Section 2.9 Book-Entry System. The Series 2021 Bonds shall be originally issued only to Cede & Co. (“Cede”), as nominee of The Depository Trust Company (“DTC”) to be held in a book-entry system and: (i) the Series 2021 Bonds shall be initially registered in the name of Cede, as Bondholder, and immobilized in the custody (or with the Trustee on behalf) of DTC; (ii) unless otherwise requested by the Depository, there shall be a single bond certificate for each bond maturity; and (iii) the Series 2021 Bonds shall not be transferable or exchangeable, except for transfer to another Depository or another nominee of a Depository, without further action by the Issuer as set forth below in this Section. While the Series 2021 Bonds are in book entry only form, physical bond certificates shall only be delivered to the Depository or its designee.

So long as a book entry system is in effect for the Series 2021 Bonds, except as hereinafter provided with respect to Beneficial Ownership Interests, the Issuer and Trustee shall recognize and treat the Depository, or its nominee, as the holder and absolute owner of Series 2021 Bonds for all purposes, including giving of notices, enforcement of remedies, and payment of principal of, premium, if any, and interest on the Series 2021 Bonds, which payment shall be valid and effective to satisfy fully and discharge the Issuer’s obligations with respect to the payment of principal of, premium, if any, and interest on the Series 2021 Bonds as provided therein and in the General Indenture. The crediting of payments of principal of, premium, if any, and interest on the

Series 2021 Bonds and the transmittal of notices and other communications by the Depository to the Direct Participants in whose Depository account the Series 2021 Bonds are recorded, and such crediting and transmittal by Direct Participants to Indirect Participants or Beneficial Owners and by Indirect Participants to Beneficial Owners, are the responsibilities respectively of the Depository and the Direct Participants and Indirect Participants and are not the responsibility of the Issuer or the Trustee; provided, however, that the Issuer and the Trustee understand that neither the Depository or its nominee shall provide any consent requested of holders of Series 2021 Bonds pursuant to the Indenture, and that the Depository will mail an omnibus proxy (including a list identifying the Direct Participants) to the Issuer which assigns the Depository's, or its nominee's, voting rights to the Direct Participants to whose accounts at the Depository the Series 2021 Bonds are credited as of the record date for mailing of requests for such consents. Upon receipt of such omnibus proxy, the Issuer shall promptly provide such omnibus proxy (including the list identifying the Direct Participants attached thereto) to the Trustee, who shall then treat such Direct Participants as Bondholders for purposes of obtaining any consents pursuant to the terms of the Indenture.

As long as the Series 2021 Bonds are registered in the name of a Depository, or its nominee, the Trustee agrees to comply with the terms and provisions of the Letter of Representations, including the provisions of the Letter of Representations with respect to any delivery of the Series 2021 Bonds to the Trustee, which provisions shall supersede the provisions of the Indenture with respect thereto.

The Depository may determine to discontinue providing its services with respect to the Series 2021 Bonds at any time by giving written notice to the Issuer, the Bond Registrar, and the Paying Agent, which notice shall certify that the Depository has discharged its responsibilities with respect to the Series 2021 Bonds under applicable law. The Issuer, in its sole discretion and without the consent of any other person, may, by notice to the Bond Registrar, terminate the services of the Depository with respect to the Series 2021 Bonds if the Issuer determines that the continuation of the system of book-entry system through such Depository is not in the best interests of the Beneficial Owners of the Series 2021 Bonds or the Issuer; and the Issuer shall, by notice to the Bond Registrar, terminate the services of DTC with respect to the Series 2021 Bonds upon receipt by the Issuer, the Bond Registrar, and the Paying Agent of written notice from DTC to the effect that DTC has received written notice from DTC participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then outstanding Series 2021 Bonds to the effect that: (1) DTC is unable to discharge its responsibilities with respect to the Series 2021 Bonds; or (2) a continuation of the requirement that all of the outstanding Series 2021 Bonds be registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC, is not in the best interests of the beneficial owners of the Series 2021 Bonds.

If any Depository determines not to continue to act as a Depository for the Series 2021 Bonds held in a book-entry system or the services of the Depository are terminated as provided herein, the Issuer may attempt to have established a securities depository/book entry system relationship with another Depository under the Indenture.

If the Issuer does not or is unable to do so, the Issuer and the Trustee, after the Trustee has made provision for notification of the Beneficial Owners by appropriate notice to the then Depository, shall permit withdrawal of the Bonds from the Depository and shall authenticate and deliver Bond certificates in fully registered form to the assignees of the Depository or its nominee or to the Beneficial Owners. Such withdrawal, authentication and delivery shall be at the cost and expense (including costs of printing or otherwise preparing and delivering such replacement Bonds) of the Issuer. Such replacement Bonds shall be in the denominations specified in the first paragraph of Section 2.2 hereof, with a minimum denomination of \$1,000.

ARTICLE III

APPLICATION OF PROCEEDS

Section 3.1 Application of Proceeds of the Series 2021 Bonds. The Issuer shall deposit with the Trustee (a) the proceeds from the sale of the Series 2021 Bonds in the amount of \$_____ (representing the principal amount of the Series 2021 Bonds PLUS a net original issue premium of \$_____, LESS an Underwriter's discount of \$_____, and LESS a Bond Insurance Policy premium of \$_____ (paid to the Bond Insurer by the Underwriter on behalf of the Issuer)), and the Trustee shall deposit such funds as follows:

1. \$_____ into the Series 2021 Construction Subaccount held by the Trustee under the General Indenture; and
3. \$_____ into the Bond Fund held by the Trustee under the General Indenture.

Section 3.2 Disbursements from Series 2021 Construction Subaccount. Disbursements of moneys in the Series 2021 Construction Subaccount shall be made as follows: upon receipt from the Issuer of an executed Cost of Issuance Disbursement Request in substantially the form of Exhibit C attached hereto the Trustee will disburse \$_____ from the Series 2021 Construction Subaccount to the parties identified on the Cost of Issuance Disbursement Request.

Section 3.3 Series 2021 Bonds as Initial Bonds. The Series 2021 Bonds are issued as the Initial Bonds under the Indenture. The Issuer hereby certifies that the requirements set forth in Section 2.4(c) of the General Indenture have been and will be complied with in connection with the issuance of the Series 2021 Bonds.

Section 3.4 [No Debt Service Reserve Fund. For purposes of the Series 2021 Bonds, there is no Debt Service Reserve Requirement and no monies shall be deposited into a Debt Service Reserve Fund.]

ARTICLE IV

CONFIRMATION OF GENERAL INDENTURE AND BOND INSURANCE

Section 4.1 Confirmation of General Indenture. As supplemented by this First Supplemental Indenture, and except as provided herein, the General Indenture is in all respects ratified and confirmed, and the General Indenture, and this First Supplemental Indenture shall be read, taken and construed as one and the same instrument so that all of the rights, remedies, terms, conditions, covenants and agreements of the General Indenture shall apply and remain in full force and effect with respect to this First Supplemental Indenture, and to any revenues, receipts and moneys to be derived therefrom.

Section 4.2 Bond Insurance. Payment of the Series 2021 Bonds will be insured by a policy of insurance to be issued by Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.) (“AGM”). Notwithstanding anything to the contrary contained herein, in the General Indenture or in the resolutions authorizing the issuance of the Series 2021 Bonds, so long as any of the Series 2021 Bonds are outstanding and insured by AGM, the following provisions shall apply to the Series 2021 Bonds:

(a) There is no Series 2021 Debt Service Reserve Subaccount.

(b) AGM shall be deemed to be the sole holder of the Series 2021 Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Series 2021 Bonds insured by it are entitled to take pursuant to the Indenture pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Trustee. Remedies granted to the Bondholders shall expressly include mandamus.

(c) If acceleration is permitted under the Indenture, the maturity of Series 2021 Bonds insured by AGM shall not be accelerated without the consent of AGM and in the event the maturity of the Series 2021 Bonds is accelerated, AGM may elect, in its sole discretion, to pay accelerated principal and interest accrued on such principal to the date of acceleration (to the extent unpaid by the Issuer) and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, AGM's obligations under the Insurance Policy with respect to such Series 2021 Bonds shall be fully discharged.

(d) No grace period for a covenant default shall exceed thirty (30) days or be extended for more than sixty (60) days, without the prior written consent of AGM. No grace period shall be permitted for payment defaults.

(e) AGM shall be included as a third party beneficiary to the Indenture.

(f) Upon the occurrence of an extraordinary optional, special or extraordinary mandatory redemption in part, the selection of Series 2021 Bonds to be redeemed shall be subject to the approval of AGM. The exercise of any provision of the Indenture

which permits the purchase of Series 2021 Bonds in lieu of redemption shall require the prior written approval of AGM if any Bond so purchased is not cancelled upon purchase.

(g) Any amendment, supplement, modification to, or waiver of, the Indenture or any other transaction document, including any underlying security agreement (each a "Related Document"), that requires the consent of Bondowners or adversely affects the rights and interests of AGM shall be subject to the prior written consent of AGM.

(h) Unless AGM otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Construction Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Series 2021 Bonds.

(i) The rights granted to AGM under the Indenture or any other Related Document to request, consent to or direct any action are rights granted to AGM in consideration of its issuance of the Insurance Policy. Any exercise by AGM of such rights is merely an exercise of AGM's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of AGM, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of AGM.

(j) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of AGM, pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively, or (5) subject to the prior written consent of AGM, securities eligible for "AAA" defeasance under then existing criteria of S & P or any combination thereof, shall be used to effect defeasance of the Series 2021 Bonds unless AGM otherwise approves.

To accomplish defeasance, the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to AGM ("Accountant") verifying the sufficiency of the escrow established to pay the Series 2021 Bonds in full on the maturity or redemption date ("Verification"), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to AGM), (iii) an opinion of nationally recognized bond counsel to the effect that the Series 2021 Bonds are no longer "Outstanding" under the Indenture, and (iv) a certificate of discharge of the Trustee with respect to the Series 2021 Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, Trustee and AGM. AGM shall be

provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow.

Series 2021 Bonds shall be deemed "Outstanding" under the Indenture unless and until they are in fact paid and retired or the above criteria are met.

(k) Amounts paid by AGM under the Insurance Policy shall not be deemed paid for purposes of the Indenture and the Series 2021 Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the Indenture. The Indenture shall not be discharged unless all amounts due or to become due to AGM have been paid in full or duly provided for.

(l) Each of the Issuer and Trustee covenant and agree to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Trust Estate under applicable law.

(m) Claims Upon the Insurance Policy and Payments by and to AGM shall be governed by the following:

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Trustee, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of and interest on the Series 2021 Bonds due on such Payment Date, the Trustee shall give notice to AGM and to its designated agent (if any) (the "AGM's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2021 Bonds due on such Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to AGM and AGM's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Series 2021 Bonds and the amount required to pay principal of the Series 2021 Bonds, confirmed in writing to AGM and AGM's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Trustee shall designate any portion of payment of principal on Series 2021 Bonds paid by AGM, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2021 Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to AGM, registered in the name of Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.), in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any

replacement Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Bond or the subrogation rights of AGM.

The Trustee shall keep a complete and accurate record of all funds deposited by AGM into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Bond. AGM shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the "Policy Payments Account" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Bondholders in the same manner as principal and interest payments are to be made with respect to the Series 2021 Bonds under the sections hereof regarding payment of Series 2021 Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Issuer agrees to pay to AGM (i) a sum equal to the total of all amounts paid by AGM under the Insurance Policy (the "AGM Advances"); and (ii) interest on such AGM Advances from the date paid by AGM until payment thereof in full, payable to AGM at the Late Payment Rate per annum (collectively, the "AGM Reimbursement Amounts"). "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Series 2021 Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Issuer hereby covenants and agrees that AGM Reimbursement Amounts are secured by a lien on and pledge of the Revenues and payable from such Revenues on a parity with debt service due on the Series 2021 Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Bond payment date shall promptly be remitted to AGM.

(n) AGM shall, to the extent it makes any payment of principal of or interest on the Series 2021 Bonds, become subrogated to the rights of the recipients of such

payments in accordance with the terms of the Insurance Policy. Each obligation of the Issuer to AGM under the Related Documents shall survive discharge or termination of such Related Documents.

(o) The Issuer shall pay or reimburse AGM any and all charges, fees, costs and expenses that AGM may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Indenture or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Indenture or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of AGM to honor its obligations under the Insurance Policy. AGM reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture or any other Related Document.

(p) After payment of reasonable expenses of the Trustee, the application of funds realized upon default shall be applied to the payment of expenses of the Issuer or rebate only after the payment of past due and current debt service on the Series 2021 Bonds.

(q) AGM shall be entitled to pay principal or interest on the Series 2021 Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Insurance Policy) and any amounts due on the Series 2021 Bonds as a result of acceleration of the maturity thereof in accordance with the Indenture, whether or not AGM has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.

(r) The notice address of AGM is: Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.), 31 West 52nd Street, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. 212577-N, Telephone: (212) 826-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

(s) AGM shall be provided with the following information by the Issuer or Trustee, as the case may be:

(i) Annual audited financial statements not later than January 31 of each year, commencing with the fiscal year ending June 30, 2021, (together with a certification of the Issuer that it is not aware of any default or Event of Default under the Indenture), and the Issuer's annual budget within thirty (30) days after the approval thereof together with such

other information, data or reports as AGM shall reasonably request from time to time;

(ii) Notice of any default known to the Trustee or Issuer within five (5) Business Days after knowledge thereof;

(iii) Prior notice of the advance refunding or redemption of any of the Series 2021 Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(iv) Notice of the resignation or removal of the Trustee and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;

(v) Notice of the commencement of any proceeding by or against the Issuer commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding");

(vi) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Series 2021 Bonds;

(vii) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents; and

(viii) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Related Documents.

