The Covid19 pandemic continues and holding in-person meetings pose a substantial risk to the health and safety of participants and the public. Therefore, pursuant to Utah Code Section [52-4-207\(4\)](#), as chair of the State Records Committee, I have determined that the State Records Committee will be held electronically and telephonically without an anchor location. The public may monitor the meeting and those who wish to provide third-party comments to hearings may submit a request by contacting the Executive Secretary at SRCsecretary@utah.gov.
