Ty gave an update on the Chamber installation banquet. He reported it went really well.

Taresa motioned that we move to a closed session. Seconded by Ty Jones.

Closed session. 8:20 am
Reconvene 8:43

Mayor Wright reported on the efforts to find a new location for Smiths or a Smiths Marketplace. The Mayor has felt that the meetings have been very positive. Brian reported on the efforts to bring Home Depot.

UVU RODEO

Mayor Wright reported that he continues to work on brining the UVU rodeo program to Payson. He stated things are still moving forward. He believes it will be a slow moving project but it is still moving forward..

MOTORCROSS TRACK.

The Mayor reported that the BLM has asked us to put together a plan and that Rocky Mountain ATV is working to come up with the plan.

DOWNTOWN UPDATES

Win reported we still have interested parties. He has identified buildings that will work and has identified other business that would be complementary. Win mentioned there are grants available to help replace the facades of the buildings or parking.

GOLF EVENT.

Brian asked that all board members should find two business that are not in Payson to invite to the Golf tournament.

Brian requested feedback on whether or not we should have a member of the Chamber be a part of the board. The consensus is that even though Ty Jones is not currently the president, he is already on the board and could act as the liaison.

REPORT FROM DAVE TUCKETT

Dave thanked everyone for their economic development efforts and the efforts everyone on the board makes. He mentioned potential legislature that will be effecting the City. He stated we have a lot going on in the city and that we are working hard to get everything done. He mentioned that this group is impressive because the issues are always on the forefront.

Win mentioned he doesn't get the emails. It seems that we have the wrong email for him. His correct email address is win@impactutah.org.