In addition, to the extent that the Issuer has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Series 2021 Bonds, all information furnished pursuant to such agreements shall also be provided to AGM, simultaneously with the furnishing of such information.

(t) AGM shall have the right to receive such additional information as it may reasonably request.

(u) The Issuer will permit AGM to discuss the affairs, finances and accounts of the Issuer or any information AGM may reasonably request regarding the security for the Series 2021 Bonds with appropriate officers of the Issuer and will use commercially reasonable efforts to enable AGM to have access to the facilities, books and records of the Issuer on any business day upon reasonable prior notice.

(v) The Issuer shall notify AGM of any failure of the Issuer to provide notices, certificates and other information under the transaction documents.

(w) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in the Indenture, no such issuance may occur if an Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) exists unless such default shall be cured upon such issuance unless otherwise permitted by AGM.

(x) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Indenture would adversely affect the security for the Series 2021 Bonds or the rights of the Bondholders, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

(y) No contract shall be entered into or any action taken by which the rights of AGM or security for or sources of payment of the Series 2021 Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of AGM.

(z) So long as any Series 2021 Bonds insured by AGM remain outstanding or any amounts are owed to AGM by the Issuer, no more than twenty percent (20%) of the Issuer's debt outstanding may bear interest in a variable rate at any one time.

(aa) The Issuer shall not be permitted to accelerate any subordinate debt without the prior written consent of AGM.

(bb) Notwithstanding anything contained in the Indenture, the Issuer shall not be permitted to utilize any type of assumed amortization for purposes of calculating the Aggregate Annual Debt Service Requirement or the Average Annual Debt Service Requirement.

(cc) Any interest rate exchange agreement ("Swap Agreement") entered into by the Issuer shall meet the following conditions: (i) the Swap Agreement must be entered into to manage interest costs related to, or a hedge against (a) assets then held, or (b) debt then outstanding, or (iii) debt reasonably expected to be issued within the next twelve (12) months, and (ii) the Swap Agreement shall not contain any leverage element or multiplier component greater than 1.0x unless there is a matching hedge arrangement which effectively off-sets the exposure from any such element or component. Unless otherwise consented to in writing by AGM, any uninsured net settlement, breakage or other termination amount then in effect shall be subordinate to debt service on the Series 2021 Bonds and on any debt on parity with the Series 2021 Bonds. The Issuer shall not terminate a Swap Agreement unless it demonstrates to the satisfaction of AGM prior to the payment of any such termination amount that such payment will not cause the Issuer to be in default under the Related Documents, including but not limited to, any monetary obligations thereunder. All counterparties or guarantors to any Swap Agreement must have a rating of at least "A-" and "A3" by

Standard & Poor's ("S&P") and Moody's Investors Service ("Moody's"). If the counterparty or guarantor's rating falls below "A-" or "A3" by either S&P or Moody's, the counterparty or guarantor shall execute a credit support annex to the Swap Agreement, which credit support annex shall be acceptable to AGM. If the counterparty or the guarantor's long term unsecured rating falls below "Baa1" or "BBB+" by either Moody's or S&P, a replacement counterparty or guarantor, acceptable to AGM, shall be required.]

This Bond shall be payable only from the Revenues (as defined in the Indenture) and shall not constitute a general indebtedness or pledge of the full faith and credit of the Issuer, within the meaning of any constitutional or statutory provision or limitation of indebtedness.

As provided in the Indenture, additional bonds, notes and other obligations of the Issuer may be issued and secured on an equal lien parity with this Bond, from time to time in one or more series, in various principal amounts, and may mature at different times, may bear interest at different rates and may otherwise vary as provided in the Indenture, and the aggregate principal amount of such bonds, notes and other obligations issued and to be issued under the Indenture is not limited.

Except as otherwise provided herein and unless the context indicates otherwise, words and phrases used herein shall have the same meanings as such words and phrases in the Indenture.

Interest on this initially issued Bond and on all Bonds authenticated prior to December 1, 2021, shall accrue from the Original Dated Date specified below. Interest on Bonds authenticated on or subsequent to December 1, 2021, shall accrue from the June 1 or December 1 next preceding their date of authentication, or if authenticated on June 1 or December 1 as of that date; provided, however, that if interest on the Bonds shall be in default, interest on the Bonds issued in exchange for Bonds surrendered for transfer or exchange shall be payable from the date to which interest has been paid in full on the Bonds surrendered.

Optional Redemption. The Bonds maturing after June 1, 20__, are subject to redemption prior to maturity at the option of the Issuer on June 1, 20__, and on any date thereafter, in whole or in part, from such maturities or parts thereof as may be selected by the Issuer, at a redemption price equal to 100% of the principal amount of the Series 2021 Bonds to be redeemed plus accrued interest thereon to the date fixed for redemption.

Mandatory Sinking Fund Redemption.

June 15, 20__	
June 15, 20__†	

† Final Maturity of 20__ Term Bond

This Bond is transferable by the registered holder hereof in person or by his attorney duly authorized in writing at the Principal Corporate Trust Offices of Zions First National Bank, Corporate Trust (the “Registrar”), but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond or

Bonds of the same series and the same maturity and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor.

The Issuer and the Paying Agent may deem and treat the Registered Owner hereof as the absolute owner hereof (whether or not this Bond shall be overdue) for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all other purposes, and neither Issuer nor Paying Agent shall be affected by any notice to the contrary.

This Bond is issued under and pursuant to the Local Government Bonding Act, Title 11, Chapter 14, Utah Code Annotated 1953, as amended, and this Bond does not constitute a general obligation indebtedness of the Issuer within the meaning of any state constitutional or statutory limitation. It is hereby declared and represented that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in regular and due time, form and manner as required by law, that the amount of this Bond, together with the issue of which it forms a part, does not exceed any limitation prescribed by the Constitution or statutes of the State of Utah, that the Revenues of the Issuer have been pledged and that an amount therefrom will be set aside into a special fund by the Issuer sufficient for the prompt payment of the principal of and interest on this Bond and the issue of which it forms a part, as authorized for issue under the Indenture, and that the Revenues of the

Issuer are not pledged, hypothecated or anticipated in any way other than by the issue of the Bonds of which this Bond is one and all bonds issued on a parity with this Bond.

This Bond shall not be valid or become obligatory for any purpose nor be entitled to any security or benefit under the Indenture until the Certificate of Authentication on this Bond shall have been manually signed by the Trustee.

ARTICLE II

THE BONDS

Section 2.1 Authorization of Bonds. There is hereby authorized for issuance hereunder Bonds which may, if and when authorized by Supplemental Indenture, be issued in one or more separate Series. Each Series of Bonds shall be authorized by a Supplemental Indenture, which shall state the purpose or purposes for which each such Series of Bonds is being issued. The aggregate principal amount of Bonds which may be issued shall not be limited except as provided herein or as may be limited by law provided that the aggregate principal amount of Bonds of each such Series shall not exceed the amount specified in the Supplemental Indenture authorizing each such Series of Bonds.

Section 2.2 Description of Bonds; Payment.

(a) Each Series of Bonds issued under the provisions hereof may be issued only as registered bonds. Unless otherwise specified in the Supplemental Indenture authorizing such Series of Bonds, each Series of Bonds shall be in the denomination of Five Thousand Dollars (\$5,000) each or any integral multiple thereof, shall be numbered consecutively from R-1 upwards and shall bear interest payable on each Interest Payment Date.

(b) Each Series of Bonds issued under the provisions hereof shall be dated, shall bear interest at a rate or rates not exceeding the maximum rate permitted by law on the date of initial issuance of such Series, shall be payable on the days, shall be stated to mature on the days and in the years and shall be subject to redemption prior to their respective maturities, all as set forth in the Supplemental Indenture authorizing such Series of Bonds. Each Series of Bonds shall be designated “[Taxable] Municipal Energy Sales and Sales Tax and

Telecommunications Fee Revenue [Refunding] Bonds, Series _____,” in each case inserting the year in which the Bonds are issued and, if necessary, an identifying Series letter.

(c) Both the principal of and the interest on the Bonds shall be payable in lawful money of the United States of America. Payment of the interest on any Bond shall be made to the person appearing on the Bond registration books of the Registrar hereinafter provided for as the Registered Owner thereof by check or draft mailed on the Interest Payment Date to the Registered Owner at his address as it appears on such registration books or to owners of \$1,000,000 or more in aggregate principal amount of Bonds (or owners of 100% of any Series then Outstanding) by wire transfer to a bank account located in the United States designated by the Registered Owner in written instructions furnished to the Trustee no later than the Regular Record Date for such payment. Unless otherwise specified in the related Supplemental Indenture, the interest on Bonds so payable, and punctually paid and duly provided for, on any Interest Payment Date will be paid to the person who is the Registered Owner thereof at the close of business on the Regular Record Date for such interest immediately preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the registered owner of any Bond on such Regular Record Date, and will be paid to the person who is the Registered Owner thereof at the close of business on a Special Record Date for the payment of such defaulted interest to be fixed by the Trustee, notice thereof to be given to such Registered Owner not less than ten (10) days prior to such Special Record Date. The principal of and premium, if any, on Bonds are payable upon presentation and surrender thereof or as provided in Section 2.6 hereof at the Corporate Trust Office of the Trustee as Paying Agent, except as otherwise provided by Supplemental Indenture. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(d) The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions hereof as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board or otherwise, as may be specified in the Supplemental Indenture authorizing such Series of Bonds.

Section 2.3 Execution; Limited Obligation. Unless otherwise specified in the related Supplemental Indenture, the Bonds of any Series shall be executed on behalf of the Issuer with the manual or official facsimile signature of its Mayor, countersigned with the manual or official facsimile signature of the City Recorder, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Issuer. In case any officer, the facsimile of whose signature shall appear on the Bonds, shall cease to be such officer before the delivery of such Bonds, such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

The Bonds, together with interest thereon, and all Repayment Obligations shall be limited obligations of the Issuer payable solely from the Revenues (except to the extent

paid out of moneys attributable to the Bond proceeds or other funds created hereunder and held by the Trustee (except the Rebate Fund) or the income from the temporary investment thereof). The Bonds shall be a valid claim of the Registered Owners thereof only against the Revenues and other moneys in funds and accounts held by the Trustee hereunder (except the Rebate Fund) and the Issuer hereby pledges and assigns the same for the equal and ratable payment of the Bonds and all Repayment Obligations, and the Revenues shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds and to pay the Repayment Obligations, except as may be otherwise expressly authorized herein or by Supplemental Indenture. The issuance of the Bonds and delivery of any Security Instrument Agreement or Reserve Instrument Agreement shall not, directly, indirectly or contingently, obligate the Issuer or any agency, instrumentality or political subdivision thereof to levy any form of taxation therefor or to make any appropriation for their payment.

The provisions of this Section 2.3 relating to the execution of Bonds may be changed as they apply to the Bonds of any Series by the Supplemental Indenture authorizing such Series of Bonds.

Section 2.4 Authentication and Delivery of Bonds.

(a) The Issuer shall deliver executed Bonds of each Series to the Trustee for authentication. Subject to the satisfaction of the conditions for authentication of Bonds set forth herein, the Trustee shall authenticate such Bonds, and deliver them upon the order of the Issuer to the purchasers thereof (or hold them on their behalf) upon the payment by the purchasers to the Trustee for the account of the Issuer of the purchase price therefor. Delivery by the Trustee shall be full acquittal to the purchasers for the purchase price of such Bonds, and such purchasers shall be under no obligation to see to the application thereof. The proceeds of the sale of such Bonds shall, however, be disposed of only as provided herein and in the related Supplemental Indenture.

(b) No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit hereunder, unless and until a certificate of authentication on such Bond substantially in the form set forth in the Supplemental Indenture authorizing such Bond shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered hereunder. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

(c) Prior to the authentication by the Trustee of each Series of Bonds there shall have been filed with the Trustee:

(i) A copy, duly certified by the City Recorder, of this Indenture (to the extent not theretofore so filed) and the Supplemental Indenture authorizing such Series of Bonds.

(ii) A copy, certified by the City Recorder, of the proceedings of the Issuer's Governing Body approving the execution and delivery of the instruments specified in Section 2.4(c)(i) herein and the execution and delivery of such Series of Bonds, together with a certificate, dated as of the date of authentication of such Series of Bonds, of the City Recorder that such proceedings are still in force and effect without amendments except as shown in such proceedings.

(iii) A request and authorization to the Trustee of the Issuer to authenticate such Series of Bonds in the aggregate principal amount therein specified and deliver them to purchasers therein identified upon payment to the Trustee, for account of the Issuer, of the sum specified therein.

(iv) An opinion of bond counsel dated the date of authentication of such Series of Bonds substantially to the effect that (a) the Issuer has authorized the execution and delivery of this Indenture and this Indenture has been duly executed and delivered by the Issuer and is a valid and binding obligation of the Issuer; (b) this Indenture creates a valid pledge on the Revenues; and (c) the Bonds of such Series are valid and binding special obligations of the Issuer, entitled to the benefits and security hereof, provided that such opinion may contain limitations acceptable to the purchaser of such Series of Bonds.

(d) The Issuer may provide by Supplemental Indenture for the delivery to the Trustee of one or more Security Instruments (or may substitute one Security Instrument for another) with respect to any Series of Bonds and the execution and delivery of any Security Instrument Agreements deemed necessary in connection therewith.

(e) The Issuer may provide by Supplemental Indenture for the issuance and delivery to the Trustee of one or more Reserve Instruments and the execution and delivery of any Reserve Instrument Agreements deemed necessary in connection therewith.

(f) The Issuer may authorize by Supplemental Indenture the issuance of Put Bonds; provided that any obligation of the Issuer to pay the purchase price of any such Put Bonds shall not be secured by a pledge of Revenues on a parity with the pledge contained in Section 6.2 hereof. The Issuer may provide for the appointment of such Remarketing Agents, indexing agents, tender agents or other agents as the Issuer may determine.

