Letter of Determination of the Chair of the Board of the Central Wasatch Commission Concerning Electronic Meeting Anchor Location

PURSUANT TO UTAH CODE ANN. 52-4-207(4), I, as the Chair of the Board of Commissioners (the "Board") of the Central Wasatch Commission, hereby determine that conducting Board meetings at any time during the next 30 days at an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. The World Health Organization, The President of the United States, The Governor of Utah, and the Salt Lake County Mayor and Health Department, have all recognized that a global pandemic exists related to the new strain of the coronavirus, SARS-CoV-2 (COVID-19)

Due to the nature of emergency caused by the global pandemic, I find that conducting a meeting at an anchor location under the current state of public health emergency constitutes a substantial risk to the health and safety of those who may be present at the location. According to information from state epidemiology experts, Utah is currently in an acceleration phase, which has the potential to overwhelm the state's healthcare system.

At each meeting of the Central Wasatch Commission Board, any person wishing to comment on any item not otherwise on the agenda for public comment may address the Board during the Public Comment period. Any person wishing to comment during the public comment period shall request recognition by the meeting Chair by completing and submitting a public comment card before the meeting commences and, upon recognition, approach the microphone, state their name and identify any person or group they are representing, and then address the Chair.
