Public Notice is hereby given that this meeting will occur electronically without an anchor location in accordance with Utah Code 52-4-207(4), due to infectious disease COVID-19 Novel Coronavirus. The Diversity and Inclusion Task Force Chair has determined that conducting a meeting with an anchor location presents substantial risk to the health and safety of those who may be present at the anchor location because physical distancing measures may be difficult to maintain in the Murray City Council Chambers. Open and Public Meeting Act
Utah State Code 52-4-207(4)
May 1, 2021

In accordance with, Utah Code 52-4-207(4), due to infectious disease COVID-19 Novel Coronavirus, I have determined that meeting in an anchor location presents substantial risk to the health and safety of those who may be present at the anchor location because physical distancing measures may be difficult to maintain in the Murray City Council Chambers.

Federal, state and local leaders have all acknowledged the global pandemic. Salt Lake County Public Health Order 2020-15 dated October 26, 2020, recognizes that COVID-19 is a contagion that spreads from person to person and poses a continuing and immediate threat to the public health of Salt Lake County residents.

It is my intent to safeguard the lives of Murray residents, business owners, employees and elected officials by meeting remotely through electronic means without an anchor location.