(g) The Issuer may include such provisions in a Supplemental Indenture authorizing the issuance of a Series of Bonds secured by a Security Instrument as the Issuer deems appropriate, including:

(i) So long as the Security Instrument is in full force and effect, and payment on the Security Instrument is not in default, (i) the Security Instrument Issuer shall be deemed to be the Owner of the Outstanding Bonds of such Series (a) when the approval, consent or action of the Bondowners for such Series of Bonds is required or may be exercised under the Indenture and (b) following an Event of Default and (ii) the Indenture may not be amended in any manner which affects the rights of such Security Instrument Issuer without its prior written consent.

(ii) In the event that the Principal and redemption price, if applicable, and interest due on any Series of Bonds Outstanding shall be paid under the provisions of a Security Instrument, all covenants, agreements and other obligations of the Issuer to the Bondowners of such Series of Bonds shall continue to exist and such Security Instrument Issuer shall be subrogated to the rights of such Bondowners in accordance with the terms of such Security Instrument.

(iii) In addition, such Supplemental Indenture may establish such provisions as are necessary to provide relevant information to the Security Instrument Issuer and to provide a mechanism for paying Principal Installments and interest on such Series of Bonds from the Security Instrument.

(h) The Issuer may provide for the execution of an Interest Rate Swap in connection with any Series of Bonds issued hereunder if so provided in the Supplemental Indenture. The obligation of the Issuer to pay Swap Payments may be secured with (a) a lien on the Revenues on a parity with the lien thereon of Debt Service on the related Bonds (as more fully described in Section 5.2 herein) and may be net of Swap Receipts or (b) a subordinate lien on the Revenues and may be net of Swap Receipts. Such obligations may also be secured by other legally available moneys of the Issuer, all as established in the Supplemental Indenture for the related Series of Bonds. Termination Payments may only be payable from and secured by Revenues after payment of all amounts then due pursuant to the Indenture.

Section 2.5 Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate a new Bond of like date, Series, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, or an affidavit of an officer of the Bondholder attesting to such loss, theft or destruction, together in all cases with indemnity satisfactory

to the Trustee and the Issuer. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the Trustee may pay the same without surrender thereof upon compliance with the foregoing. The Trustee may charge the Registered Owner of such Bond with its reasonable fees and expenses in connection therewith. Any Bond issued pursuant to this Section 2.5 shall be deemed part of the Series of Bonds in respect of which it was issued and an original additional contractual obligation of the Issuer.

Section 2.6 Registration of Bonds; Persons Treated as Owners. The Issuer shall cause the books for the registration and for the transfer of the Bonds to be kept by the Trustee which is hereby constituted and appointed the Registrar of the Issuer with respect to the Bonds, provided, however, that the Issuer may by Supplemental Indenture select a party other than the Trustee to act as Registrar with respect to the Series of Bonds issued under said Supplemental Indenture. Upon the occurrence of an Event of Default which would require any Security Instrument Issuer to make payment under a Security Instrument Agreement, the Registrar shall make such registration books available to the Security Instrument Issuer. Any Bond may, in accordance with its terms, be transferred only upon the registration books kept by the Registrar, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Registrar, duly executed. No transfer shall be effective until entered on the registration books kept by the Registrar. Upon surrender for transfer of any Bond at the Corporate Trust Office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by, the Registered Owner or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees, a new Bond or Bonds of the same Series and the same maturity for a like aggregate principal amount as the Bond surrendered for transfer. Bonds may be exchanged at the Corporate Trust Office of the Trustee for a like aggregate principal amount of Bonds of the same Series and the same maturity. The execution by the Issuer of any Bond of any authorized denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such Bond. Except as otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Issuer and the Trustee shall not be required to transfer or exchange any Bond (i) during the period from and including any Regular Record Date, to and including the next succeeding Interest Payment Date, (ii) during the period from and including the day fifteen days prior to any Special Record Date, to and including the date of the proposed payment pertaining thereto, (iii) during the period from and including the day fifteen days prior to the mailing of notice calling any Bonds for redemption, to and including the date of such mailing, or (iv) at any time following the mailing of notice calling such Bond for redemption.

The Issuer, the Registrar and the Paying Agent may treat and consider the person in whose name each Bond is registered on the registration books kept by the Registrar as the holder and absolute owner thereof for the purpose of receiving payment of, or on account of, the principal or redemption price thereof and interest due thereon and for all other purposes whatsoever, and neither the Issuer, nor the Registrar nor the Paying Agent shall be affected by any notice to the contrary. Payment of or on account of either principal of or interest on any Bond shall be made only to or upon order of the Registered Owner

thereof or such person's legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Trustee shall require the payment by the Bondholder requesting exchange or transfer of Bonds of any tax or other governmental charge and by the Issuer of any service charge of the Trustee as Registrar which are required to be paid with respect to such exchange or transfer and such charges shall be paid before such new Bond shall be delivered.

Section 2.7 Redemption Provisions. The Term Bonds of each Series of Bonds shall be subject, to the extent provided in the Supplemental Indenture authorizing each such Series of Bonds, to redemption prior to maturity by operation of Sinking Fund Installments required to be made to the Sinking Fund Account. The Bonds of each Series shall further be subject to redemption prior to maturity at such times and upon such terms as shall be fixed by such Supplemental Indenture. Except as otherwise provided in a Supplemental Indenture, if fewer than all Bonds of a Series are to be redeemed, the particular maturities of such Bonds to be redeemed and the Principal amounts of such maturities to be redeemed shall be selected by the Issuer. If fewer than all of the Bonds of any one maturity of a Series shall be called for redemption, the particular units of Bonds, as determined in accordance with Section 2.9 hereof, to be redeemed shall be selected by the Trustee randomly in such manner as the Trustee, in its discretion, may deem fair and appropriate.

Section 2.8 Notice of Redemption.

(a) In the event any of the Bonds are to be redeemed, the Registrar shall cause notice to be given as provided in this Section 2.8. Unless otherwise specified in the Supplemental Indenture authorizing the issuance of the applicable Series of Bonds, notice of such redemption (i) shall be filed with the Paying Agent designated for the Bonds being redeemed; and (ii) shall be mailed by first class mail, postage prepaid, to all Registered Owners of Bonds to be redeemed at their addresses as they appear on the registration books of the Registrar at least thirty (30) days but not more than sixty (60) days prior to the date fixed for redemption. Such notice shall state the following information:

(i) the complete official name of the Bonds, including Series, to be redeemed, the identification numbers of Bonds and the CUSIP numbers, if any, of the Bonds being redeemed, provided that any such notice shall state that no representation is made as to the correctness of CUSIP numbers either as printed on such Bonds or as contained in the notice of redemption and that reliance may be placed only on the identification numbers contained in the notice or printed on such Bonds;

(ii) any other descriptive information needed to identify accurately the Bonds being redeemed, including, but not limited to, the original issue date of, and interest rate on, such Bonds;

(iii) in the case of partial redemption of any Bonds, the respective principal amounts thereof to be redeemed;

(iv) the date of mailing of redemption notices and the redemption date;

(v) the redemption price;

(vi) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and

(vii) the place where such Bonds are to be surrendered for payment, designating the name and address of the redemption agent with the name of a contact person and telephone number.

(b) In addition to the foregoing, further notice of any redemption of Bonds hereunder shall be given by the Trustee, simultaneous with the mailed notice to Registered Owners, to the Municipal Securities Rulemaking Board and all registered securities depositories (as reasonably determined by the Trustee) then in the business of holding substantial amounts of obligations of types comprising the Bonds. Such further notice shall contain the information required in clause (a) above. Failure to give all or any portion of such further notice shall not in any manner defeat the effectiveness of a call for redemption.

(c) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(d) If at the time of mailing of any notice of optional redemption there shall not be on deposit with the Trustee moneys sufficient to redeem all the Bonds called for redemption, such notice shall state that such redemption shall be conditioned upon receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of and interest on such Bonds to be redeemed and that if such moneys shall not have been so received said notice shall be of no force and effect and the Issuer shall not be required to redeem such Bonds. In the event that such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, one time, in the same manner in which the notice of redemption was given, that such moneys were not so received.

(e) A second notice of redemption shall be given, not later than ninety (90) days subsequent to the redemption date, to Registered Owners of Bonds or portions thereof redeemed but who failed to deliver Bonds for redemption prior to the 60th day following such redemption date.

(f) Any notice mailed shall be conclusively presumed to have been duly given, whether or not the owner of such Bonds receives the notice. Receipt of such notice shall not be a condition precedent to such redemption, and failure so to receive any such notice by any of such Registered Owners shall not affect the validity of the proceedings for the redemption of the Bonds.

(g) In case any Bond is to be redeemed in part only, the notice of redemption which relates to such Bond shall state also that on or after the redemption date, upon surrender of such Bond, a new Bond in principal amount equal to the unredeemed portion of such Bond will be issued.

Section 2.9 Partially Redeemed Fully Registered Bonds. Unless otherwise specified in the related Supplemental Indenture, in case any registered Bond shall be redeemed in part only, upon the presentation of such Bond for such partial redemption, the Issuer shall execute and the Trustee shall authenticate and shall deliver or cause to be delivered to or upon the written order of the Registered Owner thereof, at the expense of the Issuer, a Bond or Bonds of the same Series, interest rate and maturity, in aggregate principal amount equal to the unredeemed portion of such registered Bond. Unless otherwise provided by Supplemental Indenture, a portion of any Bond of a denomination of more than the minimum denomination of such Series specified herein or in the related Supplemental Indenture to be redeemed will be in the principal amount of such minimum denomination or an integral multiple thereof and in selecting portions of such Bonds for redemption, the Trustee will treat each such Bond as representing that number of Bonds of such minimum denomination which is obtained by dividing the principal amount of such Bonds by such minimum denomination.

Section 2.10 Cancellation. All Bonds which have been surrendered for payment, redemption or exchange, and Bonds purchased from any moneys held by the Trustee hereunder or surrendered to the Trustee by the Issuer, shall be canceled and cremated or otherwise destroyed by the Trustee and shall not be reissued; provided, however, that one or more new Bonds shall be issued for the unredeemed portion of any Bond without charge to the Registered Owner thereof.

Section 2.11 Nonpresentation of Bonds. Unless otherwise provided by Supplemental Indenture, in the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if funds sufficient to pay such Bond shall have been made available to the Trustee, all liability of the Issuer to the Registered Owner thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability to the Registered Owner of such Bond for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his part hereunder or on, or with respect to, said Bond. If any Bond shall not be presented for payment within five years following the date when such Bond becomes due, whether by maturity or otherwise, the Trustee shall, to the extent permitted by law, repay to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation,

thereafter be an unsecured obligation of the Issuer, and the Registered Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money. The provisions of this Section 2.11 are subject to the provisions of Title 67, Chapter 4a, Utah Code Annotated 1953, as amended.

Section 2.12 Initial Bonds. Subject to the provisions hereof, the Initial Bonds may be authenticated and delivered by the Trustee upon satisfaction of the conditions specified in Section 2.4(c) hereof and any additional conditions specified in the Supplemental Indenture authorizing such Series of Bonds.

Section 2.13 Issuance of Senior Bonds; Additional Bonds.

(a) Except as described in this Section 2.13, no additional indebtedness, bonds or notes of the Issuer secured by a pledge of the Sales and Municipal Energy Sales Tax Revenues or any portion thereof senior to the pledge of Sales and Municipal Energy Sales Tax Revenues for the payment of the Bonds and the Security Instrument Repayment Obligations herein authorized shall be created or incurred without the prior written consent of the Owners of 100% of the Outstanding Bonds and the Security Instrument Issuers. Notwithstanding the foregoing, the Issuer may issue Senior Sales and Municipal Energy Sales Tax Bonds so long as the following requirements have been met:

(i) No Event of Default shall have occurred and be continuing hereunder on the date of authentication of any Senior Sales and Municipal Energy Sales Tax Bonds. This Section 2.13(c)(i) shall not preclude the issuance of Senior Sales and Municipal Energy Sales Tax Bonds if (A) the issuance of such Senior Sales and Municipal Energy Sales Tax Bonds otherwise complies with the provisions hereof and (B) such Event of Default will cease to continue upon the issuance of Senior Sales and Municipal Energy Sales Tax Bonds and the application of the proceeds thereof; and

(ii) A certificate shall be delivered to the Trustee by an Authorized Representative to the effect that the Sales and Municipal Energy Sales Tax Revenues for any Year, together with any other revenues legally available and pledged to such Senior Sales and Municipal Energy Sales Tax Revenue Bonds, for any consecutive 12-month period in the 24 months immediately preceding the proposed date of issuance of such Senior Sales and Municipal Energy Sales Tax Bonds were at least equal to 150% of the sum of the Aggregate Annual Debt Service Requirement on all Bonds plus the aggregate annual debt service requirement on all Senior Sales and Municipal Energy Sales Tax Bonds outstanding for said Year; provided, however, that such revenue coverage test set forth in this Subsection (a)(ii) above shall not apply to the issuance of any Senior Sales and Municipal Energy Sales Tax Bonds to the extent (A) they are issued for the purpose of refunding Senior Sales and Municipal Energy Sales Tax Bonds, (B) the

average aggregate annual debt service for such Senior Sales and Municipal Energy Sales Tax Bonds does not exceed the then remaining average aggregate annual debt service for the Senior Sales and Municipal Energy Sales Tax Bonds being refunded therewith and (C) the maximum aggregate annual debt service requirement for such Senior Sales and Municipal Energy Sales Tax Bonds is less than or equal to the maximum aggregate annual debt service requirement for the Senior Sales and Municipal Energy Sales Tax Bonds being refunded therewith; and

(iii) The documents authorizing such Senior Sales and Municipal Energy Sales Tax Bonds shall require that any payments of debt service relating to such Senior Sales and Municipal Energy Sales Tax Bonds shall be deemed to have been funded from Sales Tax Revenues prior to funding from Municipal Energy Sales Tax Revenues; and

(iv) All payments required by this Indenture to be made into the Bond Fund must have been made in full, and there must be on deposit in each account of the Debt Service Reserve Fund (taking into account any Reserve Instrument coverage) the full amount required to be accumulated therein at the time of issuance of the Senior Sales and Municipal Energy Sales Tax Bonds.

