & Open Space Committee on this date at an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. It is well recognized that a global pandemic currently exists related to the COVID-19 coronavirus, which has the potential to overwhelm Utah's healthcare system. Therefore, due to the state of emergency caused by the global pandemic, I find that conducting a meeting at an anchor location under the current state of public health emergency constitutes a substantial risk to the health and safety of those who may be present at the location.

In compliance with the Americans with Disabilities Act, individuals needing special accommodations or assistance during this meeting shall notify the City Recorder at (801)944-7021 at least 24 hours prior to the meeting. TDD number is (801)270-2425 or call Relay Utah at #711. If you would like to submit written comments on any agenda item they should be received by the Planning Division no later than Monday at noon. Comments can be emailed to mjohnson@ch.utah.gov.
