**RE: NOTICE OF PENDING ACQUISITION & TRANSFER OF SOLID WASTE AND RECYCLING COLLECTION SERVICE PROVIDER**

On Friday, April 30, 2021, Solid Waste Special Service District #1 (District) will acquire certain assets of Monument Waste Services (Monument), including its solid waste and recycling collection services as well as its transfer station operations in Grand County and Moab, Utah. Effective Saturday, May 1, 2021, the District will begin providing route collection services and assume the operations of the solid waste transfer station located at 2295 South Highway 191, Moab, Utah 84532.

The District was created by the Grand County Council in 1993 and, since then, has been managing solid waste and recycling in Grand County with a focus on the operations of Grand County's landfills and public recycling center. Throughout this transition, the District is committed to maintaining continuity of services as well as the excellent customer service you have come to expect from Monument.

The District will take every effort to ensure you can rely on safe, dependable, and customer-oriented services. Basically, it will be business as usual as we will continue to provide the same excellent service you have come to expect from Monument.

Throughout the transition and in the immediate foreseeable future, the District intends to retain all programs and services currently provided by both entities. Ultimately, we anticipate that we will be able to identify added efficiencies as part of the combined services, resulting in operational improvements and enhancements.

It is with great confidence that Bonnie and I have chosen the District to succeed Monument Waste, we feel they will provide the same level of excellent service you have come to expect and will continue to be a great community partner.

Should you need to contact either entity prior to the May 1, 2021 transition, please contact the District at **(435) 259-3867** and Monument at **(435) 259-6314**, and we will be happy to answer any questions you may have regarding these changes.

Sincerely,

Sincerely,