(b) No Additional Bonds or other indebtedness, bonds or notes of the Issuer payable on a parity with the Bonds and the Security Instrument Repayment Obligations herein authorized out of Revenues shall be created or incurred, unless the following requirements have been met:

(i) No Event of Default shall have occurred and be continuing hereunder on the date of authentication of any Additional Bonds. This Section 2.13(b)(i) shall not preclude the issuance of Additional Bonds if (A) the issuance of such Additional Bonds otherwise complies with the provisions hereof and (B) such Event of Default will cease to continue upon the issuance of Additional Bonds and the application of the proceeds thereof; and

(ii) A certificate shall be delivered to the Trustee by an Authorized Representative to the effect that the Sales and Municipal Energy Sales Tax Revenues for any Year for any consecutive 12-month period in the 24 months immediately preceding the proposed date of issuance of such Additional Bonds were at least equal to 150% of the sum of the Aggregate Annual Debt Service Requirement on all Bonds and Senior Sales and Municipal Energy Sales Tax Bonds outstanding for said Year; provided that in demonstrating such revenue coverage no more than half of such revenue coverage may be derived from Sales Tax Revenues. The revenue coverage test set forth in this Subsection (b)(ii) above shall not apply to the issuance of any Additional Bonds to the extent (A) they are issued for the purpose of refunding Bonds issued hereunder, (B) the Average Aggregate Annual Debt

Service for such Additional Bonds does not exceed the then remaining Average Aggregate Annual Debt Service for the Bonds being refunded therewith and (C) the maximum Aggregate Annual Debt Service Requirement for such Additional Bonds is less than or equal to the maximum Aggregate Annual Debt Service Requirement for the Bonds being refunded therewith; and

(iii) All payments required by this Indenture to be made into the Bond Fund must have been made in full, and there must be on deposit in each account of the Debt Service Reserve Fund (taking into account any Reserve Instrument coverage) the full amount required to be accumulated therein at the time of issuance of the Additional Bonds; and

(iv) The proceeds of the Additional Bonds must be used (A) to refund Bonds issued hereunder, or other obligations of the Issuer (including the funding of necessary reserves and the payment of costs of issuance) and/or (B) to finance or refinance a Project (including the funding of necessary reserves and the payment of costs of issuance).

Section 2.14 Form of Bonds. The Bonds of each Series and the Trustee's Authentication Certificate shall be in substantially the forms thereof set forth in the Supplemental Indenture authorizing the issuance of such Bonds, with such omissions, insertions and variations as may be necessary, desirable, authorized and permitted hereby.

Section 2.15 Covenant Against Creating or Permitting Liens. Except for the pledge of Revenues to secure payment of the Bonds and other Repayment Obligations hereunder, the Revenues are and shall be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto; provided, however, that nothing contained herein shall prevent the Issuer from issuing, if and to the extent permitted by law, indebtedness having a lien on Revenues subordinate to that of the Bonds and Repayment Obligations.

Section 2.16 Perfection of Security Interest. (a) The Indenture creates a valid and binding pledge and assignment of security interest in all of the Revenues pledged under the Indenture in favor of the Trustee as security for payment of the Bonds, enforceable by the Trustee in accordance with the terms thereof.

(b) Under the laws of the State, such pledge and assignment and security interest is automatically perfected by Section 11-14-501, Utah Code Annotated 1953, as amended, and is and shall have priority as against all parties having claims of any kind in tort, contract, or otherwise hereafter imposed on the Revenues.

ARTICLE IV

APPLICATION OF BOND PROCEEDS

Upon the issuance of each Series of Bonds, the proceeds thereof shall be deposited as provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

ARTICLE V

USE OF FUNDS

Section 5.1 Use of Acquisition/Construction Fund.

(a) So long as an Event of Default shall not have occurred and be continuing and except as otherwise provided by Supplemental Indenture, moneys deposited in the appropriate account in the Acquisition/Construction Fund shall be disbursed by the Trustee to pay the Costs of a Project, in each case within three Business Days (or within such longer period as is reasonably required to liquidate investments in the Acquisition/Construction Fund if required to make such payment) after the receipt by the Trustee of a written requisition approved by an Authorized Representative of the Issuer in substantially the form as Exhibit A attached hereto, stating that the Trustee shall disburse sums in the manner specified by and at the direction of the Issuer to the person or entity designated in such written requisition, and that the amount set forth therein is justly due and owing and constitutes a Cost of a Project based upon audited, itemized claims substantiated in support thereof.

(b) Upon receipt of such requisition, the Trustee shall pay the obligation set forth in such requisition out of moneys in the applicable account in the Acquisition/Construction Fund. In making such payments the Trustee may rely upon the information submitted in such requisition. Such payments shall be presumed to be made properly and the Trustee shall not be required to verify the application of any payments from the Acquisition/Construction Fund or to inquire into the purposes for which disbursements are being made from the Acquisition/Construction Fund.

(c) The Issuer shall deliver to the Trustee, within 90 days after the completion of a Project, a certificate executed by an Authorized Representative of the Issuer stating:

(i) that such Project has been fully completed in accordance with the plans and specifications therefor, as amended from time to time, and stating the date of completion for such Project; and

(ii) that the Project has been fully paid for and no claim or claims exist against the Issuer or against such Project out of which a lien based on

furnishing labor or material exists or might ripen; provided, however, there may be excepted from the foregoing certification any claim or claims out of which a lien exists or might ripen in the event the Issuer intends to contest such claim or claims, in which event such claim or claims shall be described to the Trustee.

(d) In the event the certificate filed with the Trustee pursuant to Section 5.1(c) herein shall state that there is a claim or claims in controversy which create or might ripen into a lien, an Authorized Representative of the Issuer shall file a similar certificate with the Trustee when and as such claim or claims shall have been fully paid or otherwise discharged.

(e) The Trustee and the Issuer shall keep and maintain adequate records pertaining to each account within the Acquisition/Construction Fund and all disbursements therefrom.

(f) Unless otherwise specified in a Supplemental Indenture, upon completion of a Project and payment of all costs and expenses incident thereto and the filing with the Trustee of documents required by this Section 5.1, any balance remaining in the applicable account in the Acquisition/Construction Fund relating to such Project shall, as directed by an Authorized Representative of the Issuer, be deposited in the Bond Fund, to be applied, (i) toward the redemption of the Series of Bonds issued to finance such Project or (ii) to pay principal and/or interest next falling due with respect to such Series of Bonds.

Section 5.2 Application of Revenues.

(a) Unless otherwise provided herein, all Revenues shall be deposited in the Revenue Fund and shall be accounted for by the Issuer separate and apart from all other moneys of the Issuer.

(b) So long as any Bonds are Outstanding, as a first charge and lien on the Revenues, the Issuer shall, at least semi-annually and at least fifteen (15) days before each Interest Payment Date, transfer from the Revenue Fund to the Trustee for deposit into the Bond Fund an amount equal to:

(i) the interest falling due on the Bonds on the next succeeding Interest Payment Date established for the Bonds (provided, however, that so long as there are moneys representing capitalized interest on deposit with the Trustee to pay interest on the Bonds next coming due, the Issuer need not allocate to the Revenue Fund to pay interest on the Bonds); plus

(ii) one-half of the Principal and premium, if any, falling due in the current fiscal year, and in any event, an amount sufficient to pay the Principal and premium on the next succeeding Principal payment date established for the Bonds; plus

(iii) one-half of the Sinking Fund Installments, if any, falling due in the current fiscal year, and in any event, an amount sufficient to pay the Sinking Fund Installments on the next succeeding Sinking Fund Installment payment date (for deposit to the Sinking Fund Account within the Bond Fund);

the sum of which shall be sufficient, when added to the existing balance in the Bond Fund, to pay the principal of, premium, if any, and interest on the Bonds promptly on each such date as the same become due and payable. The foregoing provisions may be revised by a Supplemental Indenture for any Series of Bonds having other than semiannual Interest Payment Dates.

(c) As a second charge and lien on the Revenues (on a parity basis), the Issuer shall make the following transfers to the Trustee on or before the fifteenth day prior to each Interest Payment Date:

(i) To the extent the Debt Service Reserve Requirement, if any, is not funded with a Reserve Instrument or Instruments, (A) to the accounts in the Debt Service Reserve Fund any amounts required hereby, and by any Supplemental Indenture to accumulate therein the applicable Debt Service Reserve Requirement with respect to each Series of Bonds at the times and in the amounts provided herein, and in any Supplemental Indenture and (B) if funds shall have been withdrawn from an account in the Debt Service Reserve Fund, or any account in the Debt Service Reserve Fund is at any time funded in an amount less than the applicable Debt Service Reserve Requirement, the Issuer shall deposit Revenues in such account(s) in the Debt Service Reserve Fund sufficient in amount to restore such account(s) within one year with twelve (12) substantially equal payments during such period (unless otherwise provided for by the Supplemental Indenture governing the applicable Debt Service Reserve Requirement); or a ratable portion (based on the amount to be transferred pursuant to Section 5.2(d)(ii) hereof) of remaining Revenues if less than the amount necessary; and

(ii) Equally and ratably to the accounts of the Reserve Instrument Fund, with respect to all Reserve Instruments which are in effect and are expected to continue in effect after the end of an interest payment period, such amount of the remaining Revenues, or a ratable portion (based on the amount to be transferred pursuant to Section 5.2(d)(i) hereof) of the amount so remaining if less than the amount necessary, that is required to be paid, on or before the next such interest payment period transfer or deposit of Revenues into the Reserve Instrument Fund, to the Reserve Instrument Provider pursuant to any Reserve Instrument Agreement, other than Reserve Instrument Costs, in order to cause the Reserve Instrument Coverage to equal the Reserve Instrument Limit within one year from any draw date under the Reserve Instrument.

(d) As a third charge and lien on the Revenues, the Issuer shall deposit in the Repair and Replacement Fund any amount required hereby and by any Supplemental Indenture to accumulate therein the Repair and Replacement Reserve Requirement. In the event that the amount on deposit in the Repair and Replacement Fund shall ever be less than the Repair and Replacement Reserve Requirement for the Bonds then Outstanding (or, after the issuance of Additional Bonds, the amount required to be on deposit therein), from time to time, the Issuer shall deposit to the Repair and Replacement Fund from the Revenue Fund all remaining Revenues of the City Network after payments required by Sections, 5.2(b) and 5.2(c) herein have been made until there is on deposit in the Repair and Replacement Fund an amount equal to the Repair and Replacement Reserve Requirement. Subject to the provisions of Section 5.2(e) herein, this provision is not intended to limit, and shall not limit, the right of the Issuer to deposit additional moneys in the Repair and Replacement Fund from time to time as the Issuer may determine.

(e) Subject to making the foregoing deposits, the Issuer may use the balance of the Revenues accounted for in the Revenue Fund for any of the following:

- (i) redemption of Bonds;
 - (ii) refinancing, refunding, or advance refunding of any Bonds;
- or
- (iii) for any other lawful purpose.

(f) For purposes of determining the nature of the Revenue applied pursuant to this Section 5.2, the Revenue applied shall be deemed to be funded from Net Network Revenues and Direct Payments prior to funding from Municipal Energy Sales Tax Revenues and Sales Tax Revenues.

Section 5.3 Use of Bond Fund. The Issuer may direct the Trustee, pursuant to a Supplemental Indenture, to create an account within the Bond Fund for a separate Series of Bonds under the Indenture.

(a) The Trustee shall make deposits to the Bond Fund, as and when received, as follows:

- (i) accrued interest received upon the issuance of any Series of Bonds;
- (ii) all moneys payable by the Issuer as specified in Section 5.2(c) hereof;
- (iii) any amount in the Acquisition/Construction Fund to the extent required by or directed pursuant to Section 5.1(f) hereof upon completion of a Project;

(iv) all moneys transferred from the Debt Service Reserve Fund or from a Reserve Instrument or Instruments then in effect as provided in Section 5.5 hereof; and

(v) all other moneys received by the Trustee hereunder when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Bond Fund.

(b) Except as provided in Section 7.4 hereof and as provided in this Section 5.3 and except as otherwise provided by Supplemental Indenture, moneys in the Bond Fund shall be expended solely for the following purposes and in the following order of priority:

(i) on or before each Interest Payment Date for each Series of Bonds, the amount required to pay the interest due on such date;

(ii) on or before each Principal Installment due date, the amount required to pay the Principal Installment due on such due date; and

(iii) on or before each redemption date for each Series of Bonds, the amount required to pay the redemption price of and accrued interest on such Bonds then to be redeemed.

Such amounts shall be applied by the Paying Agent to pay Principal Installments and redemption price of, and interest on the related Series of Bonds.

The Trustee shall pay out of the Bond Fund to the Security Instrument Issuer, if any, that has issued a Security Instrument with respect to such Series of Bonds an amount equal to any Security Instrument Repayment Obligation then due and payable to such Security Instrument Issuer. Except as otherwise specified in a related Supplemental Indenture all such Security Instrument Repayment Obligations shall be paid on a parity with the payments to be made with respect to principal and interest on the Bonds; provided that amounts paid under a Security Instrument shall be applied only to pay the related Series of Bonds. If payment is so made on Pledged Bonds held for the benefit of the Security Instrument Issuer, a corresponding payment on the Security Instrument Repayment Obligation shall be deemed to have been made (without requiring an additional payment by the Issuer) and the Trustee shall keep its records accordingly.

The Issuer hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund to pay principal of and interest on the Bonds and on Security Instrument Repayment Obligations as the same become due and payable and to make said funds so withdrawn available to the Trustee and any Paying Agent for the purpose of paying said Principal and interest.

(c) After payment in full of the Principal of and interest on (1) all Bonds issued hereunder (or after provision has been made for the payment thereof as provided herein so that such Bonds are no longer Outstanding); (2) all agreements relating to all outstanding Security Instrument Repayment Obligations and Reserve

Instrument Repayment Obligations in accordance with their respective terms; and (3) the fees, charges and expenses of the Trustee, the Paying Agent and any other amounts required to be paid hereunder or under any Supplemental Indenture and under any Security Instrument Agreement and under any Reserve Instrument Agreement; all amounts remaining in the Bond Fund shall be paid to the Issuer.

Section 5.4 Use of Sinking Fund Account.

(a) The Trustee shall apply moneys in the Sinking Fund Account to the retirement of any Term Bonds required to be retired by operation of the Sinking Fund Account under the provisions of and in accordance with the Supplemental Indenture authorizing the issuance of such Term Bonds, either by redemption in accordance with such Supplemental Indenture or, at the direction of the Issuer, purchase of such Term Bonds in the open market prior to the date on which notice of the redemption of such Term Bonds is given pursuant hereto, at a price not to exceed the redemption price of such Term Bonds (plus accrued interest which will be paid from moneys in the Bond Fund other than those in the Sinking Fund Account).

(b) On the maturity date of any Term Bonds, the Trustee shall apply the moneys on hand in the Sinking Fund Account for the payment of the principal of such Term Bonds.

Section 5.5 Use of Debt Service Reserve Fund. Except as otherwise provided in this Section 5.5 and subject to the immediately following sentence, moneys in each account in the Debt Service Reserve Fund shall at all times be maintained in an amount not less than the applicable Debt Service Reserve Requirement, if any. In calculating the amount on deposit in each account in the Debt Service Reserve Fund, the amount of any Reserve Instrument Coverage will be treated as an amount on deposit in such account in the Debt Service Reserve Fund. Each Supplemental Indenture authorizing the issuance of a Series of Bonds shall specify the Debt Service Reserve Requirement, if any, applicable to such Series which amount shall either be (i) deposited immediately upon the issuance and delivery of such Series from (a) proceeds from the sale thereof or from any other legally available source, or (b) by a Reserve Instrument or Instruments, or (c) any combination thereof, (ii) deposited from available Revenues over the period of time specified therein, or (iii) deposited from any combination of (i) and (ii) above; provided however, the foregoing provisions shall be subject to the requirements of any Security Instrument Issuer set forth in any Supplemental Indenture. If at any time the amount on deposit in any account of the Debt Service Reserve Fund is less than the minimum amount to be maintained therein under this Section 5.5, the Issuer is required, pursuant to Section 5.2(b) hereof and the provisions of any Supplemental Indenture, to make payments totaling the amount of any such deficiency directly to the Trustee for deposit into the Debt Service Reserve Fund.

In the event funds on deposit in an account of the Debt Service Reserve Fund are needed to make up any deficiencies in the Bond Fund as aforementioned, and there is insufficient cash available in such account of the Debt Service Reserve Fund to make up

such deficiency and Reserve Instruments applicable to such Series are in effect, the Trustee shall immediately make a demand for payment on such Reserve Instruments, to the maximum extent authorized by such Reserve Instruments, in the amount necessary to make up such deficiency, and immediately deposit such payment upon receipt thereof into the Bond Fund. Thereafter, the Issuer shall be obligated to reinstate the Reserve Instrument as provided in Section 5.2(c)(ii) herein.

No Reserve Instrument shall be allowed to expire or terminate while the related Series of Bonds are Outstanding unless and until cash has been deposited into the related account of the Debt Service Reserve Fund, or a new Reserve Instrument has been issued in place of the expiring or terminating Reserve Instrument, or any combination thereof in an amount or to provide coverage, as the case may be, at least equal to the amount required to be maintained in the related account of the Debt Service Reserve Fund.

Moneys at any time on deposit in the account of the Debt Service Reserve Fund in excess of the amount required to be maintained therein (taking into account the amount of related Reserve Instrument Coverage) shall be transferred by the Trustee to the Bond Fund at least once each year.

Moneys on deposit in any account of the Debt Service Reserve Fund shall be used to make up any deficiencies in the Bond Fund only for the Series of Bonds secured by said account and any Reserve Instrument shall only be drawn upon with respect to the Series of Bonds for which such Reserve Instrument was obtained.

The Issuer may, upon obtaining approving opinion of bond counsel to the effect that such transaction will not adversely affect the tax-exempt status of any outstanding Bonds, replace any amounts required to be on deposit in the Debt Service Reserve Fund with a Reserve Instrument.

Section 5.6 Use of Reserve Instrument Fund. There shall be paid into the Reserve Instrument Fund the amounts required hereby and by a Supplemental Indenture to be so paid. The amounts in the Reserve Instrument Fund shall, from time to time, be applied by the Trustee on behalf of the Issuer to pay the Reserve Instrument Repayment Obligations which are due and payable to any Reserve Instrument Provider under any applicable Reserve Instrument Agreement.

Section 5.7 Use of Repair and Replacement Fund. All moneys in the Repair and Replacement Fund may be drawn on and used by the Issuer for the purpose of (a) paying the cost of unusual or extraordinary maintenance or repairs of the City Network; (b) paying the costs of any renewals, renovation, improvements, expansion or replacements to the City Network; and (c) paying the cost of any replacement of buildings, lines, equipment and other related facilities, to the extent the same are not paid as part of the ordinary and normal expense of the operation of the City Network.

Funds shall be deposited at least semi-annually from available Revenues in such amounts as may be required from time to time by each Supplemental Indenture until the Repair and Replacement Fund has an amount equivalent to the Repair and Replacement

Requirement. Any deficiencies below the Repair and Replacement Requirement shall be made up from Revenues of the City Network available for such purposes. Funds at any time on deposit in the Repair and Replacement Fund in excess of the amount required to be maintained therein may, at any time, be used by the Issuer for any lawful purpose.

Section 5.8 Use of Rebate Fund.

(a) If it becomes necessary for the Issuer to comply with the rebate requirements of the Code and the Regulations, the Trustee shall establish and thereafter maintain, so long as the Bonds which are subject to said rebate requirements are Outstanding, a Rebate Fund, which shall be held separate and apart from all other funds and accounts established under this Indenture and from all other moneys of the Trustee.

(b) All amounts in the Rebate Fund, including income earned from investment of the fund, shall be held by the Trustee free and clear of the lien of the Indenture. In the event the amount on deposit in the Rebate Fund exceeds the aggregate amount of Rebateable Arbitrage for one or more Series of Bonds, as verified in writing by an independent public accountant or other qualified professional at the time the Rebateable Arbitrage is determined, the excess amount remaining after payment of the Rebateable Arbitrage to the United States shall, upon the Issuer's written request accompanied by the determination report, be paid by the Trustee to the Issuer.

(c) The Issuer shall determine the amount of Rebateable Arbitrage and the corresponding Required Rebate Deposit with respect to each Series of Bonds on each applicable Rebate Calculation Date and take all other actions necessary to comply with the rebate requirements of the Code and the Regulations. The Issuer shall deposit into the Rebate Fund the Required Rebate Deposit, if any, with respect to each Series of Bonds (or instruct the Trustee to transfer to the Rebate Fund moneys representing such Required Rebate Deposit from the Funds and Accounts held under the Indenture other than the Rebate Fund) or shall otherwise make payment of the rebate to be paid to the United States at the times required by the Code and the Regulations. If applicable, the Issuer shall instruct in writing the Trustee to withdraw from the Rebate Fund and pay any rebate over to the United States. The determination of Rebateable Arbitrage made with respect to each such payment date and with respect to any withdrawal and payment to the Issuer from the Rebate Fund pursuant to the Indenture must be verified in writing by an independent public accountant or other qualified professional. The Trustee may rely conclusively upon and shall be fully protected from all liability in relying upon the Issuer's determinations, calculations and certifications required by this Section 5.8 and the Trustee shall have no responsibility to independently make any calculations or determination or to review the Issuer's determinations, calculations and certifications required by this Section 5.8.

(d) The Trustee shall, at least 60 days prior to each Rebate Calculation Date, notify the Issuer of the requirements of this Section 5.8. By agreeing to give

this notice, the Trustee assumes no responsibility whatsoever for compliance by the Issuer with the requirements of Section 148 of the Code or any successor. The Issuer expressly agrees that (notwithstanding any other provision of the Indenture) any failure of the Trustee to give any such notice, for any reason whatsoever, shall not cause the Trustee to be responsible for any failure of the Issuer to comply with the requirements of said Section 148 or any successor thereof.

(e) The provisions of this Section 5.8 may be amended or deleted without Bondowner consent or notice, upon receipt by the Issuer and the Trustee of an opinion of nationally recognized bond counsel that such amendment or deletion will not adversely affect the excludability from gross income of interest on the Bonds or the status of the Bonds as entitled to Direct Payments, if applicable.

Section 5.9 Investment of Funds. Any moneys in the Bond Fund, the Acquisition/Construction Fund, the Reserve Instrument Fund, the Rebate Fund or the Debt Service Reserve Fund shall, at the discretion and written authorization of the Issuer's Authorized Representative, be invested by the Trustee in Qualified Investments; provided, however, that moneys on deposit in the Bond Fund and the Reserve Instrument Fund may only be invested in Qualified Investments having a maturity date one year or less. If no written authorization is given to the Trustee, moneys shall be held uninvested. Such investments shall be held by the Trustee, and when the Trustee determines it necessary to use the moneys in the Funds for the purposes for which the Funds were created, it shall liquidate at prevailing market prices as much of the investments as may be necessary and apply the proceeds to such purposes. All income derived from the investment of the Acquisition/Construction Fund, Bond Fund, the Reserve Instrument Fund and Rebate Fund shall be maintained in said respective Funds and disbursed along with the other moneys on deposit therein as herein provided. All income derived from the investment of the Debt Service Reserve Fund shall be disbursed in accordance with Section 5.5 hereof. All moneys in the Revenue Fund may, at the discretion of the Issuer, be invested by the Issuer in Qualified Investments.

The Trustee shall have no liability or responsibility for any loss resulting from any investment made in accordance with the provisions of this Section 5.9. The Trustee shall be entitled to assume that any investment, which at the time of purchase is a Qualified Investment, remains a Qualified Investment thereafter, absent receipt of written notice or information to the contrary.

The Trustee may, to the extent permitted by the State Money Management Act of 1974, Title 51, Chapter 7, Utah Code, make any and all investments permitted by the provisions of the Indenture through its own or any of its affiliate's investment departments.

The Issuer acknowledges that to the extent regulations of the Comptroller of the Currency or any other regulatory entity grant the Issuer the right to receive brokerage confirmations of the security transactions as they occur, the Issuer specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Issuer periodic cash transaction statements which include the detail for all investment transactions made by the Trustee hereunder.

The Issuer may invest the amounts on deposit in the Repair and Replacement Fund as permitted by applicable law.

In the event the Issuer shall be advised by nationally recognized municipal bond counsel that it is necessary to restrict or limit the yield on the investment of any moneys paid to or held by the Trustee in order to avoid the Bonds, or any Series thereof, being considered “arbitrage bonds” within the meaning of the Code or the Treasury Regulations proposed or promulgated thereunder, or to otherwise preserve the excludability of interest payable or paid on any Bonds from gross income for federal income tax purposes, the Issuer may require in writing the Trustee to take such steps as it may be advised by such counsel are necessary so to restrict or limit the yield on such investment and the Trustee agrees that it will take all such steps as the Issuer may require.

Section 5.10 Trust Funds. All moneys and securities received by the Trustee under the provisions of this Indenture shall be trust funds under the terms hereof and shall not be subject to lien or attachment of any creditor of the State or any political subdivision, body, agency, or instrumentality thereof or of the Issuer and shall not be subject to appropriation by any legislative body or otherwise. Such moneys and securities shall be held in trust and applied in accordance with the provisions hereof. Except as provided otherwise in Section 5.8 hereof, unless and until disbursed pursuant to the terms hereof, all such moneys and securities (and the income therefrom) shall be held by the Trustee as security for payment of the principal of, premium, if any, and interest on the Bonds and the fees and expenses of the Trustee payable hereunder.

Section 5.11 Method of Valuation and Frequency of Valuation. In computing the amount in any fund or account, Qualified Investments shall be valued at market, exclusive of accrued interest. With respect to all funds and accounts, valuation shall occur annually, except in the event of a withdrawal from the Debt Service Reserve Fund, whereupon securities shall be valued immediately after such withdrawal.

ARTICLE VI

GENERAL COVENANTS

Section 6.1 General Covenants. The Issuer hereby covenants and agrees with each and every Registered Owner of the Bonds issued hereunder, Security Instrument Issuer and Reserve Instrument Provider as follows:

- (a) Pursuant to Section 11-14-307(2)(d) of the Act, while any of the Bonds remain outstanding and unpaid, or any Repayment Obligations are outstanding, the ordinance, resolution or other enactment of the Issuer imposing the taxes described in the definition of Revenues and pursuant to which said taxes are being collected, the obligation of the Issuer to continue to levy, collect, and allocate such taxes, and to apply such Revenues in accordance with the provisions of the authorizing ordinance, resolution or other enactment, shall be irrevocable until the Bonds and/or any Repayment Obligations have been paid in full as to both principal and interest, and is not subject to amendment in any manner which would impair

the rights of the holders of those Bonds or Repayment Obligations which would in any way jeopardize the timely payment of principal or interest when due. The Issuer covenants to take all actions necessary to continue the Sales and Use Tax included in the Revenues.

(b) The rates, for all services supplied by the City Network to all rate payers, shall be sufficient to pay the Operation and Maintenance Expenses for the City Network, and to provide Net Network Revenues for each Bond Fund Year which shall equal not less than 100% of the Aggregate Annual Debt Service Requirement for such year, plus an amount sufficient to fund the Debt Service Reserve Fund for the Bonds in the time, rate and manner specified herein; provided, however, that such rates must be reasonable rates for the type, kind and character of the service rendered. There shall be no free service, and such rates shall be charged against all users of the City Network, except the Issuer. The Issuer agrees that should its annual financial statement disclose that during the period covered by such financial statement the Net Network Revenues were not at least equal to the above requirement, the Issuer shall request that the Finance Director (or their designee), independent accountant, or other independent financial consultant make recommendations as to the revision of the rates, charges and fees and that the Issuer on the basis of such recommendations will revise the schedule of rates, charges and fees and further revise Operation and Maintenance Expenses so as to produce the necessary Net Network Revenues as herein required.

(c) Each Registered Owner, Security Instrument Issuer and Reserve Instrument Provider, or any duly authorized agent or agents thereof shall have the right at all reasonable times to inspect all records, accounts and data relating to the receipt and disbursements of the Revenues. Except as otherwise provided herein, the Issuer further agrees that it will within one hundred eighty (180) days following the close of each Bond Fund Year cause an audit of such books and accounts to be made by an independent firm of certified public accountants, showing the receipts and disbursements of the Revenues, and that such audit will be available for inspection by each Registered Owner, Security Instrument Issuer and Reserve Instrument Provider

(d) While any of the principal of and interest on the Bonds are outstanding and unpaid, or any Repayment Obligations are outstanding, any resolution or other enactment of the Governing Body of the Issuer, applying the Revenues for the payment of the Bonds and the Repayment Obligations shall be irrevocable until the Bonds and/or any Repayment Obligations have been paid in full as to both principal and interest, and is not subject to amendment in any manner which would impair the rights of the holders of those Bonds or the Repayment Obligations which would in any way jeopardize the timely payment of principal or interest when due.

(e) The Issuer will maintain the City Network in good condition and operate the same in an efficient manner.

(f) Each Registered Owner, Security Instrument Issuer and Reserve Instrument Provider shall have a right, in addition to all other rights afforded it by the laws of the State, to apply to and obtain from any court of competent jurisdiction such decree or order as may be necessary to require the Issuer to charge or collect reasonable rates for services supplied by the City Network sufficient to meet all requirements hereof and of any applicable Reserve Instrument Agreement.

Section 6.2 Lien of Bonds; Equality of Liens. The Bonds and any Security Instrument Repayment Obligations constitute an irrevocable first lien upon the Revenues. The Issuer covenants that the Bonds and Security Instrument Repayment Obligations hereafter authorized to be issued and from time to time outstanding are equitably and ratably secured by a lien on the Revenues and shall not be entitled to any priority one over the other in the application of the Revenues regardless of the time or times of the issuance of the Bonds or delivery of Security Instruments, it being the intention of the Issuer that there shall be no priority among the Bonds or the Security Instrument Repayment Obligations regardless of the fact that they may be actually issued and/or delivered at different times.

Any assignment or pledge from the Issuer to a Reserve Instrument Provider of (i) proceeds of the issuance and sale of Bonds, (ii) Revenues, or (iii) Funds established hereby, including investments, if any, thereof, is and shall be subordinate to the assignment and pledge effected hereby to the Registered Owners of the Bonds and to the Security Instrument Issuers.

Section 6.3 Payment of Principal and Interest. The Issuer covenants that it will punctually pay or cause to be paid the Principal of and interest on every Bond issued hereunder, any Security Instrument Repayment Obligations and any Reserve Instrument Repayment Obligations, in strict conformity with the terms of the Bonds, this Indenture, any Security Instrument Agreement and any Reserve Instrument Agreement, according to the true intent and meaning hereof and thereof. The Principal of and interest on the Bonds, any Security Instrument Repayment Obligations and any Reserve Instrument Repayment Obligations are payable solely from the Revenues (except to the extent paid out of moneys attributable to Bond proceeds or other funds created hereunder or the income from the temporary investment thereof), which Revenues are hereby specifically pledged and assigned to the payment thereof in the manner and to the extent herein specified, and nothing in the Bonds, this Indenture, any Security Instrument Agreement or any Reserve Instrument Agreement should be considered as pledging any other funds or assets of the Issuer for the payment thereof.

Section 6.4 Performance of Covenants; Issuer. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained herein, and in any and every Bond, Security Instrument Agreement and Reserve Instrument Agreement. The Issuer represents that it is duly authorized under the Constitution of the State to issue the Bonds authorized hereby and to execute this Indenture, that all actions on its part for the issuance of the Bonds and the execution and delivery of this Indenture have been duly and effectively taken, and that the Bonds in the

hands of the Registered Owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof.

Section 6.5 List of Bondholders. The Trustee will keep on file at its Corporate Trust Office a list of the names and addresses of the Registered Owners of all Bonds which are from time to time registered on the registration books in the hands of the Trustee as Registrar for the Bonds. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Issuer or by the Registered Owners (or a designated representative thereof) of 10% or more in Principal amount of Bonds then Outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 6.6 Designation of Additional Paying Agents. The Issuer hereby covenants and agrees to cause the necessary arrangements to be made through the Trustee and to be thereafter continued for the designation of alternate paying agents, if any, and for the making available of funds hereunder, but only to the extent such funds are made available to the Issuer from Bond proceeds or other Funds created hereunder or the income from the temporary investment thereof, for the payment of such of the Bonds as shall be presented when due at the Corporate Trust Office of the Trustee, or its successor in trust hereunder, or at the principal corporate trust office of said alternate Paying Agents.

Section 6.7 Tax Exemption of Bonds and Direct Payments. The Issuer recognizes that Section 149(a) of the Code requires bonds to be issued and to remain in fully registered form in order that interest thereon is excluded from gross income for federal income tax purposes under laws in force at the time the bonds are delivered. Bonds issued pursuant to this Indenture, the interest on which is excludable from gross income for federal income tax purposes, are referred to in this Section 6.7 as “tax-exempt Bonds.” Pursuant to the provisions thereof, the Issuer agrees that it will not take any action to permit tax-exempt Bonds issued hereunder to be issued in, or converted into, bearer or coupon form, unless the Issuer first receives an opinion from nationally recognized bond counsel that such action will not result in the interest on any Bonds becoming includible in gross income for purposes of federal income taxes then in effect.

The Issuer’s Mayor and City Recorder are hereby authorized and directed to execute such certificates as shall be necessary to establish that tax-exempt Bonds or entitled to Direct Payments issued hereunder are not “arbitrage bonds” within the meaning of Section 148 of the Code and the regulations promulgated or proposed thereunder, including Treasury Regulation Sections 1.148-1 through 1.148-11, 1.149 and 1.150-1 through 1.150-2 as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The Issuer covenants and certifies to and for the benefit of the Registered Owners of such Bonds that no use will be made of the proceeds of the issue and sale of such Bonds, or any funds or accounts of the Issuer which may be deemed to be available proceeds of such Bonds, pursuant to Section 148 of the Code and applicable regulations (proposed or promulgated) which use, if it had been reasonably expected on the date of issuance of such Bonds, would have caused the Bonds to be classified as “arbitrage bonds” within the meaning of Section 148 of the Code. Pursuant to this covenant, the Issuer

obligates itself to comply throughout the term of such Bonds with the requirements of Section 148 of the Code and the regulations proposed or promulgated thereunder.

The Issuer further covenants and agrees to and for the benefit of the Registered Owners that the Issuer (i) will not take any action that would cause interest on tax-exempt Bonds issued hereunder to become includible in gross income for purposes of federal income taxation, (ii) will not take any action that would jeopardize the Direct Payments on Bonds issued under this Indenture, (iii) will not omit to take or cause to be taken, in timely manner, any action, which omission would cause the interest on the tax-exempt Bonds to become includible in gross income for purposes of federal income taxation, (iv) will not omit to take or cause to be taken, in timely manner, any action, which omission would jeopardize the Direct Payments on Bonds issued under this Indenture and (v) will, to the extent possible, comply with any other requirements of federal tax law applicable to the Bonds in order to preserve the excludability from gross income for purposes of federal income taxation of interest on tax-exempt Bonds and the Direct Payments on any Direct Payment Bonds issued under this Indenture.

Section 6.8 Expeditious Construction. The Issuer shall complete the acquisition and construction of each Project with all practical dispatch and will cause all construction to be effected in a sound and economical manner.

Section 6.9 Management of City Network. The Issuer, in order to assure the efficient management and operation of the City Network and to assure each Registered Owner, Security Instrument Issuer and Reserve Instrument Provider from time to time that the City Network will be operated on sound business principles, will employ competent and experienced management for the City Network, will use its best efforts to see that the City Network is at all times operated and maintained in first-class repair and condition and in such manner that the operating efficiency thereof shall be of the highest character.

Section 6.10 Use of Legally Available Moneys. Notwithstanding any other provisions hereof, nothing herein shall be construed to prevent the Issuer from (i) paying all or any part of the Operation and Maintenance Expenses from any funds available to the Issuer for such purpose, (ii) depositing any funds available to the Issuer for such purpose in any account in the Bond Fund for the payment of the interest on, premium, if any, or the principal of any Bonds issued under provisions hereof or for the redemption of any such Bonds, or (iii) depositing any funds available to the Issuer for such purpose in the Reserve Instrument Fund for the payment of any amounts payable under any applicable Reserve Instrument Agreement.

Section 6.11 Payment of Taxes and Other Charges. The Issuer covenants that all taxes and assessments or other municipal or governmental charges lawfully levied or assessed upon the City Network or upon any part thereof or upon any income therefrom will be paid when the same shall become due, that no lien or charge upon the City Network or any part thereof or upon any Revenues thereof, except for the lien and charge thereon created hereunder and securing the Bonds, will be created or permitted to be created ranking equally with or prior to the Bonds (except for the lien of the parity lien thereon of Additional Bonds issued from time to time hereunder and under Supplemental Indentures

hereto), and that all lawful claims and demands for labor, materials, supplies or other objects which, if unpaid, might by law become a lien upon the City Network or any part thereof or upon the Revenues thereof will be paid or discharged, or adequate provision will be made for the payment or discharge of such claims and demands within 60 days after the same shall accrue; provided, however, that nothing in this Section 6.11 shall require any such lien or charge to be paid or discharged or provision made therefor so long as the validity of such lien or charge shall be contested in good faith and by appropriate legal proceedings.

Section 6.12 Insurance. The Issuer, in its operation of the City Network, will self-insure or carry insurance, including, but not limited to, workmen's compensation insurance and public liability insurance, in such amounts and to such extent as is normally carried by others operating public utilities of the same type. In the event of loss or damage, insurance proceeds shall be used first for the purpose of restoring or replacing the property lost or damaged. Any remainder shall be paid into the Bond Fund.

Section 6.13 Instruments of Further Assurance. The Issuer and the Trustee mutually covenant that they will, from time to time, each upon the written request of the other, or upon the request of a Security Instrument Issuer or a Reserve Instrument Provider, execute and deliver such further instruments and take or cause to be taken such further actions as may be reasonable and as may be required by the other to carry out the purposes hereof; provided, however, that no such instruments or action shall involve any personal liability of the Trustee or members of the governing body of the Issuer or any official thereof.

Section 6.14 Covenant Not to Sell. The Issuer will not sell, lease, mortgage, encumber, or in any manner dispose of the City Network or any substantial part thereof, including any and all extensions and additions that may be made thereto, until all principal of and interest on the Bonds, and all Repayment Obligations, have been paid in full, except as follows:

(a) The Issuer may sell any portion of said property which shall have been replaced by other property of like kind and of at least equal value. The Issuer may sell, lease, abandon, mortgage, or otherwise dispose of any portion of the property which shall cease to be necessary for the efficient operation of the City Network the disposition of which will not, as reasonably determined by the governing body of the Issuer, result in a material reduction in Revenues in any year; and the value of which, as reasonably determined by the governing body of the Issuer (together with any other property similarly disposed of within the 12 calendar months preceding the proposed disposition) does not exceed 10% of the value of the City Network assets, provided, however, that in the event of any sale or lease as aforesaid, the proceeds of such sale or lease not needed to acquire other City Network property shall be paid into the Bond Fund.

(b) The Issuer may lease or make contracts or grant licenses for the operation of, or make arrangements for the use of, or grant easements or other rights with respect to, any part of the City Network, provided that any such lease, contract,

license, arrangement, easement or right does not impede the operation of the City Network; and any payment received by the Issuer under or in connection with any such lease, contract, license, arrangement, easement or right in respect of the City Network or any part thereof shall constitute Revenues.

Section 6.15 Billing Procedure. The Issuer shall submit billing for services rendered at least every month to persons who are liable for the payment of charges for such services, and shall require that each such bill be paid in full as a unit, and refuse to permit payment of a portion without payment of the remainder. Any bill not paid within thirty (30) days from the date it is mailed to the customer shall be deemed delinquent. The Issuer hereby agrees that if any bill remains delinquent for more than sixty (60) days, it will initiate procedures to cause all broadband utility service to the user concerned to be cut off immediately.

Section 6.16 Annual Budget. Prior to the beginning of each Fiscal Year the Issuer shall prepare and adopt a budget for the City Network for the next ensuing Fiscal Year. At the end of the first six months of each Fiscal Year, the Issuer shall review its budget for such Fiscal Year, and in the event actual Revenues, operation and maintenance expenses for the City Network or other requirements do not substantially correspond with such budget, the Issuer shall prepare an amended budget for the remainder of such Fiscal Year. The Issuer also may adopt at any time an amended budget for the remainder of the then current Fiscal Year.

ARTICLE VII

EVENTS OF DEFAULT; REMEDIES

Section 7.1 Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) if payment of any installment of interest on any of the Bonds shall not be made by or on behalf of the Issuer when the same shall become due and payable, or

(b) if payment of the principal of or the redemption premium, if any, on any of the Bonds shall not be made by or on behalf of the Issuer when the same shall become due and payable, either at maturity or by proceedings for redemption in advance of maturity or through failure to fulfill any payment to any fund hereunder or otherwise; or

(c) if the Issuer shall, in the reasonable opinion of any Registered Owner of not less than 50% in aggregate principal amount of the Bonds then Outstanding hereunder, for any reason be rendered incapable of fulfilling its obligations hereunder; or

(d) if an order or decree shall be entered, with the consent or acquiescence of the Issuer, appointing a receiver or custodian for any of the

Revenues of the Issuer, or approving a petition filed against the Issuer seeking reorganization of the Issuer under the federal bankruptcy laws or any other similar law or statute of the United States of America or any state thereof, or if any such order or decree, having been entered without the consent or acquiescence of the Issuer shall not be vacated or discharged or stayed on appeal within 30 days after the entry thereof; or

(e) if any proceeding shall be instituted, with the consent or acquiescence of the Issuer, for the purpose of effecting a composition between the Issuer and its creditors or for the purpose of adjusting the claims of such creditors pursuant to any federal or state statute now or hereafter enacted, if the claims of such creditors are or may be under any circumstances payable from Revenues; or

(f) if (i) the Issuer is adjudged insolvent by a court of competent jurisdiction, or (ii) an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the Issuer, a receiver, trustee or custodian of the Issuer or of the whole or any part of the Issuer's property and any of the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within 60 days from the date of entry thereof; or

(g) if the Issuer shall file a petition or answer seeking reorganization, relief or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof; or

(h) if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Issuer or of the whole or any substantial part of the property of the Issuer, and such custody or control shall not be terminated within 30 days from the date of assumption of such custody or control; or

(i) if the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds, or herein or any Supplemental Indenture hereof on the part of the Issuer to be performed, other than as set forth above in this Section 7.1, and such Default shall continue for 30 days after written notice specifying such Event of Default and requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Registered Owners of not less than 25% in aggregate Principal amount of the Bonds then Outstanding hereunder; or

(j) any event specified in a Supplemental Indenture as constituting an Event of Default.

Section 7.2 Remedies; Rights of Registered Owners. Upon the occurrence of an Event of Default, the Trustee, upon being indemnified pursuant to Section 8.1 hereof, may pursue any available remedy by suit at law or in equity to enforce the payment of the

principal of, premium, if any, and interest on the Bonds then Outstanding or to enforce any obligations of the Issuer hereunder.

If an Event of Default shall have occurred, and if requested so to do by (i) Registered Owners of not less than 25% in aggregate Principal amount of the Bonds then Outstanding, (ii) Security Instrument Issuers at that time providing Security Instruments which are in full force and effect and not in default on any payment obligation and which secure not less than 25% in aggregate Principal amount of Bonds at the time Outstanding, or (iii) any combination of Registered Owners and Security Instrument Issuers described in (i) and (ii) above representing not less than 25% in aggregate Principal amount of Bonds at the time Outstanding, and if indemnified as provided in Section 8.1 hereof, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Section 7.2 as the Trustee, being advised by counsel, shall deem most expedient in the interest of the Registered Owners and the Security Instrument Issuers.

No remedy by the terms hereof conferred upon or reserved to the Trustee (or to the Registered Owners or to the Security Instrument Issuers) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the Registered Owners or the Security Instrument Issuers or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any Event of Default or acquiescence therein; and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any Event of Default hereunder, whether by the Trustee or by the Registered Owners or the Security Instrument Issuers, shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

Section 7.3 Right of Registered Owners to Direct Proceedings. Anything herein to the contrary notwithstanding, unless a Supplemental Indenture provides otherwise, either (i) the Registered Owners of a majority in aggregate Principal amount of the Bonds then Outstanding, (ii) the Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and not in default on any payment obligation and which secure not less than 50% in aggregate Principal amount of Bonds at the time Outstanding, or (iii) any combination of Registered Owners and Security Instrument Issuers described in (i) and (ii) above representing not less than 50% in aggregate Principal amount of Bonds at the time Outstanding, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions hereof, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 7.4 Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article VII shall,

after payment of Trustee's fees and expenses including the fees and expenses of its counsel for the proceedings resulting in the collection of such moneys and of the expenses and liabilities and advances incurred or made by the Trustee and any other outstanding fees and expenses of the Trustee relating to its duties under this Indenture, be deposited in the Bond Fund and all moneys so deposited in the Bond Fund shall be applied in the following order:

(a) To the payment of the principal of, premium, if any, and interest then due and payable on the Bonds and the Security Instrument Repayment Obligations as follows:

(i) Unless the Principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST—To the payment to the persons entitled thereto of all installments of interest then due on the Bonds and the interest component of any Security Instrument Repayment Obligations then due, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege; and

SECOND—To the payment to the persons entitled thereto of the unpaid Principal of and premium, if any, on the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions hereof), in the order of their due dates, and the Principal component of any Security Instrument Repayment Obligations then due, and, if the amount available shall not be sufficient to pay in full all the Bonds and the Principal component of any Security Instrument Repayment Obligations due on any particular date, then to the payment ratably, according to the amount of Principal due on such date, to the persons entitled thereto without any discrimination or privilege.

(ii) If the principal of all the Bonds shall have become due and payable, all such moneys shall be applied to the payment of the Principal and interest then due and unpaid upon the Bonds and Security Instrument Repayment Obligations, without preference or priority of Principal over interest or of interest over Principal, or of any installment of interest over any other installment of interest, or of any Bond or Security Instrument Repayment Obligation over any other Bond or Security Instrument Repayment Obligation, ratably, according to the amounts due respectively for Principal and interest, to the persons entitled thereto without any discrimination or privilege.

(b) To the payment of all obligations owed to all Reserve Instrument Providers, ratably, according to the amounts due without any discrimination or preference under any applicable agreement related to any Reserve Instrument Agreement.

Whenever moneys are to be applied pursuant to the provisions of this Section 7.4, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amounts of such moneys available for such application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal paid on such dates shall cease to accrue.

Section 7.5 Remedies Vested in Trustee. All rights of action (including the right to file proof of claims) hereunder or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings related thereto and any such suit or proceedings instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Registered Owners of the Bonds, and any recovery of judgment shall be for the equal benefit of the Registered Owners of the Outstanding Bonds.

Section 7.6 Rights and Remedies of Registered Owners. Except as provided in the last sentence of this Section 7.6, no Registered Owner of any Bond or Security Instrument Issuer shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement hereof or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless an Event of Default has occurred of which the Trustee has been notified as provided in Section 8.1(g), or of which by said Section it is deemed to have notice, nor unless also Registered Owners of 25% in aggregate principal amount of the Bonds then Outstanding or Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and are not in default on any payment obligation and which secure not less than 25% in aggregate principal amount of Bonds at the time Outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinabove granted, or to institute such action, suit or proceeding in its own name or names. Such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trust hereof, and to any action or cause of action for the enforcement hereof, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more Registered Owner of the Bonds or Security Instrument Issuer shall have any right in any manner whatsoever to affect, disturb or prejudice the lien hereof by its action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Registered Owners of all Bonds then Outstanding and all Security Instrument Issuers at the time providing Security Instruments. Nothing herein contained shall, however, affect or impair the right of any Registered Owner or Security Instrument Issuer to enforce the covenants of the Issuer to pay the principal of, premium, if any, and interest on each of the Bonds issued hereunder held by such Registered Owner and Security Instrument Repayment Obligations at the time, place, from the source and in the manner in said Bonds or Security Instrument Repayment Obligations expressed.

Section 7.7 Termination of Proceedings. In case the Trustee, any Registered Owner or any Security Instrument Issuer shall have proceeded to enforce any right hereunder by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, the Registered Owner, or Security Instrument Issuer, then and in every such case the Issuer and the Trustee shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.8 Waivers of Events of Default. Subject to Section 8.1(g) hereof, the Trustee may in its discretion, waive any Event of Default hereunder and its consequences and shall do so upon the written request of the Registered Owners of (a) a majority in aggregate Principal amount of all the Bonds then Outstanding or Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and are not in default on any payment obligation and which secure not less than 50% in aggregate Principal amount of Bonds at the time Outstanding in respect of which an Event of Default in the payment of principal and interest exist, or (b) a majority in aggregate principal amount of the Bonds then Outstanding or Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and are not in default on any payment obligation and which secure not less than 50% in aggregate Principal amount of Bonds at the time Outstanding in the case of any other Event of Default; provided, however, that there shall not be waived (i) any default in the payment of the principal of any Bonds at the date that a Principal Installment is due, or (ii) any default in the payment when due of the interest on any such Bonds, unless prior to such waiver or rescission, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such Event of Default shall have occurred on overdue installments of interest and all arrears of payments of principal and premium, if any, when due and all expenses of the Trustee, in connection with such Event of Default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee, the Registered Owners and the Security Instrument Issuers shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 7.9 Cooperation of Issuer. In the case of any Event of Default hereunder, the Issuer shall cooperate with the Trustee and use its best efforts to protect the Registered Owners, Reserve Instrument Providers and the Security Instrument Issuers.

ARTICLE VIII

THE TRUSTEE

Section 8.1 Acceptance of the Trusts. The Trustee accepts the trusts imposed upon it hereby, and agrees to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee may execute any of the trusts or powers thereof and perform any of its duties by or through attorneys, agents, receivers or employees and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of counsel. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer; but the Trustee may require of the Issuer full information and advice as to the performance of the covenants, conditions and agreements aforesaid and as to the condition of the property herein conveyed. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions hereof. The Trustee shall have no responsibility with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the Bonds.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder, except as specifically set forth herein. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant hereto upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Registered Owner of any Bond, shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer by an Authorized Representative as sufficient evidence of the facts therein contained and prior to the occurrence of an Event of Default of which the Trustee has been notified as provided in Section 8.1(g) herein, or of which by said Paragraph it is deemed to

have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of an Authorized Representative of the Issuer under its seal to the effect that a resolution in the form therein set forth has been adopted by the Issuer as conclusive evidence that such resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated herein shall not be construed as a duty and the Trustee shall not be answerable for other than its gross negligence or willful misconduct.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder, except an Event of Default described in Section 7.1(a) or (b), unless the Trustee shall be specifically notified in writing of such Default by the Issuer, a Security Instrument Issuer or by the Registered Owners of at least 25% in the aggregate principal amount of any Series of the Bonds then Outstanding and all notices or other instruments required hereby to be delivered to the Trustee must, in order to be effective, be delivered at the Corporate Trust Office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no Event of Default except as aforesaid.

(h) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect all books, papers and records of the Issuer pertaining to the Bonds, and to take such memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(j) Notwithstanding anything elsewhere herein contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview hereof, any showing, certificates, opinions, appraisals, or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(k) All moneys received by the Trustee or any Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(l) If any Event of Default hereunder shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it hereby and shall use the same degree of care as a prudent man would exercise or use in the circumstances in the conduct of his own affairs.

(m) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Registered Owners, Security Instrument Issuers or Reserve Instrument Providers, pursuant to the provisions of this Indenture, unless such Registered Owners, Security Instrument Issuers or Reserve Instrument Providers shall have offered to the Trustee security or indemnity acceptable to the Trustee against the costs, expenses and liabilities which may be incurred therein or thereby.

(n) The Trustee shall not be required to expend, advance, or risk its own funds or incur any financial liability in the performance of its duties or in the exercise of any of its rights or powers.

Section 8.2 Fees, Charges and Expenses of Trustee. The Trustee shall be entitled to payment and/or reimbursement for reasonable fees for its services rendered as Trustee hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as Paying Agent and Registrar for the Bonds as hereinabove provided. Upon an Event of Default, but only upon an Event of Default, the Trustee shall have a right of payment prior to payment on account of interest or principal of, or premium, if any, on any Bond for the foregoing advances, fees, costs and expenses incurred. The Trustee's rights under this Section 8.2 will not terminate upon its resignation or removal or upon payment of the Bonds and discharge of the Indenture.

Section 8.3 Notice to Registered Owners if Event of Default Occurs. If an Event of Default occurs of which the Trustee is by Section 8.1(g) hereof required to take notice or if notice of an Event of Default be given to the Trustee as in said Section provided, then the Trustee shall give written notice thereof by registered or certified mail or sent by facsimile to all Security Instrument Issuers or to Registered Owners of all Bonds then Outstanding shown on the registration books of the Bonds kept by the Trustee as Registrar for the Bonds, as applicable.

Section 8.4 Intervention by Trustee. In any judicial proceeding to which the Issuer is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interest of Registered Owners of the Bonds, the Trustee may intervene on behalf of such Owners and shall do so if requested in writing by the Registered Owners of at least 25% in aggregate principal amount of the Bonds then Outstanding. The rights and obligations of the Trustee under this Section 8.4 are subject to the approval of a court of competent jurisdiction.

Section 8.5 Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it

may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed of conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6 Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving written notice to the Issuer, served personally or by registered or certified mail, and by registered or certified mail to each Reserve Instrument Issuer, Security Instrument Issuer and Registered Owner of Bonds then Outstanding, and such resignation shall take effect upon the appointment of and acceptance by a successor Trustee by the Registered Owners or by the Issuer as provided in Section 8.8 hereof; provided, however that if no successor Trustee has been appointed within 60 days of the date of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice, if any, as it deems proper and prescribes, appoint a successor Trustee.

Section 8.7 Removal of the Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments (i) in writing delivered to the Trustee, and signed by the Issuer, unless there exists any Event of Default, or (ii) in writing delivered to the Trustee and the Issuer, and signed by the Registered Owners of a majority in aggregate Principal amount of Bonds then Outstanding if an Event of Default exists; provided that such instrument or instruments concurrently appoint a successor Trustee meeting the qualifications set forth herein.

Section 8.8 Appointment of Successor Trustee; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Issuer (or, if an Event of Default exists, by the Registered Owners of a majority in aggregate principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing signed by such Owners, or by their attorneys in fact, duly authorized; provided, nevertheless, that in case of such vacancy the Issuer by an instrument executed by an Authorized Representative under its seal, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Registered Owners in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Registered Owners). Every successor Trustee appointed pursuant to the provisions of this Section 8.8 or otherwise shall be a trust company or bank in good standing having a reported capital and surplus of not less than \$50,000,000.

Each Reserve Instrument Provider and Security Instrument Issuer shall be notified by the Issuer immediately upon the resignation or termination of the Trustee and provided with a list of candidates for the office of successor Trustee.

Section 8.9 Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of the successor Trustee, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article VIII shall be filed or recorded by the successor Trustee in each recording office, if any, where the Indenture shall have been filed and/or recorded.

Section 8.10 Trustee Protected in Relying Upon Indenture, Etc. The indentures, opinions, certificates and other instruments provided for herein may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

Section 8.11 Successor Trustee as Trustee, Paying Agent and Bond Registrar. In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or been removed shall cease to be Trustee hereunder and Registrar for the Bonds and Paying Agent for principal of, premium, if any, and interest on the Bonds, and the successor Trustee shall become such Trustee, Registrar and Paying Agent for the Bonds.

Section 8.12 Trust Estate May Be Vested in Separate or Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation hereunder, and in particular in case of the enforcement of remedies on Event of Default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights, or remedies herein granted to the Trustee or hold title to the trust estate, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate or co-trustee. The following provisions of this Section 8.12 are adapted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended hereby to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vested in such separate or co-trustee, but only to the extent necessary to enable the separate or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

Should any deed, conveyance or instrument in writing from the Issuer be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments in writing shall, on request of such trustee or co-trustee, be executed, acknowledged and delivered by the Issuer. In case any separate trustee or co-trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

Section 8.13 Annual Accounting. The Trustee shall prepare an annual accounting for each Bond Fund Year by the end of the month following each such Bond Fund Year showing in reasonable detail all financial transactions relating to the funds and accounts held by the Trustee hereunder during the accounting period and the balance in any funds or accounts created hereby as of the beginning and close of such accounting period, and shall mail the same to the Issuer, and to each Reserve Instrument Provider requesting the same. On or before the end of the month following each Bond Fund Year, the Trustee shall, upon written request, provide to the Issuer and the Issuer's independent auditor representations as to the accuracy of the facts contained in the financial reports concerning the transactions described herein that were delivered by the Trustee during the Bond Fund Year just ended.

Section 8.14 Indemnification. To the extent permitted by law and subject to the provisions of Section 8.1(a) of this Indenture, the Issuer shall indemnify and save Trustee harmless against any liabilities it may incur in the exercise and performance of its powers and duties hereunder, other than those due to its own negligence or willful misconduct. The indemnification provided to the Trustee under this Section 8.14 will not terminate upon its resignation or removal or upon payment of the Bonds and discharge of the Indenture.

Section 8.15 Trustee's Right to Own and Deal in Bonds. The bank or trust company acting as Trustee under this Indenture, and its directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the Bonds issued hereunder and secured by this Indenture, and may join in any action which any Bondholder may be entitled to take with like effect as if such bank or trust company were not the Trustee under this Indenture.

Section 8.16 Direct Payment Authorization. The Issuer hereby authorizes and directs the Trustee to take all necessary actions, if applicable, to effectively carry out the duties required to apply for and accept Direct Payments from the Internal Revenue Service on behalf of the Issuer under Sections 54AA and 6431 of the Code or such other tax provisions of substantially similar nature which may be hereafter authorized, including, but not limited to, filing and signing IRS Form 8038-CP, receiving the Direct Payment on the Issuer's behalf, and using such Direct Payment to pay Debt Service on the Bonds. For fixed rate bonds, the Trustee shall file the 8038-CP at least 60 days (but not more than 90 days) before the relevant Interest Payment Date (unless otherwise directed by a change in regulations). For variable rate bonds, the Trustee shall file the 8038-CP for reimbursements in arrears within 25 days after the last Interest Payment Date within the quarterly period for which reimbursement is being requested (unless otherwise directed by a change in regulations). The Issuer hereby covenants that it will deposit the Direct Payments with the Trustee for use in paying Debt Service on the Bonds.

ARTICLE IX

(f) To make any change which shall not materially adversely affect (determined as if there were no Security Instrument in place) the rights or interests of the Owners of any Outstanding Bonds, any Security Instrument Issuers or any Reserve Instrument Provider, requested or approved by a Rating Agency in order to obtain or maintain any rating on the Bonds or requested or approved by a Security Instrument Issuer or Reserve Instrument Provider in order to insure or provide other security for any Bonds;

(g) To make any change necessary (A) to establish or maintain the excludability from gross income for federal income tax purposes of interest on any Series of Bonds as a result of any modifications or amendments to Section 148 of the Code or interpretations by the Internal Revenue Service of Section 148 of the Code or of regulations proposed or promulgated thereunder, or (B) to comply with the provisions of Section 148(f) of the Code, including provisions for the payment of all or a portion of the investment earnings of any of the Funds established hereunder to the United States of America or (C) to establish or maintain the Direct Payments related to any Series of Bonds;

(h) If the Bonds affected by any change are rated by a Rating Agency, to make any change which does not result in a reduction of the rating applicable to any of the Bonds so affected, provided that if any of the Bonds so affected are secured by a Security Instrument, such change must be approved in writing by the related Security Instrument Issuer;

(i) If the Bonds affected by any change are secured by a Security Instrument, to make any change approved in writing by the related Security Instrument Issuer, provided that if any of the Bonds so affected are rated by a Rating Agency, such change shall not result in a reduction of the rating applicable to any of the Bonds so affected;

(j) Unless otherwise provided by a Supplemental Indenture authorizing a Series of Bonds, the designation of the facilities to constitute a Project by such Supplemental Indenture may be modified or amended if the Issuer delivers to the Trustee (1) a Supplemental Indenture designating the facilities to comprise the Project, (2) an opinion of Bond Counsel to the effect that such amendment will not adversely affect the tax-exempt status (if applicable) or validity of the Bonds and (3) a certificate of the Issuer to the effect that such amendment will not adversely affect the Issuer's ability to comply with the provisions of the Indenture; and

(k) To correct any references contained herein to provisions of the Act, the Code or other applicable provisions of law that have been amended so that the references herein are correct.

Section 9.2 Supplemental Indentures Requiring Consent of Registered Owners and Reserve Instrument Providers; Waivers and Consents by Registered Owners. Exclusive of Supplemental Indentures covered by Section 9.1 hereof and subject to the terms and provisions contained in this Section 9.2, and not otherwise, the Registered

Owners of 66 2/3% in aggregate Principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained herein to the contrary notwithstanding, to (i) consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained herein or in any Supplemental Indenture, or (ii) waive or consent to the taking by the Issuer of any action prohibited, or the omission by the Issuer of the taking of any action required, by any of the provisions hereof or of any indenture supplemental hereto; provided, however, that nothing in this Section 9.2 contained shall permit or be construed as permitting (a) an extension of the date that a Principal Installment is due at maturity or mandatory redemption or reduction in the principal amount of, or reduction in the rate of or extension of the time of paying of interest on, or reduction of any premium payable on the redemption of, any Bond, without the consent of the Registered Owner of such Bond, or (b) a reduction in the amount or extension of the time of any payment required by any Fund established hereunder applicable to any Bonds without the consent of the Registered Owners of all the Bonds which would be affected by the action to be taken, or (c) a reduction in the aforesaid aggregate principal amount of Bonds, the Registered Owners of which are required to consent to any such waiver or Supplemental Indenture, or (d) affect the rights of the Registered Owners of less than all Bonds then outstanding, without the consent of the Registered Owners of all the Bonds at the time Outstanding which would be affected by the action to be taken. In addition, no supplement hereto shall modify the rights, duties or immunities of the Trustee, without the written consent of the Trustee. If a Security Instrument or a Reserve Instrument is in effect with respect to any Series of Bonds Outstanding and if a proposed modification or amendment would affect such Series of Bonds, then, except as provided in Section 9.1 hereof, neither this Indenture nor any Supplemental Indenture with respect to such Series of Bonds shall be modified or amended at any time without the prior written consent of the related Security Instrument Issuer or Reserve Instrument Provider, as applicable.

If at any time the Issuer shall request the Trustee to enter into any such Supplemental Indenture for any of the purposes of this Section 9.2, the Trustee, shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such Supplemental Indenture to be given by registered or certified mail to the Bondholder of each Bond shown by the list of Bondholders required by the terms of Section 2.6 hereof to be kept at the office of the Trustee. Such notices shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Corporate Trust Office of the Trustee for inspection by all Bondholders. At the time such notices are mailed by the Trustee, the Issuer may, but is not required to, designate a reasonable time period for receipt of such consents and shall include such requirement in the notices sent to the Bondholders. If the Bondholders of not less than 66 2/3% in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the

execution of any such Supplemental Indenture as is in this Article IX permitted and provided, the Indenture shall be and be deemed to be modified and amended in accordance therewith.

Section 9.3 Opinion of Counsel as to Supplemental Indenture. In executing any Supplemental Indenture, the Trustee shall receive and will be fully protected in conclusively relying upon an opinion of counsel stating that the execution of such Supplemental Indenture is authorized or permitted by this Indenture and is the legal, valid and binding obligation of the Issuer, enforceable against it in accordance with its terms.

ARTICLE X

DISCHARGE OF INDENTURE

If the Issuer shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made, to or for the Registered Owners of the Bonds, the principal of and interest due or to become due thereon at the times and in the manner stipulated therein, and shall pay or cause to be paid to the Trustee all sums of moneys due or to become due according to the provisions hereof, and to all Security Instrument Issuers and all Reserve Instrument Providers all sums of money due or to become due according to the provisions of any Security Instrument Agreements, Reserve Instrument Agreements, as applicable, then these presents and the estate and rights hereby granted shall cease, terminate and be void, whereupon the Trustee shall cancel and discharge the lien hereof, and release, assign and deliver unto the Issuer any and all the estate, right, title and interest in and to any and all rights assigned or pledged to the Trustee, held by the Trustee, or otherwise subject to the lien hereof, except moneys or securities held by the Trustee for the payment of the principal of and interest on the Bonds, the payment of amounts pursuant to any Security Instrument Agreements or the payment of amounts pursuant to any Reserve Instrument Agreements.

Any Bond shall be deemed to be paid within the meaning of this Article X when payment of the principal of such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided herein, or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided by irrevocably depositing with or for the benefit of the Trustee, in trust and irrevocably setting aside exclusively for such payment, (i) moneys sufficient to make such payment, or (ii) Direct Obligations, maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee and any paying agent pertaining to the Bond with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee. At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits hereof, except for the purposes of any such payment from such moneys or Direct Obligations.

Any discharge of the lien of the Indenture shall also be subject to any applicable terms of a related Supplemental Indenture.

Notwithstanding the foregoing, in the case of Bonds, which by their terms may be redeemed prior to their stated maturity, no deposit under the immediately preceding Paragraph shall be deemed a payment of such Bonds as aforesaid until the Issuer shall have given the Trustee, in form satisfactory to the Trustee, irrevocable instructions:

(a) stating the date when the principal of each such Bond is to be paid, whether at maturity or on a redemption date (which shall be any redemption date permitted hereby);

(b) directing the Trustee to call for redemption pursuant hereto any Bonds to be redeemed prior to maturity pursuant to the provisions of this Indenture; and

(c) if the Bonds to be redeemed will not be redeemed within 90 days of such deposit, directing the Trustee to mail, as soon as practicable, in the manner prescribed by Article II hereof, a notice to the Registered Owners of such Bonds and to each related Security Instrument Issuer that the deposit required by this Article X has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Article X and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price, if applicable, on said Bonds as specified in Subparagraph (a) above.

Any moneys so deposited with the Trustee as provided in this Article X may at the direction of the Issuer also be invested and reinvested in Direct Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Direct Obligations in the hands of the Trustee pursuant to this Article X which is not required for the payment of the Bonds and interest thereon with respect to which such moneys shall have been so deposited, shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in that fund; provided, however, that before any excess moneys shall be deposited in the Bond Fund, the Trustee shall first obtain a written verification from a certified public accountant that the moneys remaining on deposit with the Trustee and invested in Direct Obligations after such transfer to the Bond Fund shall be sufficient in amount to pay principal and interest on the Bonds when due and payable.

Notwithstanding any provision of any other Article hereof which may be contrary to the provisions of this Article X, all moneys or Direct Obligations set aside and held in trust pursuant to the provisions of this Article X for the payment of Bonds (including interest thereon) shall be applied to and used solely for the payment of the particular Bonds (including interest thereon) with respect to which such moneys or Direct Obligations have been so set aside in trust.

Anything in Article IX hereof to the contrary notwithstanding, if moneys or Direct Obligations have been deposited or set aside with the Trustee pursuant to this Article X for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Article X shall be made without the consent of the Registered Owner of each Bond affected thereby.

ARTICLE XI
